EPISCOPAL GREETINGS

For First Day of Alabama-West Florida Conference

The occasion of a session of an Annual Conference is an exciting event in the life of both the clergy and laity of our denomination. In such a setting a special aura is always present, friendships are celebrated, ministry is noted, worship is experienced, a great church is at work and new beginnings are anticipated.

It is my happy privilege to greet the people of the Alabama-West Florida Annual Conference, and, as resident bishop, to serve as presiding officer for the 1989 Annual Conference.

Outstanding leaders of our United Methodist Church will be among us to teach us His word, to inform and inspire ordinands, and to proclaim the riches of His Gospel.

In a spirit of goodwill and with affection for one another, we shall note the privilege of our stewardship and launch our plans for a Year of Evangelism in 1990.

Let us bring our sincere prayers and eager spirits to assure an Annual Conference of meaning and motivation.

C.W. Hancock

Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

— The Conference Secretary

Symbols used *before* each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); F—Full Time; LP—Local Pastor; PM—Probationary Member; P—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference, ROM—Retired Member, Other Conference.

The minister's spouse's name is listed in parentheses following the minister's name.

H: designates Home phone number; O: Office phone number.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and LFS (Less than Full Service)—Part Time Minister (one who has other employment); LP-NA—Local Pastor with no appointment. *—No Record of Attendance at Annual Conference.

NOTE—Beginning in 1983, the service years listed with each person are “years under appointment” until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Conference Staff member assigned to the Board of Pensions.

Division VIII — Reports Of Boards And Agencies

BOARD OF ORDAINED MINISTRY

Report No. 1

The duties of the Annual Conference Board of Ordained Ministry are a serious charge and responsibility. All the duties have as the ultimate goal the provision of enough effective and competent ministers to serve the churches of this conference. Most of the work and time of the Board involves fulfilling the duty of Paragraph 733.2 (q) "To examine all applicants as to their fitness for the ordained ministry and make full inquiry as to the fitness of the candidate for: (1) annual election as local pastor; (2) election to associate membership; (3) election to probationary membership; (4) election to full conference membership."

The Board has worked hard this conference year. It has worked over sixty hours. One necessary task was to organize and to train the Board for the new quadrennium. There were over thirty legislative changes relating to ministry in the new *Discipline*. The officers and registrars of the Board attended a training event sponsored by the Division of Ordained Ministry of the General Board of Higher Education and Ministry.

One of the significant changes was the process of moving from AM status to PM through the "exceptional promise" route. The new legislation speaks of "promise for effective ministry." The guidelines adopted by this annual conference are attached to this report.

Another area that is requiring considerable attention is the matter of evaluation of "effectiveness in ministry." The Board has a committee assigned to work with the Bishop and the Cabinet in this endeavor (The General Church has a Task Group working as well).

The Reporting of Continuing Education has changed. It is no longer to be done through Huntingdon College. The Reverend Donald Brill, Conference Council on Ministries staff, is the Chairperson of this committee and he will direct the program through the Conference Headquarters. A report outlining requirements and process of record-keeping is included.

A committee of the Board has revised the handbook, "So You Want To Be A United Methodist Minister." This handbook gives all the necessary information needed for an inquiring candidate through the process to an ordained elder in full connection. These will be placed in the hands of each District Superintendent and will be available to each local pastor/charge.

The administration of several trust and scholarship funds is the responsibility of the Board. Included are guidelines for scholarships and loans. The support to the Ministerial Education Fund (included in Conference apportionments to each local church) is vital. The Board encourages each charge to pay this in full.

The Board seeks to maintain the covenant the ministers and laity have with each other. It strives for accountability and it insures support. It is a difficult task, and the Board covets the prayers of all our people.

Gerald A. Shelton, Chairperson

Report No. 2

GUIDELINES FOR "PROMISE FOR EFFECTIVE MINISTRY"

"Promise for effective ministry," as provided for in Paragraph 416 of the 1988 *Book of Discipline* as a basis for advancing from Associate Membership into Probationary Membership in this Conference shall refer to the Associate Member's performance in **ALL aspects of ministry**.

The candidate must display "promise for effective ministry" in each of the following areas: Preaching, worship, leadership, pastoral care and counseling, evangelism, and program development and implementation.

In order for a person to be eligible to be considered for Probationary Membership by "promise for effective ministry" by Paragraph 416 in the 1988 *Book of Discipline*, such consideration **must be initiated** by his or her District Superintendent (**not** by the candidate

him/herself.) The District Superintendent must provide in writing to the Board of Ordained Ministry proof of the candidate's "promise for effective ministry."

No one will be considered for "effective promise" who has been an Associate Member for less than five (5) years. The Associate Member must have excellent evaluations for each year of that five year period.

Before the Cabinet recommends an Associate Member for "Promise for effective ministry," the Cabinet will consult with the Executive Committee of the Board of Ordained Ministry concerning the proposed nominees. The Cabinet's nominations must then be forwarded to the Board of Ordained Ministry concerning the proposed nominees. The Cabinet's nominations must then be forwarded to the Board of Ordained Ministry no later than December 1 in order to be considered at the following Annual Conference.

(Adopted by a joint session of the Cabinet
And the Board of Ordained Ministry,
The Alabama-West Florida Annual Conference,
March 23, 1988)

Report No. 3 — GUIDELINES FOR SCHOLARSHIPS AND LOANS

 1. All applicants must be related to a Charge Conference in the Alabama West-Florida Conference.
 2. All applicants must be enrolled in the candidacy program or be enrolled in seminary or graduate school working toward the Master of Divinity degree or its equivalent. No application will be considered beyond the first year of seminary or graduate school without a Certificate of Candidacy for Ordained Ministry or Diaconal Ministry.
 3. All applicants must maintain a "C" average to be eligible for additional loans the following year.
- B. The Scholarships and Loan Committee may consider loans and grants in maximum amounts as follows:
 1. Seminarian or graduate school student — \$1,600.00 per school year.
 2. Grants for the Course of Study School and Foundational Studies — \$400.00 per school year.
 3. The Committee may exceed these limits in cases of extreme need or an emergency upon written request from the student and recommendation from his/her District Superintendent.
 4. The maximum any applicant may receive for seminary or graduate school shall be \$5,400.00.
- C. Priorities:
 1. Ministerial Education Student Loans.
 2. Grants for Course of Study School and Foundational Studies.
 3. Scholarships in Continuing Education.
- D. No loans or grants will be made for training beyond the Master of Divinity degree or Master's degree in field of studies for Diaconal relationship. Any student enrolled in the Doctor of Ministry program in lieu of the Master of Divinity or Master for Diaconal program may choose to have his/her loan extended over 8 academic semesters (4 years) instead of the usual 6 semesters (3 years), provided that the total loan does not exceed the maximum \$5,400.00.
- E. Criteria for approving applications for loans:
 1. The maximum scale adopted by our Conference Committee on Ordained Ministry.
 2. The recommendations of the seminary or graduate school and District Superintendent.
 3. The resources available in the Ministerial Education Fund.
 4. Applications for loans must be in the hands of our committee chairperson by August 1.
- F. Repayment of loans. Loans may be repaid in one of these two methods:
 1. Through giving one year of service (for each year of scholarship loan) in our Conference, under the appointment of the Bishop or under service appointments, after having met the requirements for full connection or consecration. Appointment as a student while studying for a professional degree beyond Master of Divinity degree, or as an intern working toward certification is not accepted as full service.

2. By repaying loan in cash or through regular payments of no less than \$200.00 per year plus 3% interest, should the applicant fail to meet the requirement of one year's service for each year of loan as a full member of the Alabama-West Florida Conference or as a consecrated Diaconal Minister. Applicants who transfer to other Annual Conferences before the requirement is met, must make arrangements for repaying loans before the transfer — either by themselves, or by the Annual Conference to which they transfer. Payments by other Annual Conferences may be made in full, or at the rate of \$500 per year.

Fred Fuller, Chairperson

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry completes its thirteenth year and continues to be responsible for diaconal ministers and those who have professional certification within the bounds of the Alabama-West Florida Conference. This year there are 22 diaconal ministers and two more recommended for consecration at this annual conference. There are 16 certified Christian educators and seven certified church musicians for which our board is responsible. Two more who have completed certification requirements this year will receive their certificates during annual conference. The Registrar for Consecration Candidacy and the Registrar for Professional Certification have done a commendable job in keeping accurate records on the fulfillment of candidate responsibilities.

The *Discipline* requires psychological assessment of all diaconal ministry candidates be accomplished during the first year of candidacy. Although different in some conferences, candidates for diaconal ministry and for ordained ministry in the Alabama-West Florida Conference use the same assessment program.

The Division of Diaconal Ministry recommends that candidates complete studies exploring spiritual, professional, academic, and personal potential for ministry. With rare exception, candidates recommended by the Board of Diaconal Ministry for consecration must have received a bachelor's degree, completed a master's degree or academic requirements for professional certification, and completed graduate studies in Old Testament, New Testament, theology, church history, Methodist doctrine and polity, and mission of the church in the contemporary world.

Diaconal ministers trained as mentors guide all candidates through the completion of candidacy journals for determining gifts and promise for ministry. The mentors have a heavy workload and are providing commendable service as the number of candidates continues to increase.

Every two years the Board of Ordained Ministry and Board of Diaconal Ministry co-sponsor a Multi-Staff Seminar for existing staffs. This seminar was held at Blue Lake on February 28 and March 1, 1989. The Reverend Dr. John Galloway and The Reverend Danny Doss were our resource persons and led us through an excellent training event. Staffs from participating churches learned how to utilize individual personality strengths to enhance team ministry.

On the recommendation of Bishop Hancock and the Conference Council on Ministries, the Board of Diaconal Ministry is participating with the Committee on Career/Life Planning, the Board of Ordained Ministry, and the Conference Council on Youth Ministries to form a Task Force on Church-Related Vocations. There is a real pressing need in our conference for recruitment of persons to church-related vocations. The purpose of the task force is to plan strategies to encourage our youth and young adults to respond to God's call.

We ask for the prayers of the people of this annual conference as we strive to fulfill our board responsibilities to nurture, support, and assist persons called into Christ's service.

COUNCIL ON MINISTRIES

Report No. 1

The 1988-89 Conference Year has been a time of new beginnings for the Conference Council on Ministries. We have experienced new beginnings in the areas of program and personnel. With the beginning of the new quadrennium has come the new and exciting theme, "Celebrate God's Grace and Witness for Jesus Christ!"

With the moving of the camping program from the Conference Council Office to Blue Lake, the Executive Director of Blue Lake is now also the Director of Camping. Working with him will be an Associate Director of Blue Lake and Camping. This move has enabled us to reduce the CCOM staff by one-half staff position, which we believe to be a practice of good stewardship.

In addition to the appointment of a new Council Director and one new Associate Director to the program staff at the 1988 Annual Conference, a new secretary, Debbie Coleman, joined the support staff in September of 1988. Debbie was employed to fill the vacancy left when Jean Bush moved to another area of the state.

With the beginning of the new quadrennium has come the reorganization of the program boards and agencies of the Conference Council on Ministries. There are new faces, talents, ideas and officers within the Conference Council and its program boards and agencies. The Rev. Jerry Dooling is the CCOM Chair, Mrs. Clara Turner, the vice-chair, and the Rev. Gary Miller, secretary.

In the midst of all the new beginnings, we would be remiss not to acknowledge the debt of gratitude the CCOM and the entire Annual Conference owe to: Dr. Roy T. Sublette, the immediate past Council Director; the Rev. Gerald Maddox, an immediate past Associate Director, and to Mrs. Jean Bush, who served on the support staff for a total of seventeen (17) years. We also express appreciation to the immediate past officers of the CCOM: Mrs. Betty H. Salter, chair; Dr. Syd Lock, vice-chair; and Mr. Rudy Heintzelmann, secretary.

An orientation and training for the members of the newly-organized program boards and agencies was held at Blue Lake on August 27, 1988, with one hundred fifty-five (155) persons in attendance. Bishop and Mrs. C.W. Hancock honored us, on this occasion, with their first official visit to our new Episcopal Area. One of the highlights of the day was Bishop Hancock sharing with the group some of his dreams and expectations as he assumed the responsibility as our new episcopal leader.

In early November, the majority of the newly elected chairpersons of the program boards and agencies, along with all the CCOM Program Staff, participated in the Regional Leadership Training Event and the Convocation on Racism held at Lake Junaluska. In addition to the workshop sessions and worship, our Conference leaders had team time together for reflection and planning.

The CCOM and its Program Staff are most pleased to support, in every way possible, the Commission on Stewardship during this year of Stewardship emphasis within our Conference. We challenge every local church to follow through on planning a program and budget to be presented to the entire church membership in the fall. We further encourage every congregation to develop a comprehensive, ongoing Stewardship program which will challenge every church member to a stronger stewardship commitment.

The annual CCOM Program Planning Retreat was held at Blue Lake, February 3-4, 1989, with one of the largest attendances in the history of the event. The excellent participation in the Fall Orientation and the Winter Program Planning Retreat is indicative of the high level of commitment and interest on the part of the members of our program boards and agencies. The large attendance at the Fall and Spring Meetings of the CCOM was most gratifying, as well as being another strong indicator of the loyalty of the elected leadership within our Conference.

Your Conference Council on Ministries joins with the entire Annual Conference in celebrating our net gain in church membership in 1988! This could be only the beginning of what can be much greater gains in future years. Let us keep planning, praying, visiting, witnessing and working in every way possible to win new commitments to Jesus Christ and to bring new members into The United Methodist Church where we live and serve! Let us "Celebrate and Witness!"

Every local church is called upon to incorporate the new Quadrennial Theme, "Celebrate and Witness" into its life and program. The General Council on Ministries has provided each local church with a manual which will assist the congregation in implementing the Quadrennial Theme. There are specific goals to be reached in every local church. Each church will be expected to make a report to Charge Conference indicating the ways in which the Quadrennial Theme is being implemented within the local church.

Another well-designed and helpful resource is the "Come, Share, Rejoice" notebook and video which have been produced by United Methodist Communications. A copy of the notebook is now in the hands of every United Methodist minister. A copy of the video is available in each District Office and from the Conference Media Resource Center at Methodist Headquarters in Andalusia. Your CCOM encourages and urges the use of these materials in every congregation. The notebook was designed for promotional use throughout the quadrennium. As new interpretative materials are published, they will be sent to each pastor and should be added to the notebook. The use of these materials will enable persons within each congregation to be well-informed United Methodists.

Your Conference Council on Ministries commends those churches that have accepted and paid 100% or more of their fair share of the Capital Funds Campaign. We applaud the building of the new facility at Blue Lake and the progress that has been made in the areas of New Church Development and Revitalization. Even so, we recognize that we have just begun to "scratch the surface" in meeting the needs for New Church Development and Revitalization within the Alabama-West Florida Conference. Therefore, the Conference Council on Ministries strongly recommends the inclusion of a new line item in the Conference Budget for New Church Development and Revitalization, in order that we may continue to start more new churches. We recommend that this new line item be established, as soon as feasible, following the conclusion of the Capital Funds Campaign.

Excitement continues to build over the publishing of a new United Methodist Hymnal. We are most pleased to have two teams from our Conference who will be attending the National Training Event on the use of the new hymnal in November 1989. In the early part of 1990, these teams will conduct workshops on the use of the new hymnal.

A Task Force on Church-Related Vocations has been created during this year. Membership on the Task Force will be made up of representatives from the Board of Ordained Ministry, the Board of Diaconal Ministry, the Committee on Career/Life Planning and the Conference Council on Youth Ministries, along with a representative from the CCOM program staff. The Task Force will develop strategies for encouraging and challenging more of our youth and young adults to hear God's call to church-related vocations.

Your CCOM commends the Conference Board of Evangelism for the comprehensive plans it has developed for 1990, the year of emphasis on Evangelism. The United Methodist Men will be encouraging a "Read Through the Bible" program during 1990. The Board of Education will emphasize invitational teaching in the Sunday School as an emphasis on Evangelism. These and other planned programs will complement the plans developed by the Board of Evangelism. We encourage every Conference Board and Agency to incorporate an emphasis on Evangelism in all of their plans and programs for 1990.

Please know that your Conference Council on Ministries and its program and support staffs are available to assist, in any way possible, the conference, district, sub-district, and local church program. Those desiring the services of the program staff are requested to complete an invitational form which is available from the Conference Council Office at P.O. Drawer 700, Andalusia, AL 36420, telephone number (205) 222-3127. We will accept and confirm as many invitations as schedules will permit.

Thank you for the privilege of serving as the program arm of the Alabama-West Florida Conference.

Jerry Dooling, Chair, CCOM

Report No. 2

**REPORT OF THE STRUCTURE COMMITTEE
TO THE COUNCIL ON MINISTRIES
ALABAMA-WEST FLORIDA CONFERENCE**

The Structure Study Committee was created in the fall of 1984 and its work has covered the better part of this quadrennium. Early in the process we determined that it would be helpful to have the guidance of an "outside resource" to facilitate evaluation of our current situation before we could adequately chart our future structure. Dr. Warren Hartman, Executive Director of the Department of Research of the General Board of Discipleship, agreed to serve this function for the Committee. All expenses for Dr. Hartman's participation were covered by the Board of Discipleship at no expense to our conference.

Dr. Hartman designed questionnaires which were mailed to the ministers and church leaders across our conference in the spring of 1987. A total of 204 useable responses were processed. Although this was a disappointing number of participants, it was a useable sampling of the feelings of the conference leadership concerning existing structure and programs. He also used Conference Statistical data and interviews with Conference staff, the Cabinet and the Structure Study Committee to make his recommendations to the committee in the fall of 1987. A copy of his evaluation was presented to the fall 1987 meeting of the CCOM, and a copy of his report is contained in the minutes of that meeting.

After reviewing Dr. Hartman's study and surveying the responses of the Boards and Agencies of our Conference to his suggestions, the Structure Study Committee makes the following recommendations:

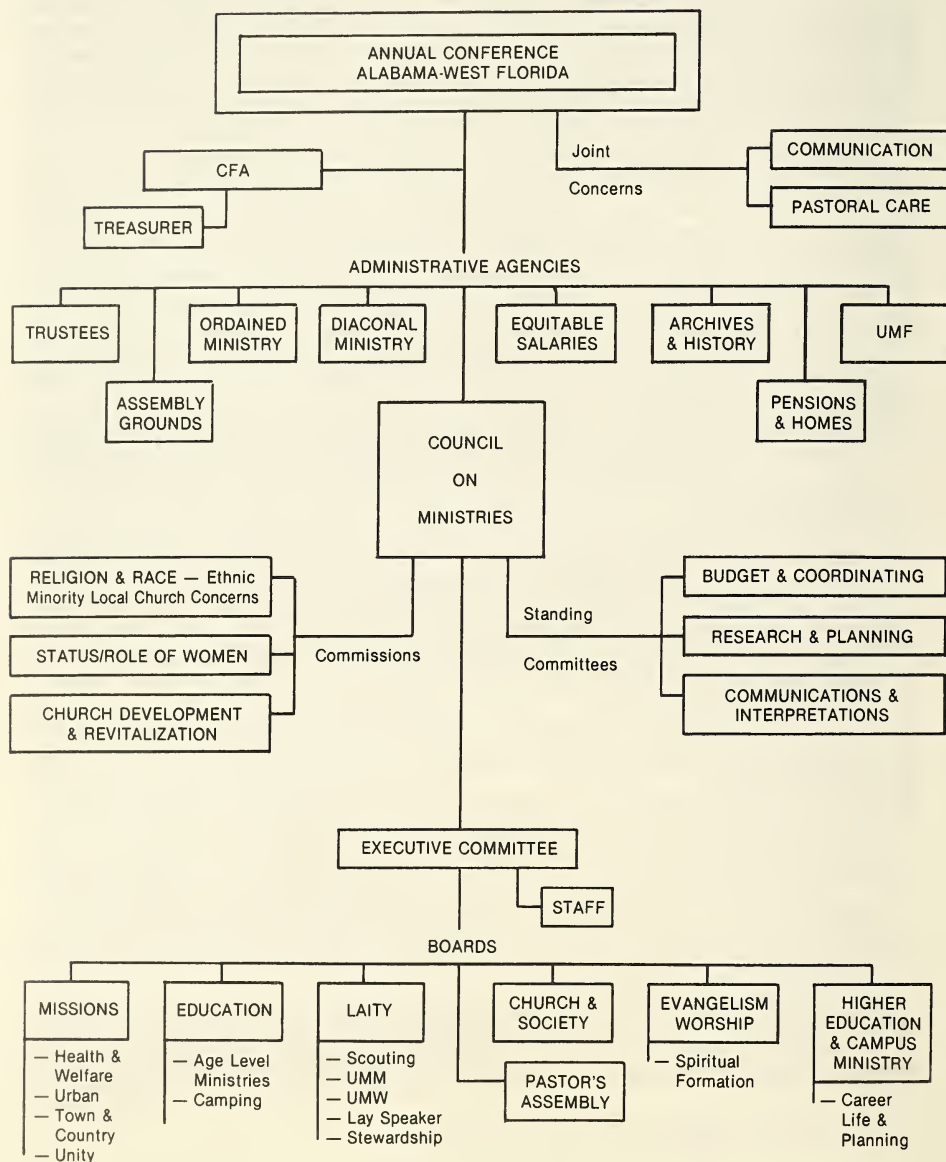

1. Recognizing that the primary responsibility of the CCOM is to coordinate our Conference Agencies in their planning and developing of programs and services, we recommend a reorganization of the Conference Structure (see Addendum I & II) to be effective by mid-quadrennium 1990.

This reorganization would call for a separation of the boards and agencies into two groupings based on their essential functions. One group will consist of those agencies that have primary responsibility for administrative and professional ministry concerns. The second group will be made up of the boards and agencies that are primarily responsible for program planning, implementation and promotion. We further propose a division of funding with program units funded through the Conference Benevolence Fund and the Administrative and Professional Ministry agencies funded through the Conference Administrative Fund.

2. We recommend that the Standing Rules Committee of the Conference present a new set of standing rules to the 1990 Annual Conference session in order to properly implement the new structure.
3. It is our recommendation that the primary focus of CCOM staff work and activities be on the Conference, District and Sub-District levels. We see this as the most effective means of enabling the local church in its ministry.
4. In view of the rapid demographic changes in our Conference, we recommend that the Annual Conference establish a Task Force to study the most desirable number of districts. The Task Force would be created on nomination by the Annual Conference Nominating Committee and elected by the Annual Conference in 1990 to report back to the Annual Conference session in 1991.

STRUCTURE STUDY COMMITTEE MEMBERS: Dr. Henry E. Roberts, Chairperson; Rev. J. Lamar Brown, Secretary; Rev. Al Harbour, Rev. James P. Dannelly, Dr. Rex M. Mixson, Wilson Patterson, Foy Campbell, C. H. (Babe) McGehee, Mrs. Dorothy Jackson, Mrs. Mary Willis

Report No. 3

In response to the report of the Commission on Religion and Race to the 1988 Annual Conference, the Conference Council on Ministries is pleased to make the following progress report:

1. The Commission on Religion and Race is in the process of planning a Convocation on Religion and Race within each of the nine districts during 1989-90. As a result of these Convocations, we feel that new doors for inclusiveness shall continue to be opened.

2. The Commission on New Church Development & Revitalization is calling upon all the districts to explore the possibility of establishing new ethnic minority congregations. Also, the Commission is calling upon the Cabinet and all districts to consider ways and means of establishing ministry in changing neighborhoods rather than abandoning or selling off the church property within these neighborhoods.

3. While there are a number of congregations within the Alabama-West Florida Conference that are inclusive in their ministry and membership, the newest United Methodist congregation in Dothan is intentional in its efforts to be an inclusive congregation when it is chartered. The Mobile Inner City Mission is planning a new inclusive Mission Church which will be housed in the former Oakdale Church building.

4. Recognizing the fact that a number of inclusive worship and social events take place within our Conference, the Conference Council on Ministries encourages all churches and communities to provide the *Methodist Christian Advocate* and other publications with pictures and write-ups of these events.

5. Working through the Committee on Ethnic Minority Local Church Concerns, an Ethnic Minority Laity Talent Bank is being established. Local church, district and Conference leadership will be drawn from the Talent Bank.

6. The CCOM celebrates the establishment of a new Summer program for children and youth in the St. Paul United Methodist Church in Eutaw, Alabama. Primarily, as a result of this ministry, under the leadership of the Rev. and Mrs. William Floyd, the St. Paul United Methodist Church experienced a healthy net gain in church membership and Sunday School attendance. This program, along with the Johnson Hill Summer program, while made up of predominately ethnic minority persons, is inclusive.

7. Exciting things are happening in many of our ethnic minority churches. Through the efforts of the members of First United Methodist Church, Theodore, and with assistance from the Mobile District Mission Fund, EMLC Funds and Capital Funds for Revitalization, a new parsonage has been built which enables the minister to live within the parish.

With the assistance of the district, Conference, EMLC Fund and Capital Fund for Revitalization, the Jackson Chapel United Methodist Church in the Demopolis District has relocated and built a new sanctuary and educational space. The building was erected by the construction team of the National Division of the Board of Global Ministries.

The Aldersgate United Methodist Church, a Native American congregation, has recently constructed a new brick parsonage.

At the Spring meeting of the CCOM, the Committee on Ethnic Minority Local Church Concerns was instructed to make a thorough study of the needs of our ethnic minority churches and to establish a priority list for meeting those needs within the next five to ten years.

8. The CCOM has created a Task Force on Church-Related Vocations to plan strategies whereby more of our youth and young adults will be challenged to Christian vocations in general, and more specifically, to church-related vocations. The Task Force will give special attention to the need of challenging ethnic minority youth and young adults to hear God's call to church-related vocations.

9. Bishop C.W. Hancock and the Cabinet have pledged their support to work with the CCOM in seeking to make our Conference more inclusive. There is an intentional effort on the part of district and Conference Committees on Nominations to be more inclusive in the membership of our district and Conference boards and agencies.

Let us celebrate the good things that are happening in the realm of race relations within our Conference, and continue to join hearts and hands with one another and with God until we are one in the Spirit and one in the Lord!

BOARD OF EDUCATION

Report No. 1

The work of your Board of Education is coordinated by the elected members, however, the actual program work — setting the goals, fulfilling the purposes, and attending to details — is done by the many lay and clergy volunteers who serve as committee chairpersons and members. We are grateful to each and everyone of these who give of their time so willingly in ministry. Among these volunteers, we would like to single out a few who have given much of their time and talent for special recognition and appreciation. The Diaconal Ministers and full time Christian Educators have responded to each call your Board has made to them without hesitation. The Conference Staff, Dr. William Calhoun and Diane Shepherd, is willing to assist in any way when needed.

The report of the Ministry of the Board of Education is noted in the following committee reports submitted by the Chairpersons:

Linwood A. Lewis, Chairperson

Report No. 2 — LEADER DEVELOPMENT COMMITTEE

The Leader Development Committee sponsored a seminar on volunteerism on September 22-24, 1988. The three-day event was actually two workshops (each a day-and-a-half) specifically designed for two different groups: (1) church staff persons who work with volunteers; (2) volunteers in the local church whose leadership positions cause them to recruit and supervise other volunteers. The outstanding resource person for the "Convocation on Volunteerism" was Marline Wilson, a nationally recognized expert in the field of volunteer management.

The Leader Development Committee believes that the proper recruitment, training, and supporting of volunteers involved in ministry in the local church is essential to growth and strengthening of programmatic ministries. The Marline Wilson events are excellent ways to become more effective in ministering to and with volunteers. This was the second time she had come to our conference in recent years.

Another volunteerism seminar is being scheduled for late summer of 1990. The exact dates must be cleared with Ms. Wilson's office and were not available at the time of this report.

In addition to the volunteerism seminars, the Leader Development Committee is exploring many possibilities for district teacher training events throughout our conference. The real task seems to be matching the needs for teacher training and the desires of local church teachers with times, places and formats of training events. Suggestions are always welcome as we try to become more effective in this area.

Steve Lee, Chairperson

Report No. 3 — OLDER ADULT MINISTRIES

This has been a good year for Older Adult Ministries in the Alabama-West Florida Conference. In the fall, October 10-14, 1988, we had a fairly large number of persons to tour through North Georgia and Lake Junaluska, North Carolina, for the "Fall Fling," sponsored by the Southeastern Jurisdiction. This was a very successful event which we are now planning to repeat in the Fall of 1989. The dates of October 16-20, 1989, is the time of this trip. Brochures are available for this trip, and are or soon will be, in the hands of pastors and Older Adult representatives in every local church in the conference.

The major event of the year was the Older Adult Assembly at Blue Lake, May 15-18, 1989. The theme for this year was: "Living Life to Its Maximum." Bishop Joel D. McDavid, retired and now Bishop in Residence at Emory University, Candler School of Theology, in Atlanta, Georgia, was our inspirational speaker. The banquet held on Wednesday evening, May 17, had as its theme: "Safari into Africa." Dr. William E. Calhoun, Executive Director of the Alabama-West Florida Conference was the featured speaker for the evening. This assembly was well attended, and proved to be one of the best, if not the very best, we have had in several years.

Your Older Adult Committee, a part of the Conference Board of Education, stands ready to assist Districts and Local Churches in any way possible to help with Older Adult Ministries throughout the Alabama-West Florida Conference.

Ed Britton, Chairperson

Report No. 4 — SUNDAY SCHOOL COMMITTEE

The major project of the Committee's work is planning and implementation of Sunday School Weekend, held each September at Blue Lake. This event is the opportunity for teachers of all age-levels and education leaders to be trained and inspired for their work in the local church. Excellent workshops are practical and varied to meet the needs of small and large membership churches.

In 1989 the theme is "Invitational Teaching." This concept invites us to broaden our teaching emphasis from information to include an invitation to students for a personal relationship with Jesus Christ, an invitation to Christian education, fellowship and discipleship. That is balanced, effective teaching. The Rev. Roy Ryan from the Board of Discipleship will be the keynote speaker for Sunday School Weekend on September 15-16, 1989.

A goal of 1989 is to keep alive the good work begun by the Sunday School Explosion emphasis. We will offer ideas to help local church Sunday Schools to reach out, grow, express appreciation to teachers, expand educational opportunities throughout the year.

Francine Schmidt, Chairperson

Report No. 5 — THE CHILDREN'S COUNCIL

The Children's Council presented two major events in 1988. The first was the Confirmation Celebration held March 26, with approximately 85 young people coming to recognize and celebrate their recent confirmation as full members of the church. The event included worship and special workshops on discipleship at home, at school, and at church. The council appreciates the leadership provided by two of its members, the Rev. Gorman Houston III and the Rev. Mike Spivey, in making this event outstanding.

The other big event was the first-ever Children's Ministries Weekend, April 7-8. Judy Kohler of Nashville, a Christian counselor, was the keynote speaker on the topic "Strengthening Our Children for Life." Other workshops included ideas for intergenerational programming, pre-schoolers, music, outreach ministries, and Vacation Bible School. Evaluations were overwhelmingly positive. Council members, Francine Schmidt and Virginia Lindley, were in charge of this event which set high standards for future endeavors in this area.

Four times during the year, the council mailed copies of "Information: Children's Ministries" (published by the General Board of Discipleship, Section of Ministry of the Laity) to district and local church children's coordinators.

The council also assisted one of its members, Virginia Lindley, to become certified to lead "Born Free, Stay Free" events in our conference. "Born Free, Stay Free" is a drug prevention program for children from pre-school through high school and their parents, developed by the South Carolina Conference of the United Methodist Church. The council is exploring ways of making leadership training available to more persons in our conference, who would then be available to local churches to carry out these events.

The council's current projects include a second Children's Ministries Weekend in April; helping several members attend "Focus '89" (national conference on ministries with children) in Nashville; and devising ways to share the fruits of that event with the people and churches of our own conference.

The Children's Council rejoices in its task of enabling local churches and their people to be in ministry to children and with children, in every area of congregational life.

Cathie Wilbourne, Chairperson

Report No. 6 — CAMP QUARTER NOTE 1988

Another successful Camp Quarter Note was held last summer as over 130 campers and adults enjoyed our conference children's choir camp at Blue Lake. Clinician Richard Searson of Birmingham led the children in a wide variety of music which they learned through the twice-daily rehearsals. Other capable leaders from within our own conference led classes in handbells, theory, crafts, and orff instruments. Recreational times were capably directed by local church choir directors who came to camp to serve as counselors. The entire week was a time of learning and fun in a pleasant setting and it is always a pleasure to meet and work with others in music ministry throughout our conference. As usual, the Blue Lake staff was helpful, courteous and dedicated to meeting our needs.

The success and popularity of Camp Quarter Note has grown so that the Camping Committee has scheduled two separate choir camps for children for Summer '89. This should

help to better accommodate the numbers of children wishing to attend while keeping the group to a manageable size. The two weeks for Camp Quarter Note for 1989 are: July 10-15 and July 17-22. The two camps will have, for the most part, different clinicians, leaders and staff.

I've been very privileged to work as dean for Camp Quarter Note for the past five years. I hope that Camp Quarter Note will continue to serve the music ministry with children in our conference in an effective manner.

Steve Lee, Dean, Camp Quarter Note 1988

Report No. 7 — CAMPING COMMITTEE

The Camping Committee serves to evaluate, assist, uplift, and encourage camping for boys and girls at our Alabama-West Florida Conference Assembly Grounds located at Blue Lake near Andalusia, Alabama. Each year the committee meets in the Fall under the auspices of the Board of Education to whom it reports. At this meeting there is much energy expended as the previous summer is reviewed, camp by camp, with suggestions and input given to every aspect of each camp. This Conference should recognize and be grateful to the many persons who gave long hours of unselfish effort to insure that each camp is a worthy endeavor. Director of Blue Lake, Rev. Linwood Lewis; the Blue Lake Staff; the summer paid staff; deans of the various camps; the volunteer staff; all are to be commended for their tireless work.

1988 was a very good summer with a grand total of 1,031 campers in seven elementary camps, two music camps and five youth camps. After several years of absence, "In Search of Christ" Camp was held for youth and was a tremendous camp. In 1989 we will continue all of these camps and add an additional Camp Quarter Note for elementary music campers. Had we the facilities to expand the number of weeks of camps, there is the potential in the future to expand the number of camps offered.

Special Ministries Camps continue to provide a camping opportunity for many inner-city boys and girls and mentally retarded children, youth and adults who otherwise might not be given the chance to attend camp. Camp Discovery and 4-L Camps are heart-warming experiences for campers and their volunteer, non-paid staff alike. Please continue to support the Conference "Advance" approved mission giving for these camps that are dependent upon this support for their operation. Your help is also very much needed in the recruitment of campers and staff for these very special weeks of camping. Without your promotion, getting the word out to those who could attend, the ever dwindling numbers might mean a discontinuation of these camps.

Registration for all camping is through Blue Lake, with every pastor having received a supply of brochure/registration forms through Conference coordinated mailings. Additional forms are sent to previous campers and a supply is on hand at Blue Lake. The new brochures are a departure from the newspaper format of recent years and a return to a much sturdier and heavyweight paper.

With a listening ear and a caring spirit, your Camping Committee is willing to serve your conference to make every person's camping experience a significant one that spiritually enriches all concerned.

Stephen F. McGucken, Chairperson

Report No. 8 — CONFERENCE COUNCIL ON YOUTH MINISTRIES

The Conference Council on Youth Ministries has had an exciting and productive year since last year's conference. We continued and improved programs from past years and have planned several new programs.

On the second Saturday of October (as always) 1988, we held Fall Rally at Blue Lake. The band CURB and speaker Tom Salsgiver provided excellent entertainment for the crowd of 800. The rally was terrifically successful, raising \$4,000 to go to Youth Service Fund (YSF), up from around \$400 profit the previous year.

At CCYM Winter Meeting 1989, the YSF money raised in 1988 was distributed to our projects, including Mobile Inner City Mission, Society of St. Andrew Gleaning Project, and the Nina K. Sjogren Scholarships for Student Exchange. \$8,000 was divided and sent to two out-of-state projects and six in-state projects.

As of this writing (March 15), the annual Spring Fling has not taken place, but is planned for Saturday, April 15 at Edgewater in Panama City. Freddie Langston and Jeremiah Castillo are the speakers/entertainment and an attendance of 500 is expected. All profit will go to Youth Service Fund.

This summer will be a busy time for CCYM, because we will be traveling around the conference on the YSF/CCYM Caravan. Three groups of CCYM members covering three sections of the conference will be traveling at different times this summer. One group will traverse the west side of the conference; one the coastal area; and one the northeast section. The purpose of this caravan is to inform the youth of our conference about Youth Service Fund and the Conference Council on Youth Ministries and ways they can get involved. The groups will present a video about YSF/CCYM and then answer questions. We need for local churches to host youth rallies for the caravan for specific areas of the conference. If you would like to help us, please contact Diane Shepherd soon.

Also this summer, our CCYM is sending two youth and one adult to the National Youth Ministries Organization Convocation, to be held in August in Ames, Iowa.

The Sean Whitley/Jim Hayes Memorial Fund will soon be put to use. One or more park benches are going to be purchased and placed around Blue Lake. Donations to the fund are still being accepted at the conference office.

Our conference's youth communication, "Pass the Word," has taken on a new form. It will now be mailed in newsletter form to at least one person (pastor or youth director) from each church in our conference. We hope that this new form will improve communications between the conference level and local churches.

Speaking of changes, we are now working on changing the CCYM structure so that each district will be equally represented. This new structure will require that the districts have active Councils on Youth Ministries. Please encourage your district's Youth Coordinator to work on this right away.

Other up-and-coming events in the plan books are a 1990 Conference Youth Winter Retreat and a Youth School of Missions for the summer of 1990.

I would like to close by saying it is a thrill to work in the conference youth program. A lot of good things are happening. There is still a lack of district youth activity, a lack of ethnic minority participation in the youth activities, and a general lack of knowledge about the conference youth events, though. This youth program could be so much more than it is. We, the CCYM, need YOU to help us make more people enthusiastic and involved. Not to end on a negative note, I must add that the program is becoming better and better each day. A big THANKS should go to Diane Shepherd, who has done a wonderful job this year.

John Story, President

BOARD OF MISSIONS

Report No. 1

This first year of the new quadrennium has been one of learning and reorganization for the Board of Missions. I commend our new officers and committee members for the good work they have done during the year.

Our activities have included the celebration of the Fortieth Anniversary of the Advance, which was held on Tuesday night of our 1988 Annual Conference. We co-sponsored both the Cooperative School of Christian Mission and the Fall Stewardship/Mission Rally. A total of \$43,068.17 was raised for missions at the nine rallies. \$21,534.07, or half of these funds, went to help build a church in Guatemala. The other half went to projects selected by each of the nine districts. A training seminar was held April 8th, for our United Methodist Volunteers in Mission Committee.

The Committees of the Board of Missions and their responsibilities are as follows:

Church Extension: Frank Scott, Chair. — This committee is to review and recommend to the Board applications for Conference loans and grants for church extension, the Conference \$10 Club, and for Conference Advance Mission Status. The committee is currently updating all of our policies and application forms, and is working with the District Mission Secretaries and Don Brill to compile a Local Church in Mission Booklet. This booklet will contain information for local church mission program planning; loan, grant, and status applications; and Advance project listings.

U.M.V.I.M.: Doug Newton, Chair. — Our Conference United Methodist Volunteers in Mission Committee is responsible for helping local churches and groups gain experience on the mission field. This committee is also rewriting policy and making plans to assist mission teams in our conference in their preparation and success in mission experiences.

Urban Ministries: Sarah Doyle, Chair. — This committee is working within the S.E.J. Urban Network to provide planning and assistance to Ministries in urban areas. Our Conference Mission Agencies are now directly related to this committee of the Board of Missions for an annual report of mission activities and needs. After review and recommendation by the Board of Missions, the agencies will then present their budget needs to the Budget and Coordinating Committee of the Conference Council on Ministries. These Conference Mission Agencies include: Mobile Metro & Inner City Ministries; Dumas Wesley Community Center; Nellie Burge Community Center; Noah's Ark-Panama City Beach Ministries; the Baldwin County Ecumenical Ministries; and the Baldwin County Hispanic Ministries. The Board of each agency contains one member of the Board of Missions.

Promotion and Cultivation: Traditionally, this committee has been composed of the District Mission Secretaries. Our Secretaries have been extremely busy making on-site recommendations for all applications going through the Church Extension Committee; helping to plan local church and district mission programs including "Super Sunday" officer training events and mission fairs; and getting the Mission publicity out to the local church.

Your Board of Missions is committed to strengthening the tie between the local church and the mission field, wherever it may be. We ask that you help us help you to do the following:

- 1. Be in prayer for those who seek to answer Christ's call to the mission fields in your community and around the globe.
- 2. Have an active mission program in every local church.
- 3. Support in full the "First Mile" giving to the World Service and Conference Benevolence Fund.
- 4. Continue to support Advance Special programs in intentional ways.
- 5. Share your mission experiences through your District Mission Secretary and the Board of Missions.

Fred E. Zeigler, Jr., Chairperson

We of the Committee on Church Extension continue to seek to improve efforts to respond to the requests and needs of churches, and agencies who apply to us for help. The only real way we can do this is for each local church to support in full the World Service and Conference Benevolences Fund, to reach out in "Second Mile Giving" and support some of these Advance Specials and to encourage and enlist more people to become \$10 Club members. We thank you all who have responded to these needs in 1988.

Frank L. Scott, Chairperson

This Resolution was approved by the Annual Conference:

"I move that there be established a new Conference Advance Special for NEW CHURCH DEVELOPMENT; and that this Advance Special be designated Conference Advance Special "PRIORITY ONE" for 1989-90. That funds received be used for the establishment of NEW CHURCHES in the Alabama-West Florida Conference and be administered by the Commission on Church Development and Revitalization. That this new Conference Advance Special be jointly promoted by the Council on Ministries, the Board of Missions, the Board of Evangelism, and the Commission on Church Development and Revitalization."

(Submitted by the Reverend Langdon H. Garrison.)

Report No. 3 — TEN DOLLAR CLUB

The Annual Conference Board of Missions has established the TEN DOLLAR CLUB for Church Extension and Revitalization. All appeals are approved Conference Advance Specials.

As a member of the TEN DOLLAR CLUB you will be called upon no more than twice a year to contribute \$10.00 toward a building project.

When the appeal is issued by the Conference Missions Secretary, you are to give your contribution either through your local church treasurer (be sure it is marked "Ten Dollar Club"), or you may send it directly to Conference Headquarters (Make your check to "Ala.-W. Fla. Conf."; P.O. Drawer 700; Andalusia, AL 36420). If you put the name of your local church on your check, we will give your church Conference Advance Special credit.

How you can help promote the Ten Dollar Club:

1. You can join;
2. You can get other groups in your church to join, such as Sunday School Classes, United Methodist Women, United Methodist Men, etc.
3. Respond with your contribution each time you are asked.

This is an excellent opportunity to help new and growing churches in our Annual Conference. You can be a part of this exciting ministry in helping share the Gospel of Jesus Christ.

We will send you a number of promotional brochures upon request. You may join by sending the information to:

Report No. 4 — THE CONFERENCE U.M.V.I.M. COMMITTEE

The United Methodist Volunteers in Mission is a vital and growing missions ministry in our denomination, particularly in the Southeastern Jurisdiction. In 1988 there were 646 teams from the seventeen annual conferences of the Southeastern Jurisdiction that involved 5,431 team members who ministered in 26 countries as well as the United States. \$2,621,519 was the amount reported to Dr. Tom Curtis, Director of U.M.V.I.M. for the Southeastern Jurisdiction, that was expended by these teams on their respective projects.

There were 13 teams from the Alabama-West Florida Conference that served in six countries including the U.S. with a total of 258 participants. They expended \$158,100 in the projects to which they gave themselves. This is, indeed, a wonderful record of service. Yet, it is evident that we will see this ministry continue to grow and that with the growth of this ministry will come a growing concern and support of the mission of Christ in all its marvelous facets.

Your conference U.M.V.I.M. Committee is expanding in size and activity as we have recently added an U.M.V.I.M. Coordinator for every district and enjoyed a training session led by Dr. Tom Curtis. Our District U.M.V.I.M. Coordinators are:

Andalusia — Dan Rhodes

Demopolis — Fred Fuller

Dothan — Allen Newton

Marianna/Panama City — Blair Richards

Mobile — Tom Ellisor, Jr.

Montgomery — Lester Spencer, Jr.

Report No. 5 — UNITED METHODIST INNER CITY MISSION

The United Methodist Inner City Mission, now in its 24th year, is located in the Oakdale Community in the heart of Mobile's Inner City. It is a ministry that was started to meet the needs of a neglected part of our society — the residents of the poverty community. The ministry was originally designed to meet the needs of the whole person — spiritual, physical and emotional — and continues to do this today.

The ministry has programs to deal with the root cause of poverty by giving incentive, understanding and guidance in developing an outlook on life that will help to break the cycle of poverty.

This is not a social agency, although it does meet the needs of hunger, housing, etc. This is a ministry, carried out by two appointed ministers, and under the direction of the United Methodist Inner City Mission. The thread of spiritual growth and worship runs throughout the entire program and includes specific programs designed to nurture this spirituality.

A brief description of the various aspects of this ministry are as follows:

- (1) The basic Inner City Ministry includes such programs as tutoring, Bible Classes, recreation, emergency assistance, counseling, Senior Citizens activities, quilting, Scouting, the Oakdale Christian Youth Service Club, Oakdale Community Service Club (adults), special trips, Thanksgiving and Christmas specials, ceramics, adult basic education, and many more like programs.

All of these programs meet special needs and serve to strengthen character and develop a hope for a different future.

- (2) The Homemaker Program is a joint effort of the Mobile Housing Board, the State Department of Education and the United Methodist Inner City Mission. The employees in this program assist the elderly and handicapped living in low income housing to meet their basic physical needs. They do housekeeping, they cook meals and they help with the grocery shopping. In all of these services they also provide companionship and friendship.
- (3) The Park Ministry started with the operation of the community swimming pool 18 years ago and has grown to involve the year round operation of the entire park. This includes such sports activities as football, baseball, basketball, volleyball and softball. The Mission will field as many as 5 different teams in each of these activities.

The park has daily table games, pool, ping-pong, and other such non-directed activities. Special events include bingo for fun, movies, crafts and coloring. A special program of radio controlled airplanes and helicopters is a new and innovative activity.

The summer program includes the swimming pool, where all 8 employees are from the community and were trained and certified at the pool and then hired to run their own community program. An additional 30 youth from the community are hired each summer under the Summer Youth Employment Program and work at the park to make the programs more effective. An additional part of this summer operation involves serving an average of 250 free lunches per day to the children who participate in the park activities.

The purpose behind this ministry is to provide viable options to the problems of drugs and crime that are normally a part of any Inner City Community. Good clean use of leisure time under Christian leadership is proven effective.

- (4) The Work Teams replace the old Home Repair/Weatherization Program. This was a government program closed when funding was withdrawn, and it is now operating on a smaller and less sophisticated scale by utilizing volunteer work teams from both youth and adult groups from the Alabama-West Florida Conference and from as far away as Indiana and Louisiana. These groups paint and do minor repairs on homes of the elderly and poor. As many as eight groups participate in this program each year.

The Mission is committed to ministry to the poor and will always have its first concern for the spiritual needs of the people served. The other programs meet extremely important needs in the life of people and also open the doors to meeting those spiritual needs. The services provided are an example of the genuine love and concern the United Methodist Church has

for all people and provides an easy access to understanding the love and concern that God has for His people in their time of need.

Report No. 6 — MOBILE METRO MINISTRY

The Mobile Metro Ministry is governed by the same board, and served by the same ministers as the Inner City Mission. It is, however, a separate functioning ministry in that it serves the entire metropolitan area of Mobile, whereas the Inner City Mission is a community based ministry to the Oakdale neighborhood.

The Metro Ministry is the ecumenical arm of the United Methodist Church in Mobile and represents the United Methodist Church in interfaith and ecumenical endeavors in the Mobile area. This ministry has been instrumental in the formation of several vital services in Mobile such as the Bay Area Food Bank, the Ecumenical Care Exchange and the Conference of Downtown Churches. The Food Bank is directly responsible for hundreds of thousands of pounds of food that would be thrown away being channeled to agencies in the Mobile area who can use it to feed the hungry. The Mobile Metro Ministry remains an active part of this program and serves as a member of the board.

The Ecumenical Care Exchange grew out of the recovery efforts following Hurricane Frederick and is now composed of all major religious and governmental agencies serving the needs of the poor in Mobile. The Exchange meets monthly to discuss problems and share ideas. Mobile Metro Ministry was directly responsible for the formation of this group and continues to be a part of its function.

The Conference of Downtown Churches was organized to strengthen the Inner City Churches in their ministry to the downtown area, and these monthly meetings are vital to the growth of ministry in the downtown section of Mobile.

This ministry remains a leader in disaster response, not only in Mobile, but throughout the South and Southeast. The minister to Metro is the active representative at the Emergency Operation Center before and during disasters in the Mobile area and coordinates the ecumenical efforts in providing vehicles for evacuation of elderly and handicapped during a Hurricane warning. The minister is also a significant part of the response of both United Methodist Committee on Relief (UMCOR) and Church World Service (CWS) and provides leadership in training events for the South and Southeast.

Mobile Metro Ministry has a major responsibility in offering consultation and training for churches and ministers in transitional settings and serves as a liaison with the Southeastern Jurisdiction Urban Workers' Network (SEJUWN). Training events and participation in regional conferences are made available to these churches and people above.

The research regarding population trends depicting both the declining and the growth areas of Mobile has been a part of this ministry. As an example, the location and establishment of Christ United Methodist Church in Mobile utilized the services of Mobile Metro Ministry.

The Mobile Metro Ministry works with governmental agencies and provides space in the Inner City Mission for Mobile Community Action assistance programs, Adult Basic Education classes and other such services so that these groups can more effectively serve the individual neighborhood.

The newest phase to this ministry will involve selected families from churches throughout the metropolitan Mobile area joining with Inner City families in the formation of a congregational ministry utilizing the facilities of the old Oakdale United Methodist Church. This will be a bi-racial congregation that will cross economic lines and provide opportunity for the assimilation of new converts and the stability of established leadership. Target date for beginning is Summer of 1989.

All of the ministerial responsibilities for these programs have been assigned to Rev. Fred Toland. The new congregational ministry will be under the joint leadership of Rev. Toland and Rev. Nick Nicholson, the Associate Minister, with Rev. Nicholson being assigned the pastoral responsibilities to the new congregation.

The magnitude of this ecumenical effort and the wide geographical area served brought about the establishment of this as a separate ministry within the Mobile District, but it remains under the direct supervision of the Inner City Mission Council.

Report No. 7 — NOAH'S ARK

Panama City Beach Ministries of the Alabama-West Florida Conference, known as Noah's Ark, is an Advanced Special Mission that has served the Christian community since 1972. By providing a summer beach retreat for church groups throughout the southeast, Noah's Ark has witnessed to hundreds of vacationers and tourists. During the off-season period, Noah's Ark has become the welcome center giving service, witness and worship for hundreds of visiting retired persons.

The success of our summer retreat program has been very encouraging. We must continue to compete with commercial lodging facilities that are attempting to attract Christian groups. These motels and condominiums do not provide a Christian environment to their visiting church groups and most are found to be most unsatisfactory.

Tremendous growth has been experienced with the Snowbird ministry, again reaching new heights with a membership of 875; showing the largest yearly increase thus far. Many new classes had to be added and additional duties were delegated to our small staff. The fellowship exhibited within the Snowbird Club truly reflects the spirit of the Church in the world today.

With the heavy increase of membership of the Snowbird Club there was a need to purchase additional chairs and tables to accommodate more at our special events we hold on a weekly basis. Needed, too, was more space for storage and so additional room was added on to our storage building. These needs were met by the Snowbirds themselves, both financially and by manpower. We also purchased welding equipment that will aid greatly in the repairs around the Ark.

God has richly blessed thousands by the presence of Noah's Ark on the beach during the past 16 years; and the Ark has become, for many, the real focal point for their visit to Panama City Beach. All Methodists should be gratified by the success of this ministry and increase their Advance Special contributions.

Report No. 8 — NELLIE BURGE COMMUNITY CENTER

Nellie Burge is beginning its eighty-fifth year of offering services to people in a caring, loving, non-judgmental manner. We are always grateful for the strength of the many prayers and good thoughts which are extended to us by churches and individuals across the conference.

In today's society as we hear and read of budgets involving billions of dollars, we here at Nellie Burge do wonders with each dollar. The concern for our financial situation is evidenced in the manner by which our staff carefully handles our supplies, practices energy conservation and is constantly searching for new innovations for our programs without adding significantly to our expenditures.

Our staff employees have a strong attitude of care, concern and dedication for our clients. There was evidence of a need for day care for school age children during the summer months. Two years ago we instituted a morning day care service to accommodate these children. They become a part of our long-standing afternoon summer program at noon each day. This new program is fulfilling a dire need for service in our neighborhood.

All of the other programs are progressing nicely and are filled to authorized capacity. The Young Mother Classroom (GED) continues to serve a vital need.

The sharing of space in the former Burge Memorial United Methodist Church across the street continues to be a blessing. A congregation is being formed under the auspices of Frazer United Methodist Church. An excellent spirit of cooperation exists between the two groups and prospects appear very good for a viable congregation. We are happy to be included in this endeavor.

The Home Nutrition Program continues to flourish. There are now 225 homes and about 1,400 children enrolled. Four monitors oversee this worthwhile program which expands our visibility throughout the city.

We look forward each day to meeting the challenges which come our way and optimistically expect to overcome them. I close by extending sincere thanks to all who help us make things happen each day.

Report No. 9 — DUMAS WESLEY COMMUNITY CENTER

In the community of Crichton, people share the common interest of survival within the cyclical poverty they subsist in. Dumas Wesley must provide not only short term needs, but also long term answers that will break the chains of welfare. We try to develop programs for all aspects of poverty, from the young under-achievers to the ignored elderly. With a staff of twenty-eight and the other organizations situated in the building, we are developing solutions that succeed.

Immediate relief is found in our emergency food, clothing and financial assistance programs. We serve approximately eighty families per month. Our neighborhood outreach services aid those who are unable to help themselves, or are unaware of the programs we offer. Seasonal programs include Halloween, voter registration, the Christmas Toy Store, the Christmas Banquet, delivering Christmas and Thanksgiving Baskets, the Black History Program, Volunteer Income Tax Assistance, the Easter Egg Hunt, and summer camp. Field trips occur throughout the year ranging from taking the elderly to the Bellingrath Gardens to taking the teenagers to Six Flags Amusement park in Atlanta, Georgia.

Other organizations utilize the building to administer their services — such as the Department of Human Resources (Aid for Dependent Children), Cheese and Butter Distribution, Mobile Preschool for the Sensory Impaired, Legal Counsel for the Elderly, and Caregivers, Inc. These programs and the ones that Dumas Wesley sponsors address the immediate problems in a manner which helps develop long term solutions. We try to lift the burden of day to day survival so that families may concentrate on planning for the future.

Our child day care program (which ninety-eight children attend) allows parents to work and become self-sufficient while the children are prepared to excel through school with reading and writing basics, art, music, and educational field trips. The Family Home Day Care Nutrition Program enables mothers at home to open their own day care business with assistance and Dumas Wesley supervision.

At 3:30 p.m. each day, Dumas Wesley is filled with school children. We provide game room and gym activities, athletic programs, tutoring, art and ceramics — offering the youth of the neighborhood productive alternatives in their free time. The football, basketball, volleyball, cheering and baseball teams prove successful in good times and learning the benefits of team work for both females and males of all ages. In the summer, we sponsor a recreation program which involves swimming lessons, movies, skating, mini golf, baseball, art and other activities. In August, we take two youth groups, ages six to eighteen, on two one-week long camping trips. The confinement of Crichton is broken by bringing them to a new environment and allowing them to explore new areas and participate in new events. Also in the summer, we coordinate the Job Training Partnership Act (JTPA) applicants and hire thirty workers, showing them a future that doesn't include a welfare check.

We believe that the youth are the core for improvement within the community and therefore, we must guide and educate them in the issues of drugs, sex, relationships, school, parents, jobs, etc. We help them develop personal goals and self-awareness through our teen pregnancy prevention group via lectures, guided discussions, and career seminars, and we take them on retreats to further their growth. This program is very successful as we have high attendance and our alumnae have achieved many of their goals.

Dumas Wesley also houses an Adult Basic Education Program, in which fifty-seven students participate. One may learn the English language or prepare for the GED in either the day or night classes. Private tutors are also available for adults seeking assistance. Aerobic classes for adults are offered at night. They are high in attendance and increase one's self respect for body and health.

Our SAIL program (Senior Activities for Independent Living) serves approximately eighty senior citizens. The activities it sponsors include a congregate feeding program (daily luncheon), music and exercise programs, field trips and fellowship among one another through games and conversation. For those people who are homebound, meals are delivered to them daily.

It can be said that Dumas Wesley serves all aspects of poverty and deprivation that surround Crichton. Developing solutions to future problems is a hard challenge as the immediacy of hunger and homelessness is consistently present within the community. Through education, guidance, and care, the families of Crichton can learn how to resolve present conflicts and build a stable road towards a productive future. At Dumas Wesley,

we want to become the example, the friend, the good neighbor to the community of Crichton, and we invite all to witness this growing and caring relationship.

Report No. 10 — BALDWIN COUNTY HISPANIC MINISTRY

The Alabama-West Florida Conference, seeing the needs of the growing Hispanic community being neglected, organized BCHM in April 1988 with a pastor/director, The Reverend Aida Barrera Walker, for the purpose of filling the void.

One of our main goals was to assist undocumented immigrants in filing for legalization. Last year we helped one hundred and eighty-five Hispanics to become legal temporary residents. The legalization program included helping individuals gather their documents, such as letters from farmers, sent letters to their home states in Mexico to obtain their birth certificates and marriage licenses, which had to be translated by us before the Immigration Service would accept them. Part of this work also included taking them to the doctor for their physical examinations, fingerprints, and photos. Then we take them to the Immigration office in Decatur, GA, or New Orleans, LA. Filing for temporary status ended November 30, 1988. In the future, as these temporary cards expire, part of our work will be to help them attain their permanent alien status.

In dealing with the 1,500 members of the Hispanic community in Baldwin County, we provided approximately 1,000 services.

Our long term goals include providing self-improvement training such as English classes. We have a core of 20 volunteers that teach English two to three times a week. This includes making English videos that can be looked at whenever possible.

Another long term goal is to help them adjust to living in the United States by taking advantage of the programs this country offers such as medical care, education, employment, travel, and communication.

Our most important goal is **Spiritual Development**. We have a weekly Bible study and prayer time in which God can be brought into their lives. We have started a children's ministry. During the months of November and December we had Super Saturday with 50 children registered, teaching them the true meaning of Christmas. During the month of March we had Sabados de Gloria to introduce them to the resurrection of Christ. We had 30 children in this program. When the potato season begins in May we are expecting the Hispanic population in Baldwin County to grow. This is the time of the year that our work is most concentrated, but it is also the time when more people can hear about the love of God.

Anyone interested in learning more about our ministry, please contact us at: P.O. Box 9, Fairhope, AL 36533, telephone (205) 928-8139.

Report No. 11 — CHILDRENS RESOURCE CENTER (Pensacola, Florida)

Childrens Resource Center continues to be a very special ministry that serves special needs children and their families on a year round basis. It is designed to bridge developmental delays and to help make children whole.

This past year has been a very rewarding one and an exciting time in the growth of this ministry. Because of our very long waiting list, in the early spring of 1987, we found that our facility on Lillian Highway of 4,900 square feet was inadequate in size. Our immediate needs were very great. We moved forward in prayer, asking for guidance. We were able to lease a large facility of 14,900 square feet located at 3295 Barrancas Avenue in Pensacola, Florida. We moved into this beautiful facility on June 15, 1987. Rev. Tim Thompson, who serves on our board, assisted with the dedication.

We have attempted since that date to sell our Lillian Highway property, but we have not, as yet, moved it. Until we sell it we must continue each month to pay the monthly payment and insurance on the Lillian Highway property. This problem continues to be difficult to handle. As your Advance Special we wish to ask for any help you could give.

I was invited to attend the National Convocation of Deaconesses held this past summer in St. Louis, Missouri. I was asked to bring a large display of the work at Childrens Resource Center and I did. It was well received and the many pictures of the children and staff proved to be very meaningful.

This past year, in April, I attended the United Methodist Women, Southeastern Jurisdiction Quadrennial Meeting held in Biloxi, Mississippi. I represented our conference there, as a Deaconess and as Exec. Director of C.R.C. The two meetings listed above helped introduce to many, for the first time, the work we are doing at the center, your Advance Special.

Our Annual Charity Show as held again this year. It helped us to secure some of the additional funds so greatly needed at this time. The staff of C.R.C. and the parents of the children worked very hard to make this successful, as they do every year.

My husband and I continue to travel most weekends, to share with our Methodist Churches everywhere, the story of Childrens Resource Center, the center built on faith. If we have not visited your church, please call us and we will put you on our agenda. We could not make it without the help of our churches throughout the conference.

We urge you to visit Childrens Resource Center and share in the wonder, joy and love that is experienced here daily, through what God is doing for all of us and in the lives of the children and families involved in this program. The vital activities, the continual goal of helping make children whole, is ever deepening our Christian faith. There are many ways in which you can help. We need volunteers, clothing, canned food and financial support.

Last summer we were richly blessed when Miss Davenport, Youth Director and Minister, brought forty-five youth from Cullman, Alabama, as a Mission project, to spend a week with us at C.R.C. They were housed in the homes of people from the churches in the Pensacola area and in the homes of the staff of the center. The youth worked directly with our children, assisted staff, built sandboxes and benches for our children, put on puppet shows, drama programs and took part in one of our group counselling sessions. We shared them with around fifty other youth from our churches at a cookout and worship service held outdoors, on the waterfront home of my Educational Director. It was a wonderful experience for all of us. We hope that this wonderful group will long remember the little children in our program and we hope that other groups within our conference will want to come. As a Deaconess and through the Board of Global Ministries, I know that the center is a tremendous opportunity for being in mission. Here, in this very special place there is always love in action as pain and suffering is alleviated and wholeness becomes a reality.

Thank you for your Advance Special giving to this ministry and for all of you who continue to make this ministry possible. Please continue to help and answer my call for our present needs. Scholarships continue to be greatly needed. Local churches within the Conference are urged to participate in this Advance Special Ministry by making a commitment to contribute toward the support of this Advance.

We need your help and desire your partnership in this special ministry. Please become our partner in Mission. You will find it very exciting and spiritually rewarding.

Dottie E. Sarver, Deaconess
Executive Director

Report No. 13 — A RESPONSE STRUCTURE
Alabama-West Florida Episcopal Area
North Alabama Episcopal Area
STATEMENT OF PURPOSE

United Methodist Disaster Response in the State of Alabama and Northwest Florida will be carried out by a joint Disaster Response Commission from the North Alabama Episcopal area and the Alabama-West Florida Episcopal area. This will be a cooperative effort of these two areas to meet the needs of victims of both natural and man-made disasters. The Commission will work closely with United Methodist Committee on Relief (UMCOR), Church World Service, and other denominations and faiths as well as the American Red Cross and Federal Emergency Management Agency in these response efforts.

THE COMMISSION COMPOSITION

This Commission will be composed of three persons. The first two will be the Conference Disaster Coordinators from the two conferences involved. The third member will chair the Commission and be selected by the two conference coordinators. This chairman will be selected based on skills, training and experience in disaster response and will be selected to serve one quadrennium.

A treasurer will be selected by the Commission to serve for a quadrennium and will have ex-officio status without vote on the Commission.

This Commission will be known as the Joint Disaster Response Commission and will be the policy making and decision making body in disaster relief.

ACCOUNTABILITY

The North Alabama Conference will handle the lines of accountability through their Board of Global Ministry. The Alabama-West Florida Conference will be accountable to the Conference Board of Missions.

Accountability will include, but not be limited to funds involved in the work of the Commission.

FUNDING

Each annual conference will contribute \$3,000 yearly to the operation of this Commission, with funds to be maintained in two separate accounts. The first account will be used for training and expenses connected with the Commission and the volunteers selected to respond to disasters within the two areas, or beyond in the event assistance is required by another area. The second account will contain funds for relief efforts and will be disbursed in accordance with needs following a disaster. Any funds received from United Methodist Committee on Relief (UMCOR) or from a special appeal will be sent to the respective conference treasurers and forwarded to the treasurer of the Commission for use under the direction of the Joint Commission.

Accurate records will be maintained by the treasurer, and a detailed statement will be made to the Commission monthly following a disaster until such time as the need is met and the books closed on that specific disaster.

Quarterly records will be provided to the Commission members regarding all receipts and disbursements and all records will be readily available to the responsible bodies in each of the conferences.

Any distribution of funds will require the prior approval of any two of the Commission members, and verbal approval will be followed by a written approval mailed to the treasurer.

All checks will require the signature of the treasurer and any member of the Commission.

THE RESPONSE TEAM

Actual evaluation of needs will be provided by either a member of the Commission itself or a member of what will be known as The Response Team. This team will be composed of 10 members. Five will be selected by each of the two conference coordinators to serve as a part of this team. There is no specified limit as to the term of service for these members, but their membership will be reviewed at the end of each quadrennium. The Commission, however, has the authority to replace members of this team if they resign or if they do not adequately perform their duties.

RESPONSE TEAM DUTIES

One or more members of this team may be asked to go to the site of a disaster to evaluate the needs of the area involved. Such on-site visits will be made only at the request of the Commission, and team members are expressly forbidden to involve themselves as a representative of the United Methodist Church unless specifically instructed to do so.

Upon completion of the evaluation the team member will report directly to the individual Commission member as instructed.

No individual can serve on this team without availing themselves of the training provided by the Joint Commission. There will be no exceptions to this requirement.

Efforts will also be made to select these team members from geographic locations that will minimize time and distance in responding to a call.

This team is designed to serve as a short-term presence at the scene but may be asked to serve a longer period of time as a contact person for the disaster area.

THE DISTRICT COMMUNICATOR

Each district in the two respective conferences will have one person designated as a communicator. This person will be carefully selected by the District Superintendent and one of the Commission members and will be selected to serve one quadrennium.

Lay or clergy are acceptable for this position, but the stability of a lay person in these districts is desirable.

DUTIES OF THE DISTRICT COMMUNICATOR

These communicators will not act in the capacity of the response team. Their responsibilities will be different and three-fold. First they will be aware of the occurrence of disasters within their district, and they will call one of the Commission members immediately upon learning of a disaster of any magnitude. Their responsibility in communicating will continue following a disaster in that they will be the official and publicized person to whom others can turn for information as to what has happened, what is being done, etc. However, this person will continue to pass on needs to a Commission member or to the Response Team member assigned to that disaster until such time as the response effort is completed. They will not direct the volunteer efforts on any response effort unless specifically requested to do so by a member of the Commission.

Second, the communicator will recruit volunteers from their district to be placed on a stand-by roster in the event of a call for volunteer response. This roster will include names, addresses, phone, skills, availability, local church and any other info deemed helpful, and a copy of the roster will be provided to the Commission members. Third, this person will serve as the liaison to make sure info pertaining to the needs are passed on to local churches in their district as requested by the Commission.

THE VOLUNTEERS

The roster will be kept on a district level and will be designed to denote skills in the following areas: (1) Pastoral care and counseling, (2) debris removal, (3) carpentry, electrical, plumbing, etc. skills, (4) capable advocates (filling out forms, etc.), (5) transportation and others as needed.

Volunteers will be asked to respond to a disaster only if requested by the Commission.

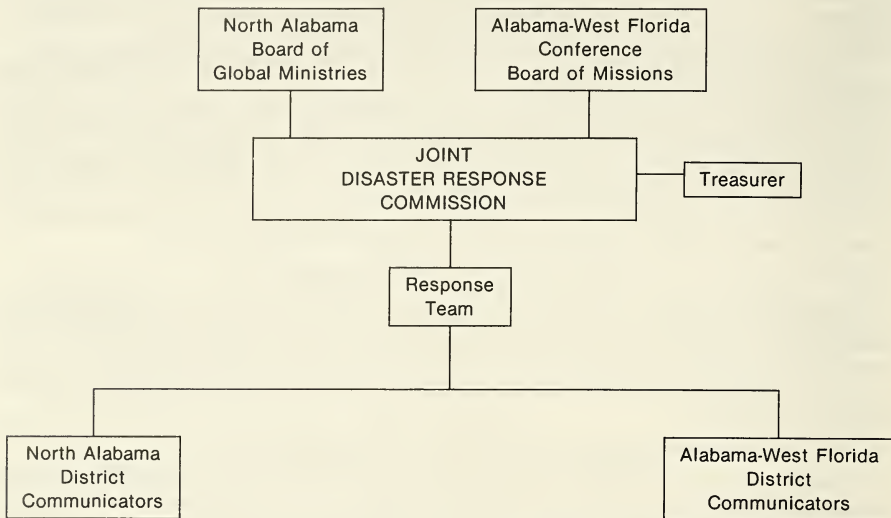

TRAINING

The Response Team will be given extensive training, provided by the Commission, and including such agencies as American Red Cross, Federal Emergency Management Agency and the Department of Human Resources. No individual can be a member without first participating in this training event.

The District Communicators will also be given training with respect to their individual responsibilities.

Training events will be conducted at the beginning of the new program and refresher courses will be offered at least once a year thereafter.

BOARD OF EVANGELISM

1990 — YEAR OF EVANGELISM

Foundation Statement.

Every person can be saved through inspiring, creative programs in the local church when both pastors and lay persons commit themselves to the fundamentals of prayer, faith sharing and visitation. Evangelism goes beyond salvation; every person can be trained in Discipleship and in the work of making disciples.

Goals for 1990 — Year of Evangelism.

1. Instill pride and enthusiasm in the 132,000 Christians in the Alabama-West Florida Conference in being a United Methodist.
2. Encourage and motivate pastors and lay persons to be what they were meant to be in God's kingdom as persons and as evangelists.
3. Provide resources and training to the local church in order to foster a positive and affirmative feeling of hope and success.
4. Train the membership in Prayer and How to Make Disciples.
5. Promote the concept that love, prayer, and exciting, dynamic church services can be expected.
6. Increase utilization of lay volunteers in the local church. Foster the feeling that each of us is called to be a minister.
7. Assist and encourage each local church to become a Center of Evangelism.
8. Challenge every District Superintendent and District Council on Ministries to establish a Net Gain goal for that District by setting individual local church goals in order that each local church will experience some increase in membership in 1990.

Program Proposals to accomplish 1990 Goals.

1. Equip and staff a booth at Annual Conference in 1989 and 1990 to provide courtesy Evangelism information and material.
2. Request input and suggestions from District Superintendents, District Secretaries and others as to proposed programs.

3. Through the Conference Council on Ministries gain the support and participation of all other Conference Boards, Agencies, and Commissions to plan, fund, and administer an Evangelism program in 1990 in their area of expertise.
4. Seek to co-sponsor with each District Superintendent the annual District Conference in 1989 with District Secretaries providing program, materials and personal witnesses.
5. Request and assist each District Superintendent and each District Council on Ministries to organize a District Evangelism Task Force to promote the 1990 — YEAR OF EVANGELISM: (a) District Secretaries to Chair the Task Force and designate members by July 1, 1989; (b) BOE to provide orientation for Task Forces in October 1989; and (c) Request District Superintendents to hold a District Evangelism Rally to provide a platform for the District Task Force to orient, train, and inspire District Evangelism in local church leaders.
6. Encourage attendance of District Superintendents, pastors of local churches, and all local church Chairpersons of the Work Area on Evangelism at the School of Evangelism, Ft. Walton Beach, Florida on October 9-12, 1989.
7. Encourage and assist local congregations to provide a comprehensive, meaningful Publicity and Public Relations program using multimedia to inform and inspire United Methodists in their community to greater zeal in winning souls.
8. Provide material to each UM pastor to conduct a course in each local church on "How to Pray" followed by a course on "How to Share Your Faith."
9. Co-sponsor and encourage participation in the Spiritual Formation Conference on February 18-23, 1990.
10. Schedule and fund 1 or 2 sessions of **Growth Plus** in the Conference in 1990 by Dr. Joe Harding.
11. Encourage use or personal witness ("A Word of Good News"), Lay Readers, prayers, and other meaningful participation by laypersons from the pulpit each Sunday.
12. Request sponsoring organization of each meeting at Blue Lake to use an appropriate dynamic witness for a short Evangelism talk, possibly a service of the Lay Speaker program.
13. Sponsor a Bishop's Rally — 1 or 2 — in early 1990 at suitable locations (Montgomery and Pensacola) for an estimated 5,000 participants in each location in order to celebrate, inspire, and motivate.
14. Hold Tri-District Bishop's Convocation for Confirmation Classes in the Spring of 1990.
15. Request and assist each District sponsor an appropriate event in 1990 recognizing and honoring District Denman Award nominees.
16. Plan and fund a luncheon at Annual Conference in 1989 and 1990 to honor past Denman Award winners and current year nominees and winners. Suitable mementos in the form of plaques and nice 14 KT gold lapel pins will be given to Conference winners.

Charles Holston, Chairperson

BOARD OF CHURCH AND SOCIETY

This report, more often than not, is a rehashing of what we have done and some little fanfare about what we hope to do through the board, its several members, associated organizations and the churches of our conference. Not much can be gained by either bragging or complaining about the past, and although some things might be said pro and con, our major activities may have taken place between the time of this report and the time of the conference session.

One of the areas of concern with which we will be dealing year after year is Peace with Justice. Under that umbrella may be found most of what challenges us as Christians in our world today.

There is no uncertain mandate from the Scriptures for what we are about. Matthew 25 is most explicit. It is as important to "repent and be baptized" as it is to determine eternal destiny. The problem has been that people want to choose between personal salvation and social action, rather than accepting that both are required, wanting the "Savior" and the "Lord."

Our *DISCIPLINE* is also clear in pointing out areas of concern and, although we may not give it the full authority and weight of Holy Scripture, it represents the United Methodist

stance. The Social Creed spells out what our General Conference has determined ought to be our agenda for Peace with Justice and other areas as well. If we understand all the implications of "Justice," that covers most areas.

One of our board members, Mr. Harold Swaney, Vice-President, has suggested that our work as Christians should be described as "loving, constructive cooperation." There is ample scripture warrant for that description. The words are "love" (agape), "edifying" and "accord."

Jesus said, "My Kingdom is not of this world," but there is little doubt that He expected His followers to behave as citizens of the kingdom while they are here.

We recommend reading or distributing the Social Creed in every local church and we urge members of the churches of our conference to let their legislators and executive leaders hear from them concerning issues before us.

In this as in every area of our work the harvest is ready and the laborers are few.

Ed Cotten, Chairperson

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

Our commission met and organized for the new quadrennium during Annual Conference. Our officers were elected and informed of our mission but due to the construction at the library were unable to tour the depository.

The past Chairperson, Reverend Dan Rhodes is to be commended for his able leadership to the commission the past two years. Mrs. Mary Ann Pickard is also to be commended for her outstanding direction, leadership and devotion as our Conference Archivist. Her loyalty these past years has been an asset to our conference and commission. We are grateful to her and the many others who volunteer to help in this work.

The 1988 Service of Commemoration with the Reverend Charles Langford as the Memorial Sermon Preacher again was very impressive and meaningful. The families of our deceased ministers and spouses were guests of the Commission and Conference for the service and a luncheon afterwards. We continue to provide this for our conference families during this part of the conference.

The commission also provides Grave Markers for our ministers and for those who do not have one and would like to obtain one. They are available from the depository. We also host the Wesley Heirs, our retired ministers and spouses at a breakfast during conference. This has become an annual affair and we encourage our new retirees and all others to join with us for this buffet early morning meal and fellowship.

The commission continues to recognize outstanding historical events and efforts of our conference churches. We provide an opportunity to be recognized as each celebrates their 50, 100 and 150 year. We hope each church will send us information of these celebrations. We also encourage each local church to write and forward their church histories and to be active in our Historical Society. More and more districts and local churches are forwarding their church/charge conference records to us for file and safe keeping. We would like to have lists of all former pastors and even church photos for the files.

Several commission members attended the SEJ Historical Society meet and workshops this year and many workshops and training events were conducted in our own conference. We encourage support of our commission programs and pray that everyone will endeavor to keep our church and conference history foremost in their minds.

The Commission on Archives and History continues to support the annual conference by providing the means and wherewithal to keep important documents and materials. These items certainly belong to the local church and we only ask that you consider the proper documentation, recording, and preserving of them by allowing us to do that for you and the conference. We are continuing to search for and obtain a qualified person to compile and write our Annual Conference History. Our commission has established and supports several student internships for the depository through Huntingdon College, our financial gifts provide these students with a little extra income for their work. We have two separate reports not in the Consent Agenda. One is the renewal of the agreement between the Annual Conference and Huntingdon College for the facilities we share jointly housing the depository. This was the original agreement recorded in the 1978 *Journal*, pp. 229 and is amended.

The second is recognition of the Reverend Doctor Cecil Bradley, our commission cabinet representative for the past six years. His able assistance and concern has been valuable to us and will be sorely missed.

Report No. 2 — PROPOSED AMENDED AGREEMENT BETWEEN THE ALABAMA-WEST FLORIDA CONFERENCE AND HUNTINGDON COLLEGE

RE: The Franklin S. Moseley Depository,

The Alabama-West Florida Conference, The United Methodist Church.

The Franklin S. Moseley Depository of the Alabama-West Florida Conference, The United Methodist Church, hereinafter referred to as the Depository, shall be operated as a joint enterprise of the Alabama-West Florida Conference and Huntingdon College. It shall consist principally of two collections of materials: (1) "The Alabama-West Florida Conference Collection" and (2) "The Huntingdon College Collection."

Each item of materials or equipment in each of the two collections shall be clearly marked in order to distinguish ownership. The archival and historical materials shall be shelved in separate and distinct areas.

The college shall provide facilities for housing the depository, including basic equipment, utilities and furnishings but no expendable equipment or supplies. The church shall appropriate funds for at least a minimum staff, archival supplies, and operating expenses. Other sources of income may include contributions from individuals and churches and grants from organizations.

There shall be an Executive Committee of (1) one representative from the Commission on Archives and History (The Chairperson or designated representative), (2) one representative from the church at large (the chairperson of the Conference Records Committee or designated representative), and (3) one representative from the College (The Director of the Library or designated representative) which shall supervise this agreement between the church and the college. Either party to the agreement shall have the right to terminate it upon giving the other party ninety days written notice of the intention to terminate. Upon termination each party shall retain its designated property.

The Conference Archivist, selected by the Conference Commission on Archives and History and accountable to the Conference through the Commission, shall serve as executive officer of the Depository and shall, in consultation with the Director of the Library, be responsible for the day to day operation of the enterprise. His/her authority and duties shall include, but not be confined to the recruiting and supervision of necessary staff members, the solicitation, budgeting and expenditure of funds (Depository funds shall be kept and administered separately from those of the Commission), and the procurement and arrangement for use of archival and historical materials.

This agreement will be amended and recommended for approval by the Annual Conference and Huntingdon College representatives every quadrennium. Copies of the signed agreement by the Executive Committee will be kept by the respective parties.

Amendment is to the original agreement recorded in the 1978 *Journal*, pp. 229 to be approved by the College and Conference at the 1989 session of the Alabama-West Florida Annual Conference.

Report No. 3 — TRIBUTE TO THE REVEREND DOCTOR CECIL BRADLEY

The Commission on Archives and History wishes to recognize The Reverend Doctor Cecil Bradley, District Superintendent of the Andalusia District, and cabinet representative to the commission for the past six years.

His fine, outstanding and faithful leadership given to this commission for the past six years has enabled historical foundations to be strengthened and historical milestones to be placed in our annual conference. Under his able direction and supportive spirit we have realized many fruits in the area of obtaining and preserving our heritage. Upon his retirement we rejoice in the celebration of his ministry, leadership, and pastoral guidance. Doctor Bradley has been a true friend of our beloved church and conference, we know that he will continue to be a strong and sincere supporter of our heritage.

The Commission on Archives and History on behalf of the Annual Conference would like to present this token of our appreciation to the Reverend Doctor Cecil Bradley for his outstanding support and leadership over the many years of service. Your place in history is forever marked now, your retirement is well earned, faithful servant. God bless.

Total linear inches records and books added to collection occupy	207.02

B. RESEARCH AND REFERENCE:

51 persons requested research by mail and telephone.
24 researchers visited the Depository.

C. TRANSFER OF METHODIST RECORDS FROM STATE ARCHIVES: At the 1988 annual session of the Alabama-West Florida Conference, Dr. Edwin Bridges and others from the State Archives were present to make an official transfer of the Methodist records stored in the State Archives to our depository when the new depository is ready to use. This accession will be quite an addition to our holdings.

D. NEW DEPOSITORY: The Depository will move into the new Charles and Thelma Dixon Wing of the Huntingdon College Library, which is estimated to be open in September of 1989. The Commission is continuing to look for funds for mobile compact shelving for the new vault in order to provide for all of the special collections, which include not only the Methodist Collection, but also the Huntingdon College, Rare Book, Spang Cartoon, and Turner Prints Collections. The shelving will be essential in providing for future additions to the collections without having to find more space.

E. FINANCIAL REPORT FOR 1988: During 1988 the amount spent is as follows:

\$4,500.00	Archivist's salary
405.60	Employer's Share of Social Security
128.25	Expenses of archivist to attend meeting of Southeastern Jurisdiction Historical Society
<u>412.06</u>	Equipment, office and archival supplies
\$5,445.91	Total spent for regular budget

F. **PURCHASE OF COMPUTER SYSTEM:** A computer system for the depository was purchased for \$4,500.00 in December of 1988 from special donations. It consists of a WYSE IBM AT compatible computer, a Hewlett Packard laser printer, and Word Perfect software. Uses of the computer system will include: 1) updating and printing the Accession Register; 2) indexing the Accession Register; 3) word processing, writing letters, keeping financial records, and other office procedures; 4) writing and editing reports; 5) preparing "camera ready" copy for brochures and other publicity media. A big project is to "typeset" and print the *Encyclopedia of Alabama and West Florida Methodist Ministers Since 1808* using the data on ministers from the records created by Franklin S. Moseley. This project will also fulfill the request of the General Commission on Archives and History for the same information. We can use the same format for both.

G. **PREPARATION OF OBITUARIES:** For the past two years I have prepared the obituaries of the ministers and ministers' spouses for the Conference Journal. I also keep a supply of United Methodist Minister grave markers available for District Superintendents to give to families of the deceased.

H. **APPRECIATION TO VOLUNTEERS:** I would like to recognize the services of Mrs. Ida Grace Gastinger and Mrs. Adele Varner who come regularly each week to work with the periodicals and filing. Due to their efforts we can keep our periodicals, local church vertical files, and photographs in good order.

II. **EVALUATION OF DEPOSITORY:** The General Commission on Archives and History has set standards for conference depositories and has included evaluation questions in their publication, *A Manual for the Annual Conference Commission on Archives and History*. In my annual report to the Conference Commission I provided answers to these 36 questions related to (1) administration, (2) acquisition, (3) appraisal, (4) processing, (5) reference services, (6) facilities, (7) and equipment. A copy of this evaluation is available by writing to: Mrs. Mary Ann Pickard, F.S. Moseley Depository, Library, Huntingdon College, Montgomery, AL 36194-6201.

III. GOALS FOR 1989.

A. Goals continued from 1988

1. Update Accession Register through 1988 and print copies to be distributed to conference offices and related depositories.
2. Complete Chronological Register of churches.

B. New goals

3. Move into new facility and get records moved and reorganized.
4. Install computer system and get files set up in computer.
5. Start working on *Encyclopedia of Methodist Ministers in Alabama and West Florida Since 1808*.
6. Make an analysis of holdings and pinpoint weaknesses in collection.
7. Create a new brochure publicizing the depository.
8. Make concerted effort to collect old circuit (not station church) quarterly conference record books and registers dated before 1930. These records provide the only source of the composition of circuits back then as the *Journals* did not begin listing the churches on the charges until 1930.

IV. **RECOMMENDATION NEEDING CONFERENCE APPROVAL:** The Commission on Archives and History recommends that the agreement between the college and the conference concerning the Depository be reviewed, adjusted and reaffirmed each quadrennium.

I appreciate the opportunity to serve the conference as Archivist and pledge myself to make the depository a service agency for gathering, preserving and disseminating accurate information.

Mary Ann Pickard, Archivist

COMMISSION ON TOWN AND COUNTRY WORK

We celebrate the fact that in the Alabama-West Florida Conference there are no small churches. There are churches with small memberships and with small buildings, but the calling to be the people of God is just as great as the calling of those in larger settings.

The Commission on Town and Country Work is committed to the task of helping our small membership churches find ways to be further involved in ministry within their communities.

When you consider the fact that seventy-three percent of the churches within our Conference have less than one hundred fifty members, it becomes apparent that the degree of ministry and mission is greatly affected by our small membership churches.

The members of the Town and Country Commission offer themselves to help any local church develop new programs and skills to aid them in becoming more effective servants of our Lord.

Our plans for 1989 include organizing small membership rallies within each District; and assisting the Board of Ministry in planning the Minister's Workshop to be held at Blue Lake in June.

Please call on us if we can assist you in your local church.

Winston Jay, Chairperson

COMMISSION ON RELIGION AND RACE

The ministry of Religion and Race is a spiritual effort in the United Methodist Church established to move us toward reconciliation. Much of the work we do is sociological in nature, but is our theologically reflective processes that enable us to identify the rationale for required changes.

This Commission is a monitoring agent and not an enforcing agent.

I. NEW CHURCH DEVELOPMENT AND REVITALIZATION

1. Recommend a Convocation on Religion and Race on the Conference, District, and local Church levels.
2. Discourage the relocation of churches because of ethnic changes in the neighborhood.
3. Give support to inclusive churches.
4. Have mutual ministry projects such as Vacation Bible School, pulpit exchanges, congregation exchanges, etc.
5. Make available to publications examples of inclusiveness.
6. Create a timetable for programs and projection — how much will be accomplished in 5 years? in 10 years?
7. Create an ad hoc committee to set up workshops in the Districts.
8. Encourage each local church to establish the Commission on Religion and Race where there is not a Commission established.
9. Encourage the Nominating Committee of the Conference to nominate ethnics to the following Commissions: Worship, Research and Planning, and Stewardship. (Total number of Women on Commissions — 110, Total number of Ethnics on Commissions — 40)

- II. Twenty-four people from our Conference attended the Southeastern Jurisdictional Convocation on Racism/Leadership Training Workshop. We established an ad hoc Committee on Conference level to train local church people in their Districts. The dates of these workshops will be announced. We requested and received information from the District Superintendent listing all the Chairpersons on Religion and Race in their District. We established the date of the Conference Convocation on Religion and Race to be February 16 & 17, 1990.

William A. Floyd, Chairperson

COMMITTEE ON CAREER/LIFE PLANNING

The purpose of the Committee on Career/Life Planning is to provide opportunities and

resources for persons searching for Christian meaning in their career or vocational choices. These careers may or may not be in full-time "church" employment. The Committee has focused its work in two major areas this past year.

The "Summer Opportunities in Ministry" program is a project which matched committed college-age students who are interested in working as summer youth directors with churches within the conference or as summer youth counselors at Blue Lake. Who may participate?

1. Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service in a local church or church agency.
2. Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry.

For students and churches/church agencies to apply, write Summer Opportunities Program, 1277 S. Lawrence Street, Montgomery, Alabama 36104.

A second major thrust this year is a Convocation on Vocations, to be held June 23-24 at Huntingdon College. Designed primarily for, but not limited to, high school and college-age persons, the event will provide testing to help persons identify possible career opportunities; workshops with leader/models from various vocational fields who will share how their Christian faith interacts with their vocational area; and inspirational messages from outstanding Christian leaders of our day. Registration information can be obtained by writing Convocation on Vocations, P.O. Drawer 700, Andalusia, Alabama 36420.

As we move into the 1989-90 year, the Committee on Career/Life Planning is participating with the Board of Ordained Ministry and the Board of Diaconal Ministry in developing a plan to revitalize interest in full-time church vocations — particularly the ordained and diaconal ministries. The Task Force, comprised of representatives from these three agencies, was charged by the Bishop to develop a plan that will address the crisis we face in encouraging more persons to respond to God's call to full-time ministry in this Conference.

Jerald T. Lipscomb, Chairperson

COMMISSION ON NEW CHURCH DEVELOPMENT AND REVITALIZATION

Report No. 1

The Alabama-West Florida Commission on New Church Development and Revitalization was organized at the 1988 Annual Conference with the following officers elected: Chairperson, Ennis G. Sellers; Vice Chairperson, Shelton Howsey; Secretary, Alva Beers.

At our fall meeting, we welcomed Bishop Hancock, our new C.C.O.M. Director, Bill Calhoun and Don Brill, the C.C.O.M. staff person who will be working with our Commission.

It was emphasized that all requests for grants must be presented with proper forms and documentation. Until the requests for grants are properly presented, the Conference Commission on New Church Development and Revitalization cannot act on them. The Commission's policy is that grants are released to the District Superintendent when the project is ready for funding. It has been the policy of the Commission that all grants made must be used within six months or returned to the UM Foundation which handles the making of the grants. If for some reason that phase of the project cannot be completed within six months, the District Superintendent can request a six months extension. Normally, the District Superintendent should return the funds until the project is ready and then request them.

We received the following properly completed requests for funds in September 1988:

Revitalization:	
Boylston, Montgomery	10,000
West Wilmer, Mobile	15,000
Genesis EMLC, Dothan	20,000
New Church Development:	
Korean Church, Montgomery	25,000
Snow Road, Mobile	25,000
Crestview, Andalusia	50,000
Woodbine, Pensacola	25,000
Perdido Bay, Pensacola	25,000

Grants made in September utilizing all available funds:

Revitalization:	
West Wilmer, Mobile	7,000
Boylston, Montgomery	7,000
New Church Development:	
Korean Church, Montgomery	9,000
Woodbine, Pensacola	9,000
Snow Road, Mobile	9,000

At our February meeting we went through the process of reprioritizing of all projects. The results were as follows:

NEW CHURCH DEVELOPMENT:

Project	District
1 — Sandestin	Marianna/Panama City
2 — Perdido Key	Pensacola
3 — Crestview South	Andalusia
4 — Dothan EMLC, N.E. City	Dothan
5 — Snow Road	Mobile
6 — Woodbine	Pensacola
7 — Bayou George	Marianna/Panama City
8 — Sollie Road	Mobile
9 — Thomas Dr.	Marianna/Panama City
10 — Dees Ave.	Mobile
11/12 — Korean Church	Montgomery
11/12 — Calloway	Marianna/Panama City

REVITALIZATION:

Church	District
1 — Mexia UMC (Monroeville)	Andalusia
2 — West Wilmer	Mobile
3 — Park St. UMC (Troy)	Troy
4 — Field Worker	Dothan
5 — Oakdale UMC (Mobile)	Mobile
6 — Phenix City First UMC	Troy
7 — Epworth UMC (Phenix City)	Troy

Each January the Commission will ask the District Representatives to reprioritize all projects.

At the beginning of our hearings for grant requests, Dan Bailey of the UM Foundation reported that as of February 3, 1989, grants have been made in the sum of \$370,966.02. We had another \$40,000 on hand with an additional \$25,000 expected before the September meeting. We had the following requests:

Revitalization:	District:	Asked:	Granted:
1. Mexia	Andalusia	\$75,000	\$ 8,000
2. West Wilmer	Mobile	\$15,000	\$ 4,000
3. Oakdale Mission	Mobile	\$15,000	\$ 4,000
4. Park St.	Troy	\$25,000	\$ 4,000
5. Phenix City First	Troy	\$15,000	-0-
New Church Development:	District:	Asked:	Granted:
1. Crestview, South	Andalusia	\$25,000	\$10,000
2. Dothan EMLC	Dothan	\$20,000	\$20,000
3. Snow Rd.	Mobile	\$16,000	-0-
4. Sollie Rd.	Mobile	\$25,000	-0-
5. Dees Area	Mobile	\$25,000	-0-
6. Perdido Key	Pensacola	\$25,000	\$18,000
7. Woodbine	Pensacola	\$25,000	-0-

As you can see, our needs and requests far exceed our resources. Some of the grants cannot be funded until the Foundation receives additional funds from the Capital Develop-

ment. We urge all churches to redouble their efforts to complete their Fair Share Asking. We have several good new church projects that are not able to be begun because of the lack of funds. We need to have an ongoing fund for these projects. We must get churches established where population growth is occurring. We appreciate the support and encouragement of Bishop Hancock, the assistance of Don Brill and the untiring and extended work of all Commission members.

Report No. 3

The Commission on New Church Development and Revitalization recommends that our Conference utilize the services of the Office of Church Development and Renewal of the Board of Global Ministries.

This agency has developed a program of self-help for redevelopment and revitalization of local congregations. Ordinarily a staff person from the Office of Church Development and Renewal would go to a local church to help with this program. This means that not many churches can have access to trained persons to assist them. Yet, the Office of Church Development and Renewal believes that any church that has experienced a four year period when Church membership, attendance, Sunday School membership and attendance have remained within eight percent growth/decline, it is ready for revitalization.

The Commission believes that we can help solve the problem of hundreds of churches needing the revitalization program and only a few trained persons available to help them in the following manner:

1. Have a leadership team from the Office of Church Development and Renewal come to a Conference Workshop to train persons within our Annual Conference to be resource persons for our local church.
2. Members of all nine district Committees on New Church Development and Revitalization, the Conference Commission on New Church Development and Revitalization, and the district superintendents and others would be trained as resource persons for the districts.
3. Through a series of sub-district workshops local pastors and laypersons could be trained to conduct their own revitalization/redevelopment programs. The trained resource persons would be available for consultation and assistance for local church leaders.

The Conference Commission on New Church Development and Revitalization believes that such a program would help our Conference Church to understand their church and community needs, develop a sense of mission, and develop more effective short and long-range planning.

While the Conference Commission on New Church Development and Revitalization can provide the planning leadership, we believe that this program is so important that the Conference Council on Ministries should be the sponsoring agency or at least one of them. We believe that this program could be the means for developing a new and exciting sense of ministry and mission.

Report No. 4

The Commission urges District Superintendents, District Committees on New Church Development and Revitalization, and District Committees on Church Building and Location all give careful consideration to establishing new ethnic minority congregations, and finding ways of strengthening existing ones. In transitional community areas, we encourage all parties to consider and work toward racial inclusiveness before relocating. We encourage mutual ministry projects such as Vacation Bible School, Mission projects, pulpit exchanges, choir exchanges, joint meetings of UMW, UMM, and UMYF groups, and other such ventures.

We urge the Conference leaders to look for ways to acquire church facilities that are put up for sale when a congregation decides to relocate, and an ethnic minority congregation might be organized in those facilities. Examples are the old St. Mark property in Montgomery and the old Epworth property in Phenix City. Church law forbids the sale of church property by one UM Church to another UM Church under these circumstances; yet it is plain that we could have established ethnic minority congregations in both of these properties if we had the means of acquiring them.

We request that Bishop Hancock study this matter further to see if a practical solution can be found.

We commend those congregations in our Conference who are working toward understanding, cooperation and inclusiveness through various programs and exchanges and a variety of other ways.

STEWARDSHIP COMMISSION

The Mission/Stewardship rallies in every district in October and November 1988 were a great success. Conference Lay Leader Judge Dale Segrest and Bishop C.W. Hancock gave inspirational and informal messages about Stewardship. There was a large number attending each rally.

The Conference wide Stewardship Workshops on February 17, for clergy was attended by 175 ministers. The Workshops on February 18, for Lay people were attended by 125 lay people. Leadership was the Rev. Herbert Mather, Assistant General Secretary of the General Board of Discipleship section on Stewardship of Nashville, Tennessee, and Roy Stephenson, lay member on staff of Memphis Conference Council on Ministries. Comments were very positive about both meetings.

In April we brought Fletcher Carter from the office of Finance and Field Service in New York for district workshops on Funding the Church for Ministry and Mission. Those attending received help for carrying on a Budget Funding Campaign in their local church.

The Commission is recommending two studies for 1990:

1. Putting God First, the Tithe, by Norma Gaskill.
2. Becoming a Giving Church, by Herbert Mather.

Both authors are on staff of the General Board of Discipleship. The books can be ordered from Discipleship, Resources, Nashville.

Dr. Marvin Grunzke has spent many hours putting together the church survey that many of you participated in this year. The results of this will be mailed to each church as soon as completed. As of March 15, three districts have not returned any of the survey sheets. We hope to be completed by June 1, 1989, or soon thereafter. Thanks to each of you who participated in this most important undertaking by The Stewardship Commission. The Commission appreciates Dr. Grunzke's many hours of work making this survey possible.

The Commission on Stewardship met two times during the year to plan and carry out our program. Part of our work is to help local churches. For assistance with a stewardship emphasis, call Rev. Terrence Hayes at Conference Headquarters, or Jim Salter at 1425 Finley Drive, Pensacola, Florida 32514; telephone (904) 476-0234. Commission members are willing to help any local church with a stewardship emphasis. Call Rev. Terrence Hayes at conference headquarters, or Jim Salter at 1425 Finley Drive, Pensacola, Florida 32514; telephone (904) 476-0234.

PASTORS' ASSEMBLY BOARD OF MANAGERS

The 1988 Pastors' Assembly was held at Oakwood Lodge of Blue Lake on October 24 and 25. The theme of the Assembly was "Managing To Be Faithful." A large number of ministers in our conference participated in this event and received continuing education credit.

We were most pleased to have our new Resident Bishop, C.W. Hancock, with us. He addressed the group in the opening session and blessed our hearts with his warmth and inspiring message.

Our guest lecturers and preacher for the 1988 Assembly included Dr. Patricia H. Arnold who is a management consultant and a professor; Reverend Charles M. Chakour, treasurer of Northern Illinois Conference; and Dr. E.L. McFee, Jr., retired Methodist minister from the North Alabama Conference. All of these leaders did an outstanding job with the theme of the Assembly. We were especially pleased with the great response so many gave to the preaching services with Dr. E.L. McFee. It was most uplifting and thought-provoking.

The Pastors' Assembly Board wants to express its sincere appreciation to Dr. Lawson Bryan who has served with excellence as the Dean for a number of years. He is going off the Board this year and Reverend Bob Prim will serve as the new Dean.

The 1989 Assembly will be October 23 and 24. The theme is "The Church And Media." We encourage every minister in our conference to plan to attend the 1989 Pastors' Assembly. We believe that Pastors' Assembly offers stimulating, helpful, challenging presentations to our ministers.

Dr. Asa Boozer, Chairperson

COMMISSION ON WORSHIP

The Commission on Worship of the Alabama-West Florida Conference of The United Methodist Church seeks to be responsible to the best that we know and to the people we serve. We have begun our quadrennial task with several organizational meetings where worship tasks were assigned for the upcoming annual conference sessions. My appreciation to those who have so willingly volunteered, accepted and executed the assignments necessary for making annual conference worship great.

The Worship Convocation in Columbus, Georgia, *God's Children In Worship*, scheduled for February 17 and 18 of 1989 had to be cancelled because of a lack of registrations. The scheduling of another important event in our conference on the Convocation weekend could have played a role in this regrettable result.

There will be a denomination-wide training event this Summer in Southern California. At least two members of our conference commission are presently planning to attend.

The most important evangelical resource that the Church will produce this decade may be our new hymnal to appear in the Fall. We hope to be ready, and our aim is to help the congregations to be ready. Methodists sing their theology. That sung theology can be sentimental, comforting or entertaining, but to be the authentic worship of God it must also be more: We feel that Christ is offered on every page of the Hymnal. And more importantly we feel that God is praised and should be pleased by what we sing. These we affirm as primary considerations in this new worship resource. As we move toward a new century of Methodism let us not go fearfully, but "singing."

Joseph H. Reams, Chairperson

COMMITTEE FOR THE COORDINATION OF ETHNIC LOCAL CHURCH CONCERNS

There shall be a committee organized in each Annual Conference on ETHNIC LOCAL CHURCH CONCERNS which shall relate to all conference agencies for the implementation of the conference's Comprehensive Plan. The committee shall be comprised of one-third laywomen, one-third laymen, and one-third clergy. At least one-half of this committee shall be racial/ethnic persons, where feasible. It shall also include a Cabinet representative. The committee shall develop a comprehensive plan for implementation by the Council on Ministries, and also shall develop criteria for use in evaluating racial/ethnic projects and programs within the conference and in reporting on its work to the Council on Ministries. (Paragraph 726.5)

Report No. 1 — GOALS AND GUIDELINES FOR THE 1988-1992 QUADRENNIUM

Philosophy: We, of the Alabama-West Florida Conference, are in a true sense of the phrase "a Rainbow Conference." We represent all the colors and talents that America has to offer. We celebrate and applaud God's creation in its many faceted diversity. And our one true aim and purpose is a continued harmonious, loving, caring and nurturing relationship among our persons. We believe that there is "unity in diversity." Our theme for the new quadrennium shall be "A Revival of the Body, Mind and Spirit."

GENERAL

1. As allowed by the annual conference legislation, all funds contributed by the churches for the Ethnic Local Church Concerns Committee shall be retained for use in the Alabama-West Florida Conference.
2. The Ethnic Local Church Concerns Committee shall meet once a quarter.
3. The Executive Committee shall be composed of the officers, chairpersons of standing committees, the Council Director, and the Council on Ministries staff associate related to the Committee.
4. The Ethnic Local Church Concerns Committee shall develop methods to promote and solicit payment of the Ethnic Local Church Concerns Committee apportionment by the churches of the conference.

5. The administrative expenses of the Ethnic Local Church Concerns Committee shall come from the Conference Council on Ministries budget.
6. Not more than 10% of the Ethnic Local Church Concerns Committee funds shall be used for research and Committee programming each year.
7. The Ethnic Local Church Concerns Committee shall provide information and guidance to pastors and lay persons regarding resources and programs for strengthening ethnic churches.
8. We will also make a concerted effort to emphasize to boards, agencies and districts that Ethnic Local Church Concerns Committee funds, according to our Ethnic Local Church Concerns Committee Operational Manual, are to be used in addition to and/or in conjunction with other agency funds. Ethnic Local Church Concerns Committee funds are not to be considered an exclusive source of funding regardless of other funds.

PROGRAM AREA GOALS

Witness:

1. Demographic research and analysis shall be done by March 1, 1990, to determine the need for ethnic churches in the Alabama-West Florida Conference. This shall be done in consultation and coordination with the Committee on Planning and Research, the Committee on New Church Development and a representative from the Ethnic Local Church Concerns Committee Task Force. Districts to investigate will be the following: A. Dothan District; B. Demopolis District; C. Marianna-Panama City District; D. Troy District; E. Montgomery District. These things shall be done in addition to planning "Strategy for Growth" in the Montgomery District at the New Bell Church, which is a new church start.
2. With respect to the research and analysis and in consultation with the Committee on New Church Development; the Women's Program Division, Section on Mission and Membership Development, and the Congregational Development/New Church Development of the General Board of Global Ministries, goals for establishing new ethnic congregations during the next five years shall be set by May 1, 1989.
3. Each ethnic congregation is encouraged to set goals for membership and attendance growth, on both long-term and short-term bases, and shall report progress on the goals at each Charge Conference and to the Ethnic Local Church Concerns Committee on a yearly basis. Congregational growth seminars have been and continue to be provided both in cluster groupings as well as upon request of the individual church.

Discipleship:

1. A program for lay leadership training for ethnic churches shall be developed in cooperation with the Conference Council on Ministries Director who serves as an expert in leadership training and congregational development; and also in conjunction with the Conference Commission on Religion and Race.
2. The Conference Council on Youth/Children/Young Adult Ministries will be asked to survey the ministry needs of ethnic young persons and develop plans for responding to those needs. This shall be requested by October 1, 1989, to be completed by December 1, 1990.
3. The Ethnic Local Church Concerns Committee shall keep before the Council on Ministries Program Committees the responsibility for being intentional and specific in developing discipleship in the ethnic churches and larger white churches in their respective program areas.

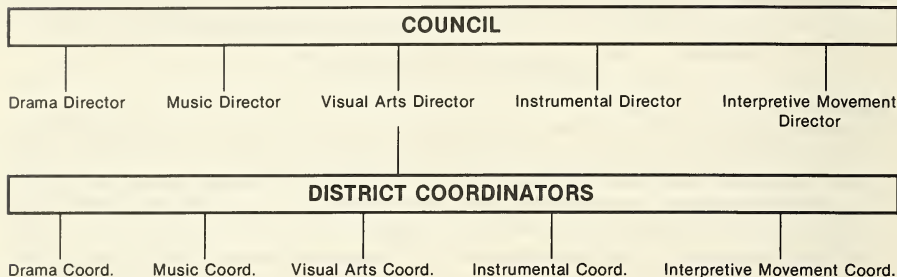

Liturgy:

1. Workshops on worship shall be included in training events for all ethnic persons, laity and pastors.
2. Alabama-West Florida Arts Council
 - A. The Rainbow Choir and Fellowship is an interracial, intergenerational choir to be formed in each district and comes together and sings at district events and annual conference.
 - B. An interracial, intergenerational instrumental music program will be formed in each district from all ethnic origins who could provide the Alabama-West Florida Orchestra by August 1990.
 - C. Religious Alabama-West Florida Church Theatrical Group to perform, write and create performances.

D. An Alabama-West Florida Dance Ensemble to be formed by 1991.

Each of the suggested is an outward expression of an inward change when Christian peoples of varied origins and ethnicities come together to work together, play together and create together . . . in the spirit of Christ. The above events and/or projects are planned in conjunction with designated churches who are willing to plan and route ideas to persons with specified and needed areas of competence.

**The Alabama-West Florida Arts Council
Suggested Organizational Flow Chart**

NOTES:

- The Arts Council would be comprised of all members from throughout the Conference that are presently serving, plus any additional members elected later in the year.
- All District Coordinators would automatically be members of the Arts Council and represent their District.
- The District Coordinators would in turn organize a similar group within their Districts.
- The District Coordinators within each area of the arts would work directly with the District Coordinator who would in turn represent them on the Conference Arts Council.
- The Conference Directors within each area would serve as resource persons to the District Coordinators as needed.
- The Conference Directors would be responsible for directing any and all Conference-wide performances in cooperation with each other.
- The District Coordinators would be responsible for any performances on a District level using the Conference Directors as resource persons when needed.

Ethnic churches shall be encouraged to give support to such specialized ministries as street ministries, hunger programs, counseling centers, and shelters for the homeless. Particularly will we include special emphasis toward the following:

1. Dumas Wesley Community Center, Mobile, Alabama
2. The Nellie Burge Community Center, Montgomery, Alabama
3. Noah's Ark, Panama City Beach Ministry
4. The Inner City Mission, Mobile, Alabama
5. The Johnson Hill Project, Eutaw, Alabama
6. The New Church Development Program, Dothan, Alabama
7. The Baldwin County Hispanic Ministries

The above programs will minister to great numbers of ethnic minorities.

Leadership:

1. High priority shall be given, including the use of Ethnic Local Church Concerns Committee funds, to the recruitment and training of leaders, both lay and clergy, for service in ethnic minority churches.

Our Strategy:

1. Seminars in church administration given by CCOM Director and General Board of Global Ministries staff persons.
2. "Lay Speakers Training" — Due to a shortage of ethnic local church ministers, the Alabama-West Florida Conference has had to use retired clergy who sometimes have

had more than three churches on a charge. Some churches are two Sunday a month churches that would like to be operational each Sunday despite the lack or presence of ordained clergy. We feel that a comprehensive lay speakers' program with a special outreach to Ethnic Local Church Concerns would allow:

- a. those churches that wanted to be opened each Sunday the opportunity;
 - b. it would develop a closer sense of inclusiveness in a very vital part of the church;
 - c. by encouraging high school students and young adults, it would act as a training tool for future development;
 - d. it is an exposure and pruning ground to give some who may have considered the ministry an opportunity; and
 - e. it could eventually augment into a resource of articulate laity who could be a part of other boards and agencies.
3. The Board of Ordained Ministry and the Board of Diaconal Ministry is continuously requested to give special attention to the enlistment of ethnic minority youth and young adults for ordained and diaconal ministry. Ethnic local churches are encouraged to become nurturing bases for candidates for the ministry. At least one convocation on the ministry, especially for ethnic minority youth and young adults, should be held during the quadrennium if not annually.
 4. The Ethnic Local Church Concerns Committee shall sponsor, in cooperation with the Conference Committee on Religion and Race, practical skills-building workshops for ethnic minority ministers and others. Emphasis will be put on both writing and articulation.

Structures:

1. Training shall be provided for lay and clergy persons on United Methodist Church Structure and Polity.
2. Both representation and participation of ethnic minority in annual conference and district boards, committees, agencies and programs shall be encouraged and promoted.

Facilities:

1. The Committee on New Church Development and Revitalization shall be requested to survey ethnic minority churches and parsonages for needs in the Alabama-West Florida Conference. On the basis of this survey, the Ethnic Local Church Concerns Committee shall develop a comprehensive plan for responding to these needs. *(Monies for said needs allocated from Ethnic Local Church Concerns Committee Funds shall be used in conjunction with other funds... i.e. district, national and local churches.)
2. Multiple use of church buildings (by two ethnic minority congregations or by an ethnic majority congregation) shall be encouraged.

GUIDELINES FOR USE OF THE MISSIONAL PRIORITY FUND

1. An official application shall be received by the Ethnic Local Church Concerns Committee before funds are allocated to a project.
 - a. An official application shall be made on official forms provided by the Ethnic Local Church Concerns Committee.
 - b. The project proposal shall be approved by the local church administrative board, administrative council or charge conference.
 - c. The project shall have the approval of the district superintendent.
2. Grant proposals shall be considered by the Committee at least twice each year.
3. Grant proposals shall be considered only if they are for or are sponsored by local churches except in the instance of scholarship grants where a pastor may receive the grant directly.
4. All grant proposals shall be acted upon by the Ethnic Local Church Concerns Committee as a whole, either at a regular meeting, a call meeting or by mail. The Ethnic Local Church Concerns Committee may approve grants in amounts up to \$500 without the approval of the CCOM Executive Committee, but the CCOM Executive Committee must be informed at its next regular meeting.
5. An on-site visit by a staff person is recommended before a project is approved.
6. Ordinarily a church will be expected to have at least 10% of the cost of a project on hand at the time the request for funds is made.

7. Funds may be allocated for repairs and improvements of church buildings and parsonages, for purchases of land for churches and parsonages, for construction of new church buildings and parsonages, and for church-sponsored programs/projects which the Ethnic Local Church Concerns Committee judges in keeping with the purpose of the Missional Priority.
8. Requests for funds for repairs to or expansions of church buildings or parsonages shall be granted only if the building is properly insured.
9. Churches to whom grants are made shall make written reports to the Ethnic Local Church Concerns Committee as to the use of the funds granted.

CURRENT PROJECTS

- A. Development of the Larger Parish Concept...
 1. Work has been enacted in the Demopolis area for:

BOARD OF LAITY**Report No. 1**

During the 1988-89 Conference year, the Board of Laity continued to progress in its ministry. The Board met on a regular basis, with excellent attendance. The Board has continued to emphasize the importance of organization of the laity in each of the districts as mentioned in last year's report. The Board of Laity is particularly pleased with the aggressive approach to ministry which is being made in the area of lay speaking under the leadership of Conference Director, Collier Martin, and with the continued strides being made by United Methodist Men under the leadership of Robert Powell. As always, the United Methodist Women are very strong and active under the leadership of Ann Dalton.

The Board of Laity is very pleased with the results of the orientation sessions prior to Annual Conference which occur in each of the districts. We are continuing to monitor those meetings and to fine tune the effectiveness of the meetings. The results thus far indicate that such sessions are quite valuable in the preparation of the laity members to Annual Conference for the Annual Conference sessions. These pre-conference sessions in each district provide an opportunity for lay members of Annual Conference to be better informed as to any complex or controversial issues that may come before Annual Conference.

Last year, under the direction of a committee headed by Vera Moore, the members of Annual Conference were identified by district by providing a color code on the badge. Also, the District Lay Leaders were assigned seats at a table immediately in front of the stage and in the area immediately in front of the lay members so that they were more easily identifiable at Annual Conference. The Board of Laity feels that these efforts at identification and structure enabled the members of Annual Conference to participate more fully and effectively in the proceedings.

The Board feels that more emphasis should be placed on inclusiveness in the membership of the Board, and this is a matter which requires careful attention since many of the members of the Board are elected ex-officio. The Bishop and the Cabinet are urged to give this matter their attention to make certain that in the nominating process for the offices that make up the Board of Laity, inclusiveness be considered.

The major emphasis of the Board of Laity during the past year has been in the area of stewardship. The Board has participated and supported a Stewardship Commission in the conference-wide emphasis. The Conference Lay Leader spoke at Stewardship Rallies in each of the districts.

The Conference Lay Leader has continued to speak extensively throughout the Conference and to make himself available as much as possible. He has continued through the past year to serve as Secretary of the Southeastern Jurisdiction Association of Annual Conference Lay Leaders and as Treasurer of the National Association of Annual Conference Lay Leaders, and he serves on the Executive Committee of both of those organizations. The Conference Lay Leader has regularly attended meetings of the Southeastern Jurisdiction Association of Annual Conference Lay Leaders and the National Association of Annual Conference Lay Leaders.

A number of the District Lay Leaders attended a training event at Lake Junaluska in connection with the Annual Laity Conference in July of 1988. The training session was quite beneficial and will be repeated and somewhat expanded in 1989. Each of the districts is urged to assist financially in enabling their District Lay Leader to attend so that they may share the experiences of District Lay Leaders from other Conferences and meet representatives of the General Church and of the Jurisdiction.

Dale Segrest, Conference Lay Leader

RESOLUTION

Drugs and alcoholic beverages cause a tremendous amount of pain, suffering, and destruction of body, mind, and family. It is a major contributing cause in many different criminal activities ranging from rape and incest to robbery and burglary. The United Methodist Church has historically encouraged 'abstinence from alcohol as a faithful witness to God's liberating and redeeming love for persons.' The Church also strongly supports measures designed to curb the abuse of drugs. We commend recent federal law requiring a warning to prospective mothers and the general public of the dangers of alcohol use on beverage containers.

"We are deeply concerned, however, that the advertisement of alcoholic beverages, particularly on television and radio, presents a false and misleading picture of beneficial social effects from the consumption of alcohol.

"We call on the national TV and radio networks, cable television industry, and local stations to voluntarily bar all advertising of alcoholic beverages. Similar banning of tobacco products on the airwaves has produced a beneficial social effect. In the event a voluntary ban is not undertaken, then we encourage federal legislation to end all advertisement of alcoholic beverages on radio and television.

"We encourage all United Methodists and other persons of moral persuasion and judgment to support the effort to ban the advertising of alcoholic beverages on radio and television and to exercise all possible influence to deter the illegal use of drugs and the misuse of over-the-counter and prescription drugs. We solicit the support of all U.S. Senators and Congressmen in banning the Advertisement of alcoholic beverages on television and radio."

Report No. 2 — COMMITTEE ON LAY SPEAKING

During this year the Board of Laity of the Alabama-West Florida Annual Conference established a Committee on Lay Speaking in compliance with the appropriate paragraphs of *The Book of Discipline* and the "Guide For Conference/District Committees on Lay Speaking."

The General Conference of 1984 made dramatic changes in the Lay Speaker program of the United Methodist Church. First, they recognized Lay Speaking as a Calling of God "neither more important nor less important than any other calling." Second, they provided for local control through Committees on Lay Speaking within the District. Third, they established the Local Church Lay Speaker designation. Fourth, they greatly expanded the activities available to Lay Speakers. These changes were implemented with publication of *The Book of Discipline-1984* and remain unchanged in *The Book Of Discipline-1988*.

In 1985 Conferences were asked to establish a Committee on Lay Speaking to implement the program and assist Districts. Conference Committees on Lay Speaking were directed to guide, support and assist the Districts in this effort. This Conference had not taken this

step. However, this year we constituted a Committee on Lay Speaking which is providing guidance, support and assistance to the Districts.

During the 1988-1989 year we have accomplished the following:

1. Conducted a Lay Speaker Workshop in the Mobile District.
2. Conducted a Workshop for District Superintendents, District Lay Leaders and District Directors for Lay Speaking on Revitalizing their Lay Speaker programs. This included the implementation of the "new" Lay Speaker program.
3. Conducted a Lay Speaker Training Weekend at Blue Lake Methodist Assembly consisting of:
 - a. A Basic Course
 - b. Two Advanced Courses:
 - i. "Lay Speakers Lead In Stewardship"
 - ii. "Lay Speakers Lead In Worship"

Primarily through the efforts of the Marianna/Panama City and Pensacola Districts assistance is available to other Districts in conducting Basic and Advanced Courses.

The Conference can provide a wide range of support and assistance to the individual Districts. The following listing is not inclusive but shown to indicate the variety of support available to our Districts:

1. Assistance in establishing and training Committees on Lay Speaking.
2. Familiarization of pastors with the concept of the Program.
3. Planning local church and local church pastor support and assistance.
4. Selection of Service Areas for the District.
5. Conduct of Training Programs. Includes both Basic Course and Advanced Course(s).
6. Conduct of required interview prior to certification as a Certified Lay Speaker.
7. Consecration Programs (Services) for both Local Church Lay Speakers and Certified Lay Speakers.

We are excited about the potential of an active and dedicated Lay Speaker Program in each of our Districts to accomplish/provide the following:

1. Training for Laity and Clergy
2. Special Programs
3. Lay Speaker Church Services
4. Speakers Bureau for Churches and Community
5. Local Church Seminars and Workshops
6. Church Expansion:
 - a. New Churches
 - b. Expansion of Services provided by a local church
7. Visioning and Planning
8. Support of Conference Special Emphasis Programs
9. Pulpit Supply.

The above information indicates the tremendous potential for our Districts and Conference Lay Speaker Programs. The potential for service to local churches, local church pastors and the communities of these local churches is exciting. The Alabama-West Florida Annual Conference Committee on Lay Speaking is prepared to provide guidance, assistance and support to the Districts.

UNITED METHODIST WOMEN

Mission is about people — not causes. Tell United Methodists about conflicts and causes, and they usually shrug and mumble, "Well, I don't know..." Tell the same people about individuals caught in the conflicts and struggles, and often they will give their love, concern, and support.

This was proven true when a group sponsored by the Board of Missions toured Guatemala. As I shared with different groups what we had seen and experienced, United Methodist Women reached out to help. A group of war widows from Lemoa make their living by weaving strips of straw that are used in the making of hats. They receive less than a penny for the woven strips that a hat requires. Local merchants buy the strips and use special machines to sew them into hats. They are the ones that make the profit. Local units sent money to buy a

machine, and now it is estimated that the women will make a profit of at least \$1.50 per hat. They also sent funds to children's homes and to other projects that help women and children. This was in addition to the offering they gave at the District Mission Rallies.

In 1988, the proposed Pledge to Mission was \$142,000, but the women were generous as usual, and we sent in \$171,746. Offerings of \$47,000 were sent to designated projects such as Call to Prayer, Nellie Burge, Dumas Wesley, and Johnson Hill. In addition, our other conference mission projects depend on our support such as Mobile Inner City, Noah's Ark, and Blue Lake to name a few.

Blue Lake holds a special place in the hearts of United Methodist Women. As Vera Moore concluded her term as Blue Lake Chairperson, she reported that during the last four years, United Methodist Women have contributed over \$81,000 to our conference assembly grounds.

We were saddened by the loss of over 200 of our members through death this year. However, we are encouraged by the interest shown by younger women. The "Under 39 Retreat" was a great success with more registering than we could accommodate. Plans for this year's retreat have been expanded. The young women are interested in learning how they can really get involved in helping people. Representatives from the conference mission agencies are going to share ways they can have "hands on" experiences in our conference.

A cartoon in the Methodist Reporter had two characters talking to each other. One said, "Sometimes I'd like to ask God why he allows poverty, famine, and injustice when He could do something about it." The other asked, "What's stopping you?" The reply, "I'm afraid God might ask me the same question."

United Methodist Women have heard the question, and we are working on the answer!

UNITED METHODIST MEN

The United Methodist Men are continuing to make progress in the Alabama-West Florida Conference. At our recent Conference President's meeting in Nashville, it was disclosed that our Conference was one of only five that had an increase in number of chartered units last year. For the third consecutive year, we had over a 10% increase in the number of chartered units.

Our Conference Council of UMM is doing its job and every person on the Council is doing their proper work. This year we have had much progress in our Spiritual Life Work Area under the direction of Mr. Charles Nelson. He arranged for us to have the privilege of answering the Living Prayer Center phone during our annual retreat in January. We handled over 70 calls during the 8 hour period we were in charge of the phones. This Work Area is also involved in having Covenant Prayer Groups throughout our area. Mr. Jay Andrews, Work Area on Retreats, planned and put on an outstanding retreat for us this year. We had hoped to have 500 men to attend but fell short of this total. But the Retreat was an outstanding success. Our leaders, Dr. Jack Gray, Dr. Reggie Ponder, and Red Bond led us to new depths of commitment to Christ. Our Bishop Hancock was in attendance throughout the Retreat and did an outstanding job in presenting our Communion meditation on Sunday morning. Our singers and music leaders, Joe Pat Cox, Ralph Freeman, and Guy Priest, blessed us greatly with their music. On Sunday morning, over 100 men pledged to win someone to Christ in the coming year.

As Conference President, I am keeping busy speaking to Men's groups at various churches and working on the chartering process. Since our Retreat there has been much interest in a lot of churches to get involved in the UMM program.

The UMM has been working on the cabins at Blue Lake for some two years now and it is really making a difference in the way they look. All the cabins are now assigned to different churches for current upkeep. We are in the process of putting tile on all the cabin floors through our Volunteers-in-Action Mission team.

We praise God for all good things that have been done in His name!

AREA BOARD OF PASTORAL CARE AND COUNSELING

Report No. 1

The Area Board of Pastoral Care and Counseling is now a two Area Board, the Birmingham Episcopal Area and the Alabama-West Florida Episcopal Area. As an agency serving two Areas, we have continued to function as we always have with no interruptions in service.

This past year two full time Directors and students in training saw 275 different families for counseling representing 2,172 counseling hours. Available counseling hours are being fully utilized by our two directors; in fact, with the exception of Methodist Clergy, referrals are regularly made because of lack of available time. This issue is acute enough in the Birmingham Office to consider adding to our staff. No decisions have been made at this point concerning our inability to meet the growing request for counseling services.

Continuing Education and training remain important priorities, second only to counseling. Dr. Galloway's parish-based Clinical Pastoral Education program will graduate three pastors this Spring and an Extended unit will be offered in the Fall of '89. The Birmingham based Pastoral, Marriage and Family Counseling Training program will graduate five students this Spring and hopes to start with five new students in September 1989. The Pensacola Director and the Birmingham Director continue to provide seminars for districts in subjects ranging from Stress Management, Enriching Your Marriage, Career Stages and Spiritual Formation, to Assessing Your Personality Traits to Enhance Ministry. Our Directors have led multiple Staff Workshops, Minister's Wives Retreats, and numerous other seminars this year.

Our Pastoral Counseling Resident, Rev. Stephen King, has done a fine job serving laity and clergy out of the Huntingdon College Office in Montgomery.

The Area Board along with the Spiritual Formation and Insurance Committees have worked diligently this year on the resolution passed at this past North Alabama Annual Conference asking us to "make a study of the spiritual, emotional, and psychological dimensions of our brokenness... and make recommendations to the '89 Annual Conference." A preliminary report will be given by the convener of this task force, Dr. Gwen Adams, Systemic Issues Committee Chairperson of the Area Board of Pastoral Care and Counseling. In order to properly address this resolution, the task force feels an additional year is needed to bring back valuable data to the Annual Conference.

Advance Special gifts continue to make it possible for our offices to see people based on their ability to pay. Your prayerful support continues to be appreciated. We believe the new quadrennium is off to a great start and we look forward to continued service to those in ministry, laity and clergy alike.

BOARD OF TRUSTEES ALABAMA-WEST FLORIDA CONFERENCE

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church is charged with holding in trust all properties owned by the Annual Conference. The Board of Trustees holds title to the following real properties:

1. The Conference headquarters building in Andalusia
2. The following parsonages in Andalusia:
 - a. 1202 Valley View Drive
 - b. 1403 Prestwood Bridge Road
 - c. 100 Redbud Drive
3. The Wesley Foundation Building and parsonage, Auburn
4. The Episcopal residence and its furnishings, 3291 Lancaster Lane, Montgomery

The Area residence property was purchased under the authority of the Area Episcopal Committee as directed by the Annual Conference. A loan of \$155,000.00 was made with the First Alabama Bank of Covington County, Andalusia, with which to buy the residence. The trustees have the responsibility of providing \$15,000.00 annually for maintenance, utilities, and our portion of the loan payments. The General Council on Finance & Administration

will provide \$15,750.00 for the calendar year 1989. For the year 1990, CGFA will provide \$16,500.00.

The Board of Trustees also holds title to the following bequests:

1. Norris Allen Fund	\$156,872.50
2. Hattie B. Norred Fund	52,707.00
3. C.B. Gilmore Fund	70,277.24
4. Mary Lloyd Reynolds Fund	31,833.31

At the writing of this report, the Board is in the process of receiving one-half of the estate of Mrs. J.B. Skinner in the amount of approximately \$400,000 in stocks, bonds and cash. The United Methodist Children's Home in Selma will be the recipient of the income according to the will of Mrs. Skinner.

The work at the Wesley Foundation, Auburn, has been completed. Adequate repairs have also been made on two of the parsonages in Andalusia, with still more to do, as well as work on the parsonage of Auburn Wesley Foundation.

We encourage local churches to be aware of the new United Methodist Insurance program.

We call attention to the resolution adopted at the Annual Conference of 1988, which designates the United Methodist Foundation in Dothan as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance & Amortization Fund in the Conference budget. It is most important that local churches accept and pay the full amount of the asking of \$85,000. This amount is necessary for the amortizing of the loans for the Wesley Foundation and the Episcopal residence and for the maintenance of all other property, including insurance.

We are grateful for the response of our people to these needs which makes possible proper care and development of our Conference properties.

TASK FORCE ON SPIRITUAL FORMATION

The Task Force on Spiritual Formation is sponsoring a Five-Day Academy for Spiritual Formation. It will be held at Oakwood Lodge, Blue Lake Assembly on February 18-23, 1990. The Academy is a child of The Upper Room, and Danny Morris of The Upper Room continues to oversee its operation.

The purpose of the Academy is to provide an in-depth experience in spiritual formation for lay and clergy persons who are highly motivated to develop their spiritual lives. Each day will include two faculty members speaking in the area of spiritual formation, morning prayer, holy communion, night prayer, times of silence for reflection, covenant groups. Thus, the Academy includes both the study and the practice of spirituality.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS**Report No. 1 — PENSIONS, ANNUITY RATES, APPORTIONMENTS**

For the year 1990, we recommend that the total annuity rate for service years prior to 1982 be two hundred forty-four dollars (\$244.00) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be one hundred seventy dollars and eighty cents (\$170.80) provided that for those living in homes provided by the Annual Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$1,800,000 for 1990.

We call attention to paragraph 736.4 of the 1988 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to payment of a minister's salary, and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent (7%) annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued.

Report No. 3**ADDENDUM A TO THE MINISTERIAL PENSION PLAN (MPP)
AND THE COMPREHENSIVE PROTECTION PLAN (CPP)**

This Addendum A is applicable to the Alabama-West Florida Annual Conference and is effective January 1, 1990. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan as revised January 1, 1989.

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). (MPP Section 2.1 (e) (f); CPP section 2.1 (e) (f).)

The MPP church contribution rate shall be 12% of the MPP contribution base of each active participant and the CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP section 4.1 (b) (f); Disciplinary Paragraph 1606.21 (a); CPP section 4.1 (a)).

The MPP and CPP church contribution shall be made monthly to the plan by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Annual Conference by the General Board of Pensions to each active participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pensions. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) whichever is greater. (MPP Sections 4.2 (g); CPP Sections 4.1 (b) and 4.2 (h)).

The Alabama-West Florida Conference Board of Pensions is hereby authorized, in accordance with MPP Section 4.1 (g) (effective January 1, 1989), to make, at its discretion, a build-up to the church account of Conference members who are appointed less than full time.

A Full or Associate Member appointed to a sabbatical leave or educational leave shall be continued in the Ministerial Pension Plan and the Comprehensive Protection Plan. The Annual Conference shall make the required MPP and CPP contributions based on the DAC (MPP and CPP Section 3.2 (b); CPP section 3.2 (b) and 4.2 (e)).

A Probationary, Full, or Associate member appointed to a maternity or paternity leave shall be continued in the Comprehensive Protection Plan. The Annual Conference shall make the required CPP contribution at 3.4% of the DAC. (CPP section 3.2 (b) and 4.2 (e)).

The Alabama-West Florida Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in the MPP and/or the CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP and CPP sections 3.2). Those included under this rule are those who are appointed to educational leave; to attend school after having served under appointment as a minister in full connection; leave of absence; or those appointed less than full time. Provided, however, that they, or the agency to which they may be appointed, pay the required amount to fund their MPP and CPP as provided for in section 3.2.

Subject to the conditions stated below, on January 1, 1990, the ministerial pension rate shall be \$244.00, and the local pastors pension rate shall be \$244.00. Should the pension rate, as a percentage of the 1990 Conference Average Compensation (CAC), be below the required minimum amount to protect the MPP contribution rate, the Annual Conference Board of Pensions shall be authorized, after consultation with the General Board of Pensions, to arrange to have the Past Service Pension Rate be the minimum dollar amount. The required funding amounts may be different from the amounts listed below, and the Conference would be required to pay the correlative figure which would be actuarially calculated by the General Board of Pensions. (Disciplinary Paragraphs 1606.2 (b), 1606.7, and 1606.21 (a) (d); MPP Supplement Section (f)).

In accordance with paragraph (e)(5) of Supplement One, the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1990, has been actuarially projected to be \$2,807,409, based on the most current valuation and interest assumption. Past service funding deposits are required to fund this unfunded liability and shall be in the amount and for the period shown:

\$223,691

24 Years

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pensions, exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One (f)).

Report No. 4 — CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

Report No. 5 — SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with paragraph 1606.3a (3), 4g, 4h, of the 1988 *Discipline*, we recommend that those appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the Wesley Foundation at Troy State University, the director of Noah's Ark, the director and associate of the Mobile Inner City Mission, the director of Hispanic ministries, and the executive director of the United Methodist Foundation. The district superintendents, ministers appointed to the Conference Council on Ministries and the fiscal office are approved with pension responsibility on the Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimant's Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pensions. See paragraph 1606.3a of the 1988 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan (CPP) by a personal payment of 3.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

Report No. 6 — DEPOSITORIES

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of The United Methodist Church.

Report No. 7 — PENSIONS FOR LAY EMPLOYEES

We strongly endorse the Cumulative Pension and Benefit Plan (CPBP) and the Basic Protection Plan (BPP) administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

Report No. 8 —

FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1988 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9 —

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1990 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church

or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not the surviving spouse.

Report No. 10 — OTHER NOTATIONS

To provide an equity in service years for several conference members who served prior to 1939, it is recommended that the following records be adjusted as follows:

1. Albert C. Britt	1.75 years
2. Joseph H. Bullington	1.25 years
3. Henry Frank Chunn	1.75 years
4. William Jennings Hughes	1.25 years
5. Arthur Lee Martin	2.00 years
6. A.B. Tanton	1.50 years

SPECIAL GRANTS

The Board recommends that the following grants be continued for the year 1990:

Name	Monthly Amount
Donald E. Montgomery	\$100.00
Mrs. Theo Rhodes	\$150.00

Report No. 11 — HOMES FOR CLAIMANTS

We recommend that \$60,000.00 be apportioned for the Homes for Claimants program.

The Board of Pensions and Homes for Claimants now owns 46 living units for retired ministers and their spouses and surviving spouses of ministers. Seven units are located in West Florida and 39 are located in Alabama. All of the units are now occupied by Claimants. In addition to the living units, the Board owns 9 lots in Pensacola which are ready for patio type homes and a four-plus acre track of land in Montgomery zoned for patio type homes but which must be developed before any homes can be constructed. The proceeds from the Homes portion of the Capital Funds Campaign is pledged to pay the note on this property in Montgomery and in Pensacola.

During 1988, repairs and improvements have been made on 29 of the homes. Some of these repairs were the replacing of roofs on several of the homes in Montgomery due to hail damage. The insurance company paid a portion of these expenses. However, after depreciation due to age, the Board had to bear a major portion of the costs on most of these homes. In all \$35,000 was expended on repairs during 1988. There are several of the homes that still need extensive work, which will be done as soon as possible.

After consulting with an architect, the Board decided to dispose of the Blount Street apartment building due to its age and the estimated costs of repairing and bringing the building up to code standards. Two of the surviving spouses living there decided to move elsewhere and a lovely, two year old duplex was purchased for the other two residents.

The indebtedness on property owned by the Board is \$511,495. This includes mortgages on 8 homes and on the vacant property in Pensacola and Montgomery. There is one annuity to which \$3,500 per year is pledged as well as a home in Ft. Walton Beach which the Board maintains as a Life Estate while the grantor lives there. The Board holds mortgages on property totaling \$67,801 as of January 1, 1989.

The Board received \$49,788 from the estate of Miss Elma E. Hayes of Smith's, Alabama. This money was used to help purchase the homes needed this year for new retirees in keeping with her request.

Invested funds which come from the Capital Funds Campaign, gifts, interest, etc. are as follows:

- \$ 47,921 in a CD
- \$ 20,879 in the Alabama-West Florida Credit Union
- \$355,757 from Capital Funds Campaign deposited with Methodist Foundation
(As of December 31, 1988)

Due to a change in personnel and a new Homes Committee, a long range Homes plan is not ready at this time. Plans now call for the proposal to be presented to the Board of Pensions and Claimants Homes at the fall 1989 meeting, after which it will be revised and fine tuned and presented in final form at the 1990 spring meeting. The plan adopted by the Board will then be presented to the 1990 session of the Annual Conference.

GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES

(Revised 1985)

1. Priority for Homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
 - A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference.
 - B. A surviving spouse of an active minister with a minimum of ten (10) years of full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years of service.
 - C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
 - D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
2. Priority for homes shall be established as follows:
 - A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
 - B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.
 - C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
 - D. Ministers placed on disability subject to 1.D above.
3. APPLICATIONS FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than provide temporary housing. Home assignments will be made by the Board

at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.

4. Claimants shall provide the following information to the Director of Homes:
 - A. Name of claimant and immediate family members.
 - B. Number of persons to be housed.
 - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.

The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations. MINOR MAINTENANCE AND REPAIRS UP TO \$50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.
7. Care should be exercised by occupant in the erection of TV antenna so that existing property is not damaged.
8. No claimant who serves a church, under appointment, which has a livable parsonage will be provided a claimant's home. A claimant who discontinues serving a church, under appointment, will be considered for a home under guideline 2.
9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) dollars annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Drawer 700, Andalusia, AL 36420.

Report No. 12 — HEALTH INSURANCE

The Group Health Insurance is carried by the Metropolitan Life Insurance Company. All full-time pastors, student pastors, retired ministers and surviving spouses of ministers are eligible to be covered. Families of these persons can also be covered.

COMPREHENSIVE MEDICAL COVERAGE

Full-time pastors and student pastors are eligible to be covered under the Comprehensive Medical coverage at the time they are first approved for either status. Enrollment materials are sent to these persons when the Insurance Office is notified of their status. If for some reason the enrollment materials are not received soon after becoming eligible, please contact the Insurance Office. Through the apportionments to local churches, the premium for the minister is paid by the Conference. At the time of enrollment the minister may, without proof of insurability, elect to cover his/her spouse and children with the local church or the individual minister paying the premium for their coverage. HOWEVER, IF SPOUSE OR FAMILY COVERAGE IS NOT TAKEN WITHIN 90 DAYS OF THE MINISTER'S FIRST ELIGIBILITY DATE, PROOF OF INSURABILITY WILL BE

REQUIRED, AND METROPOLITAN CAN DENY COVERAGE FOR THE SPOUSE AND/OR CHILDREN BASED ON PRE-EXISTING CONDITIONS OR PRIOR MEDICAL HISTORY.

PLEASE NOTE! Due to Social Security Administration rules, retired ministers who continue to work after age 65 and their families (if covered under the Conference policy), even though on Medicare, must be covered under the Comprehensive Medical Coverage rather than the Medicare Supplement. Medicare becomes the secondary payer for retired ministers and their families when the minister continues to work as a minister. The premium for the retired minister under appointment will be paid by the Conference. The premiums for dependents and for retired ministers working for a local church or Conference related agency but not under appointment must be paid by the individual or the employing church or agency. The Conference is not allowed to pay medicare supplement premiums for retired ministers who are still working for the Conference in any capacity. Comprehensive Medical coverage may be declined and Medicare Supplement insurance obtained elsewhere at the individual's own expense.

On April 1, 1989, there were 199 ministers covered as individuals under the Comprehensive Medical coverage, 90 ministers and spouses covered and 55 ministers and families covered.

MEDICARE SUPPLEMENT

On April 1, 1989, the Medicare Supplement policy was removed completely from the overall policy. Medicare Supplement coverage is now a separate policy, with a different number from the Comprehensive Medical policy. Each individual covered under the Medicare Supplement policy files under his/her own name and Social Security number rather than spouses filing under the minister's name and Social Security number. This should eliminate the problems encountered in the past in the paying of Medicare Supplement claims. The coverage is the same with changes made only to coordinate the policy with the changes in Medicare coverage.

Through local church apportionments, the Conference pays the premium for Medicare Supplement coverage with Metropolitan for Retired Ministers, their spouses, and Surviving Spouses of ministers. **RETIRED SUPPLIES, THEIR SPOUSES, RETIRED MINISTERS EMPLOYED BY LOCAL CHURCHES OR CONFERENCE RELATED AGENCIES, AND THEIR SPOUSES CANNOT BE COVERED UNDER THE CONFERENCE SPONSORED MEDICARE SUPPLEMENT POLICY EVEN THOUGH ON MEDICARE!**

On April 1, 1989, there were 227 individuals covered under the Medicare Supplement coverage.

COSTS

1988 saw the first increase in premiums since 1985. What was considered a sizable increase then has become a small increase compared with the rates that begin April 1, 1989. In 1988, the Conference Group experienced a 51% increase in claims over 1987. This coupled with an expected 21 to 28% overall increase in medical expenses for 1989 caused the premiums to increase to the rates listed below:

Individual Minister:	\$565.00 per quarter (paid by Conference)
Spouse (or 1 person):	\$584.00 per quarter (paid by minister)
Family (2 or more):	\$849.00 per quarter (paid by minister)
Medicare Supplement:	\$238.00 per quarter (paid by Conference)

It is true that some ministers can obtain coverage for themselves and their families for less (including more coverage) because they are young and/or healthy. This is not true for every minister. In fact, some would be un-insurable or have to pay even more for less coverage due to pre-existing medical conditions and/or prior medical history. The nature of group insurance is that each participant shares in the risks of all participants. For the several ministers and families who had claims over \$15,000 in 1988, as well as for those otherwise unable to obtain health insurance coverage, this group has been a life-saver.

To help meet the deficit faced this year in insurance premiums for ministers, the Board of Pensions voted to cancel the life insurance coverage on each active minister which was underwritten by Metropolitan. This will save over \$30,000 in premiums this year. **THIS ACTION DOES NOT AFFECT THE COVERAGE EACH MINISTER HAS UNDER CPP WITH THE GENERAL BOARD OF PENSIONS.**

The Board of Pensions recommends that the appropriation for health insurance for 1990 be \$1,300,000.

LAY INSURANCE COVERAGE

In the early part of December of 1988, the Insurance Office received notice that the premium for the lay insurance group offered on a voluntary basis to local churches would increase 230% on January 1, 1989. Over the next two and one-half months, much time and effort was expended by the Insurance Committee, the Insurance Office and the agent who wrote the original policy to find affordable coverage for this group which had a total of 39 participants. On February 23, 1989, the Insurance Office was notified that coverage was canceled completely due to the group participation dropping below 75% of the original participants. Over half of the 39 participants had secured coverage elsewhere. The only contract offered for group coverage for lay employees of local churches required 75% of all local church employees who work 20 or more hours each week of all the churches in the Conference to be enrolled. This ended the ability of the Conference to provide a group policy for lay employees of local churches as a service to those who chose to avail themselves of it. At this time the Conference cannot mandate that all lay employees of local churches be enrolled. This action by the insurance carrier created many problems for those covered under this policy and for the Insurance Office. Sincere appreciation is expressed to those persons facing such difficult problems yet who were patient and understanding.

The Insurance Office is located at Conference Headquarters in Andalusia. The mailing address is: Insurance Office, P.O. Drawer 700, Andalusia, AL 36420. The telephone number is (205) 222-3127. The office is staffed by Gerald H. Maddox, Director of Insurance, and Mrs. Sally Patton, Secretary.

ADDENDUM REPORT

This report is provided to the delegates of the Annual Conference session meeting in Montgomery, Alabama as an addendum report to that which is printed in the brochure of reports and numbered twelve (12) beginning on page 102. The intent of this addendum is to provide the delegates with a complete disclosure of the issues which the insurance committee is attempting to address at this time and to make two specific recommendations regarding new programs which, with the approval of the Annual Conference, will become an ongoing part of the work of our committee and the structure of our conference health insurance program.

In recent months our insurance program has been described as a program in crisis. While such descriptions tend to bring with them a state of heightened hysteria and hopelessness, our committee is very much aware that specific steps can be taken to begin to bring our insurance program under control. There will be no "quick fixes" to our problems as many relate to a series of historical decisions made by preceding conference sessions which, while at the time may have seemed frugal, have over the long term eroded the basic fundamentals of our group insurance program.

The Insurance Committee is seeking to attack our problems on five major fronts which are outlined here as follows:

- I. Review of the current Metropolitan Contract with regards to:
 - a) cost vs. claims experience
 - b) coverages (including deductible, co-payment factors, premium payments and eligible charges)
 - c) service of claims and inquiries by the company
 - d) rate setting in coordination with conference budget procedures.
- II. The creation of a Health Insurance Liaison Committee.
- III. The introduction of a voluntary health maintenance and health screening program with the specific goal of reducing the major claims against the program.
- IV. Investigating alternative insurance providers including but not limited to:
 - a) the General Board of Pensions (HMEP) Program with Travelers Insurance.
 - b) a self-insurance program for the conference including the several different variations on the self-insurance concept.
 - c) maintaining contact with and knowledge of the work and recommendations which will be forthcoming during the quadrennium from the General Conference task force which will study the creation of a denominational health insurance program.

V. Education.

The remainder of the report will describe in greater detail those actions which the conference is being asked to approve as part of the report of the conference insurance committee.

INSURANCE LIAISON COMMITTEE

The Conference Insurance Committee hereby recommends the creation of an advisory and information gathering and dissemination body to be known as the Conference Insurance Liaison Committee. The purpose of this committee would not be to set policy regarding the insurance program but would provide a more efficient channel of communication between the churches and the participants regarding issues of concern in regard to the insurance program and in communicating policy decisions from the Insurance Committee to the participants.

The committee will be composed of one clergy and one lay-person from each district chosen in consultation with the district superintendents and the conference Insurance Committee. The job description for the Liaison Committee members would be as follows:

1. Participate in an orientation session to learn the facts concerning our complete health insurance program including benefits, claims and the filing of claim forms.
2. Impart the facts learned from the orientation session at the district level through ministers' meetings and district newsletters.
3. Bring to the Committee concerns that clergy or churches may have about benefits, costs, claims problems, etc.
4. Attend two meetings per year with the Insurance Committee in order to accomplish the objectives outlined in Items 2 and 3 above.
5. To assist the Insurance Committee in determining the components of an effective insurance education program for both the clergy and lay-delegates of the conference.
6. To assist in creating a positive motivational plan for participants in the conference health insurance program conscientiously to improve their own health.

It is the hope of the Insurance Committee that this new addition to our structure will provide a more complete disclosure of information to all the parties which are affected by our insurance program. We further believe that the more knowledgeable the Conference as a whole becomes regarding the insurance program, the more creative we will be in finding solutions to the problems which confront us.

RESOLUTION

Be it hereby resolved by action of the Annual Conference session of the Alabama-West Florida Conference of The United Methodist Church, meeting the 30th day of May 1989, the Conference Health Insurance Committee of the Conference Board of Pensions hereby is authorized to enter into a contractual relationship with the Industrial Health Council to provide voluntary health screening for the clergy and spouses who are enrolled in the conference health insurance program. The costs for such screening are not to exceed \$41.50 per person and are to be paid by the Conference from the Insurance Reserve Fund.

Be it further resolved that in passing this resolution the Conference expresses clearly and unequivocally its desire that the participants enrolled and covered by the health insurance program take seriously their singular and collective responsibility to do everything within their means to assist in controlling the rising cost of health insurance to the conference.

REPORT

It is our conclusion that our rising health care costs are going to have to be attacked on multiple fronts before we will begin to see any significant improvements. In this regard we feel that a health screening program is one means by which we may begin to eliminate the catastrophic claims which dramatically affect our total claim experience each year. We believe that if even one potential major illness is diagnosed at an early stage the cost of the program for one year would be completely recouped in not having that major claim against our health insurance program. In addition we feel that the clergy and the churches both will find their ministries enhanced as our clergy participants become more conscious of their own health care needs.

The health care screening will be provided in five or six locations across the conference during the week of September 11, 1989. Mobile units will be set up at host churches and the

hours will be such that working spouses and participants who may be required to travel will not be too inconvenienced.

The screening tests will include the following:

CHEST X-RAY
ELECTROCARDIOGRAMS (for persons age 40 and over)
BLOOD PRESSURE
URINALYSIS
BLOOD TESTS

Following the screening each participant will receive a written report of his/her test results showing the patient's analysis vs. the recommended acceptable levels for the test involved. If they so desire, participants may request that a copy of the report be sent to their personal physician.

The Industrial Health Council is a non-profit corporation located in Birmingham and is governed by a Board of Directors drawn from their member companies and organizations. The Council does not engage in diagnosis or treatment. All correspondence and contact between the participant and the council is completely confidential.

The Insurance Committee would further suggest that in the event a member/participant in the conference health insurance program desires to obtain their physical exam through their private physician then upon the proper documentation being received in the Conference Insurance Office an amount not to exceed \$41.50 be applied toward that expense.

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1988 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Salary Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule, then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. Beginning January 1, 1989, to receive fully scheduled equitable salary for the minister's category, the church must pay 80% of the equitable salary schedule for 1990, except as defined in paragraphs 8-12 of this report.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of this report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for four years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission recommends that churches or charges, to be eligible for equitable salary aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The Commission on Equitable Salaries shall use as a general guideline in recommending the increases in all categories of equitable salary the national rate of inflation of the previous calendar year. Such increases shall be based on the equitable salary of the current year. (Rounded to the nearest \$100.00) (Example: The national inflation rate for 1988 was 4%)

19. The Commission recommends the following Equitable Salary Schedule for 1990

Category	1990 Minimum Salary	Minimum from Churches 80%
Members in Full Connection	\$19,500	\$15,600
Probationary Members	19,500	15,600

Seminary Students (Married)	15,200	12,160

Full Time Lay Pastors	16,000	12,808

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we receive from our people. The facilities at Blue Lake continue to be used widely by conference boards and agencies, committees, district and local church groups. Non-Methodist groups make use of the camp when they are not reserved by our conference people.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies and district and local United Methodist Church groups are urged to plan and schedule their events early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate more people. The people of our Conference have until October 1 to schedule their activities for 1990. After October 1, non-conference groups will be scheduled if dates are available.

Each year we have groups that cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their event date, it is too late to schedule another group. All groups are urged to make firm plans and give Blue Lake at least two months notice of cancellation.

The Blue Lake fund is the life blood of your Assembly Grounds. Without the continued support of the local churches through their budgets the rates for all programs at Blue Lake would be much higher. Therefore, I urge each of you to accept and pay "IN FULL" the Blue Lake Apportionment.

The support of the United Methodist Women both physically and financially has made many of our facilities and their upkeep possible. For this support I am deeply grateful.

The United Methodist Men, through their adopt a cabin plan in Dogwood and Pinewood, have made a tremendous difference in these two camps. The clean-up, fix-up, clean-up plan has changed the appearance of the cabins and made them comfortable and inviting for the Summer Campers. All cabins have been adopted by either Districts or Churches and all work will be completed by the first week in May. Thanks, fellows, for a job well done!

Blue Lake is your church camp and your church should use it as often as possible. Large, small or in-between, your church is welcome and reservations are on a first-come, first-serve basis regardless of size of church. Bring groups for retreats and send every person you can to the summer camping opportunities.

The Blue Lake Ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

CAPITAL FUNDS CAMPAIGN

We are now near the end of the Capital Funds Campaign four-year pay period. Many churches, ministers and lay people have been very supportive of this campaign. They have worked hard and made it possible for their churches to pay their Fair Share Goal. This in turn makes it possible for new churches to become a reality, for Blue Lake to provide more and more comfortable accommodations to the United Methodists of this Conference and for more homes for retired ministers and their spouses. We appreciate the faithfulness of those who have been supportive of this Campaign.

As of the end of February, \$2,245,227 had been received with a receipt in interest on investments of \$212,081 giving a total in receipts of \$2,457,307. The breakdown of per cent paid is as following:

248	churches paid 100% or more of their Fair Share Goal
117	churches paid 75 to 100% of their Fair Share Goal
83	churches paid 50 to 75% of their Fair Share Goal
61	churches paid 25 to 50% of their Fair Share Goal
92	churches paid 1 to 25% of their Fair Share Goal
<u>101</u>	churches made no payment
702	churches

On Tuesday night during Annual Conference there will be an "Over The Top Celebration" marking the campaign's conclusion. At this time ministers and/or lay delegates will present their special "Over The Top" gifts to the Annual Conference for the Capital Funds Campaign. It will also be a time of celebration for all churches that have given "over the top" in the payment of 100% or more of their Fair Share Goal. A Certificate of Appreciation will also be presented to all churches that have paid 100% or more of their Fair Share Goal.

For various reasons some churches did not start paying on their pledge at the beginning of the four-year pay period (June 1, 1985) and will continue paying their pledge for one or two years after May 31, 1989. We appreciate their following through and completing the payment of their pledge. It is hoped that every church will complete the payment of its pledge in the time schedule needed.

I should personally like to express my appreciation to all members of the Campaign Follow-Up Committee, Bishop Hancock and the Cabinet, the ministers and lay people of the Conference for their support and dedication to our Capital Funds Campaign. The success of this campaign will continue to bear fruit as the new and expanded facilities make it possible for us to more perfectly "serve the present age," God's calling to fulfill.

BOARD OF HEALTH AND WELFARE

Report No. 1

It all began with John Wesley — and since that time the United Methodist Church has been very much involved in the health care concerns and the well-being of people all across the country. Genuine concern for human health and welfare shown at its best in unselfish service is freedom's best bodyguard. So strong was the concern among early Methodists that John Wesley gave his motto of service "Do all the good you can, by all the means you can, to all the people you can, as long as ever you can."

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-giving caring for all persons. This caring concern is in part reflected in the reports of the United Methodist Children's Home, The Methodist Homes for the Aging, the Golden Cross Offering that follow in this report.

Our society is characterized by various groups of people with special needs. One of the most well known of these groups claims many persons who have some degree of mental retardation. The Board of Health and Welfare has formed a Task Force that is looking at the needs for expanding ministry to and with persons with mental retardation, focusing primarily on adults. There have been many requests from parents of older children with mental retardation for some type of home care. These parents have great concern about what will happen to their child if they should die. This Task Force will cite the needs and make recommendations for action.

In view of the word-wide health problem known as AIDS, a request was made to the 1987 Annual Conference that a Task Force be appointed to address this multi-faceted problem. The Board of Health and Welfare was appointed to be this Task Force. This Task Force will begin its study in 1989 and find ways to address this issue.

Another area that is fast becoming a matter of great concern is the area of Ethics of Medicine and Health (known as Moral Medicine). More and more physicians are seeking ministers to give guidance to them and to families in decisions that have to be made concerning death and dying, suffering, organ transplants, etc. Developments in science and technology have raised new questions that are inevitably moral and political. The Board of Health and Welfare is seeking ways to address this issue.

In the tradition of John Wesley an intentional caring and sharing ministry for all persons should be the goal of every local church, as well as the goal of the Annual Conference.

Scottsboro	10	Adoption	0
Tuscaloosa	19	Scholarship	7
Mobile	7	Family Aid	<u>45</u>
Pensacola	13		
Settlement (Dothan)	12	TOTAL	571

Summary highlights from last year include: outstanding accomplishments by several youngsters including two boys who have excelled in art, one girl who was selected to attend a youth leadership conference in Washington, one girl who won a 2-year scholarship through the Junior Miss Pageant, one boy who was selected Most Athletic Senior and Mr. DCHS at his high school, and another boy who has been selected as a member of the Odyssey of the Mind team for his school system; children and staff involved in training other adults and children concerning the Home's Independent Living program; successful completion of the Methodist Education Assessment Guidelines Leading Toward Excellence program; and the beginning of a strategic planning effort for the next five years, as well as initial planning for our centennial celebration in 1990-91.

None of this is possible without the prayers and generous giving of United Methodists. You have made a difference by "giving a child a chance." Thank you for your continuing participation in this ministry.

Report No. 3 — METHODIST HOMES FOR THE AGING

In 1984, 28 million persons in the United States were at least 65 years of age. In 2010, one out of every seven persons is expected to be at least 65 years of age, and by the year 2050, the population of persons 65 years of age and older will increase to one out of every five persons. An understatement to make is that the population of senior adults is escalating at a very fast pace. One marketing report states that the population of older adults is even growing older. In 1980, 39% of the persons in the retirement years were at least 75 years of age. By the year 2000, 50% of the persons in retirement are expected to be 75 years of age or older. The 2.6 million persons who are 85 or more years of age make up the fastest-

growing age group in America. More and more persons are celebrating their 100th or better birthday.

An increasing number of persons in Alabama, like the rest of the country, are joining the ranks of persons 65 years of age and older. According to the Bureau of Census, in 1980, 440,015 persons in Alabama, or 11.3% of our population, were 65 years of age or older. By the year 2000 this population is expected to increase to 598,700. In 1980 only 34,000 persons in Alabama were 85 years of age or older. By 2000 that number is expected to climb to 82,000. As we have studied these population trends and the varying needs of persons from 65 years of age and older, the challenges of the future become more apparent.

Since our Annual Conference of 1988, we have continued to review the needs of both the North Alabama and the Alabama-West Florida Conferences, as well as to update our present facilities, and seek the funds that are necessary to take care of persons who are unable to pay for their monthly charges or personal expenses. As of this report, we are currently serving 1,117 residents a day in our facilities across the state of Alabama. A number of these persons have been living in our facilities since they were opened. As a result of the number of years, many of them are faced with inadequate funds. One of our top concerns must be proper funding for these individuals. If we take the membership of the United Methodist Church as listed in the 1988 Journal as 130,819 persons, and calculate that if every member gave only a penny a week, which would be \$.52 a year, we could raise \$68,025.88. This, along with the funds that we receive from Conference apportionments, would indeed help ensure that Wesley Manor can continue to provide a home for persons who exhaust their resources because of living longer, or to admit persons who apply for admission who do not have adequate resources.

It is imperative that while we look to the future for ways to expand our program by meeting the needs of the growing aging population, that we also make adequate preparations and plans to financially assist persons who already live within or who expect to come to live in our homes that already exist. We appeal to the membership of the Alabama-West Florida Annual Conference to assist us in raising at least \$.52 per member for our Good Samaritan Fund at Wesley Manor. We request that we be continued in the Conference Apportionments line item and that the churches place Wesley Manor in their program of giving.

During the year 1989-90 it is our hope that we will not only be able to financially assist those persons who look to us for help, but that we might continue to expand our services to the growing senior population. Additional facilities are needed across the state in retirement and health care programs. Hopefully, we can expand our programs to provide Day Care, Respite Care and facilities designed for Alzheimer's patients. It is our belief that growing older should not limit or change a person's right to experience life at its fullest. We have a responsibility to see that this takes place.

It has been stated that aging is a normal process which people experience in different ways. We need the help of the membership of the Annual Conference as we strive to make the years of our aging persons significant and meaningful.

Report No. 4 — GOLDEN CROSS

Medical costs have been rising at a pace much faster than the general inflation rate. The United Methodist Church understands itself as called by the Lord to a holistic ministry — spiritual, mental, emotional, and physical. The Golden Cross fund is one of the ways the Alabama-West Florida Conference can minister to its members' physical needs.

The Golden Cross fund of the Alabama-West Florida Conference has helped thirteen families with their medical expenses during 1988. These families were assisted with a total of \$7,367.12 or an average of \$567.00 per family. To meet the demands of medical cost the Golden Cross fund needs enough funds to be able to pay an average of \$1,000 per family to those that have great medical needs.

The Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day.

The rules that govern the Golden Cross Fund are as follows:

- (1) Assistance shall be for United Methodists and any payment toward assistance shall

be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

- (2) No assistance shall be granted to a layperson except upon the recommendation of a pastor in a position to know the circumstances. Assistance to a pastor shall be granted only on the recommendation of his/her District Superintendent or the Conference Treasurer.
- (3) The amount of assistance granted to any person shall be limited to a total of \$1,300.00 for any combination of hospital, doctor and drug bills.
- (4) When, in the judgment of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

Report No. 6 — RESOLUTIONS

The Board of Health and Welfare meeting March 9, 1989, voted to present the following two resolutions to the 1989 Annual Conference:

1. It is important that the membership of the United Methodists of the Alabama-West Florida Annual Conference understand more about the Ministry of the Methodist Homes For The Aging and that time be given for interpretation through speakers, special programs, visits to the various homes and the receiving of an offering to assist persons living in our facilities.

Therefore, be it resolved that, beginning in 1990 this program of interpretation and promotion be established to start on Mother's Day and conclude with a celebration of the Ministry of our homes on Father's Day. All of our churches are asked to promote this Ministry during this time and are asked to receive an offering for those persons living in our homes who are unable to pay for their monthly charges or expenses.

2. Golden Cross Ministries be given through a special offering on Mother's Day.

Effect: Golden Cross Sunday will be Mother's Day starting in 1990. Homes For The Aging Sunday offering will be Father's Day starting in 1990.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1

The Alabama-West Florida Conference offers support to two Church related colleges — Birmingham-Southern and Huntingdon College. The Church works hand in hand with the colleges in enriching the moral, spiritual, and intellectual resources of the students. The following are the reports of our Church related colleges.

BIRMINGHAM-SOUTHERN COLLEGE

Birmingham-Southern College enjoyed its largest enrollment ever in 1988-89 with more than 1,835 students. The national reputation of the College has grown steadily stronger, as evidenced by very favorable treatment in feature articles in *U.S. News and World Report*, *Changing Times*, *Good Housekeeping*, *Barrons*, and other publications. We now have students from 30 states and 14 countries. There has been a dramatic increase in the size and scope of our faculty, our class offerings, and our majors. We have instituted a program of minors to give students opportunities to pursue areas of study beyond their specific majors.

The physical condition of the campus has undergone major changes in the past two years. The Bruno Entrance now seems so natural that one almost forgets that the main entrance to the College was once on the south side of the campus. The Harbert Building has quickly become our largest and most useful classroom facility. Our next building need, which is for a new dormitory, is already pressing upon us. An unrestricted gift of \$1.5 million from Nancy and Lee Bruno will enable us to begin this \$3.9 million facility soon and complete it for occupancy in Fall Term 1990.

We are in the final stages of the Year of the Alumni Campaign and are confident that we will reach the goal of \$3 million in contributions from Birmingham-Southern College alumni. The Trustees have studied the future financial needs of the College and have determined to meet those needs with a major fund drive that is now being planned and developed.

The relationships between the College and the church are stronger than ever. More than 200 students are receiving grants from the \$2.00 per member Scholarship Fund provided by the North Alabama Conference. 100 Bicentennial Scholars receive \$1,000 per year from their local church that is matched by \$2,000 per year from the College. Four students preparing for ministry in the church receive \$10,000 per year as McGowan Scholars, a program funded by the Highlands Methodist Foundation.

Religious activities on campus include worship and Bible study as well as service opportunities. We now have a full-time staff person to arrange and coordinate the attempts of our students to be of service to persons in need. Much of this is done through church-related projects. Several hundred of our students were active in such projects in the local community and even as far away as Bolivia, where 20 students and 2 faculty members spent three weeks

building a church and working in an eye clinic. In January of 1990 several students and faculty will return to work in Zimbabwe, Africa. Mission projects are arranged through United Methodist missionaries and are coordinated by Chaplain Stewart Jackson.

The United Methodist Church continues to be our primary source of students. We need your good will, your prayers, your support, and your cooperation. In return we pledge to maintain the tradition of excellence and the development of leaders for church and community that is the hallmark of Birmingham-Southern College.

ARTICLES OF AMENDMENT

WHEREAS, Birmingham-Southern College is affiliated with both the North Alabama and the Alabama-West Florida Conferences of the United Methodist Church, and

WHEREAS, the division of the Birmingham Area into two episcopal areas (the Birmingham Area and the Alabama-West Florida Area) by the United Methodist Church increases from one to two the number of bishops who relate directly to Birmingham-Southern College, and

WHEREAS, the Board of Trustees of the College has traditionally maintained a balance between the church-related positions and the at-large positions on the Board as well as a balance between clergy and laity among the church-related positions on the Board, now therefore

BE IT RESOLVED that the Board of Trustees of Birmingham-Southern College at its regular meeting on September 27, 1988, does hereby approve and recommend to the North Alabama Conference and the Alabama-West Florida Conference the following revision to its Charter for approval at their 1989 sessions:

ARTICLE V.

(b) The affairs of the corporation shall be managed and controlled by a Board of Trustees as hereinabove defined and described, which Board shall be composed of not less than forty members chosen as follows:

1. Eight of the Trustees shall be elected by the North Alabama Conference of the United Methodist Church, four of whom shall be ordained ministers of the United Methodist Church who are members of said Conference, and four of whom shall be lay persons who shall be members of the United Methodist Church within the bounds of the North Alabama Conference and residing therein.

2. Eight of the Trustees shall be elected by the Alabama-West Florida Conference of the United Methodist Church, four of whom shall be ordained ministers of the United Methodist Church who are members of said Conference, and four of whom shall be lay persons who shall be members of the United Methodist Church within the bounds of the Alabama-West Florida Conference and residing therein.

3. Twenty-four trustees shall be elected by joint action of the Alabama-West Florida Conference and the North Alabama Conference, one of whom shall be the Presiding Bishop of the North Alabama Conference or an ordained minister of the United Methodist Church without regard to Conference affiliation, one of whom shall be the Presiding Bishop of the Alabama-West Florida Conference or an ordained minister of the United Methodist Church without regard to Conference affiliation, two of whom shall be lay persons who shall be members of the United Methodist Church, and twenty of whom shall be designated "members at large," without any restrictions as to their geographical place of residence and without any restrictions as to religious or church affiliation, subject to the provisions of Article V.b.4, below.

4. The full membership of the Board shall at all times consist of a majority of members who are affiliated with the United Methodist Church.

5. In addition to the election of the Trustees as hereinabove provided by action of said Conferences of the United Methodist Church, all Trustees who attain the age of seventy-two while serving as a member of the Board of Trustees, all trustees who arrive at a cumulative total of twenty-four years of membership on the Board, and all Trustees who complete a three-year term as Chairman of the Board of Trustees or as Chairman of the Executive Committee of the Board shall be eligible for election as a "life member" of the Board, with all membership privileges of the Board of Trustees of Birmingham-Southern College, and such life members shall be in addition to the members of the Board of Trustees elected by

said Conferences of the United Methodist Church, as hereinabove provided. Life members shall be elected by joint action of the Alabama-West Florida and the North Alabama Conferences upon certification by the President of the College of their eligibility, as herein provided. Election to life membership eliminates the necessity for re-election to such office.

HUNTINGDON COLLEGE

(For Your Information. Was Not Presented to Annual Conference.)

Huntingdon College continues to receive recognition for its overall program of excellence. Once again Barron's *Profiles of American Colleges* has cited Huntingdon for the outstanding qualifications of its entering students. Based on the high academic record of these students, Barron's ranks Huntingdon VERY COMPETITIVE, the only college in the state of Alabama earning this rank in the second consecutive edition, spanning four years. Being ranked VERY COMPETITIVE leads to a listing of Huntingdon in Barron's *Guide to the Most Prestigious Colleges*.

Recently it was announced that Huntingdon was one of 92 colleges (from a total of 719 colleges nominated by university presidents) in the United States named to a special honor roll. The Templeton Foundation, founded by John Marks Templeton, named Huntingdon to their honor roll of four-year colleges and universities "which best exemplify campuses that encourage the development of strong moral character among students." The honor roll, in its first year, is intended to "be of future help to future students and their parents and to those whose generosity supports higher education." To be selected for the honor roll, a college must, among other things:

- Have a relatively drug-free campus.
- Insist on high standards of personal moral conduct.
- Have a campus atmosphere which encourages "caring, giving, and forgiving."

The college has seen an increased enrollment again this past year. Throughout the decade of the 1980's enrollment has been rising steadily. The fall of 1988 saw the largest enrollment since the brief enrollment bulge in the mid-sixties. The number of new students, 210 freshmen and 64 transfers represents the largest entering class in 20 years. An increase in the average American College Testing Program (ACT) score for freshmen from 22.00 in 1987 to 22.77 in 1988 indicates that the level of academic ability is better than ever.

Academic excellence is not the only area in which Huntingdon has received recognition. Its intercollegiate athletic program continues to contribute positively to the overall growth of Huntingdon College. Huntingdon has eight intercollegiate sports with baseball, golf, tennis and soccer for men and volleyball, softball, tennis, and soccer for women. Based on records of the teams at district and national level, Huntingdon is ranked in the top 20 of the more than 500 colleges and universities in the National Association of Intercollegiate Athletics (NAIA).

Students returning in the fall of 1989 will find the new Dixon Wing of the Library completed and ready for their use. The Wing, named in honor of Charles and Thelma Dixon, will more than double the space of the Houghton Memorial Library and features an atrium with skylight, additional study areas, greatly expanded stack space for the growing book collections of the College and the Alabama-West Florida Conference of the United Methodist Church. The library is the soul of a college, and by enhancing the resources for research and learning the central mission of the college is reinforced and advanced.

In addition to the Dixon Wing, designed to strengthen and inform the minds of our students, the new Wilson Fitness Center, located in Delchamps, is equipped with the latest state-of-the-art physical fitness equipment to strengthen and enhance the physical well-being of students and staff. The Fitness Center was contributed by Mr. Jim Wilson, a member of Huntingdon's Board of Trustees and one of its most generous benefactors.

Huntingdon, as a United Methodist-related college, seeks to make it possible for all students who want to enroll to meet the cost of their education, and especially is this true for United Methodist students. Of the 130 United Methodist students enrolled at Huntingdon, 127 are receiving financial aid totaling \$435,215. It is anticipated that the 1989-90 institutionally funded need for student aid will be 1.4 million dollars. The 1.4 million dollars is projected to be needed above both state and federal appropriations which presently amount to another \$850,000.

We deeply appreciate and know that Conference financial support and encouragement in the enrollment of capable students is vital to the maintenance of academic excellence and sustained growth of Huntingdon College. It is through a partnership with the congregations of United Methodism that Huntingdon can continue its distinguished service to Christian higher education as has been true in the past 135 years where students “enter to grow in wisdom” and “go forth to apply wisdom in service.”

Report No. 2 — CAMPUS MINISTRY

TROY STATE WESLEY FOUNDATION

The beginning of the 1988-89 school year was a tough one for Wesley. Graduation had taken a number of our students, and we were faced with the tough task of replacing them. At present we have about 30 active students in the Wesley programs with an additional 5 or 6 who attend from time to time. We have had 15 new students join our program since the Fall Quarter, but we still have a long way to go toward reaching our goals. We completed our basketball/volleyball complex this fall, and now have a near regulation-size basketball court (45' x 75') to use for our programming needs. We have also purchased a much needed van to use for our Wesley events (we feel much safer now).

PROGRAMS — weekly

Tuesday nights — Flight Time (inspirational speakers, informative lectures, contemporary Christian musicians, fun events etc.)

Wednesday nights — Bible Study (30 minute Bible Study taught by Director

Wednesday nights — Wesley Singers (follows Bible Study) — we have a new Wesley Singers Director who began this winter

Thursday nights — Fellowship Supper (cooked by students)

Aerobics

Intramural Sports

SOCIAL EVENTS

Flight Time — Bowling, Goofy Golf, Scavenger Hunts, etc.

Winter Ski Trip — annual event before Winter Quarter

Spring Water Ski Trip

Beach Party

Fund Raiser for Cystic Fibrosis

SPIRITUAL EVENTS & EMPHASES

Welcome Back Party — Jerry Arhelger, Contemporary Christian Musician

Students in Ministry — we have 2 students who are part-time youth directors in local churches, and 1 student who is a choir director

LIVINGSTON WESLEY FOUNDATION

The past year has offered continued opportunities to contact students at Livingston University and we continue to make ourselves available. We still seek to create an atmosphere of Welcome to all students who attend worship services at Livingston UMC.

Construction has been completed on the Wesley Building and programs will be starting with the Spring Quarter 1989.

With the new building on the University Loop Road it is expected that the time of responsibility will shift to near half time as our Ministry is still connected to Livingston United Methodist Church.

We are grateful to the Membership of Alabama-West Florida Conference for its support of Campus Ministry. Especially to the Churches who have supported us through Conference Advance Specials for without this support we cannot support the Ministry at Livingston Wesley.

E. Zedoc Baxter, Director

UNIVERSITY OF SOUTH ALABAMA

The Wesley Foundation of the University of South Alabama is happy to be growing along with the University itself. This year, as South celebrates its 25th Anniversary, it had its highest enrollment with over 10,600 students. Wesley has been a part of the University almost since the beginning, but this year hired its first full time director, Mrs. Dottie Lovelady Rogers. Dottie started at the beginning of the Fall Quarter in 1988.

Many of the students who had been a part of Wesley in years past had either graduated or moved, and there was no core of student leadership to build upon. One of the main goals we have worked toward this year is to develop a strong core of students committed to USA's Wesley Foundation program. Fall got off to a great start with over 70 students who signed up to be a part of Wesley and 56 students who actually participated. Winter Quarter has grown beyond those figures also. As we enter Spring Quarter, we have developed a Student Leadership Team of 12 students who are willing to share in the program planning and development.

We are building a balanced program of fellowship, recreation, Christian education, worship, and outreach. Our weekly activities include a Bible Study, Prayer group, and Lunch Bunch with a variety of speakers. Worship is the first Thursday of each month. We have offered two retreats in the Fall and Spring Quarters. Intramural volleyball and softball have added to our recreation program. We enjoyed hosting the Wesley Foundation from the University of Alabama who came down to attend a Mardi Gras parade. Other activities have been going to local Christian concerts, parties, and a scavenger hunt.

USA has a Cooperative Campus Ministry and opportunities to interact with the Student Activities Committee of the University. We are seeking ways to establish our presence and raise our visibility on the campus at large. We were able to participate in an Orientation Worship Service in the Fall, and plans are underway for a Christian Leadership Conference in the Spring.

The Wesley Foundation at South is located in an office in the University Center building. We schedule meetings in other locations through the University. This has its advantages and disadvantages. One advantage is the high visibility and accessibility to students in this central location. The office serves as a resting, gathering place for students to have coffee and fellowship on a daily basis. The disadvantage is our limitation to space and schedules of the University. We have no place to call our own for a variety of activities. Our hope is to one day have a house or building on campus.

Another important ministry that we are developing is our relationship to the local churches. Two students are serving as Youth Directors and we have been supporting them in their ministries. We encourage students to get involved in local churches and have developed a van schedule for Sunday morning pick-ups. We took students to do an MYF program at a church and hope to do more of the same. The director also has spoken in a number of churches in the area on behalf of the Wesley Foundation.

We are off to a good start, but our goals and hopes are high for more developments in the years to come.

Dottie Lovelady Rogers, Director

ALABAMA STATE UNIVERSITY

The effort of the Wesley Foundation at Alabama State University to develop strong ties with the University community has proven most promising. Through our innovative leadership, Student Affairs created a new Division known as Religious Development. A staff person was hired by the University to act as Coordinator of the new Division, and a Task Force was formed to study ways in which the community would be best served by a Campus Ministry Program. The ASU Wesley Foundation Director, the Rev. Elizabeth Johnson-Shuford, was invited to provide leadership in this area.

In October 1988, the Task Force recommended that the University provide facilities and resources to all religious interests represented and properly registered on the campus. In December 1988, President Howard, president of ASU, designated a facility to be known as the Religious Development Resource Center. In January 1989, renovation of the facility was begun, a telephone was provided and the University agreed to provide resources for all activities and programs sponsored by the Center. Renovation and furnishing of the facility was completed in late February. An open house is planned for mid March.

Wesley Foundation has full access to the facility and to all University facilities via the Coordinator of Religious Development. Negotiations are now in progress which will determine the scope and shape of the ASU Wesley Foundation ministry commitment. Future ministry on the campus will be greatly enhanced with the opportunity for presence provided by the Religious Development Center. Our previous experience has been limited access to University facilities and the result has been a general mystification on the part of the campus

community as to our motive and character. We have overcome those structures and have the enthusiastic support of the campus community. All avenues of cooperation are now open to us and we find ourselves in a unique position to have an even more enduring impact upon the life of this historic center of higher education. As faithful stewards of God and the appointed agents of this great conference, we must interpret the shape of our future relationship with Alabama State University.

It is recommended that the Wesley Foundation at Alabama State University continue to provide leadership in the Campus Ministry efforts on the campus; to influence the mission of the Religious Development Center on the campus; and most importantly, implement a more comprehensive plan of ministry on the campus.

TUSKEGEE WESLEY FOUNDATION

TUSKEGEE WESLEY FOUNDATION is a campus ministry supported, owned, and operated by the United Methodist Church. The focus of this endeavor is to bring together Methodist, as well as, other students on the campus of Tuskegee University into a Christian fellowship for the enhancement of college life through social, recreational and spiritual activities.

Our semester of ministry on the campus of Tuskegee University is off to a promising future. At present approximately 66 students have expressed an interest to participate in the program of TWF. All students completed a profile sheet consisting of name, mailing address, name of church, (home), personal interests and activities they enjoy while on campus.

On Tuesday, September 27, 1988 at 6:30 p.m., in the Tuskegee University Chapel, TWF sponsored **REALTOWN: A PARABLE OF HOPE FOR THE NUCLEAR AGE**. **REALTOWN** is a one woman, three act play written, produced and performed by Rosa Burke Perez of Mill Valley, California. This event was warmly received by the Tuskegee Community.

There are tremendous opportunities for growth and we are striving to make ministry effective. A Thanksgiving Dinner for students and their guests was held in November. Approximately 40 students attended this dinner and heard an inspirational message by Rev. Terrence Hayes.

GOALS FOR 1988-1989:

1. Secure permanent location for office
2. Increase present core students of TWF by 30%
3. Develop a more visible presence on Tuskegee University campus

Frederick G. Outlaw, Director

Report No. 3 — AFRICA UNIVERSITY

The Africa University is a Higher Education Mission of the Church. The Annual Conference Board of Higher Education and Campus Ministry is its representative in the Annual Conference. It will be necessary to raise \$20,000,000 for the Africa University. \$10,000,000 will be part of the World Service Apportionment, and \$10,000,000 will be raised through a World Service Special. The Rev. Tom Terry of Mobile will head a Task Force to promote the Africa University in the Alabama-West Florida Conference.

Report No. 4 — SERVICE OF TALENTS

When the term, "Wesley Foundation," is used very few United Methodists understand that it refers to campus ministry. Coupled with this lack of understanding is the lack of financial support for higher education and campus ministry. It is the intent of the Board of Higher Education and Campus Ministry to inform each local church of the Conference ministry to students through Wesley Foundations.

The "Service of Talents" serves the purpose of informing, motivating and challenging each charge in the Conference for support of campus ministry. The "Service of Talents" is based upon Matt. 25:14-15. Each pastor and delegate to the 1988 Annual Conference was given \$5.00, and commissioned to challenge the local congregation to invest the funds through various programs throughout the year to raise support for campus ministry. The BHECM has a donor who provided the initial funds.

During the report of the BHECM at the 1989 Annual Conference, each District Superintendent will invite representatives of each of his charges to return their talents to the altar and each District Superintendent will have a special prayer with his District representatives for Campus Ministries. Some churches and students will give witness to special blessings and experiences.

THE SOUTHEASTERN JURISDICTION ADMINISTRATIVE COUNCIL

The committee established by the 1984 Southeastern Jurisdictional Conference to study the programs, staff, and structure of the SEJ made its report to the 1988 conference. This committee recommended the organization of the SEJ Administrative Council merging Lake Junaluska Assembly and the SEJ Council on Ministries and providing an administrative relationship for the six agencies of the jurisdiction. The recommendation was approved overwhelmingly by the Jurisdictional Conference.

The past year has brought many changes in the SEJ Council on Ministries and Lake Junaluska Assembly as the two staffs have combined to form the Administrative Council. But the transition has been smooth as we have all worked together to form a team in ministry to fulfill the purpose of the Administrative Council.

The 1988 Southeastern Jurisdictional Conference elected the members of the new Administrative Council and approved the purpose of the new organization: To coordinate and help make effective the ministries of the Boards and Agencies of The United Methodist Church as they work within the Jurisdiction; To study the changing missional needs of the Jurisdiction; To give oversight to all programs and agencies of the Jurisdiction; and To give operational oversight to and to serve as Trustees of Lake Junaluska Assembly and all other property held by the Council.

The Council met November 10-12 at Lake Junaluska; at that meeting the three divisions — program, agency, and Lake Junaluska — were organized. Officers of the Council and the divisions were elected and the standing committees met for work sessions and selected officers. The division and standing committee chairpersons reported back to the plenary session. The general consensus of the membership was that the Council, its work and its ministry, was off to a great start. The Council staff is now working diligently carrying out the plans and assignments from the November meeting.

The Personnel Committee of the Council was asked to begin the process for selecting an executive director. The position was advertised and 14 applications were received. Two candidates were interviewed by the committee and their nominee was presented by mailed ballot to the membership. The executive board of the Council, meeting March 10 at Lake Junaluska, announced that I had been elected executive director. I appreciate the opportunity to serve the church in this capacity and I dedicate my time, talents, energy and enthusiasm to the ministry of the Council.

The Program Division and Agency Division are carrying on the work of the Council on Ministries. Members of these divisions and the related staffpersons will continue as a bridge between the general church program agencies and the annual conferences of the Southeastern Jurisdiction in the implementation of the program of The United Methodist Church. They will use their skills and relationships to enable the programs of the general boards and agencies to reach the largest possible number of persons in the jurisdiction. These divisions will be responsible for developing programs of leader development for the lay and clergy members of The United Methodist Church in the jurisdiction. This will be done through the annual conference Councils on Ministries, the associations, fellowships, agencies, networks and caucuses in the jurisdiction. Staff persons will serve as a programmatic resource for the jurisdiction, the annual conferences, the districts, and local churches in the jurisdiction. We need your participation in the programs and leader development events sponsored by the Council. If these events are not meeting your needs and the needs of your annual conference, district, or local church, please let us know.

The 1988 Southeastern Jurisdictional Conference approved the creation of the Missional Fund to support program ministries in the jurisdiction. The fund, an asking of \$1,460,000 per year, is to be distributed to local churches based on 50 cents per member. The Missional Fund will support three major areas of ministry in the Southeast: 1) programs of mission and ministry related to the several committees, commissions, and agencies of the Council; 2) missional institutions serving the jurisdiction; and 3) Lake Junaluska Assembly. The Fund will provide scholarships for persons with handicapping conditions, ethnic minority persons; program support for volunteers in mission, health and fitness, and communication; special programs for children, youth and adult ministry; and many other innovative programs. Hinton Rural Life Center will receive funds for new and creative programs, the Heritage Center will receive funds for exhibits and archives, Gulfside Assembly will receive support through program resources, and the Intentional Growth Center will have money for scholarships and for special constituencies. Funds allocated to the Assembly will be utilized for special capital expenses and unusual needs in the operations, primarily in the maintenance and operation of program facilities. There is something in the Missional Fund for each United Methodist in the jurisdiction. Encourage each local church to pay this asking in full; the programs of the Southeastern Jurisdiction Administrative Council need your help!

The Lake Junaluska Division will be the trustees of the Assembly and will continue many of the projects already in progress. The renovation of the wing rooms at Lambuth Inn is completed. Additions to Harrell Center and the Branscomb/Allen Administration Building are nearing completion. The new 500-seat auditorium at Harrell Center will open opportunities for programming year-round. Also included in this project is a new Heritage Center to house a museum, library, study/research room, vault, office space and work area. The addition

of 20 offices to the administration building will enable most of the staff of the new structure to be housed in one building. This should make our staff and our service to conferences more efficient. Lake Junaluska has a glorious 75-year history and will continue to be dedicated to ministry and service.

The Administrative Council at its November meeting adopted a 1989 budget of just over \$4 million which includes operation of Lake Junaluska Assembly under the Junaluska Division, operating the Program Division, and a partial funding of three of the affiliated agencies. In the latter days of 1988 the Lake Junaluska Assembly Foundation, the endowment arm of the Assembly, passed the \$1 million mark in assets for the first time. While this was an important milestone, it also pointed out a continuing need for further development of the endowment program to fund the upkeep of some of the grand old buildings of the Assembly and to provide scholarships to some programs, so that everyone will have an opportunity to participate.

The changes of the last year have been challenging, but through it all we have seen added opportunities to be in ministry and to be of even greater service to The United Methodist Church. We face the future confident that the Administrative Council will not only carry on the great tradition of Lake Junaluska and the Council on Ministries but lead the church in the Southeast to even greater opportunities of service in the name of our Lord and Savior, Jesus Christ.

Reginald W. Ponder, Executive Director
Clyde P. Mahaffey, Vice-Chairperson

AREA BOARD OF COMMUNICATION/ADVOCATE

1988 was another year during which the Lord bestowed a multitude of blessings upon the ministry of the Office of Communication/Advocate. Testimony to these blessings are the achievements which were accomplished in all phases of church communication.

The Area Board of Communication began its first year as an office responsible to both the Alabama-West Florida Episcopal Area and the Birmingham Episcopal Area. The area board plans to continue functioning in the same manner that was used prior to the separation of the Episcopal areas.

At its fall organization meeting the members of the board elected Mr. Charles Rountree, layman from Trinity United Methodist Church in Birmingham, as its president. The Rev. Walter Albritton, pastor of Richards Memorial UMC in Pensacola, was elected to serve as the Vice-president. Mrs. Annie Grady, a member of St. Paul's UMC in Birmingham, was elected as the secretary.

Dr. Paul Ruark, editor, represented the Board and the Episcopal Area at both the General Conference in St. Louis and the Southeastern Jurisdictional Conference in Lake Junaluska. At the General Conference he served as a reporter for the Discipleship Legislative Committee. Ruark was also recertified as a Christian Communicator for another four years by the United Methodist Association of Communicators.

During the early part of the year the broadcast schedule for the television program, "New Directions," was completed.

The United Methodist Christian Advocate subscription campaign was successfully completed with special "Thank You" awards going to ministers in four categories in each of the Annual Conferences. These awards were Cokesbury gift certificates. It was encouraging to note that several of the larger churches subscribed to The Advocate for their entire Administrative Boards. Some churches continue to subscribe for all of their membership families. Gratitude is expressed for all subscriptions.

In its fall meeting the Area Board also approved the purchase and installation of a new computer system which allows The Advocate to be laid out on the computer display screen. The new system gives a great deal more flexibility and saves a number of weekly trips to the printing facility. As a result of the new system, The Advocate has taken on a new appearance and changes will continue to be made in the future.

The Board also approved the formation of planning committees for the Communication Expos planned for each conference in 1989.

The Area Board of Communication/Advocate wishes to express its appreciation to both Bishop Knox and Bishop Hancock for their support and cooperation. No less appreciation

is expressed to all pastors and laypersons from both conferences who continue to give support to the work and ministry of this office.

Charles Rountree, President
Walter Albritton, Vice-President
Paul Ruark, Director/Editor

Report No. 5 — POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, United Methodist Student Day, Peace with Justice Sunday, Native American Awareness Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on Mother's Day, and support for Homes for the Aging be given through a special offering on Father's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.
7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.
8. That the Jurisdiction Missional Fund continue to receive the support of our conference. (Formerly, Junaluska Development Fund).
9. That permission be granted Huntingdon College to continue to solicit funds in its major funds campaign provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.
10. The Assembly Ground Commission be granted permission to solicit funds through its Blue Lake Partner program provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.
11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.
12. We recommend that a Sunday in November be designated for receiving an offering for the Southeast Jurisdiction T.V. Ministry, 25% of which is to be retained within our Conference.

1a. While we acknowledge the request for \$300,000.00 from the Council on Ministries for New Church Development is timely and necessary in the establishment of new churches, we did not find it feasible to include it at this time considering the priorities already established.

2. We recommend that those receiving salaries from benevolence funds be a priority in those funds allocated (administrative staff, director of Pastoral Care & Counseling, director of United Methodist Communications).

3. We recommend that there be a two per cent (2%) service charge placed on all funds that remain within the bounds of our Conference which the Conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The accrual is to be credited to the Conference Administration Fund to defray the costs of fiscal management. The following funds are excluded from this service charge: General and Jurisdictional apportionments; special day offerings, including Mother's Day and Golden Cross Ministries; all Advance specials; Conference Claimants Funds; health insurance account, and the Children's Home offering.

Report No. 8 — STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The Council believes that all apportionments are needed in the amounts apportioned. Further, the Council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	— no apportionments
2nd year	— 50% apportioned
3rd year	— 75% apportioned
4th year & following	— 100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the Council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267.3c of the 1988 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

Report No. 9 — DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1988 *Discipline* requires the Council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

Report No. 10 — FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the Council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. Only one apportionment schedule will be mailed to the churches for the ensuing calendar year. This final report will be mailed the latter part of July of each year.

4. Attention is called to the closing of the books of the Conference treasurer January 5, 1990. All remittances to be applied to 1989 receipts must be in the bank by its closing time of 2:00 p.m. No remittances for 1990 should be sent until after January 7, 1990.

5. Preparation of the statistical tables for 1989 shall be handled in the conference fiscal office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the district superintendent so as to reach the conference office by January 20, 1990. A computer print-out of the annual report will be mailed to each church for review and correction.

Report No. 11 — MINISTERS MOVING EXPENSE

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$300.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

Report No. 12 — ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council.

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:

- a. unused balances of boards and agencies
- b. funds which may be budgeted for the reserve account
- c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
- d. interest earned from sources as may be provided by the Council on Finance and Administration
- e. Funds from other sources that may be deposited by any board or agency or group within the Conference

5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the CPR account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.

6. During the second through the fourth quarter of the year, the use of the CPR account by the boards and agencies will follow the same procedures now governing the Conference Benevolence Contingency Fund, that is, prior joint approval by the CCOM executive committee and the CFA executive committee.

7. The Conference Program Reserve Account funds may be disbursed for program purposes of the Conference Council on Ministries as directed by the executive committee of the Conference Council on Ministries on recommendation of the CCOM director.

UNITED METHODIST FOUNDATION, INC.

Since our last report to the annual conference the Foundation's Board of Directors has held two meetings subsequent to a decision at the Annual Spring meeting in 1988 whereby the Board determined that semi-annual meetings in addition to various committee meetings would serve to keep the Directors better apprised of their various responsibilities and the progress of the Foundation.

A copy of the Foundation's audited financial statement is included as a part of this report. Pertinent facts which will be of particular interest to the delegates include:

- 6.5 million in current assets managed by the Foundation.
- The above represents an approximate 1.8 million dollar increase over 1987.
- The Foundation added 20 new permanent trusts and disbursed \$525,047.27 to principal and income beneficiaries during 1988.

Again this year the Foundation remains on schedule to be completely self-sustaining by the end of 1991 and will receive less than 20% of its operating expenses from outside sources during 1989.

This annual conference session helps to mark the tenth anniversary of the Foundation's work in the Conference. As a part of this celebration the Foundation's Board paid special tribute to Mr. Harry P. Hall of Dothan, Alabama, at its March 29th spring meeting in Dothan.

Mr. Hall was one of the founding directors of the Foundation and served as its first president from 1979-81. A well known philanthropist, Mr. Hall was recognized by two special actions of the Board in his name.

- The creation of the Harry P. Hall Directors' Leadership Award to be given annually to a director of the Board chosen by his/her peers for outstanding leadership in promoting the work and ministry of our conference Foundation.
- The naming of the Foundation Endowment Fund to the Harry P. Hall Endowment Trust for the Alabama-West Florida United Methodist Foundation in support of its work and services to the churches and institutions of the Alabama-West Florida Conference.

We move forward from this special anniversary with the goal of surpassing the 10 million dollar mark by the end of 1991. Many important causes in our conference program remain in critical postures regarding future funding. We feel that there is no more crucial time in the life of our conference for the work of our Foundation.

The Board of Directors hereby re-elects the following to the Class of 1992: James Y. Carroll, David Crawford, Lauren Jones, Edward Reynolds, Thomas Roney, Jack Ussery and Robert Williams.

In addition, the Board gave approval to the election of the following new members of the Class of 1992 contingent upon their acceptance: Mrs. Virginia Thompson, Mr. George Bagwell, Mr. Mike Hutson, Mr. David Fox, Mr. Tom Murphee.

Four other vacancies remain on the Board, one in the Class of 1990 and three in the Class of 1991. These vacancies may be filled by the Board's Nominating Committee during the course of the year.

UNITED METHODIST DEVELOPMENT FUND, INC.

With deposits of \$677,866.29 at the end of February 1989, our conference Development Fund grew by approximately 54% from a balance of \$368,555 at this time last year. These funds, available on an "on-demand" basis have been deposited by both institutions and individuals from across our conference area.

At the December meeting of the Fund's Board of Directors new rates were established at 7.25% on-demand and a new 8% rate for a three-year term deposit. The tremendous escalation in short-term interest rates throughout the financial markets since the first of the year has placed the Fund in a delicate dilemma. If the Board continues to raise the rates in pursuit of deposits, then the loan rates to churches needing to build must also escalate accordingly. Under a policy revised in December money is loaned at two percentage points over the current "on-demand" deposit rate.

The Fund's Board would remind the Conference delegates and our depositors that while it is difficult to match the current offerings in an upward spiraling market, the Fund has and will continue to pay above average rates over the long term. Depositors must also be motivated to make their deposit available for use in our loan program for projects across the conference in analyzing their investment return versus alternatives in the commercial markets.

To date the Fund has the following loans outstanding:

— Grace U.M.C., Mobile District	\$ 13,655.11 @ 8.50%
— Lillian U.M.C., Pensacola District	\$ 22,682.52 @ 8.50%
— Jackson Chapel U.M.C., Demopolis District	\$ 33,801.61 @ 9.25%
— Heritage U.M.C., Dothan District	\$137,055.29 @ 8.50%
— Gulfview U.M.C., Mar/PC District	\$ 50,000.00 @ 8.50%

Currently, there is approximately \$250,000 available in the Fund for loans and applications are pending at this time.

It is our hope that we will be able to move over the initial 1 million dollar mark in deposits before our 1990 annual conference from which point the Fund should continue to make steady growth as individuals, churches, and institutions become more supportive of its purposes and services.

Advertisement concerning the Fund, its rates and services, will begin appearing on a regular basis in the Advocate and the Connectional Link. In addition, information is being prepared for churches to use as inserts for church bulletins and newsletters.

Your Board of Directors continue to forge ahead with this new ministry which is dedicated to assisting in the growth of our conference. We continue to solicit your prayers and suggestions as we build together.

COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The Cooperative School of Christian Mission will be held August 1-4 (weekday) and 4-6 (weekend), 1989 at Blue Lake Camp. The theme is "From Struggle to Hope: Songs for our Time." The School is designed to promote the study of current mission themes; to train leaders who are charged with the responsibility of local church, United Methodist Women, and district in planning for education and action in mission; to help individuals to be persons in mission; to interpret mission funds and increase mission support; and to provide spiritual enrichment. The School is approved for CEU's for clergy and Diaconal.

For the second year the School will include a course entitled "Teaching Mission to Children." The subject content will be The Philippines, one of the studies, but will use specially produced material for teaching this mission study to children. We are pleased to announce that Carolyn Stewart, of Dothan, will instruct this class.

The School is sponsored by the Conference Board of Mission, United Methodist Men, Board of Church & Society, and United Methodist Women. The planning committee is asking you to promote the School in your church and district.

The 1988 School had 287 participants. The school was enthusiastically led by Mr. Bill Chance of Monroeville, AL. The participants were enlightened, encouraged, and challenged to return to their local churches with a new inspiration for mission. The goal for 1989 is 300.

DUKE DIVINITY SCHOOL

Fall semester 1988 was marked with the largest entering class in the history of Duke Divinity School, bringing our total enrollment to 472 (317 M.Div., 25, M.T.S., 16 M.R.E., 19 Th.M., 16 special students, 80 doctoral students). The one-year Master of Theological Studies program graduated its first class last spring, and enrollment for this degree is increasing.

The 1988-1989 year marks the 150th anniversary of Duke University. Union Institute, founded by Methodists and Quakers in Randolph County, North Carolina in 1838, was reincorporated as Normal College in 1851. It was the Methodist Church that saved Normal College from financial ruin, thereby founding Trinity College, and a Methodist, James B. Duke, who endowed Trinity College to become Duke University. It was the Divinity School (then known as the School of Religion) that became the first of the University's professional schools to open in 1926.

Duke University, from its beginning, was meant to stand for the union of education and religion. The Divinity School stands within this tradition. As a school of the Church, it prepares men and women for ministry, and as a school of the university, it trains students through rigorous practice of the academic disciplines. The Divinity School witnesses to the Gospel of Christ in an age of increasing secularism and materialism. This historic witness of the

School owes its existence to the generosity of the Methodist Church. Through the loyal support of the Ministerial Education Fund, the Divinity School can continue this vital mission.

The Divinity School announces for the spring of 1990, a part-time, two year Master of Theology (Th.M.) program in Wesleyan Studies. The Divinity School, in keeping with its long-standing commitment to Methodism, undertakes this degree program as an experiment in continuing education for clergy in the Wesleyan family of denominations. The Th.M. in Wesleyan studies is a program of eight advanced academic courses taught on Monday of each week, capped by a thesis or comprehensive examination. Classes will be limited to fifteen students. Faculty participants include Geoffrey Wainwright, Thomas Langford, Teresa Berger, Ted Campbell, Carol Noren, Grant Shockley, Robert Wilson, William Turner and Russell Richey. Among the subjects taught will be the Wesley hymns, the English Church in the 18th century, roots of evangelicalism, issues in the Wesleyan theological tradition, preaching in the Wesleyan tradition, studies in American Methodism, Black Methodism, and the theology of Pentecostalism. The Divinity School intends to launch a successor Th.M.-two-year-venture in a field of comparable appeal; possibilities include a Th.M. in pastoral theology or in biblical studies.

A "trial-year seminary grant," part of a program of the Association of United Methodist Theological Schools and funded in part by the Lilly Endowment, offers a full tuition grant plus living stipend for persons interested in exploring theological education and the ordained ministry. This grant, similar to the Rockefeller grants of the 1960s, is part of our effort to recruit the best and brightest for the ordained ministry.

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

The Alabama-West Florida Methodist Federal Credit Union has grown from a fledgling experiment with 10 members and capital of \$100.00 in 1967 to a strong and respected financial institution in 1989. At the end of 1988 we reported 555 active members and total assets of \$1,379,567.92. Through 1988 we have made a total of 1,099 loans totaling \$3,573,192.00. During 1988 we made 117 loans totaling \$674,353.84. This is by far our best year since organization.

We not only had a good year in loans, but we paid the largest dividend to our shareholders.

Dividends for 1988 amounted to \$80,076.11. For the last half of 1988 we paid dividends on the following schedule:

\$25.00 to \$995.00	5%	\$3,000.00 to \$4,995.00	7%
\$1,000.00 to \$1,995.00	5½%	\$5,000.00 and up	7½%
\$2,000.00 to \$2,995.00	6%		

This is NOT our “advertised” rate. We are not allowed to set a rate until 30 days before the dividend is declared. We have been successful so far in keeping operating expenses at a minimum and returning the largest dividend possible to our shareholders.

The Credit Union is open to all ministers of the Conference, members of their families, Church employees in local churches, and employees of Methodist Institutions of the Conference. There is a \$1.00 membership fee, and a new member must deposit a minimum of \$25.00 in the account. All deposits are insured up to \$100,000.00, and each member has free life insurance in the amount of their shares up to \$3,000.00 for all shares deposited before age 55. We are a federally chartered Credit Union subject to Federal Examiners, and our books are audited annually by a Certified Public Accountant. A nine member Board of Directors governs the Credit Union, and they are elected for 3 year terms at the Annual Membership meeting held in January or February each year. The Directors are required to meet every month, and a quorum of at least five members must be present for each Board Meeting.

The Credit Union seeks to serve its members as a source of low interest loans and a place to make safe and attractive investments. The Credit Union makes auto loans, home and home-improvement loans, loans for boats, mobile homes, motor homes, and other secured loans. Call us.

Membership Cards, Loan Applications, and information may be secured from our Manager, John Carmichael, Rt. 2, Box 171-B, Brantley, AL 36009, Phone (205) 335-3823, or our Treasurer, Billy Joe Bass, Box 88, Georgiana, AL 36033, Phone (205) 376-2415.

Thanks for letting us serve you!!

PREACHERS AID SOCIETY

The Alabama-West Florida Conference Preachers Aid Society continues to assist ministers with undue financial burdens. Grants totaling \$454.88 were made to four ministers in 1988. These grants came from the interest paid on the loans from the Society.

Loans up to \$600 continue to be made at the low rate of 6% per annum. We encourage ministers to borrow from the Preachers Aid Society, to enable us to continue using the interest for much-needed grants.

We also urge every minister under appointment to pay the annual dues of \$1.00 to the Society. For a minister to borrow money, he or she must be up-to-date on dues. Also, for one to be eligible for a grant, he or she must be up-to-date on dues.

Those needing loans should contact the President, Vice-President, or Treasurer of the Preachers Aid Society. Those qualifying for grants should contact their District Superintendent and ask him to write the President of the Society requesting such assistance.

We express appreciation to the faithful members of the Board of Directors of the Preachers Aid Society, who receive no financial remuneration. They serve because of a belief in what they are doing, and because of a love for the brethren.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The goal of the Commission on the Status and Role of Women of the Alabama-West Florida Conference is to serve as advocate, catalyst, and monitor to empower women and to transform the church so that an inclusive people of God might be in ministry and mission to a hungry world.

During the conference year 1988-1989 the Commission has sought to carry out this goal by using several different avenues. In November all women elected to conference boards and agencies were invited to attend a special day of leadership training at Blue Lake. Packets were prepared to be used at district training, and a spiritual enrichment retreat was held. These events have been well planned and attended. The breakfast held each year at Annual Conference is a highlight of the year.

The commission continues to serve as an advocate and support group for clergy women. It is important that "Women in the Pulpit Sunday" be observed.

During the year 1989 the Commission will develop a committee in each district. These district committees will work to have each local church develop an active Commission on the Status and Role of Women.

FEASIBILITY STUDY COMMITTEE (For Relocation of Conference Headquarters)

The members of the Feasibility Study Committee, eight (8) named by Bishop Knox and eight (8) appointed by the Board of Trustees, were charged with studying the feasibility of relocation of Conference Headquarters from Andalusia, possibly to Montgomery. The committee has given serious consideration, time, and thought to the number of options, one of which we are presenting to the Annual Conference today.

After polling the entire Committee, the unanimous decision is that without prejudice in the matter we request that the current committee be discontinued with the thought that a new committee be formed for this purpose in the future, should the Annual Conference desire to pursue this matter at another time.

COMMITTEE ON EPISCOPACY

The Committee on Episcopacy has had a very challenging, busy and rewarding year. Following action taken by our annual conference and the Southeastern Jurisdictional Conference to divide the Birmingham Area, our committee busied itself with the steps necessary to establish the Alabama-West Florida Episcopal Area. With the assistance of Mr. Dan Stallings of Montgomery Metro Realty, we located and purchased an episcopal residence located at 3291 Lancaster Lane, Montgomery, Alabama. We then enlisted Mrs. Sarah Margaret Price, interior decorator, to work with us in furnishing and decorating the residence. An appeal went out to all of our churches and many lay people for financial assistance to purchase and furnish the new residence; and the response was most gratifying. The \$65,392.85 given, plus the amount we received from the North Alabama Conference as equity from the Birmingham residence enabled us to make a substantial down payment and furnish the new residence; and to meet all other obligations for 1988. We hereby express sincere appreciation to the churches and lay people of the area for their generous response which enabled us to start with zero funds a year ago, buy and furnish a lovely residence, meet other expenses for the last five months of 1988 and close the year with a balance in our fund. We would also like to express our deep appreciation to Mr. Dan Stallings and Mrs. Sarah Margaret Price, both active members of the First United Methodist Church of Montgomery, for their most able assistance.

On August 15, 1988, "An Evening for Bishop J. Lloyd and Edith Knox" was held in the Oakwood Lodge at the Blue Lake Assembly with a large crowd in attendance from throughout the conference. Expressions of gratitude to Bishop and Mrs. Knox for the four years of leadership and energetic service rendered our conference were echoed by several of our conference leaders. Gifts were presented to Bishop and Mrs. Knox and to Mrs. Billie Jo Perry, secretary to our last three bishops.

At the Southeastern Jurisdictional Conference held in July at Lake Junaluska, Dr. Charles Wilbourne Hancock, then Superintendent of the Macon District in the South Georgia Conference, was elected to the episcopacy. At the close of that conference, Bishop Hancock was consecrated and assigned as the first bishop of this newly-created area. He and his lovely wife, Mariam, moved to Montgomery to occupy our new episcopal residence on August 24. Bishop Hancock set up his office in the Interstate Park Office complex and began his official duties on September 1.

Very meaningful and well-attended Investiture Services were held in Pensacola on September 18, in Montgomery on September 25, and in Marianna on October 2. Following these, Bishop Hancock quickly acquainted himself with the clergy and laity of the area through his participation in a variety of district and local church meetings. In an effort to establish a meaningful relationship with the pastors, the laity, the churches, the boards, agencies and institutions of the area, Bishop Hancock has given of himself unselfishly; and the degree to which he has acquainted himself with the personnel and programs of our conference has been most remarkable. His efforts to build a greater spirit of unity among us, to deepen our commitment to the central tasks of the church and to lead us into a more meaningful Christian discipleship are having a healthy effect upon our people.

We are indeed fortunate to have Bishop Hancock as our episcopal leader; and we feel equally fortunate to have Mariam as the First Lady of Methodism in this area. In just nine months this couple has endeared themselves to the people of our area with their contagious smile, caring attitude and deep commitment to Christ and His Church. We look to the future, with confidence, believing that this area will continue to grow and reach out to others in the name of Christ under the devoted and wise leadership of Bishop Hancock with his gracious lady at his side.

Again, we thank the good people of this area for their prayers, work and generous support which have resulted in the establishment and beginning of the Alabama-West Florida Episcopal Area; and we stand together anticipating further victories for our Lord in the days ahead through the United Methodist Church in the Alabama-West Florida Episcopal Area.

COMMITTEE ON COURTESIES AND INTRODUCTIONS

Bishop Hancock, Bishop Duffey, Members of the Conference, Guests:

The 161st Session of the Alabama-West Florida Conference, the first following the creation of the new Episcopal Area, has been a "good" conference. "Good" in the sense of our Tuesday Evening Song that: "The Lord Is Good."

We have been reassured that "The Mission Is Possible," and trusting the "Blessed Unction From Above," all of us, lay and clergy alike, young and old, are filled with an eagerness to serve God's people and God's Kingdom.

How grateful we are for the election and assignment of Bishop Charles Wilbourne Hancock. He presided at his first Annual Conference Session with the ease, the fairness and the marvelous good humor of one born to the task.

Whether he was guiding us through the complexity of debate, or the routine of reports, he obviously wanted us to enjoy the Conference, to "Vote with Enthusiasm," and to stay until the work was done. More than that, he was able to differentiate between urgent and important; and in addition, he not only knew his task, he knew our names.

We are most fortunate to have Miriam Hancock as our friend and first lady. The invitation, frequently appearing during the Conference, that the bus was leaving for the Episcopal Residence, was obviously an invitation to warmth and friendship. In the words of Dr. Bill Hinson: "What a great pair they are."

The highlights of the Conference dance before us in regular procession: The insight and inspiration of THE GOOD NEWS proclaimed by William H. Hinson; the lively word from Dr. R. Dick Johns unfolding the Bible; the Holy Spirit reaching us through Bishop Paul Duffey's message: "Comfort, Life and Fire of Love," and the Memorial Communion Service with the Reverend Ben Sawada's Remembering the Victory.

The music of the Conference was noteworthy, and we are grateful to Joe Pat Cox, Dr. Harold Rohlig, the Youth and Cathedral Choirs of First United Methodist Church of Montgomery, The Metropolitan U.M.C. Choir of Montgomery, the Wesley Foundation Choir of the University of Alabama, Mrs. Debbie Treadway, Dale Daniels, the many accompanists, and others.

The highlights seemed endless: who could forget Dr. Dale Segrest receiving an Honorary Degree, the Christian Witness of Mr. Roy Jeffcoat and Rev. Fred Melvin, the talent and joy of Dr. Kenneth Wyatt, the ministers who have attended Annual Conference for fifty years and more; the faithful energy of the youth delegates, the greetings of friends, the opening hymn, "AND ARE WE YET ALIVE."

We are all indebted to Dr. Allen Jackson and his staff at Huntingdon College for meeting our needs and providing for our comfort; to Dr. Karl Stegall, the congregation and staff of First Church Montgomery for their ordination hospitality; to Bishops Paul Duffey and Joel McDavid for bringing home their parliamentary experience and, more importantly, their friendship; to Mary Ellen Bullard and her committee for the efficiency and dignity of the platform arrangements; to Rev. Paul Wolfe and his secretarial staff and the Rev. Thomas Sheppard and the registrar's staff for enabling us to proceed smoothly; and to Paul Ruark and the *Advocate* staff for careful coverage and for the "Advocate Additions."

It has been a "Good" Conference, indeed; and it will, with God's Grace, bear much fruit for the Kingdom and His Dear Son.

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying statements of recorded cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church, for the conference year 1988. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation was incurred. Accordingly, the financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the statements referred to above present fairly, in all material respects, the recorded cash receipts, disbursements and transfers and statement of investments of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church, for the conference year 1988, on the basis of accounting described above.

ROBERT SMITH ANDREWS

(1917-1988)

Robert Smith Andrews was born in Clayton, Alabama, the son of a distinguished clergyman, Henry Morton Andrews, and his wife, Rebecca Elizabeth Smith Andrews. He was educated at Sidney Lanier High School in Montgomery, Alabama and at Murphy High School in Mobile, Alabama, where his father was pastor of the Dauphin Way Methodist Church. After graduating from Murphy High, he attended Spring Hill College and then transferred to Auburn University where he graduated with a Bachelor of Science degree from the School of Chemistry. In 1940 he was inducted into the U.S. Army and attended Officers Candidate School. Receiving his commission, he was then transferred to Rocky Mount Arsenal, Denver, Colorado.

In 1946 he returned to Mobile and worked as a chemist until the decision to enter the ministry became an important choice. Robert had felt the call to the ministry since high school days and did not heed it. He was licensed and took the course of study at Candler Theological School, Emory University. He was ordained a deacon in 1950 and an Elder and in full connection in 1952.

In 1943 Robert married Margaret Mills Jennings, daughter of Doctor Samuel Kirk Jennings and Julia Mills Jennings. To this union was born a daughter, Margaret Elizabeth, who graced their lives with graduation from Huntingdon College and Wittenburg University in Springfield, Ohio with a Masters Degree from the school of Music. She now lives in Montgomery, Alabama.

Robert enjoyed the simple things in life, having a compassion for the less fortunate with problems. His hobbies were tennis, having been a member of the Auburn Tennis Team. He also enjoyed boating, fishing and camping in the Alabama State Parks. One special enjoyment was experimenting in growing African Violets. He was a member of the African Violet Society. He was known to frequently have a small vegetable garden, too.

On December 1, 1975 Robert retired and was at the time serving a church in Selma. After retirement he and Margaret moved to Montgomery, Alabama.

Robert and Margaret faithfully served the Methodist Church. Together they shared a ministry that touched people and changed lives. At one point in their ministry Robert was appointed to the Thomaston Charge where he preached in the historical church of Dayton.

Robert died in his home the night of June 16, 1988. His funeral and interment was in Serenity Gardens of Memory, an annex of Greenwood Cemetery in Montgomery. The Reverend Perry Dalton and Reverend James Farrow officiated.

FRANK FURR (1924-1988)

Frank Furr was born May 31, 1924 in Sunflower, Alabama, the son of James Franklin and Lula Jane May Furr. His early years were spent in Prichard, Alabama where he worked and attended high school. He graduated from Murphy High School in 1942 and joined the U.S. Army serving until 1946.

He had always been very active and involved in the Prichard Methodist Church while growing up, especially with the Methodist Youth Fellowship. After his military service he returned home and worked with his mother in their family grocery store and began part-time preaching. He received his license to preach in 1952 and was appointed to the Methodist Church at McIntosh, Alabama where he met his wife Juanita Ivaloy Atchinson. They were married on May 24, 1953 in the church he helped to build. To this union came two sons, Steven Paul and Kenneth Eugene.

Frank did not finish his education until after he was married. He finally decided to work for the Lord full time and then finished his education. He was appointed to the Alston-Clopton Charge where he served five churches and drove to Troy State University where he graduated in June 1954 Cum Laude and also received the Rural Minister of the Year award that year. He completed the Course of Study at Candler School of Theology, Emory University in 1968 and was elected as President of the Course of Study Fellowship by his class.

Frank was one of the hardest workers one ever knew and always seemed to know just what to do even though he had never done it before. He was the strongest person I know as he went to the hospitals, preached and visited even when he was so very sick. I didn't see how he could possibly make it, but he did!

In the eulogy, The Reverend Doctor Billy Gaither quoted a verse, from John 5:17, that fits Frank, "But Jesus answered them, 'My Father is working still, and I am working'." (RSV) Another source of the exhaustless energy and work of Frank Furr was his unerring sense of working, not only for God, but with God. He had a daily companion in his work. It was God himself.

How else could a mature man give up a business and serve as a minister of the gospel? How else could he begin his ministry as a part-time preacher and full time business man? How else could he marry, begin a family and go to college and serve five churches? How else could he do such outstanding work and be honored as Rural Pastor of the Year in the Alabama-West Florida Conference? To be sure, he was a bright, intelligent man, but the human body can take only so much. His secret? He was working alongside his God!

Frank Furr died December 20, 1988 after a valiant fight against leukemia. He had been going down physically for about three months and was, at the time the leukemia was discovered, still serving his God strongly and faithfully. This illness was not revealed until he went into the hospital eleven days before he died.

Funeral services were held at the Theodore United Methodist Church in Theodore, Alabama where Frank was serving as pastor at his death. This service was conducted on December 22, 1988 with the Rev. Dr. Billy D. Gaither, Mobile District Superintendent, The Rev. Alton E. Moore, Jr., Rev. Jimmie C. Connor, and with expressions of love by both of his sons, Doctor Steven Furr, and Kenneth Furr. Interment was in the Serenity Memorial Gardens cemetery in Mobile, Alabama.

Frank is survived by his loving and devoted wife who shared so faithfully in their ministry, Juanita, and his two sons, Steven Paul, a medical doctor, and Kenneth Eugene, and their families.

Frank Furr was an inspiration to many young and old alike who were struggling with the decision to enter and work full time in ministry. From his experiences he shared a faith and challenge to be and do the best in order to accomplish the will of God.

LARCE BASCOMB HEADLEY (1901-1988)

Larce Bascomb Headley was born February 17, 1901, in Maplesville (Chilton County), Alabama, the seventh of nine children born to Elmira Elizabeth Hayes and William Emmett Headley. He was reared in Maplesville and graduated from Maplesville High School. He completed the Methodist Course of Study at Candler School of Theology, Emory University in three years from 1930-1933.

On May 20, 1934, he married Jessie Ruby Moore in Cullman, Alabama. To this couple two children were born, a son, William Larce who only lived five years (1945-1950), and a daughter, Larce Evelyn.

Brother Headley enjoyed and served a long and productive ministry which began when he was licensed to preach in the Methodist Protestant Church on July 20, 1929, under J.H. Limbrick. He was ordained Deacon that same year and was then ordained Elder and received into full connection on November 8, 1932, under C.W. Walton, then President of the Alabama Annual Conference.

During this effective ministry which spanned approximately four decades, Brother Headley served with his wife at his side the good people of no less than fifteen charges. Retiring in 1966, he supplied for another ten years, retiring again in 1976 and together he and Jessie resided in Frisco City, Alabama.

Brother Headley was a very versatile man who loved God and appreciated His creation. Although preaching was certainly his first love, he enjoyed the outdoors, especially hunting, fishing and farming. He was a genuine servant of God whose service was a benefit to his Lord, his church, his family, his country, and his community. He was a farmer, prior to answering God's call. He worked with the Auburn Extension Service to train farmers in the use of fertilizer. During World War II, he was a civilian camp pastor at Fort Rucker, Alabama, where he supervised the moving and reestablishing of cemeteries during the construction of the fort. He was a Master Mason.

Reverend Larce Bascomb Headley fought the good fight against an extensive illness, but died on September 19, 1988, at the Monroe County Hospital, Monroeville, Alabama. Funeral services were held in Monroeville with the Rev. Dr. Cecil Bradley, Andalusia District Superintendent, and the Rev. T. Grant Parker, Sr., pastor of Frisco City UMC, officiating. His mortal body was laid to rest in the Union Cemetery of Frisco City, Alabama, next to that of his son, William who died at age five.

He is survived by his wife of fifty-four years and a daughter devoted to caring for her parents. Jessie and Evelyn share in the same love of God that Brother Headley had and gave so willingly to everyone for so many years.

"There is no reward for the short haul — the 'prize of the high calling of God in Christ Jesus' goes to those who endure to the end of the race. So, as impressive as 47 years in ministry and scores of souls won to Christ and thousands of lives touched for Christ is — Brother Headley's retirement didn't signal an end to his ministry — he simply changed gears!"

— T. Grant Parker, Sr.

PHILLIP DONOVAN SHANK (1938-1988)

Someone once said that the greatest gift we can give to another person is the ability to smile. Phil Shank possessed that special quality of being that enabled people, no matter what the situation, to smile.

Phil was a native of Illinois where he was born June 15, 1938, to Albert and Verna Dines Shank. He grew up in Bismarck and Potomac, Illinois, and attended and graduated from Bismarck High School, and received his Bachelor of Science degree from Illinois Wesleyan University. He taught high school at Pleasant Plains in Illinois and attended the Bismarck United Methodist Church. He married Barbara at this church November 3, 1956, and to this union four children were born. Phil answered the call to the ministry in his home church and was licensed to preach in 1963. He completed the course of study and served three charges with excellent preaching and faithful calling, continuing to teach school and leading young people in the Christian life. He was an organizer and sponsored the Youth For Christ from 1979 to 1988, and was the Junior and Senior Class sponsor each year of his teaching.

Phil enjoyed working and being around young people and made this a part of his life and ministry. In 1977 he moved his family to Florida and transferred to the Alabama-West Florida Conference. He taught school at Paxton, Florida and served appointments in and around this area.

Phil died of cancer September 27, 1988 at Flowers Hospital, Dothan, Alabama. He is survived by his wife Barbara Jo, a daughter, Mrs. Tamela Jo Kervin (Stephen), three sons, Philip Scott (Carla), John Paul (Tammy) and Charles Wesley (Lenora), four grandchildren and two sisters.

Funeral services were celebrated on September 30, 1988 at First United Methodist Church, DeFuniak Springs, Florida. The Reverend John Kovalcik of Eureka Springs, Arkansas, and Reverend Timothy Carlson, Farmer City, Illinois, officiating. Burial was at the Glendale Presbyterian Cemetery, Glendale, Florida.

When Jesus said that "He came that we might have joy and that joy complete!" he must have had in mind men like Phil Shank, who would witness to that joy and be the kind of person who made it possible for others to experience that joy. Phil loved a good story, so he would approve of this: "Some people cause happiness whenever they go, others, wherever they go." Now Phil was the latter. He brought joy to the many congregations he served, college friends, school students and his family. The one attribute that so blessed others was the ability to make one's day brighter and lighter. Surely, the joy of the Lord was his strength.

WILLIAM CARL SIMPSON (1904-1988)

"Death is the school in which God teaches us to trust in Him so that our faith may not always stay in our ears, and hover on our lips, but may have its true dwelling place in the depths of our hearts."

— Martin Luther in a letter to a friend.

The Reverend William Carl Simpson was born March 29, 1904 in Mobile, Alabama, the son of John William and Ida Adell Sellers Simpson. On November 12, 1988 he entered the Church Triumphant. His death came while undergoing heart surgery at Mobile Infirmary, Mobile, Alabama.

Carl was born into a Christian home, where the values of faith and devotion were learned at an early age. His father was a Baptist, but it probably was the influence of his mother that led him to attend the Methodist Church. As a young man he professed his faith in Christ and was baptized at the Broad Street Methodist Episcopal Church, South, in Mobile.

Later he joined St. Francis Street Church in Mobile and it was there that he met Nocie Edna Barnes, of Escambia County, Alabama. They were married July 26, 1932 at the St. Francis Street Church parsonage. This marriage continued for forty-seven years, until her death in 1979.

Times were not easy during the great depression. When employment was available, Carl worked as a bookkeeper, and later as a cotton buyer for the Government. It was when Carl and Nocie were expecting their first child that he knelt beside her bed and together they committed all that they had or hoped to receive to God. A cynic might say this was easy to do, but not so for a man who did not have a job. On that very day that their daughter, Carlyn, was born Carl found work. So from that day until his death he tithed everything he earned and gave back to the Lord the promise he made, a record few others can claim.

In the 1940's Carl went into business for himself. Attending church at Westside in Mobile, he taught Sunday School and served as church treasurer for nine years. He still felt that God wanted more of his life and in 1950 he answered the call to preach. He served as a supply preacher at Fowl River near Mobile. In 1951 he was appointed to Satsuma. Carl had graduated from Barton Academy School in Mobile back in 1922 and now the opportunity to continue his education was available at the University of Alabama Center in Mobile. Later he attended Auburn University and Emory University. He was admitted on trial in 1953 and ordained Deacon in 1954. In 1955 he was received into full connection and was ordained Elder at the Conference of 1956.

Carl retired for the first time in 1969. Soon after that he was asked to supply a pulpit again, this time he went to Deer Park and then to Marlowe where he spent three years before retiring a second time. Even in those later years he was always ready to preach.

Like their marriage, the ministry was a partnership that Carl and Nocie shared through the years. To this blessed union two children were born, Mrs. Edna Carlyn Simpson Howell, the wife of Reverend Leonard L. Howell, Pastor of the Creola United Methodist Church, and the Reverend Doctor William Carl Simpson, Jr., Pastor of the Edenton Street United Methodist Church, Raleigh, North Carolina. He had seven grandchildren; the eldest is the Reverend Andrew P. Howell, of the Florida Conference, and missionary to Zaire, Africa, and five great-grandchildren.

A service of celebration and thanksgiving for his life was held at the Kingswood United Methodist Church in Mobile, November 15, 1988, where he and Nocie had worshipped and served in the last years of life. This celebration was conducted by the Rev. Dr. George H. Mathison, pastor of the church, with personal remarks by his son, Rev. Dr. Bill Simpson, and a eulogy by his close friend and colleague in ministry, the Rev. Louie F. Wilson. Carl was placed to rest in the sandy clay of Hollywood Cemetery in Escambia County, beside his beloved wife, Nocie. Words of Charles Wesley's hymn are an appropriate benediction for the life of Carl.

“Servant of God, Well done!
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last.
With saints enthroned on high,
Thou dost thy Lord proclaim,
And still to God salvation cry,
Salvation to the Lamb!
O happy, happy soul!
In ecstasies of praise,
Long as eternal ages roll,
Thou seest thy Saviour's face.
Redeemed from earth and pain,
Ah! When shall we ascend,
And all in Jesus presence reign,
Through ages without end?”

(Charles Wesley)

LESTER HARDEN SPENCER, SR. (1929-1988)

Lester Spencer was a product and servant of the church. Born into a Methodist parsonage in Montgomery on November 2, 1929, the son of Rev. and Mrs. Samuel Ernest Spencer, he died in a Methodist parsonage in Opelika, October 31, 1988. The church was much a part of his life from birth until death.

He was a graduate of Dothan High School, Troy State University and Candler School of Theology, Emory University. In 1982, Huntingdon College conferred on him the Doctor of Divinity degree in recognition of his leadership in the Alabama-West Florida Conference.

At the age of 17 he was licensed to preach and began to serve the Perote Circuit. He was admitted into the Alabama-West Florida Conference in 1954. He served the Opp-Andalusia Mission, Smiths, and St. Marks in Mobile where he led this new congregation in its early development. While at the former Forest Avenue Church in Montgomery, he guided this congregation to relocation and a renaming to Aldersgate. After serving as District Superintendent of the Demopolis District, he was appointed to the Mobile District where he was instrumental in establishing several new churches. Then he served as senior minister of First Church in Dothan and at Trinity in Opelika.

Lester often remarked he thought he might have been born in the wrong century. He had a love for Methodist History and horses. This led him to be a natural selection as one of the twelve "Circuit Riders" to the historical 1966 observance of the bicentennial of the coming of Methodism to America. For 45 days he rode horseback from Montgomery to Baltimore as a modern day Circuit Rider. It was one of the highlights of his life.

He served the church on many levels, including being a delegate to two General Conferences and four Jurisdictional Conferences. His contribution to the Conference, its agencies and commissions was that they received his personal and professional direction and leadership.

Funeral services were conducted on November 2, 1988, which was his 59th birthday, at Trinity United Methodist Church, Opelika, Alabama, where he was serving at his death. Participating in this memorial service were Bishop C.W. Hancock, Bishop Paul Duffey, Rev. Dr. John Ed Mathison, Rev. John Trobaugh and Rev. Earl Ballard.

The graveside service was conducted at Memorial Park Cemetery in Auburn, Alabama, by Rev. James Dannelly, Rev. Langdon Garrison, and Rev. Fred Toland. The large number of ministers and friends in attendance gave an indication of the very high regard in which Lester was held by all who knew him.

He is survived by his wife, Claire, a son, Rev. Lester Spencer, Jr., a daughter, Carla Flynn and three grandchildren; Laura Erin Flynn, Sean Patrick Flynn and Sara Caitlin Flynn. Others include, two brothers; Sam Spencer and Rev. Lamar Spencer, five sisters; Marjorie Hildreth, Ruby Cook, Pearl Waldrop, Virginia Edwards and Ernestine Hill.

Appropriately, his memory is being kept alive through the establishment of the Lester H. Spencer, Sr. Ministerial Scholarship Trust administered by the United Methodist Foundation.

Lester once wrote, "Of all the names and titles attributed to clergy, I like best, 'Shepherd'. Time and again in the Scriptures the word is used. One favorite is John 10 verse 11, 'The good shepherd giveth his life for the sheep and the good shepherd knows his sheep by name and he is known by them.' Of course, this title is ascribed to Jesus. It is my desire to strive to be like Jesus in ministry."

Lester was a good shepherd, and as a faithful shepherd in the service of the Great Shepherd he now dwells in the house of the Lord for ever.

— Langdon Garrison

On Christmas Day, the year 1949, Lyda married Robert H. Collins and from that moment until her death she served Christ and His church as a devoted wife, loving mother, and caring teacher. Lyda was an outstanding teacher of Science and Mathematics in the public school systems of Alabama. Along with her career, she gave of herself in the direction of music and drama.

To Lyda and her husband was born one daughter, Cheryl Ann Collins, living in Tuscaloosa, two sons, Michael Haynes, Jr., and Stephen Bryant, a student at Asbury Theological Seminary, Wilmore, Kentucky.

Lyda died on December 5, 1988 at Vaughan Medical Center, Selma, Alabama. The funeral services and burial were in Selma, Alabama.

She is survived by her husband, Robert, her three children, three grandchildren, and her parents who reside in Morehead, Kentucky.

All of us who knew her well admired Lyda's zest for life, her appreciation for the literary and her services to the church. She touched the lives of many young students and gave of her kindness to the elderly. She challenged the mind and inspired the hearts of scores upon scores of persons.

We are thankful to have known her and saddened by her absence.

ROXANNE SHEPPARD ELLISOR (1934-1988)

No Minister could have had a better partner in the ministry than Roxanne Ellisor. Her whole life was wrapped around that of her family and church. She was a perfect minister's wife!

Born July 22, 1934 in Montgomery, Alabama, she spent most of her early years in Montgomery and Verbena, graduating from Verbena High School in 1950. She then attended Stephens College, Auburn University, and graduated from Huntingdon College in 1957. She received her Teacher's Certificate and taught public schools in Alabama and Georgia.

On August 27, 1958 at the Verbena United Methodist Church she married J. Walter Ellisor, a United Methodist Minister. For the next 30 years she lived and worked in six different churches, gracing their parsonages, teaching in their Sunday Schools, active in their United Methodist Women's groups and attending all services, and raising her family.

During the course of her life she maintained an even, sweet spirit that never faltered. Even after her surgery in January 1982, she never complained, but did all she could. She was truly a beautiful person.

She received her glorious and promised reward July 3, 1988 when she died. Her service of joy was celebrated July 5, 1988 by the family and the Reverend M.C. Mathison. She was placed to rest in Verbena, Alabama.

Roxanne is survived by her husband, J. Walter Ellisor, a son, Adam, her mother, Mrs. J.A. (Nancy) Sheppard and a sister, Mrs. Julie Harrell.

Then on to the Missouri Conference until 1923 when they transferred to serve in the New Haven Congregational Church, New Haven, Connecticut. In 1926 they moved to Donaldsonville, Georgia.

She was an instrumental and faithful supporter of her husband's ministry and together they served many appointments. In 1927 they organized the Wesley Foundation at Athens, Georgia. She was graceful as a District Superintendent's wife and helpmate in many large city churches around the country. In 1948 they came to the Alabama-West Florida Conference, where they served until retirement in 1958.

VIVA MARIE PULLEN WILLIAMS (1901-1988)

Viva Marie Pullen Williams, the widow of the Rev. Milton Gainer Williams (d. 1968), was born May 17, 1901 in Marshall County, Alabama. She was the daughter of Joseph and Lizzie Lloyd Pullen. She grew up in Marshall County and received her early schooling in Dothan. On October 8, 1948 at Chipley, Florida she married Milton Gainer Williams, who was in secular work at the time and very active in church and religious services. In 1954 her husband entered into full time ministry with the Alabama-West Florida Methodist Church. Viva Marie supported her husband in his decision and encouraged his quest for his education, serving alongside while he studied and ministered herself continuing her education with him. Together they served until two strokes impaired his health and Milton died in 1968.

Mrs. Williams died of cancer, June 16, 1988 in Dothan, Alabama. She is survived by a daughter, Mrs. Marjorie Kahn of Houston, Texas, two sisters, one brother, a granddaughter, Dr. Terry Kahn, and a grandson, Steven Kahn. Funeral services were held June 18, 1988 at Chipley, Florida with the Reverend Lloyd Kimbrough officiating.

She was a lady who loved God, loved her family, loved her home, and is greatly missed by those who loved her.

MINNIE EUNICE MONK WILSON (1908-1988)

Minnie Eunice Wilson was a model for her family, friends and church community of courage, faithfulness, and confidence in Christ. She challenged all to give God praise and glory while we have breath. Breath was important to her, for often she had little of it her last two years. Yet following heart surgery she continued in her church work at Sage Avenue UMC, Mobile, and volunteer work at the Genetic Center, University of South Alabama Medical Center. She nurtured her family in the Christian faith, showed strength and courage in face of pain, kept her sense of humor, encouraged and supported her children in their endeavors, and shared her talents and skills in church leadership as a faithful layperson, a minister's wife and church secretary.

Minnie was born in Jackson, Alabama, September 29, 1908, to Minnie Eliza Strickland and William Francis Monk. She lived primarily in Southeast Alabama until her college years. After graduation from Baker Hill High School, she attended Bob Jones College in Lynn Haven, Florida, while her father taught math on the faculty. She went on to Huntingdon College, while her father served in the State legislature. She earned her Bachelor of Science degree from the University of Alabama in 1932.

On August 7, 1932, she married Cullen Bryant Wilson of Skipperville, Alabama. Following his graduation from Birmingham-Southern College in 1935, and Candler School of Theology, Emory University, in 1937, they moved to the Taylor Circuit, Dothan District and began a ministry in the United Methodist Church which was cut short by his death in 1955 of cancer. She served faithfully at his side other churches, including Ashford, Midland City, Fairhope-Daphne-Marlow, Opelika Trinity, and Government Street-Mobile.

From 1957 through 1978 Minnie served as secretary at First Christian Church, Mobile and was a faithful member of Mobile Sage Avenue United Methodist Church until June 1988. She held many leadership positions throughout the years, as church treasurer, Board of trustees, administrative board, United Methodist Women, singing in the choir, substituting as pianist or organist and all that time teaching an adult church school class. For 11 years she served as a volunteer at the Genetic Center in Mobile from 1977 to 1988 and the City of Mobile honored her for this dedication. Sage Avenue UMC named her its Mother of the Year in 1981. In June of 1988 she transferred her membership to Daphne UMC where her son was serving as minister.

She died on October 13, 1988, in Daphne and the service was celebrated on October 17 at Sage Avenue UMC, and burial was at Pine Crest Cemetery in Mobile. Her brother-in-law, the Rev. Robert L. Wilson of Montgomery, The Rev. Dr. Billy D. Gaither, Mobile District Superintendent and the Rev. James L. Allison conducted the services.

Minnie is survived by her two children, Bettie Wilson Story, wife of the Rev. Geoffrey Story, Jr. of Bloomington, Ill. and the Rev. Cullen Bryant Wilson, II, of Daphne Alabama; five grandchildren, her husband's two brothers and three sisters.

She considered her life of serving in ministry with her husband 'A calling of God' and this calling fulfilled a life of rich blessings to all she came in contact with.

Other Resolutions, Motions, Reports

CONCERNING THE CONFERENCE JOURNAL:

“I move we accept the 1988 JOURNAL as official.”

(Approved by the Conference.)

“The Committee on Journal has read the minutes of Sunday, Monday and Tuesday Sessions and recommends the approval; and with the permission of the Conference asks approval of Wednesday’s minutes.”

— R. Bruce Johnson

— Larry G. Teasley

(Approved by the Conference.)

CONCERNING COUNCIL ON FINANCE AND ADMINISTRATION:

Report No. 10, paragraph 1

The Original Report was:

1. We recommend that apportionments be developed using a formula based on financial strength of the local church. Said financial strength shall consist of lines 35, 36, 38-41 of the pastor’s report to the Annual Conference (program expense, other current expenses, pastor’s salary, travel and utility allowance). This formula does not include factors for membership nor apportionments or special giving. Apportionments are to be determined by local church decimals applied to the cost of each ministry at the Annual Conference level. This new formula is recommended for a three-year period at which time it will be re-evaluated.”

This report was defeated by the Annual Conference by a standing vote of:

Yes — 185; No — 227.

The report was changed by an accepted Amendment (now a part of the Report).

CONCERNING COUNCIL ON FINANCE AND ADMINISTRATION:

Report No. 10, paragraph 1:

“I move we substitute the following formula for the current formula:

‘In making the apportionments, the program expense would be worth forty percent, the current expenses would be worth forty percent, and the pastor’s salary, travel, and utilities make up twenty percent.’ ”

Submitted by Thomas Mark Osgood

(Not accepted by the Conference.)

SANCTIONS FOR NON-PAYMENT OF APPORTIONMENT:

“It is moved that three orders/levels of sanctions be introduced to maintain apportionment accountability. The first level would occur at the first year of less than 100% response: the church/charge is placed on probation. The second year of less than 100% response, the church/charge is listed as delinquent. The third year of less than 100% response will incur restrictions of the church/charge from conference support such as Conference meetings, Blue Lake, etc.”

Submitted by Marvin E. Grunzke

(Not accepted by the Conference.)

**CONCERNING THE REPORT OF
THE COUNCIL ON FINANCE AND ADMINISTRATION:**

concerning Report No. 3, paragraph 1 (District Superintendents' Salary)

"I move that the salary for the district superintendent for 1990 be set at \$42,289.00 plus the dollar amount of the annual conference average increase for ministers for 1989. The average increase shall be determined by the Council on Finance and Administration after study of the most recent available data to ascertain the Conference average increase; and that Paragraph No. 5 be deleted."

Submitted by Floyd C. Enfinger

(This Amendment was not accepted by the Conference.)

"Be it resolved that C.F.A. hold accountable all conference boards, agencies and related in-conference activities by providing C.F.A. with complete Certified Audit Reports prior to receiving approval for Conference funding for the next year, to be published with audit statements as part of the Annual BROCHURE OF REPORTS prior to the Annual Conference Session."

Submitted by Daniel A. Bailey

(Was not accepted by the Conference.)

**CONCERNING THE REPORT OF
BOARD OF PENSIONS AND HOMES FOR CLAIMANTS:
Concerning Health Insurance for the Ministers:**

"I move that we: 1.) Delay action on this matter; 2.) refer it to an expanded insurance committee calling upon laity who can offer expertise in these matters; 3.) that this committee study the available alternatives using the offices of an independent risk management consultant; 4.) that this committee report these alternatives to a special one day Called Session of the Annual Conference no earlier than September 1 nor later than December 10, 1989; and, 5.) that this called session of the conference be held at the delegates' expense for travel and food."

Submitted by Joseph H. Bullington, Jr.

(This Amendment was not accepted by the Conference.)

"I move a substitute motion that the 1990 Appropriation for Health Insurance be set at \$800,000.00, not \$1,300,000.00 as in Report No. 12."

Submitted by Henry E. Roberts

(This Substitute Motion was not accepted by the Conference.)

"I move that this body request that our Health Insurance Committee look into the possibility of forming a health insurance group with any or all of the seventeen annual conferences in the Southeastern Jurisdiction through a process of consultation with health insurance committees of these other conferences."

Submitted by Douglas Newton

(Approved by our Conference.)

"I move that in view of the fact that the Annual Conference pays for the hospital insurance of pastors, we request every church where possible to put an item in the local church budget to cover the hospital insurance for the pastor's family."

Submitted by William M. Pickard

(Approved by the Conference.)

**CONCERNING THE REPORT OF
THE STRUCTURE COMMITTEE TO THE COUNCIL ON MINISTRIES:**

“I move that Report No. 2, Addendum I (Page 55 of the BROCHURE OF REPORTS) be amended by striking the words ‘Health & Welfare’ as found at the bottom of page 55 under the ‘box’ that has the word ‘Missions’ in it and that the words ‘Health & Welfare’ be put in a separate ‘box’ by themselves and that said ‘box’ with the words ‘Health & Welfare’ be put on a par with the other separate ‘boxes’ (Boards) as found at the bottom of page 55.”

[In summary: Health & Welfare will become a Board of the Council on Ministries equal to the other Boards.]

Submitted by Mary Elizabeth Carter
Chairperson Conference Board
Health and Welfare

(Was not accepted by the Conference.)

SECTION B

Committee on Resolutions and Petitions

“Whereas the United Methodist Church has historically been a servant of God through a ministry ‘unto the least of these’;

“And Whereas we seek to be a representative of and inclusive of groups often forgotten by secular society;

“And whereas we as United Methodists affirm the Bible as God’s supreme authority for daily living;

“And Whereas the Bible clearly mandates the sanctity of human life;

“Be it therefore resolved that the Alabama-West Florida Conference of the United Methodist Church in session at Huntingdon College, Montgomery, Alabama, May 28-31, 1989, does hereby recognize and affirm the rights of the unborn.

“Be it further resolved that we remind the Board of Church and Society and the Women’s Division of the Board of Global Ministries of the stance of the United Methodist Church as outlined in Paragraph 71 (G), 1988 BOOK OF DISCIPLINE. We, the members of the Alabama-West Florida Conference do not agree with the endorsement or money given to the Religious Coalition for Abortion Rights or the implication that our United Methodist Church is a pro-abortion body.”

Submitted by Howard Bozeman, Jr.

With acceptable amendments by the author
of Ruth Jeffers and M.V. “Sandy” Rouden

The Committee on Resolution votes Concurrence on the Original Resolution.

The Conference approves the Resolution with the acceptable amendments.

I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

The plan presented to the Special Session of the Annual Conference:

PROPOSED PARTIAL SELF-FUNDED PLAN

The Board of Pensions and Homes for Claimants, with the aid of Branch, Bell, & Associates, is proposing that the Conference Health Insurance program change from a fully funded policy with Metropolitan to a Partial Self-Funded Plan with Johnson, Rast & Hays of Birmingham as third party administrator. We will be re-insured for claims above \$50,000 on each individual and for total claims on all insured persons of \$1,186,790.40. Thus the maximum contributions for this plan will be \$1,186,790.40 plus the administration and re-insurance costs. The monthly administration costs and re-insurance costs will be \$24.32 for individuals and \$45.62 for families. Using the January 1, 1990 enrollment, that cost would be \$205,993.44 for the year which would place the maximum contributions and cost at \$1,392,783.84. Any contributions not used by the plan to pay claims will remain in the Annual Conference Health Insurance Trust account to be used to reduce the apportionment and/or add benefits in the future.

Approved and Accepted by the Annual Conference.

Division VIII — Reports Of Boards And Agencies

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry fulfills a vital role in the life of an annual conference. It is the channel through which one determines the validity and achieves the fitness of candidates for ordained ministry in The United Methodist Church. Also, it is the agent of accountability and support for those who are in the process and who are ordained into the ministry of The United Methodist Church. In reality the Board of Ordained Ministry has no authority of its own. It is a recommending board to the Annual Conference's Executive Session.

The Conference can be proud of the careful and diligent work of this board. It spends many long hours in the fulfillment of its tasks of interviewing, supervising, planning, and implementation. It is constituted of competent and dedicated members who conduct themselves with a high level of professionalism. It seeks always to make every recommendation with fairness, uniformity, and consistency. It strives to do what is best for the church and for the individual (which is often a difficult tension).

This past year, in addition to the normal interviews and evaluations of candidates for ministry, there were a number of other important foci.

The Reverend Joe Lisenby, with the help of a consultant, has constructed a new model for the recruitment, the training, and the assignment of Counseling Elders. It will begin this year by providing Counseling Elders to all Probationary Members of the Conference. Hopefully by next year all persons in process, Local Pastors, and P.M.'s, will be provided a Counseling Elder. The concept is a covenant relationship between Counseling Elder and his/her assignee.

The Reverend Bill D. Gaither has worked out a new schedule and plan for the Licensing School, which provides the course work needed for a certified candidate to be appointed to a local church and to receive a License to Preach. The School will be held over several weekends, prior to the Annual Conference Session, thus providing those appointed to a charge with necessary training.

A major emphasis of our conference in 1991 will be enlistment into the ordained ministry. The United Methodist Church, our conference included, faces a severe shortage of appointable ministers in the near future. The Board of Ordained Ministry is sensitive to this need and with the help of the Reverend Gary Miller, it is planning to be a part of this effort to challenge the brightest and the most gifted to the ordained ministry. The Board is working with the special Conference Committee on Enlistment and with the General Conference efforts. Local churches as well as pastors need to join in this effort.

Since the Licensing School has changed time and format, the Annual Beginning Ministers Workshop has been changed. It will now be called "Orientation for First-Time Pastors" and it will be a one-day event, held at Blue Lake as soon after Annual Conference as possible.

An important step was made this past conference year in establishing better communications between the Board of Ordained Ministry and the Bishop and his cabinet. It is necessary that information be shared accurately and freely between these parties. A day-long session between the Executive Committee of the Board of Ordained Ministry and the Bishop/Cabinet was held. A decision was made to make this an annual event.

There are other activities planned such as Pre-Retirement Seminars: one for those ministers a few years from retirement and one for those fifteen plus years away.

One matter of grave concern for the Board of Ordained Ministry is the fact that the giving of the Conference to the Ministerial Education Fund declined in 1989. This fund is vital for the training of effective ordained ministers of the church. The Board encourages each local church to make the Ministerial Education Fund apportionment a priority in its budget. The future of our great church is at stake.

The Board of Ordained Ministry is grateful for the opportunity to serve this excellent Conference. It takes the trust and the responsibility placed upon it with "fear and trembling" and with reliance upon the grace of God.

Gerald A. Shelton, Chairperson

Report No. 2 — CONTINUING EDUCATION PANEL

Realizing that all ministers are expected to continue their education throughout their lives, the Continuing Education Panel is a committee of the Board of Ordained Ministry to give supervision to C.E.U. events and ministers. The STANDARDS adopted by our Annual Conference are on page R-3 of the 1989 *Journal*.

It is the responsibility of each minister to keep record of C.E.U.s earned and report to the Charge Conference. The District Superintendent will send a copy of each minister's Continuing Education report to this panel.

After June, 1990, there will be a new Chairperson of this panel. It has been a privilege to serve as Chairperson of this panel for the past several years.

Donald R. Brill, Chairperson

 1. Seminarian or graduate school student — \$2,000.00 per school year.
 2. Grants for the Course of Study School and Foundational Studies — \$500.00 per school year.
 3. The Committee may exceed these limits in cases of extreme need or an emergency upon written request from the student and recommendation from his/her District Superintendent.
 4. The maximum any applicant may receive for seminary or graduate school shall be \$6,400.00.
- C. Priorities:
 1. Ministerial Education Student Loans.
 2. Grants for Course of Study School and Foundational Studies.
 3. Scholarships in Continuing Education.
- D. No loans or grants will be made for training beyond the Master of Divinity degree or Master's degree in field of studies for Diaconal relationship. Any student enrolled in the Doctor of Ministry program in lieu of the Master of Divinity or Master for Diaconal program may choose to have his/her loan extended over 8 academic semesters (4 years) instead of the usual 6 semesters (3 years), provided that the total loan does not exceed the maximum \$6,400.00.
- E. Criteria for approving applications for loans:
 1. The maximum scale adopted by our Conference Committee on Ordained Ministry.
 2. The recommendations of the seminary or graduate school and District Superintendent.
 3. The resources available in the Ministerial Education Fund.
 4. Applications for loans must be in the hands of our committee chairperson by August 1.
- F. Repayment of loans. Loans may be repaid in one of these two methods:
 1. Through giving one year of service (for each year of scholarship loan) in our Conference, under the appointment of the Bishop or under service appointments, after having met the requirements for full connection or consecration. Appointment as a student while studying for a professional degree beyond Master of Divinity degree, or as an intern working toward certification is not accepted as full service.

2. By repaying loan in cash or through regular payments of no less than \$200.00 per year plus 3% interest, should the applicant fail to meet the requirement of one year's service for each year of loan as a full member of the Alabama-West Florida Conference or as a consecrated Diaconal Minister. Applicants who transfer to other Annual Conferences before the requirement is met, must make arrangements for repaying loans before the transfer — either by themselves, or by the Annual Conference to which they transfer. Payments by other Annual Conferences may be made in full, or at the rate of \$500 per year.

BOARD OF DIACONAL MINISTRY

The conference board of diaconal ministry provides a personal and professional support base for the diaconal minister, certified person and person in diaconal forms of ministry. Working in close cooperation with the board of ordained ministry, it provides leadership and support of the church's mission and ministry in the Alabama-West Florida Conference.

The two major responsibilities of this board are: identification, enlistment, candidacy and consecration of diaconal ministers; and certification of persons in professional ministry careers of education, evangelism, music, business administration and youth ministry.

As persons inquire about their call to diaconal ministry, they are assigned a mentor in their district with whom they meet regularly from candidacy through consecration. Currently we have eight trained mentors to assist in the candidacy program for diaconal ministry.

Due to the increasing number of inquiries of persons entering the candidacy program, we need to train additional mentors. We are planning a summer event for those already trained as mentors and another event during the year to train additional mentors.

Attending the SEJ Mentor Gathering on March 12-13, 1990, in Atlanta, were Francine Schmidt, candidacy registrar, and Ruth Penton. The purpose of the event was to discuss the mentoring program beginning in a biblical and theological call to ministry, review of candidacy requirements and procedures, and training and nurturing of mentors.

This board encourages all those who serve the church in full-time positions to consider professional certification. Certification in youth ministry is the most recent addition and the first youth certification courses are now being taught in eight United Methodist seminaries. Information and copies of the standards for certification can be obtained by contacting certification registrar, George Arrington. George has graciously taken on the huge responsibilities of this position and maintains files on all certified persons and diaconal ministers in our conference. Laypersons, diaconal ministers and ordained ministers can be certified in the several different areas listed previously.

We celebrate the growth in our conference and are committed to continuing our part of that growth process in the coming year.

PERSONAL TRIBUTE TO MARK STEWART

Outgoing member of the Board of Diaconal Ministry

Mark Stewart graduated from Scarritt College, Nashville, Tennessee, with a Masters Degree in Christian Education in 1966. He became the Director of Christian Education at the Decatur First United Methodist Church in Decatur, Alabama. Later he served at the

Dauphin Way United Methodist Church in Mobile, Alabama. For many years he was an Associate Director of the Conference Council on Ministries with his office in Andalusia, Alabama. Currently he is Diaconal Minister of Program and Education at the First United Methodist Church in Dothan, Alabama.

As a certified Director of Christian Education and Music, Mark was a consecrated lay worker and became one of the first consecrated Diaconal Ministers in our Annual Conference in 1977. He has served as president of the Conference chapter of the Christian Education Fellowship and also as the President of the National Christian Education Educators Fellowship. In 1984, he was elected a delegate to the General Conference from our Annual Conference.

Mark Stewart has given leadership and direction to the Conference Board of Diaconal Ministry since its beginning. In 1972, when the Committee on Lay Workers was organized in our Annual Conference, Mark was elected as a member and as the chairperson. When the Board of Diaconal Ministry replaced the Committee on Lay Work, Mark became the first chairperson. In 1978 he became the Board's Registrar as well as the Conference Council Staff representative to the Board. He continued to serve as the Chairperson until 1982. In 1987 he left the Conference Council on Ministries staff, but continued as Registrar of the Board until the 1988 Annual Conference. Mark has been a vital part of the Board since its inception and missed only one meeting during all those years.

The Board of Diaconal Ministry pays special tribute to Mark Stewart for his excellent service on the Board throughout the past years.

(Approved and accepted by the Annual Conference.)

COUNCIL ON MINISTRIES

Report No. 1

The 1989-90 Program Year has been a period filled with excitement and enthusiasm within the Alabama-West Florida Conference. There are many indicators to confirm that United Methodist Christians across our Conference are caught up in the experience of celebrating God's grace and witnessing for Jesus Christ. In 1989, the Annual Conference experienced the largest net gain in membership that it has known in many years. We rejoice in this fact and give thanks to almighty God and to the congregations who have taken the Great Commission of our Lord seriously. United Methodism is on the move in Alabama and West Florida, and your Conference Council on Ministries is pleased to be a part of its many exciting programs and ministries.

The CCOM and its program staff applaud and support the splendid leadership being given by the Conference Board of Evangelism during the 1990 emphasis on Evangelism. We encourage every pastor and congregation to develop an ongoing comprehensive plan for evangelism which will challenge every church member to a stronger commitment to Jesus Christ and enable every congregation to reach out more aggressively to the unchurched persons within our communities.

Realizing that a good percentage of the net membership gain that our Conference experienced in 1989 came through our more recently organized congregations, the Conference Council on Ministries is most pleased to include a line item in its 1991 budget to support new church development. As an Annual Conference, we must make church development a priority! Continuing to work through the Commission on Church Development, your Conference Council on Ministries is committed to expanding this most important part of our Conference program.

Recently, at the request of the Committee on Research and Planning, the CCOM purchased a computer program, "The Church for the 21st Century." The program makes available demographic information for every county within the bounds of our Annual Conference. With this program and our access to "Church Information and Development Services" (CIDS), we now have the capability of determining the most favorable sites for the location of new congregations. All districts are encouraged to use these data and services. For more information, contact the Conference Council Office in Andalusia.

Local churches, within our Conference, are encouraged to send teams, made of the minister and at least one lay person, to "The Gathering" in Ft. Worth, Texas, October 31-November 4, 1990. This event is part of the Bishops' Initiative — "Vital Congregations/Faithful Disciples." The Gathering has been planned in order to call together United Methodists for

worship, celebration, and participation in a number of workshop experiences which will challenge us to more faithful discipleship.

In light of the urgent need for a renewed emphasis on the call to the ordained ministry and other church-related vocations, the Conference Council is calling for the 1991 program emphasis to be on "Answering God's Call." The Committee on Career/Life Planning and the Task Force on Church-Related Vocations, working under the auspices of the Board of Higher Education and Campus Ministries, will give leadership in this 1991 program emphasis. All other boards and agencies are called upon to incorporate this emphasis in their program plans for 1991.

We join with the North Alabama Conference in welcoming Mr. Jim Steele as the new Director of United Methodist Communications for the two conferences. We commend Mr. Steele and his staff for the efforts that are being made to improve the quality of our *United Methodist Christian Advocate*, and for the increased coverage of Conference programs and events that we are now receiving through the secular media.

In keeping with the new Conference structure, the program boards and commissions will perfect their organization during this session of the Annual Conference. The perfecting of the organization of the CCOM will continue immediately following Annual Conference with the newly-elected CCOM officers assuming their responsibilities following the Fall Meeting of the Conference Council. We ask for your prayers and patience as we continue this process.

A one-day orientation, for the newly-organized program boards and agencies, will be held at Blue Lake on Saturday, August 18, 1990. All members of these boards, commissions and committees are expected to participate in this event.

The annual Program Planning Retreat for the program boards and agencies will be held at Blue Lake on January 11-12, 1991.

In March of 1989, we were fortunate in acquiring the part-time services of a professional printer for our printing needs at United Methodist Headquarters. We are pleased to report that our printing quality has improved tremendously.

Your CCOM program and support staffs are available to assist in any way with conference, district, sub-district and local church needs. For any needs that you may have, please write us at P.O. Box 700, Andalusia, AL 36420, or call (205) 222-3127.

Those desiring the services of the CCOM program staff are requested to complete an invitational form, which is available from Conference Headquarters. Your staff will accept and confirm as many invitations as schedules will permit. In extending invitations, please allow as much lead-time as possible.

Thank you for allowing us the privilege of serving as the programmatic arm of the Alabama-West Florida Conference.

Jerry M. Dooling, Chairperson, CCOM

Report No. 3 — CONFERENCE MISSION STATEMENT

As a segment of the Body of Christ, it is the mission of the Alabama-West Florida Conference of The United Methodist Church to be a servant of God in ministry to all people and to follow the Gospel mandate and example of Jesus Christ. Together, as God's people, we will work to bring God's Kingdom to its fulfillment through our institutions, agencies, District Councils on Ministries, local Churches and individuals to the end that we may reach persons with the Gospel of Jesus Christ, nurture Christian disciples, train leaders for the ministry of the Church, strengthen the Christian family and respond to the world in Christian love.

(Adopted by the Alabama-West Florida Conference Council on Ministries — 9/12/89)

BOARD OF EDUCATION

Report No. 1

The work of your Board of Education is coordinated by the elected members, however, the actual program work — setting goals, fulfilling the purpose, and attending to details — is done by the many lay and clergy volunteers who serve as committee chairpersons and members. We are grateful to each and everyone of these who give of their time so willingly in ministry. Among these volunteers, we would like to single out a few who have given much of their time and talent for special recognition and appreciation. The Diaconal Ministers and full time Christian Educators have responded to each call your Board has made to them without hesitation. The Conference Staff, Dr. William Calhoun and Diane Shepherd, is willing to assist in any way when needed.

The report of the Ministry of the Board of Education is noted in the following committee reports submitted by the Chairpersons.

Linwood A. Lewis, Chairperson

Report No. 2 — SUNDAY SCHOOL COMMITTEE

Sunday School Weekend 1990 will celebrate the 10th anniversary of this Christian education event that inspires and trains education leaders and teachers with high standards and practical input for reaching children, youth, and adults. The ideal of Sunday School is threefold: to invite persons to Christ; to instruct them in the Bible and faith issues; to equip them for ministry.

On September 14 and 15, 1990 Sunday School Weekend will lead us in the theme of "Becoming the Vision." Dr. John Ed Mathison, Frazier Memorial UMC, is the keynote speaker. He will bring a message that speaks to both small membership and large congregation churches. His addresses will highlight "Lucky to be Large" and "Big Thinking for Small Churches."

Beginning this decade we will alternate SSW in the Fall of even years with Children's Ministries Weekend in the Spring of odd years. Sunday School Committee is planning to work with District Education Committees to plan a training event in each of the nine districts during the Fall of 1991. We plan to staff or train others to go into the districts to be a part of teachers training and development workshops on alternate years.

Report No. 3 — YOUNG ADULT MINISTRIES

The major event of the Young Adult Ministries was the Baby Boomer Retreat, held at Blue Lake, April 27-28, 1990. The resource persons for the retreat were Dr. & Mrs. Donald Joy. Dr. Joy is professor of Human Development & Christian Education at Asbury Theological Seminary, and is the author of several books on family relations, moral development, and bonding. The theme of the retreat was "Risk Proofing Your Marriage and Family." Topics included "Bonding, Epoxy and Crazy-Glued Couples," "Spanked, Spoiled, and Show-Case Children," "Risk-Proofing your Kids," and "Seasons of a Marriage."

Plans are being made for a retreat for younger Young Adults in the Fall of 1990, and another Baby Boomer Retreat focusing on Spiritual Formation in 1991.

Carl Dickerson, Jr., Chairperson

Report No. 4 — OLDER ADULT MINISTRIES

Older adult ministries is exciting in the Alabama-West Florida Conference! Many local churches throughout the Conference have programs that are ministries "for," "to," and "with" Older Adults. These include programs of fellowship within local churches that often involve persons within the larger community, even across denominational lines. Many trips are taken for recreation, sight-seeing, learning, and spiritual enrichment. In October of 1989, a large number of persons from across the conference traveled by busses and vans to attend the "Fall-Fling" at Lake Junaluska, North Carolina. These persons joined with other Older Adults from across the Southeastern Jurisdiction for this yearly event. Such attendance is encouraged by the Conference Older Adult Committee.

One of the Conference-wide events held each Spring is the Older Adult Assembly at Blue Lake. This Assembly was held May 14-17, 1990, with a record attendance. Dr. Thomas L. Butts, pastor of Trinity United Methodist Church in Ft. Walton Beach, Florida, was our Inspirational Speaker on the theme: "Who Cares About Growing Old?" Dr. Asa Boozer, Superintendent of the Andalusia District, was the banquet speaker on Wednesday evening. The banquet theme was: "A Texas Hoe-Down." Another highlight was a special musical presentation by the "Sunshine Singers" of First United Methodist Church, Milton, Florida. This group is made up primarily of older adults. This was one of the best Assemblies yet! Interest seems to be growing each year.

Three persons from the Alabama-West Florida Conference are on the Southeastern Jurisdictional Advisory Board for Older Adult Ministries. These persons are Diane Shepherd, Ruth Eddins, and Ed Britton. They will attend the planning meeting at Lake Junaluska in August 1990.

Your Older Adult Committee stands ready to assist local churches and districts in any way possible to establish and maintain this vital ministry throughout the Alabama-West Florida Conference.

C. Edward Britton

Report No. 5 — LEADER DEVELOPMENT COMMITTEE

Four workshops on the new *United Methodist Hymnal* were held in February of 1990 at various locations around the conference. The Leader Development Committee was involved in funding and coordinating these workshops as well as supporting a special training event in Nashville in November of 1989. Two teams from the Alabama-West Florida Conference, each comprised of one pastor, one Christian educator, and one musician, attended the training event. The Nashville event prepared these teams to lead the workshops which were held in Montgomery, Saraland, Selma and Blue Lake. In addition to leadership by the on-site leadership team members, participants in these workshops learned from live satellite broadcasts originating from Nashville. The teleconferencing aspect added much to the workshops because participants could call in with questions and receive an immediate response via the satellite broadcast. Those who attended one of these teleconferenced hymnal workshops have a new appreciation for, and understanding of, our denomination's exciting new worship resource.

Another important area in which the Leader Development Committee is involved is in helping local congregations in our conference learn how to be more effective in their ministry with "Baby Boomers." The largest one segment of society, the Baby Boomers' differences from previous generations demand that churches respond to them differently than with previous generations. The Leader Development Committee is sponsoring a training event at Blue Lake in early April which is specifically designed to train a three-person team from each of our nine districts to lead at least one workshop entitled "Reaching for the Baby Boomers" in their own district. Not only is the information timely, this approach to leader development follows this committee's commitment to providing training opportunities on a district or sub-district level rather than one large event for everyone in the conference. We are convinced that we must continue to "take the training to the people" rather than expecting the people to come to the training.

R. Stephen Lee, Chairperson

Report No. 6 — CAMPING COMMITTEE

The Summer of 1989 Camping Program at Blue Lake touched the lives of 1,357 campers: 601 campers and counselors in seven Elementary; 240 campers in four Junior High; 88 campers and adults at In Search of Christ; 96 campers and staff in Youth Choir; 164 campers and staff in Quarternote I and II; 72 campers and adults at 4-L, and in Discovery there were 96 campers and staff. 1988 summer campers totalled 1,031 in seven elementary, five youth and two music camps.

On October 2, 1989, the Camping Committee met to review and evaluate the summer camping program of the Board of Education. At this meeting each of the camps was discussed, giving time for the dean's reports and concerns. Four items were expressed: (1) Camp Deans and Staff are asked to exercise good stewardship utilizing conference monies. All camp supplies, i.e., crafts, music, curriculum, etc. are to be purchased through Blue Lake to insure cost efficiency and reduce duplication of supplies. (2) Every camp should have an evangelical emphasis creating an atmosphere for genuine evangelism in keeping with "1990 Year of Evangelism." (3) The Spring Meeting of Deans at Blue Lake helps to clarify curriculum, expenses, schedules, and Blue Lake regulations getting the summer off to a good start. (4) Positive comments were received regarding the Camp Brochures and registration that is handled through Blue Lake entirely now.

Responding to the increasing popularity of the children's choir camp, this past summer there were two Camp Quarter Notes held in July. Each camp had its own dean and staff but the schedules were very similar. Kathryn Foster from Dothan and Ann Barton Fuhr from Clemson, S.C., served one week each as guest choir clinician. Both were excellent in that capacity. The Camping Committee has been affirmed in its decision to expand Camp Quarter Note to two separate camps in an effort to accommodate a higher number of interested boys and girls.

The 1990 Summer Camping Schedule has been announced through the February *Connectional Link* for seven Elementary, four Junior High, three Music and three Special Ministries Camps. There will not be an "In Search of Christ" camp in 1990. Camp curriculum will be on "Methodism" and "Sharing Your Faith."

Continued support for Special Ministries Camps is encouraged through approved "Advance" special giving. Enlistment of campers and workers is also a need if these camps are to continue. There is no more rewarding camping experience than these worthy efforts made for Camp Discovery, 4-L Camp and Sunshine. Please give consideration to your support for these camps.

Many people make the summer camping program a rewarding experience for boys and girls. Counselors who are dedicated workers; deans who serve without pay; the permanent Blue Lake staff; all are necessary to the smooth operation of the summer. We are truly blessed to have The Reverend Mr. Linwood Lewis as Director of Camping at Blue Lake who serves tirelessly to insure that every person involved has an equal opportunity to grow closer to our Lord.

Stephen F. McGucken, Chairperson

Report No. 7 — CONFERENCE COUNCIL ON YOUTH MINISTRIES

Conference Council on Youth Ministries worked on revising the by-laws to be in keeping with the restructuring of the Conference Council on Ministries, as well as being relevant for the 1990's.

Six thousand dollars (\$6,000.00) was raised to be dispersed through the Youth Service Fund. Some of the following were among recipients of that fund; Inner City Mission of Mobile, the Nellie Burge Community Center of Montgomery, the Auburn University Wesley Foundation (for the Johnson Hill Project) and Harvest of Hope.

Fall Rally, 1989, saw RAIN. Doing the best with what we had, food booths were set up in the dining room of Pinewood Camp and entertainment and the Speaker were put in the gym. It was crowded, with about 800 in attendance. Plans are being made to hold Fall Rally, 1990, at Huntingdon College. The theme will focus on Evangelism among youth.

Spring Fling will be held at Edgewater Resort in Panama City. Covenant Players will present skits and Freddie Langson will do music. Games on the beach will follow the planned programs.

Districts are more evenly represented on the C.C.Y.M. A definite excitement is evident in the realm of district activities among the youth. District Youth Rallies are exciting and well attended. In many places, sub-districts are activated, thanks to the encouragement of District Youth Coordinators.

CCYM is dedicated to carrying out the theme of the Conference by holding it up before the youth. In this year of Evangelism, may we be bearers of the GOOD NEWS.

BOARD OF MISSIONS

Report No. 1

During the past year, the Board of Missions has been working diligently: (1) to provide help and guidance in planning for mission involvement through the local church; (2) to coordinate and facilitate the mission program of our conference; and (3) to get the word out concerning mission programs, emergency mission needs, and mission opportunities.

Each of our committees has made progress in streamlining our work with mission agencies, handling financial requests, and helping the local church plan a successful mission program. The recently published Conference Mission Handbook should be in the hands of every mission chairperson in every local church.

Our cooperative effort with the Board of Evangelism in the Fall Mission Rally provided additional funds for New Church Development and Revitalization. Our shared responsibility in the Cooperative School of Christian Missions has helped to provide excellent schools for all United Methodists in our Conference. We highly recommend this school for your people July 31-August 3, 1990, at Blue Lake.

As we celebrate the Fiftieth Anniversary of the United Methodist Committee on Relief (UMCOR), we both thank the churches for their response in time of need, and encourage continued generosity toward One Great Hour of Sharing and Disaster Response.

In reading the following reports of the Board of Missions and the Mission Agencies in our conference, please consider how your church may become involved in the mission program of our conference. The need is great, and our connexional system is the only way we can meet the mission needs of our world.

We recommend that March 10, 1991 be set as Ten Dollar Club Sunday. This is not to be a Sunday to receive funds but to promote and enlist members in the Ten Dollar Club.

We encourage local churches to use the Booklet "Partnership is Missions" prepared by the Conference Board of Mission as a guide in selecting projects beyond the regular giving to World Service and Conference Benevolences.

This Committee reviews and recommends to the Board applications for Conference loans and grants for church extension, the Conference \$10 Club and Conference Advance Specials. We seek to provide information and lift up to the local churches the need to support these projects. We continually try to improve efforts to respond to the requests and needs of churches and agencies who apply to us for help. The most effective way we can do this is for each local church to support in full the World Service and Conference Benevolences Fund;

to reach out in Second Mile Giving and to support some of these Advance specials and to enlist more people to become \$10 Club members. We thank all of you who have responded to these needs in 1989.

Frank L. Scott, Chairperson

Report No. 3 — TEN DOLLAR CLUB

The Annual Conference Board of Missions has established the TEN DOLLAR CLUB for Church Extension and Revitalization. All appeals are approved Conference Advance Specials.

As a member of the TEN DOLLAR CLUB you will be called upon no more than twice a year to contribute \$10.00 toward a building project.

When the appeal is issued by the Conference Missions Secretary, you are to give your contribution either through your local church treasurer (be sure it is marked "Ten Dollar Club"), or you may send it directly to Conference Headquarters (Make your check to "Ala.-W. Fla. Conf."; P.O. Drawer 700; Andalusia, AL 36420). If you put the name of your local church on your check, we will give your church Conference Advance Special credit.

How you can help promote the Ten Dollar Club:

1. You can join;
2. You can get other groups in your church to join, such as Sunday School Classes, United Methodist Women, United Methodist Men, etc.
3. Respond with your contribution each time you are asked.

This is an excellent opportunity to help new and growing churches in our Annual Conference. You can be a part of this exciting ministry in helping share the Gospel of Jesus Christ.

We will send you a number of promotional brochures upon request. You may join by sending the information to:

Report No. 4 — THE CONFERENCE U.M.V.I.M. COMMITTEE

The United Methodist Volunteers in Mission continues to be a vital and growing missions ministry in our denomination, particularly in the Southeastern Jurisdiction. Dr. Tom Curtis, S.E.J. U.M.V.I.M. Director continues to give excellent leadership to this ministry. The address and phone number for his office is 159 Ralph McGill Blvd., N.E., Atlanta, GA 30308; Area Code 404/659-0002.

Our committee has been diligent in planning opportunities to facilitate the involvement of as many persons as possible in U.M.V.I.M. work teams throughout our conference and to spread the word about this meaningful ministry. We are focusing on the Centro Met United Methodist Day Care Center in Santurce, Puerto Rico, which was damaged by Hurricane Hugo, as our conference U.M.V.I.M. project. However, we have seen teams go to Mexico, Costa Rica, Jamaica, Brazil, and many projects within the U.S. like hurricane damaged South Carolina, as well as Puerto Rico, over the last eighteen months. We have also had a group of teams at work within our conference most notably in the aftermath of the Elba flood.

One of our most enjoyable and successful events was the Conference U.M.V.I.M. Rally at Blue Lake on May 19, 1990. Look for the date on the 1991 rally and be there for a wonderfully inspiring experience. Our District U.M.V.I.M. Coordinators are.

Andalusia — Grant Parker

Demopolis — Fred Fuller

Dothan — Allen Newton

Marianna/Panama City — Blair Richards

Mobile — Tom Ellisor, Jr.

Montgomery — Lester Spencer, Jr.

Pensacola — Mark LaBranche

Selma — Don Fuller

Troy — Larry Bryars

Lester Spencer, Jr., is available to offer help to any teams who need orientation, coordination or debriefing from our committee. These other district coordinators are available

to help as well. Don Brill, our Conference Missions Secretary, is a constant source of help and encouragement to us all and we are grateful for him.

It is a pleasure for me to serve with the other members of this committee in a cause that is so meaningful and vital to the total missional endeavor for Christ our Lord!

Douglas C. Newton, Chairperson

Report No. 5 — URBAN MINISTRIES COMMITTEE

Activities:

Placement of board members on all boards and agencies funded by the conference.

First draft questionnaire sent to agencies for standardization of requests, accountability, report updating.

Worked as a committee to define our job description and responsibilities.

Purpose and function:

In the past the urban ministries committee worked with our metro ministries and toward networking. We believe our purpose and function should be expanded to provide effective liaison between the Board of Missions and all the agencies funded through our conference. We hope to better promote the work of our mission agencies and also develop a means to monitor these groups toward their works and needs. We feel a strong need for accountability of funds provided through our conference if we are to be good stewards. We will work to further these mission agencies in any way we can.

Goals for 1990:

Final draft of questionnaire for agencies currently receiving funds or for those agencies requesting funds.

Greater communication between Board of Mission and agencies we serve, endeavoring to further their mission emphases.

Effective reporting from Board of Mission's representatives to our mission agencies.

Sarah B. Doyle, Chairperson

Report No. 6 — THE PROMOTION AND CULTIVATION COMMITTEE

The Promotion and Cultivation committee plays an essential role in missions education within our Conference. Through the Promotion and Cultivation committee funds are budgeted for such events as the Conference Cooperative School of Christian Missions at Blue Lake, and the Southeastern Jurisdictional Conference on Christian Missions at Lake Junaluska. Also, scholarships are made available to youth within our Conference (one youth per District) who wish to attend Youth In Mission events held at Lake Junaluska.

In addition, the Promotion and Cultivation committee works in conjunction with the Conference Missions Secretary to produce missions education resources for the Conference. Most recently, Conference Missions Secretary Don Brill published an outstanding handbook on World Service and Conference Benevolences. This handbook outlines eight areas through which the local church can be involved in mission work. The handbook, "Partnership In Missions," is available through the Conference office.

One of the most rewarding aspects of our work comes through the hosting of Missionaries and Nationals who visit our Conference. Missionaries who have visited during the last year include Dr. and Mrs. Roy May, Dorothy Gilbert and Jim Gaston. We also had the pleasure of entertaining a Methodist District Superintendent, pastor and their families as they toured each of our Districts. We often have visiting Missionaries and Nationals within the bounds of our Conference. You may secure these guests to our Conference for speaking engagements through contacting Don Brill at Conference Headquarters.

The Promotion and Cultivation committee looks forward to serving you in the future and stands ready to assist in the missions ministry of your local church.

Rusty Taylor, Chairperson

Report No. 7 — CONFERENCE DISASTER RESPONSE TEAM

The Annual Conference Disaster Response Team has been very active this Conference Year responding to several disasters within the bounds of our Annual Conference and making ourselves available to other Conferences as needed. The biggest response this year has been

the flooding in central and east Alabama. We are sure that you know of the quick response of the UNITED METHODIST COMMITTEE ON RELIEF in the flooding of March, 1990. Your United Methodist Church was on the scene in the flooded area the same day supporting the people spiritually, emotionally, physically and financially. Many volunteer teams went into the areas to clean up and offer all assistance as needed.

The Conference Disaster Response Team is training our members in the Conference to be ready and able to respond as and when needed.

Report No. 8 — HISPANIC MINISTRY OF THE ALABAMA-WEST FLORIDA CONFERENCE

The Hispanic Ministry of the Alabama-West Florida Conference is an approved Conference advance special, which purpose is to help Hispanics adjust to their new life in the United States, without losing their native culture.

OUR MAIN GOALS FOR 1989 WERE:

- a) To locate the Spanish-speaking people in the area and let them know of the Hispanic ministry of the Methodist church.
- b) To involve them in the programs and special activities — not only as observers and recipients, but as active participants.
- c) To develop leadership ability.
- d) To organize as many Bible classes as possible.
- e) To expand our children's ministry.
- f) To bring our people closer to the kingdom of God.

THE RESULTS WERE:

- a) We located, contacted, and made a personal visit to 450 people.
- b) Youth and children's programs were planned and developed by and for Hispanics. In the Summer season we had 50% Hispanic participation and 50% help from different Methodist Churches.
- c) Most of our Vacation Bible school teachers were trained by Diane Shepherd from CCOM; the rest of our leaders were trained to fulfill specific responsibilities.
- d) We had an average of three weekly meetings: Tuesday, Foley; Wednesday, Silverhill; Thursday, Elberta, with an average of 25 persons attending.
- e) This year we organized "Terrific Saturdays" for migrant and resident children, which was very successful.
- f) Every service, activity and program offered was, and is, planned and developed with the main purpose of sharing God's love and bringing people to a personal relationship with Jesus Christ.

We invite every Minister, Mission's Chairperson, U.M. Women, U.M. Men and U.M. Youth president to get in touch with us by writing to: Rev. Aida B. Walker, P.O. Box 9, Fairhope, Alabama 36533, telephone (205) 928-8139.

Hispanic Ministries of the Alabama-West Florida Conference MISSION STATEMENT

The Hispanic Ministries of the Alabama-West Florida Conference is established as a ministry with an emphasis upon spiritual growth and development among the Hispanic people residing, either temporarily or as permanent residents, within the bounds of our conference area. The ministry has an executive director who will call upon volunteers from local churches to assist her/him in carrying out the mission and purposes of this ministry, including the following:

- * Bible Studies — Home and Local Church
- * Immigration Counseling
- * English Language classes
- * Medical Clinics
- * Children, Youth, and Family Ministries — for recreation and Spiritual Development (Super Saturdays, etc.)

- * Personal and Family Counseling and Referral to Proper Agencies as the Need Arises

- * The Creating of House Churches for Worship, Study, and Fellowship

The ultimate goal of the Hispanic Ministries of the Alabama-West Florida Conference is to spread the good news of Jesus Christ to all Hispanic persons of the Alabama-West Florida Conference, to help bring them into a personal relationship with the Saviour, and to assist them in growing toward maturity in this relationship.

Report No. 9 — NOAH'S ARK

The Panama City Beach ministry of the Alabama-West Florida Conference is now in its 18th year. Noah's Ark has sailed a turbulent sea of change since its modest beginning in 1973 as an almost unknown Advance Special mission project. After three years the Ark lost its location and was forced to change locations four more times before coming to rest permanently in 1978. Through a generous grant by the Lydia and Sam B. Hearn Foundation of Panama City, Florida, land was purchased and the facilities were built for this new form of ministry by the Alabama-West Florida Conference.

During all these years the United Methodist Women have been staunch supporters and promoters of this ministry. This ministry is much indebted to Mrs. Sue Jones (former Conference President of the United Methodist Women) and her co-worker the late Mrs. Juanita Hester, as well as all the local units of the United Methodist Women who have supported this ministry.

Advance Special mission giving has been the enabling factor through the years. All churches who have gone the second mile are commended. The Conference Benevolence Fund has been the life blood of this ministry and without this gift, this ministry would sink.

Noah's Ark is located squarely in the center of a secular world's vacationland amidst motels, restaurants, night clubs, bars and amusement parks. The cross and flame, standing 48 feet in the air, witnesses to millions of passersby that the United Methodist Church believes that God, through His Son and the Holy Spirit, is Lord of the secular world as well as the church. Those who enter find a witness of love, forgiveness, harmony, service, and a Christ-like spirit through the lives of the scores of volunteers and the small staff of Noah's Ark.

The PURPOSE of Noah's Ark's ministry as stated in its by-laws is: (1) to be an extension of the local churches of the Alabama-West Florida Conference, by providing a ministry of witness, proclamation to service to tourists, vacationers and winter visitors in the area of Panama City Beach, Florida; (2) to provide new opportunities for Christians to be personally involved in the mission of the church to evangelize the world; (3) to witness in the world, by word and deed, to the self-revelation of God in Jesus Christ and His presence in the lives of believers by the life giving power of His Holy Spirit; and (4) to evoke in persons a response to an acceptance of the presence of God's love in their life, that through faith they find newness of life as children of God.

The SUMMER PROGRAM seeks to reach as many vacationers as possible with the good news of God's love through Jesus Christ. This is accomplished by:

- (1) providing two nightly musical concerts by the "Two by Two" musical group, and proclamation by one of the ministerial staff. These concerts are free and are open to the public. Approximately 20,000 attended these concerts the summer of 1989.

- (2) Youth retreat groups are invited to participate with "Two by Two" members in beach witnessing activities. Approximately 800 youth participated last summer.

- (3) Assisting retreat groups in developing meaningful retreat activities. There were 64 groups at the Ark last year.

- (4) Providing opportunities for volunteer Christians to be involved in witness and service.

The WINTER PROGRAM is for older adults residing on the beach to escape the bitter winter months of the northern states and Canada (Snowbirds). It is a five month program open seven days a week.

- (1) Facilities are provided for conducting a wide range of activities (52 this year) which help meet the needs of older adults. These include fellowship, worship, Bible study, exercise, arts and crafts, music, recreation, community service activities, health programs, and special activities.

- (2) Ministerial leadership for organizing the "Snowbird Club" community and all its activities. Almost 1,100 members participated during the 1989-90 season.

(3) A pastoral ministry is provided for all in need.

Thus this ministry provides the facilities, setting, leadership and pastoral oversight, through which God works to develop a redemptive community among persons from widely scattered parts of the United States, Canada and England. Truly God works a miracle every year as he brings this community together, changes their lives then scatters them to be witnesses wherever they go.

The BOARD OF DIRECTORS have given their primary attention this year to: (1) providing by-laws for continuation of this ministry. These by-laws are now almost completed; and (2) seeking an associate director and exploring the financial means for his support.

FINANCIAL REPORT

Income this year was as follows: Conference Benevolent Fund (18,985.67); Advance Special mission gifts (5,648.50); United Methodist Women (5,375.36); and operational income (35,220.02); for a total of 154,634.08.

Expenditures were as follows: Equipment and supplies (17,334.10); maintenance (9,897.66); "Two by Two" musical group (8,131.18); staff support (67,739.11); other operational expenses (53,846.03); for total expenditures of 156,948.08.

God has truly blessed the world through this ministry. All Methodists are urged to continue to support the Advance Special mission projects and the Conference Benevolence program.

Report No. 10

THE CHILDREN'S RESOURCE CENTER OF NORTHWEST FLORIDA, INC.

Children's Resource Center continues to be a very special ministry that serves special needs of children and their families on a year round basis. It is designed to bridge developmental delays and to help make children whole.

This past year has been a very rewarding one and an exciting time in the growth of this ministry.

We have an outstanding Board of Directors for C.R.C. They work constantly to help us in endless ways. Rev. Donald Brill of the Conference Board of Missions has been kind enough to serve on our board this year. We deeply appreciate his loving concern for these, God's little children. Also, Rev. Tim Thompson continues on our board. We are very grateful to Rev. Fred Zeigler of the Conference Board of Missions for his leadership and guidance.

Children's Resource Center was hit very hard during the extreme freezing conditions to the Pensacola area this past December. During the Christmas holidays, the entire Center (all 15,000 sq. feet) was covered in about three to four inches of water. The hot water heating system in the Center was frozen and the boiler "blew." We entered 1990 with extreme heart-breaking conditions. However, we are making it through this disaster. Soon all rooms will be in working condition. We have been very grateful for the volunteers that have helped clear away many damaged materials. We have managed to keep the program in operation during all of the repairs. This would never have been possible without the help of the board, parents, volunteers and friends. With courage and prayer, we continue to move forward.

I wish to thank all of you who remembered me in your prayers and through your outpouring of love, cards and visits, while I was the hospital this past June with a total kneecap replacement. It was a total success and I have been richly blessed through this experience. In June, because of the surgery and at my request, Dr. Louis Makarowski (Clinical Psychologist of C.R.C.), was voted in as Executive Director of the Center and has served in that position since this past June.

I am serving as Chairman of the Board and Chairman of Public Relations of C.R.C. C.R.C. also remains as my mission placement with the Global Board of Missions of The United Methodist Church.

My husband and I are back in the field making talks at the churches throughout the conference, to share with our Methodist Churches everywhere the story of Children's Resource Center, the center built on faith. If we have not visited your church, please call us and we will put you on our agenda. We could not make it without the help of our churches throughout the conference.

We urge you to visit Children's Resource Center and share in the wonder, joy and love that is experienced here daily, through what God is doing for all of us and in the lives of the children and families involved in this program. The vital activities and the continual goal of helping make children whole is ever deepening our Christian faith. There are many ways in which you can help. We need volunteers, clothing, canned food and financial support. As a Deaconess, and through the Board of Global Ministries, I know that the center is a tremendous opportunity for being in mission. Here, in this very special place, there is always love in action as pain and suffering is alleviated and wholeness becomes a reality.

Thank you for your Advance Special giving to this ministry and for all of you who continue to make this ministry possible. Please continue to help and answer my call for our present needs. Scholarships continue to be greatly needed. Local churches within this Conference are urged to participate in this Advance Special Ministry by making a commitment to contribute toward the support of this Advance Special.

We need your help and desire your partnership in this special ministry. Please become our partner in Mission. You will find it very exciting and spiritually rewarding.

Chairperson of the Board

Report No. 11

UNITED METHODIST INNER CITY MISSION

(For Your Information. Was not presented to the Annual Conference Session.)

The United Methodist Inner City Mission, now in its 25th year, is located in the Oakdale Community in the heart of Mobile's Inner City. It is a ministry that was started to meet the needs of a neglected part of our society — the residents of the poverty community. The

ministry was originally designed to meet the needs of the whole person — spiritual, physical and emotional — and continues to do this today.

The ministry has programs to deal with the root cause of poverty by giving incentive, understanding and guidance in developing an outlook on life that will help to break the cycle of poverty.

This is not a social agency, although it does meet the needs of hunger, housing, etc. This is a ministry, carried out by two appointed ministers and under the direction of the United Methodist Inner City Mission. The thread of spiritual growth and worship runs throughout the entire program and includes specific programs designed to nurture this spirituality.

A special emphasis will be given to the celebration of 25 years of ministry throughout the month of September. The high point of this will be the banquet during that month at which time special recognition will be given to volunteers in this ministry.

A brief description of the various aspects of this ministry are as follows:

- (1) The basic Inner City Ministry includes such programs as tutoring, Bible Classes, recreation, emergency assistance, counseling, Senior Citizens activities, quilting, Scouting, the Oakdale Christian Youth Service Club, Oakdale Community Service Club (adults), special trips, Thanksgiving and Christmas special, ceramics, adult basic education, and many more like programs.

All of these programs meet special needs and serve to strengthen character and develop a hope for a different future.

- (2) The Homemaker Program is a joint effort of the Mobile Housing Board, the State Department of Education and the United Methodist Inner City Mission. The employees in this program assist the elderly and handicapped living in low income housing to meet their basic physical needs. They do housekeeping, they cook meals and they help with the grocery shopping. In all of these services they also provide companionship and friendship.
- (3) The Park Ministry started with the operation of the community swimming pool 18 years ago and has grown to involve the year round operation of the entire park. This includes such sports activities as football, baseball, basketball, volleyball and softball. The Mission will field as many as 5 different teams in each of these activities.

The park has daily table games, pool, ping-pong, and other such non-directed activities. Special events include bingo for fun, movies, crafts and coloring.

The summer program includes the swimming pool, where all 8 employees are from the community and were trained and certified at the pool and then hired to run their own community program. An additional 30 youth from the community are hired each summer under the Summer Youth Employment Program and work at the park to make the programs more effective. An additional part of this summer operation involves serving an average of 250 free lunches per day to the children who participate in the park activities.

The purpose behind this ministry is to provide viable options to the problems of drugs and crime that is normally a part of any Inner City Community. Good clean use of leisure time under Christian leadership is proven effective.

As a result of the efforts of the Inner City Mission the City of Mobile has committed \$465,000 to construct a new gym at the park, is constructing new rest rooms at the "tot lot" and will do an \$80,000 renovation on the swimming pool. This is an excellent example of government and the private sector working together to improve life in the Inner City.

- (4) The Work Teams replace the Old Home Repair/Weatherization Program. This was a government program closed when funding was withdrawn, and it is now operating on a smaller and less sophisticated scale by utilizing volunteer work teams from both youth and adult groups from the Alabama-West Florida Conference and from as far away as Indiana and Oklahoma. These groups paint and do minor repairs on homes of the elderly and poor. As many as ten groups participate in this program each year.

The Mission is committed to ministry to the poor and will always have as its first concern the spiritual needs of the people served. The other programs meet extremely important needs in the life of people and also open the doors to meeting those spiritual needs. The services provided are an example of the genuine love and concern the United Methodist Church has for all people and provides an easy access to understanding the love and concern that God has for His people in their time of need.

Report No. 12

MOBILE METRO MINISTRY

(For Your Information. Was not presented to the Annual Conference Session.)

The Mobile Metro Ministry is governed by the same board, under a special committee, and served by the same minister as the Inner City Mission. It is, however, a separate functioning ministry in that it serves the entire metropolitan area of Mobile whereas the Inner City Mission is a community based ministry to the Oakdale neighborhood.

The Metro Ministry is the ecumenical arm of the United Methodist Church in Mobile and represents the United Methodist Church in interfaith and ecumenical endeavors in the Mobile area. This ministry has been instrumental in the formation of several vital services in Mobile such as the Bay Area Food Bank, the Community Care Exchange and the Conference of Downtown Churches. The Food Bank is directly responsible for hundreds of thousands of pounds of food that would be thrown away being channeled to agencies in the Mobile area who can use it to feed the hungry. The Mobile Metro Ministry remains an active part of this program and serves as a member of the board.

The Community Care Exchange grew out of the recovery efforts following Hurricane Frederic and is now composed of all major religious and governmental agencies serving the need of the poor in Mobile. The Exchange meets monthly to discuss problems and share ideas. Mobile Metro Ministry was directly responsible for the formation of this group and continues to be a part of its function.

The Conference of Downtown Churches was organized to strengthen the Inner City Churches in their ministry to the downtown area, and these monthly meetings are vital to the growth of ministry in the downtown section of Mobile.

This ministry remains a leader in disaster response, not only in Mobile, but throughout the South and Southeast. The minister to Metro is the active representative at the Emergency Operation Center before and during disasters in the Mobile area and coordinates the ecumenical efforts in providing vehicles for evacuation of the elderly and handicapped during a Hurricane warning. The minister is also a significant part of the response of both United Methodist Committee on Relief (UMCOR) and Church World Service (CWS) and provides leadership in training events in the South and Southeast.

Mobile Metro Ministry has a major responsibility in offering consultation and training for churches and ministers in transitional settings and serves as a liaison with the South Eastern Jurisdiction Urban Workers' Network (SEJUNW). Training events and participation in regional conferences are made available to these churches and people above.

The research regarding population trends depleting both the declining and growth areas of Mobile has been a part of this ministry. As an example the location and establishment of Christ United Methodist Church in Mobile utilized the services of Mobile Metro Ministry.

The Mobile Metro Ministry works with governmental agencies and provides space in the Inner City Mission for Mobile Community Action assistance programs, Adult Basic Education classes and other such services so that these groups can more effectively serve the individual neighborhood.

The newest phase to this ministry will involve selected families from churches throughout the metropolitan Mobile area joining with Inner City families in the formation of a congregational ministry utilizing the facilities of the old Oakdale United Methodist Church. This will be a bi-racial congregation that will cross economic lines and provide opportunities for the assimilation of new converts and the stability of established leadership. Target date has been moved to the Summer of 1991.

All of the ministerial responsibilities for these programs are the responsibility of Rev. J. Fred Toland, Jr. There is currently a vacancy in the position of Associate Minister.

The magnitude of this ecumenical effort and the wide geographical area served brought about the establishment of this as a separate ministry within the Mobile District, but it remains under the direct supervision of the Inner City Mission Council.

BOARD OF EVANGELISM

Report No. 1

1990 — THE YEAR OF EVANGELISM — and what a clarion call that theme has been for the 133,000 United Methodists in the Alabama-West Florida Conference! The meaningful activities proposed by the Board of Evangelism have been actively supported and upheld by the vast majority of churches in the Conference.

Our first significant push for 1990 actually started in October, 1989 when a Regional School of Evangelism was held at the Ramada Inn, Fort Walton Beach, Florida for some 255 clergy and lay members. This three day learning and worship experience was coordinated by Rev. Oliver Scott and conducted by a blue ribbon staff from the Section on Evangelism, Board of Discipleship.

This event was then followed by the District Conferences in each District where Evangelism and Missions shared the emphasis. A District Evangelism Task Force was organized in each District with the District Secretary for Evangelism serving as chair with specific suggestions as to Task Force functions. The Committee on Spiritual Formation then sponsored a very successful five day Academy at Blue Lake in February, 1990; this was followed by an enthusiastic and heart-warming Holy Spirit Conference sponsored by the Lay Witness Mission Board in March, 1990.

Other BIG happenings in March, 1990 were the Celebrate and Witness Bishop's Evangelism Rallies — when over 11,000 United Methodists gathered in Montgomery and Pensacola to celebrate our faith and witness our love for our Lord and each other.

Noteworthy recommendations which have come to pass include Faith Sharing and How to Pray emphases in each local church; an inspiring and touching Tuesday night Evangelism service at Annual Conference; the distribution of 30,000 bumper stickers which read:

We Are HERE FOR YOU

THE UNITED METHODIST CHURCH

and an Award Luncheon for Denman nominees and a 14kt gold lapel pin for Conference winners.

Originating and guiding the Board of Evangelism through a year emphasizing key Evangelism events have been Mr. Charles Nelson, Lay Witness; Rev. Charles Walker, Spiritual Formation; Rev. Fred Melvin, Research and Planning; Mrs. Shirlee Kegerreis, Publicity and Public Relations; Mrs. Ann Hinds, Denman Awards; Rev. Lawson Bryan, Education and Training; and Dr. Shirley Woodie, Programs.

Our 1991 proposed programs include a New Church Planting Strategy; consideration of a Conference Evangelist in the near future; hosting a Leadership Tomorrow event for 50 persons interested in ministry; encouraging specific Lay Witness, Key Event, and New Life Missions; obtaining training for key personnel in Discipleship Bible Study; and others while continuing some 1990 programs in the local church.

Due to illness, Rev. John Bryan resigned as Vice-Chair of the Board of Evangelism and Rev. Lawson Bryan was appointed to fill the unexpired term of office.

The thanks and gratitude of the 35 clergy and lay members of the Board of Evangelism are extended to Rev. Don Brill, our advisor and spiritual director.

Our thanks and appreciation also go to each of the local clergy and laity in the Alabama-West Florida Conference for their great support, prayers and participation in 1990 — THE YEAR OF EVANGELISM! Through each of you, God blessed us and our Conference with a Net Gain of 1,677 new members in the calendar year 1989!

Charles A. Holston, Chairperson

Report No. 2 — SPIRITUAL FORMATION

The Spiritual Formation Task Force, now incorporated into the Board of Evangelism, sponsored the Five-Day Academy for Spiritual Formation. The Academy was held at Blue Lake Assembly February 18-23, 1990, with 39 participants, five on the leadership team and two faculty members for a total of 46. Some of the participants, as a result, have decided to attend the Two-Year Academy held in the North Alabama Conference.

The Task Force on Spiritual Formation encourages every member of our conference to deepen their spiritual lives by the daily use of spiritual disciplines.

Charles R. Walker, Chairperson

BOARD OF CHURCH AND SOCIETY

I have a problem. When I'm leading worship and I come to that most familiar prayer that we pray together, I have to be careful. If I begin to think about what I'm praying, I forget the words or lose my place. So, I don't really think about what I'm saying.

My understanding is that Jesus used this as a model prayer in teaching his disciples to pray. What I'm getting to is whether Jesus was serious about what he put into this model prayer. More to the point: are we serious when we pray for his kingdom to come and his will to be done on earth?

The next question presses upon my mind. If we are praying for his kingdom to come, does that mean that we just wait for him to impose it? The same question goes for doing his will. I think the answer to both questions is obvious. We pray as though it all depended on God, but we act as though it depends on us.

This is why we pray for answers to the problem of world hunger and we give money and effort to programs that feed starving people. We pray for answers to the problem of environmental pollution and we actively support programs to protect and clean up the environment.

In short, we should think about what we are praying and, if we're serious about his kingdom and his will on earth rather than *just* in heaven, we should begin to act like citizens of the kingdom and earnestly seek his will.

Your conference board has targeted six issues for 1990-1991:

ENVIRONMENT: The emphasis of our conference program in 1989 was stewardship. We believe that part of being a good steward is taking care of the world in which we live. A citizen of the kingdom will be environmentally responsible.

SEXUALITY: The advertising industry will tell you "sex sells." "Sports Illustrated" sales of the swimsuit edition supports this idea. Pornography is a multi-billion-dollar industry. Kingdom citizens will be sexually responsible in dealing with the exploitation of sex, AIDS, abortion and teen pregnancy, to name a few issues.

SUBSTANCE ABUSE: The number-one drug problem is alcohol. Any substance that is addictive, destructive and unnecessary should be, at least, strictly controlled, if not banned. Many people think only of "street drugs" as the problem. They are only part of it. Tobacco and over-the-counter prescription drugs are also abused and abusing substances. God's will for the world surely doesn't approve substance abuse.

CHILDREN: Children are more than literally "issue." They deserve to be objects of our concern in the area of human rights. They need advocates, adults who will champion their cause before the structures of our society. We endorse the "Rainbows for God's Children" program and ministries to latchkey children. Local church coordinators of children's ministries should make an effort to awaken a social consciousness in the children of the church.

GAMBLING: In a recent issue of "Parade Magazine" the question was asked, "Would you advise me to quit or keep playing (the lottery) until I at least earn back my investment?" Marilyn vos Savant, listed by Guinness under "highest IQ" answers, "Stop! You haven't *invested*... you've *spent* (and... money you win won't be *earned*)... and even if (you) *make* money (you) don't *deserve* it." She calls it "bad"; we say it's immoral.

PEACE WITH JUSTICE: There has been some talk lately about a "peace dividend," money saved by a reduction in military expenditures. Should such money become available and people be helped, that would be great, but the real "peace dividend" is PEACE. The kingdom surely means peace for everyone and that everyone is treated fairly. That's something worth praying — and working — for.

We have no right and no mandate to speak *for* you as a conference or *for* the entire membership of all of our local churches just because we happen to be upon your conference board. I, as chairperson, have no power to speak for the board. Ours is what I call the "pastoral prerogative" and that is to speak *to* the church.

All the issues that need to be addressed are not included here. We have chosen to speak to you concerning these six. The Lord may be speaking to you about others and also about these. He may be answering our prayers through you and, hopefully, your prayers through us.

For the Kingdom,
Edward M. Cotten, Chairperson

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

The Commission on Archives and History met several times during the year to accomplish various objectives and projects for the Annual Conference.

A highlight of the commission this year was the completion of the new wing of the Library at Huntingdon College, where the Depository for the Commission and Annual Conference is now located. This new facility is a secure and adequate area for our records and historical materials. Mrs. Mary Ann Pickard, our Conference Archivist and Records Manager has developed an outstanding program of maintaining and housing our collections. It is recommended all local churches and districts forward their records and other worthwhile materials to this facility for documentation and safe keeping. An open house will be conducted during this Annual Conference and everyone is invited to visit our Depository.

Many churches of our conference celebrated or are planning to hold celebrations this year of 50th, 100th, and 150th anniversaries. The commission encourages these churches to share their celebrations with the conference and provide the depository with records and bulletins or other material from their services. We ask that the local church notify the commission of a forthcoming celebration in order that recognition may be given for this milestone in our history.

The 1989 Memorial Service for our deceased ministers, spouses and widows was conducted on May 29, 1989 in a service of Commemoration and Holy Communion. Bishop Charles W. Hancock celebrated the Eucharist and members of the commission and other guests participated in the worship service. The Reverend Ben Sawada was the Memorial sermon Preacher, providing a timely message, entitled: "Prepared for the Eternal Weight of Glory." This was most meaningful as a tribute to our beloved brothers and sisters in the Christian faith. The family members and their guests attending were hosted by the commission at the noon meal in the dining facility with the Bishop and District Superintendents also attending. The Archives and History Commission provides to the families a grave marker emblem for the minister, this bronze emblem is available from each district superintendent and the depository. If anyone knows of a deceased minister of our conference whose grave marker does not have one of these markers, would you please contact the commission. First United Methodist Church of Brewton, Alabama restored an old grave marker of an earlier Methodist Minister and placed an emblem on it this past year. There is no cost to the families for these markers.

The commission continues to host the Retired ministers, spouses and widows at a buffet breakfast during annual conference. This fellowship is known as the "Wesley Heirs" and their organization is growing each and every year. They have two retreats at Blue Lake during the year. All newly retired persons are invited to come and join with us for this early morning fellowship meal.

Several members of our commission attended the First Historical Convocation of the General Commission on Archives and the SEJ Historical Society meeting at Lake Junaluska in June/July. Others conducted and/or participated as resource leaders in respective district "Super Sunday" training events. The commission continues to stress the importance of the mission of the Local Church Historian and the Church Trustees as keepers of the records and histories.

Heritage Sunday is celebrated every April. The General Commission on Archives has established a theme for 1991-1994 as, "CELEBRATING OUR HERITAGE OF" . . . ASSURANCE, April 28, 1991; HOLINESS, April 26, 1992; ITINERACY, April 25, 1993; and PERFECTION, April 24, 1994.

One might ask, "What is Heritage Sunday?" The General Commission provides this statement: "Heritage Sunday shall be observed on April 23, the day in 1968 when the United Methodist Church was created by union of the Evangelical United Brethren Church and the Methodist Church, or the Sunday following that date. It falls during Eastertide, the season in which we remember the Resurrection and triumph of our Lord. Heritage Sunday calls the Church to remember the past by committing itself to the continued call of God. The observance of Heritage Sunday shall be under the general supervision of the General Commission on Archives and History . . ." (from the *Book of Discipline*, 1988, paragraph 275)

The Alabama-West Florida Conference Commission on Archives and History recom-

mends every local church to the celebration of its Heritage Sunday, following the guidelines and recommendations of the General Commission. A booklet is available to encourage and support this celebration. You can obtain one from our conference commission or the General Commission.

The Conference Commission is no longer a Program agency of the Conference, but continues to minister and perform many outstanding and worthwhile programs: the Depository, the Conference Records Committee, the Districts and Local Church, and our retired ministers' files and records. Also, we process the many requests and items wanted for some church or family historical search.

The commission continues to encourage our District Directors, our Local Church Historians and Trustees to become familiar and involved with their local histories, for updating, maintaining, and safe guarding these important items. Our Conference now has the ability and expertise to achieve great things in the area of history and historical documentation. Please help us to provide the past to the present and future United Methodists of Alabama-West Florida.

Leonard Shults, Chairperson

Report No. 2 — TRIBUTE TO MRS. COLLEY RUTH WALTON

Ruth Walton of Pinckard, Alabama died July 16, 1989 in Dothan, Alabama after a long illness. Funeral services were conducted in the Pinckard United Methodist Church with the Reverends Ken Ervin, Dr. J. Carlile Miller, Bishop Carl Sanders and Jon Couey officiating.

Mrs. Colley Ruth Walton was a native of Dale County, and held many positions in her local church and in the Alabama-West Florida Annual Conference. She served faithfully and with outstanding leadership on the Commission on Archives and History. Her interest in the historical heritage of our church and faith contributed to many new and innovative practices that our conference commission now uses. She was, for many years, solely responsible for the Memorial Services and for the Memoirs in the Conference *Journal*.

Her dedication and willingness to be a servant and witness in the ministry of the church of her Lord is a standard for many of us to carry. The spirit of this great saint prompts us to say, "Well done, faithful servant, come enjoy thy rest."

The Archives and History Commission wishes to submit this tribute with its report to the Annual Conference in memory of Mrs. Colley Ruth Walton.

She was a special person to all who knew her. She possessed a remarkable ability and was devoted to The United Methodist Church. If a job ever needed doing, Colley Ruth was there and ready to do her share... and often times, more than her share. She was loved by all and, through her faith in God and her dedication to His work, she has received her crown of grace. She will be deeply missed by everyone.

Report No. 3 — THE COMMITTEE ON RECORDS

The rapidly changing technologies in the field of communications, the laws governing confidentiality, and the growth of the Alabama-West Florida Episcopal area are just a few concerns that call for overdue attention to the methods our Annual Conference employs to record, service, and preserve our records. Beginning at the 1990 Annual Conference, the Commission on Archives and History is responsible each year to have the proceedings of the Annual Conference session audio taped and a verbatim typescript prepared to be preserved in the Depository. A video tape of the ordination service is to be made each year and placed in the Depository.

The Records Committee will ready a General Retention Schedule to be presented by the Commission on Archives and History to the 1991 Annual Conference session. In order to fund the growing workload of the Depository, legal and administrative preparations are to be made in the 1990-91 conference year to establish an endowment fund for the administration of the Franklin S. Moseley Depository as a records center and archival depository.

Additional funding is to be requested in the 1992 Commission budget to fund an additional part-time position in the Depository for a records manager and to insure a smooth transition of responsibility should a change in personnel occur. Currently, we only have one employee who has working knowledge of the Depository. Our long range goal is to establish a centralized records center for current records and archives to be serviced by our archivist and a conference records officer.

Report No. 4 — THE FRANKLIN S. MOSELEY DEPOSITORY

The purpose of the Franklin S. Moseley Depository is to preserve the archival records of the Alabama-West Florida Conference. In so doing it provides an information center where facts and fascinating stories can be found and where the Christian ministry of the Alabama-West Florida Conference can be documented. The report of the Depository for 1989 is organized around the job description for an Archivist in order to give an accounting of how I have tried to fulfill the responsibilities of administering the Depository.

I. AGREEMENT WITH HUNTINGDON COLLEGE RENEWED

Through an agreement with Huntingdon College and the Alabama-West Florida Conference, the college provides the space for the depository and the Archivist is employed by the conference. This is a part-time position with a salary of \$5,400.00. The official agreement states that the Archivist "is selected by the Conference Commission on Archives and History and is accountable to the Conference through the Commission. He/she shall serve as executive officer of the Archives and Special Collections Department of the Library which includes the Methodist Collection (Franklin S. Moseley Depository), the Huntingdon College Collection, the Rare Book Collection, the Methodist Historical Library, the Huntingdon College Publications Library and other small collections. He/she shall, in consultation with the Director of the Library, be responsible for the day to day operation of the enterprise."

II. SPECIFIC RESPONSIBILITIES OF THE ARCHIVIST

A. The Archivist shall acknowledge receipt of each set of materials sent by officers, other individuals, and agencies, noting the quantity, type, and condition of the material; shall see to the legal transfer of title to the property; and make an inventory of the records. I have received fourteen accessions for the Methodist Collection (MC154:89-MC167:89). The term "accession" refers to the transfer of custody of each particular set of materials. All have been processed except for twelve cartons of records for the Mobile District and some records from the Conference Headquarters. The twelve processed accessions include records of the conference secretary, rare books, records from conference headquarters, church histories, genealogical records, and of special interest the original certificate for Rev. Jonathan Bird's deacon's orders signed by Bishop Thomas Coke and Bishop Francis Asbury in 1791. We have also completed the transfer of thirty-eight volumes of handwritten Methodist records from the Alabama Department of Archives and History. This accession includes thirteen volumes of minutes of the Alabama Conference 1865-1917; four volumes of minutes of the Mobile and Montgomery Conferences 1864-1869; one volume of records of the Epworth League 1892-1907; three volumes of financial records 1876-1898; three volumes of "Statistical Exhibits" 1906-1917; the conference roll 1876-1878; one volume of Board of Church Extension records 1883-1895; one volume of Preacher's Aid Society minutes 1842-1917; and twelve volumes of district conference records. With the help of Mrs. Frances Armstrong, former director for the University Year of Action Program at Huntingdon College, we completed processing a large accession of records created by this program for the Huntingdon College Collection. For the Rare Book Collection we received an acquisition of special interest — a "Britches Bible" published in 1630 given by Dr. R. Glenn Massengale.

B. The Archivist shall be the final appraiser of records, basing appraisal on policies determined by the Conference Records Policy and Program (Standing Rule #1 of the Constitution of the Commission on Archives and History). Disposition of records shall be governed by retention schedules which determine which records shall be preserved, held for a period of time, or destroyed. The Committee on Records is in the process of preparing such retention schedules and will present them for adoption by the annual conference at a later session.

C. The Archivist shall prepare and arrange records for permanent storage. This involves cleaning, repairing and removing harmful items such as paper clips, rubber bands and the like from the records. Records are placed in acid free folders and arranged according to file units and provenance. The folders are labeled with the subject, an accession number, and a location number on each, and placed in numbered archival document cases. Archives are cataloged according to "record groups" determined by the organizational structure. I have identified the basic groups and sub-groups, have identified the specific titles of the "record series" in each, and created accession, subject and location codes for both the college and conference collections.

D. The Archivist shall describe each record series in a finding aid. Record series are file units in the different record sub-groups on a particular subject, documenting a particular function, and showing a particular relationship to the agency creating the records. The basic finding aid I have created is a subject indexed Accession Register using our new Wyse computer and Hewlett Packard laser printer. I use Wordstar software which has an indexing program which enables me to "tag" subjects on each page and create a subject index in seconds. I have printed a "hard copy" of the Accession Register and also have it in a computer file.

E. The Archivist shall publish a list of the entire holdings of the depository quadrennially and update the list of holdings at the end of each calendar year. Our present Accession Register was published in 1987 and includes 127 accessions processed from 1977-1986. I have completed updates for 1987, 1988, and 1989. After processing the accessions received in 1990 I will incorporate these updates into a new Accession Register to be published in 1991. This Register can be distributed to various depositories and offices as requested.

F. The Archivist shall provide reference service. Reference requests continue to increase. During 1989 fifty-five persons came to the depository for specific research. There were eighty or more mail and telephone inquiries. These inquiries include mostly requests from churches concerning their history and ministers and genealogical requests. We have also had some requests related to social issues and specific conference actions.

G. The Archivist shall provide displays for special events. It is gratifying to have a facility large enough and accessible to the public in which to display archival material. One display that attracts people is the scale model of the old Sylvan Grove church which stood in Dale County from 1858-1948. It was crafted by Mr. Paul G. Kennedy. From time to time our records are put on display in the library and at the conference session.

H. The Archivist shall publish brochures, articles and the like describing the services and accomplishments of the depository. I have not had the time to fulfill this responsibility, but hope to create a new brochure and write some articles for newspapers in the near future.

I. The Archivist shall offer help to local churches in preserving records and compiling histories. In January of 1989 I conducted a workshop for the Mobile District at their officer training event. I have consulted with persons from several churches on how to preserve and store their archives.

J. The Archivist shall be the administrative officer of the depository. I have seen to fiscal responsibility by recommending budgets and disbursing funds within the budget. During 1989 we received a total of \$6,243.73 from conference apportionments, a gift of \$250 from Rev. and Mrs. Arthur Carlton and a gift of \$250.00 from Dr. and Mrs. W.M. Pickard. Budgeted disbursements totaled \$6,126.24. The cost of the new desk and file cabinet bought with the special gifts was \$540.00. I have prepared reports to the Commission and for the *Conference Journal*. I have supervised from time to time a student assistant who works primarily with the Huntington Collection. I also supervise two faithful volunteers, Ida Grace Gastinger and Adele Warner, who file periodicals and help answer research questions. I have managed the day to day operations not only as Archivist, but also as office manager, secretary, and computer operator.

III. MOVE TO NEW FACILITY

A time consuming but exciting responsibility this year was the move to the Depository's new facility in the new Dixon Wing of the Library and the purchase of new furniture and equipment. The facility consists of two rooms, one which you enter from the atrium of the library that houses the Methodist Historical Library, Huntingdon Publications Library, and an office area. The second room, which we call the vault, is entered from the office and has a separate lock. It is equipped with steel shelving, vertical filing cabinets, flat files, a desk and typewriter, work table, a safe, and work table. We are pleased to have a temperature control system separate from the library heating and cooling system that keeps the depository at a constant temperature of 65 degrees and at a constant humidity level.

I would like again to express appreciation for the opportunity of serving as the conference Archivist which I enjoy very much, and look forward to another fruitful year.

COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work is constantly seeking ways to assist the small membership church in its ministry within the local community.

When you consider the fact that 73 percent of the churches within our Conference have less than 150 members, it becomes apparent that the ministry performed by these local churches is essential to the very existence of this Annual Conference.

As a Commission, we are interested in these churches that have so much to offer. We stand ready to assist any local church in developing new programs or in the revitalization of current programs which may need assistance.

Any member of our Commission will gladly come to your church at no cost to you. If we can assist you in your ministry, please do not hesitate to call.

Winston Jay, Chairperson

COMMISSION ON WORSHIP

This conference year has witnessed two changes for the Commission on Worship. Under the new conference structure Worship has been placed under the responsibility of the Board of Evangelism and is now designated a committee. The present members of Worship have offered themselves to the Board of Evangelism to serve on the Worship Committee for the cause of continuing the quadrennial program. The annual conference's worship work is extensive and at times exhaustive. It differs from Evangelism's responsibilities in some pretty obvious ways while they both also overlap. Therefore, we would recommend a well-funded, free but well-connected worship committee accountable to the Board of Evangelism.

The second change is that the regional worship training event usually held yearly at Columbus, Georgia has been cancelled by the participating annual conferences. As a substitute for this valuable event, which is now a part of our history, the Commission promoted worship leaders' participating in one of four hymnal training teleconferences held at sites across the area on February 10 and 17, 1990.

Next year the committee, along with the Town and Country Commission, will cosponsor a worship workshop for small membership churches called **Methodist Worship At The Grass Roots**. A worship resource person from the Section on Worship and a conference leader in the area of music will lead the sessions. The workshop is scheduled for February of 1991.

COMMISSION ON RELIGION AND RACE

The ministry of Religion and Race is a spiritual effort in The United Methodist Church established to move us toward reconciliation. Much of the work we do is sociological in nature, but our theologically reflective processes enable us to identify the rationale for required changes.

This commission is a monitoring agent and not an enforcing agent.

COMMISSION'S GOALS FOR 1991

1. Each District will hold a Convocation on Religion and Race.
2. District members on Religion and Race be encouraged to attend the National Convocation on Religion and Race.
3. Workshops will be set up to develop teams of Pastors and lay people to monitor each Church in the Conference response to the goals for 1991.
4. We will use our position to report positive achievements, but also, what has not been achieved.
5. We recommend that the Alabama-West Florida Conference ARTS COUNCIL be continued under the Ethnic and Local Churches Commission.
6. COMMISSION'S "CHALLENGE FOR 1991" (To Rally The Troops)

We challenge each church in the conference to develop an outreach program to that community not represented in their church congregation. This outreach should not rely solely on state social services agencies and local volunteer groups, but should involve

initiatives taken by local church members to create, develop, and administer new programs.

7. We submit these ideas as “springboards” for reaching out to our neighbors to create community, helping to dispel stereotypes, and bringing down barriers. We ask that each church choose one to develop:
 1. Joint Bible Study Groups (Men’s Groups, UMW)
 2. Methodist Men’s and Women’s Breakfasts
 3. Joint Vacation Bible Study (Children, Youth)
 4. Meals Fellowship (Building Bridges)
 5. Music and drama groups, other arts activities
 6. Ways to Celebrate Martin Luther King’s Birthday together*
 Pulpit exchanges are encouraged, but should not take the place of one of the above.
8. Celebration of our achievements in race relations, as demonstrated by the Demopolis District Churches.

*The New Hymnal has an Epiphany Service which would focus on Dr. King and would be very appropriate.

COMMITTEE ON CAREER/LIFE PLANNING

The Committee on Career/Life Planning is charged with the responsibility of assisting persons in the preparation for and understanding of their call to ministry in whatever vocation they are led into. The committee’s focus is not on just young persons, but persons of all ages, young and old alike, as we are all called by God to be “in ministry” at all age levels.

The Conference Council on Ministries (CCOM) has selected as the special emphasis for 1991, The Call to Ministry. The CCOM directed that the Committee on Career/Life Planning be the body to plan and implement the theme on a conference-wide basis. The committee, working with members of the Bishop’s Task Force on Christian Vocations, and District Career/Life Planning persons, has developed a program of challenges and activities which will hopefully touch the lives of every United Methodist in our conference. First, the challenges:

1) Every congregation is encouraged to focus, as a part of its evangelism efforts, on the seeking out and encouragement of persons to answer the call of God to full-time Christian service. In our society, we have defined success and meaning in life in terms of financial security and power. We as congregations must work diligently to reaffirm success and power as results of our commitment to the ministry of Jesus Christ. Full-time Christian service is not only those who serve as clergy and diaconal ministers, but those who serve the Lord in the marketplace, and the school, and the business, and at home.

2) Every pastor is encouraged to preach at least one sermon a year on the call to ministry. This should be approached not as a task (like we sometimes look upon the stewardship drive sermon), but as a joyful opportunity to stimulate our congregations about the special call we as Christians have to be ministers. We further encourage pastors to preach specifically on church-related vocations.

3) Every UMYF is encouraged to seriously study God’s call for their lives. We believe this study should include parents, youth leaders, and church staff. Other study groups within the life of the church are encouraged to devote study time during 1991 to the emphasis.

Activities are being planned to assist in the response to these challenges. The committee is planning the following:

1) Continuation and enhancement of the Summer Opportunities Program (S.O.P.). This is an exchange program — assisting college-age persons looking for summer jobs and churches and agencies looking for college-age summer workers. The SOP is coordinated through the office of Diane Shepherd and includes one-day training events for summer workers before the summer begins.

2) The General Board of Higher Education and Ministry will hold a national Convocation on the Call to Ministry in October. The event is to be held in St. Louis, Missouri. The committee, in conjunction with the Board of Higher Education and Campus Ministry, will sponsor persons from our conference who wish to go. This is the first of two national events sponsored by the General Board.

3) The committee is preparing a UMYF program for distribution on or about January 1, 1991. The program's focus will be on the call to ministry and opportunities for service in our conference.

4) A video presentation introducing the theme and dramatizing how we all can become involved in ministry is being prepared. The scheduled completion date is May of 1991.

5) A Convocation on the Call to Ministry has been scheduled for June 21-22, 1991, at Huntingdon College. Designed for older high school students, but open to all ages, the Convocation will seek to direct persons toward their vocational choice and how it can relate to the call to Christian service. A design team has been formed to plan and direct this event.

6) Blue Lake will be the setting for a Convocation on the Call to Full-Time Christian Ministry, scheduled for January 24-25, 1992. To say that within the next ten years we will have a shortage of clergy and diaconal ministers is an understatement. It is already a crisis that not enough persons are answering God's call to full-time Christian service in our conference. This convocation will focus specifically on the special call to full-time church-related vocations.

The Committee on Career/Life Planning will become a sub-committee of the Board of Higher Education and Campus Ministry, effective with this annual conference session. The work of the committee, though, will go on through the sub-committee and the members of the Task Force and District Career/Life Planning persons.

Jerald T. Lipscomb, Chairperson

COMMITTEE FOR ETHNIC LOCAL CHURCH CONCERNS

There shall be a committee organized in each Annual Conference on ETHNIC LOCAL CHURCH CONCERNS which shall relate to all conference agencies for the implementation of the conference's Comprehensive Plan. The committee shall be comprised of one-third laywomen, one-third laymen, and one-third clergy. At least one-half of this committee shall be racial/ethnic persons, where feasible. It shall also include a Cabinet representative. The committee shall develop a comprehensive plan for implementation by the Council on Ministries, and also shall develop criteria for use in evaluating racial/ethnic projects and programs within the conference and in reporting on its work to the Council on Ministries. (Paragraph 726.5)

GOALS AND GUIDELINES FOR THE 1989-1992 QUADRENNIUM

Philosophy: We, of the Alabama-West Florida Conference, are in a true sense of the phrase "a Rainbow Conference." We represent all the colors and talents that America has to offer. We celebrate and applaud God's creation in its many faceted diversity. And our one true aim and purpose is a continued harmonious, loving, caring and nurturing relationship among our persons. We believe that there is "unity in diversity." Our theme for the new quadrennium shall be "visioning."

GENERAL

1. As allowed by the annual conference legislation, all funds contributed by the churches for the Ethnic Local Church shall be retained for use in the Alabama-West Florida Conference.
2. The Ethnic Local Church Concerns Committee shall meet once a quarter.
3. The Executive Committee shall be composed of the officers, chairpersons of standing committees, the Council Director, and the Council on Ministries staff associate related to the Committee.
4. The Ethnic Local Church Concerns Committee shall develop methods to promote and solicit payment of the Ethnic Local Church apportionment by the churches of the conference.
5. The administrative expenses of the Ethnic Local Church Concerns Committee shall come from the Conference Council on Ministries budget.
6. Not more than 10% of the Ethnic Local Church Concerns Committee funds shall be used for research and Committee programming each year.

The Ethnic Local Church Concerns Committee shall provide information and guidance to pastors and lay persons regarding resources and programs for strengthening Ethnic Local Churches.

We will also make a concerted effort to emphasize to boards, agencies and districts that Ethnic Local Church Concerns Committee funds, according to our Ethnic Local Church Operational Manual, are to be used in addition to and/or in conjunction with other agency funds. Ethnic Local Church Concerns Committee funds are not to be considered an exclusive source of funding regardless of other funds.

PROGRAM AREA GOALS

Witness:

Demographic research and analysis shall be done by March 1, 1990, to determine the need for Ethnic Local Churches in the Alabama-West Florida Conference. This shall be done in consultation and coordination with the Committee on Planning and Research, the Committee on New Church Development and a representative from the Ethnic Local Church Task Force.

Districts to investigate will be the following:

- A. Dothan District
- B. Demopolis District
- C. Marianna/Panama City District
- D. Troy District
- E. Montgomery District

These things shall be in addition to planning "Strategy for Growth" in the Montgomery District at the Bell Street United Methodist Church, which is a new church start. With respect to the research and analysis and in consultation with the Committee on New Church Development, the Women's Program Division, Section of Mission and Membership Development, and the Congregation Development/New Church Development of the General Board of Global Ministries, goals for establishing new Ethnic Local Church congregations during the next five years shall be set by May 1, 1990.

Each Ethnic Local Church congregation is encouraged to set goals for membership and attendance growth, on both long-term and short-term bases, and shall report progress on the goals at each Charge Conference and to the Ethnic Local Church Committee on a yearly basis.

Congregational growth seminars have been and continue to be provided, both in cluster groupings, as well as upon request of the individual church.

Discipleship:

1. A program for lay leadership training for Ethnic Local Churches shall be developed in cooperation with the Conference Council on Ministries Director, who serves as an expert in leadership training and congregational development; and also in conjunction with the Conference Commission on Religion and Race.
2. The Conference Councils on Youth/Children/Young Adult Ministries will be asked to survey the ministry needs of Ethnic Local young persons and develop plans for responding to those needs. This shall be requested by October 1, 1989, to be completed by December 1, 1990.
3. The Ethnic Local Church Committee shall keep before the Council on Ministries Program Committees the responsibility for being intentional and specific in developing discipleship in the Ethnic Local Churches and larger white churches in their respective program areas.

Liturgy:

1. Workshops on worship shall be included in training events for all Ethnic persons, laity and pastors.
2. Alabama-West Florida Arts Council
 - A. The Rainbow Choir and Fellowship is an interracial, intergenerational choir to be formed in each district and comes together and sings at district events and annual conferences.
 - B. An interracial, intergenerational instrumental music program will be formed in each district from all ethnic origins who could provide the Alabama-West Florida Orchestra by August 1990.
 - C. Religious Alabama-West Florida Church Theatrical Group to perform, write and create performances.
 - D. An Alabama-West Florida Dance Ensemble to be formed by 1991. Each of the suggested is an outward expression of an inward change when Christian people of varied origins

and ethnicities come together, play together and create together...in the spirit of Christ.

The above events and/or projects are planned in conjunction with designated churches who are willing to plan and route ideas to persons with specified and needed areas of competence.

Ethnic Churches, as well as predominantly white churches, shall be encouraged to give support to such specialized ministries as street ministries, hunger programs, counseling centers, and shelters for the homeless. Particularly will we include special emphasis toward the following:

1. Dumas Wesley Community Center — Mobile, AL
2. The Nellie Burge Community Center — Montgomery, AL
3. Noah's Ark — Panama City Beach Ministry
4. The Inner City Mission — Mobile, AL
5. The Johnson Hill Project — Eutaw, AL
6. The New Church Development Program — Dothan, AL

The above programs will minister to great number of Ethnic persons.

Leadership:

1. High priority shall be given, including the use of Ethnic Local Church funds, to the recruitment and training of leaders, both lay and clergy, for service in Ethnic Local Churches.

Our Strategy:

1. Seminars in church administration given by CCOM Director and General Board of Global Ministries staff persons.

2. "Lay Speakers Training"

Due to a shortage of Ethnic Local Church ministers, the Alabama-West Florida Conference has had to use retired clergy, who sometimes have had more than three churches on a charge. Some churches are two-Sunday-a-month churches that would like to be operational each Sunday despite the lack of, or presence of, ordained clergy. We feel that a comprehensive lay speakers' program with a special outreach to Ethnic Local Churches would:

- a. allow those churches that wanted to be opened each Sunday the opportunity;
- b. Develop a closer sense of inclusiveness in a very vital part of the church;
- c. by encouraging high school students and young adults, it would act as a training tool for future development;
- d. be an exposure and pruning ground to give some who may have considered the ministry an opportunity; and
- e. eventually augment into a resource of articulate laity who could be a part of other boards and agencies.

3. The Board of Ordained Ministry and the Board of Diaconal Ministry is continuously requested to give special attention to the enlistment of Ethnic youth and young adults for ordained and diaconal ministry. Ethnic Local Churches and other churches are encouraged to become nurturing bases for candidates for the ministry. At least one convocation on the ministry, especially for Ethnic youth and young adults, should be held during the quadrennium, if not annually.
4. The Ethnic Local Church Concerns Committee shall sponsor, in cooperation with the Conference Committee on Religion and Race, practical skills building workshops for Ethnic ministers and others. Emphasis will be placed on both writing and articulation.

Structures:

- A. Training shall be provided for lay and clergy persons on United Methodist Church Structure and Polity.
- B. Both representation and participation of Ethnic in annual conference and district boards, committees, agencies and programs shall be encouraged and promoted.

Facilities:

- A. The Committee on New Church Development and Revitalization shall be requested to survey Ethnic churches and parsonages for needs in the Alabama-West Florida Conference. On the basis of this survey, the Ethnic Local Committee shall develop a plan for responding to these needs. (Monies for said needs allocated from Ethnic Local Church

Concerns Committee funds shall be used in conjunction with other funds . . . i.e., district, national and local churches.)

- B. Multiple use of church building (by two Ethnic congregations, or by an Ethnic majority congregation) shall be encouraged.

CURRENT PROJECTS

- A. Establish New Ethnic Local Churches
1. Work has begun in the planning stages of the Dothan District and surveys will be carried out in cross district teams.
- B. Promotion of the Ethnic Local Church is underway through local district Councils on Ministries; sensitizing sessions; church and district rallies and other church affairs. Pulpit exchanges have been encouraged. Literature has been sent to all local churches.
- C. Instrument(s) to gather proposals, evaluate set priorities and measure results, have been and are being developed by staff person and Ethnic Local Church Committee staff person.
- D. Stewardship Fundraising Model Demonstration Projects
1. The Stewardship Commission, in conjunction with the Ethnic Local Church Committee and the Office of Finance and Field Service, is currently engaged in a Model Demonstration Project with several local churches in the area of Stewardship Training and Fundraising.
 2. A professional fundraiser is being brought in to work in a Fundraising project, both with single flagship churches, as well as clusters of churches, both with defined monetary goals set. One such project that has been established is being spearheaded both in the Montgomery District and in the Demopolis District.
- This concludes the Program Area Directions and Synopsis.

COMMISSION ON NEW CHURCH DEVELOPMENT AND REVITALIZATION

Report No. 1

The Commission on New Church Development and Revitalization has met twice during the year — September 23, 1989 and February 24, 1990 — to hear requests for grants and to make such grants as available funds permitted.

It is emphasized that all requests for grants must be presented with proper forms and documentation. Until the requests for grants are properly presented, the Conference Commission on New Church Development and Revitalization cannot act on them. The Commission's policy is that grants are released to the District Superintendent when the project is ready for funding. It has been the policy of the Commission that all grants made must be used within six months or be returned to the UM Foundation which handles the making of the grants. If for some reason that phase of the project cannot be completed within six months, the District Superintendent can request a six month extension. Normally, the District Superintendent should return the funds until the project is ready and then request them.

The Commission's policy is to consider new, properly presented requests before considering making additional grants to projects that have already received grants.

We remind the Conference that these grants were never intended to fully fund any project, but to be only seed money to help get projects started. We have had the following requests for grants:

Revitalization:	District:	Asked:	Granted:
1. Mexia (3rd Request)	Andalusia	\$15,000	-0-
2. West Wilmer (2nd Request)	Mobile	\$ 4,000	-0-
3. Oakdale	Mobile	\$ 4,000	\$ 2,000
4. Barrett Road	Selma	\$25,000	\$ 8,000
5. Park Street	Troy	\$15,000	\$ 4,000
6. Tensaw Little Zion	Pensacola	\$12,000	\$ 9,000

New Church Development:	District:	Asked:	Granted:
7. Crestview, South (4th Request)	Andalusia	\$15,000	-0-
8. Bayou George	Marianna/P.C.	\$25,000	\$15,000
9. Woodbine (2nd Request)	Pensacola	\$30,000	-0-
10. Sandy Creek	Marianna/P.C.	\$25,000	\$15,000
11. Sandestin	Marianna/P.C.	\$25,000	\$15,000

As you can see, requests for Revitalization funds totaled \$75,000 but we had only \$23,000 to grant. For New Church Development, we had available \$45,000 to meet requests for \$120,000. It is frustrating to the Commission, to the Superintendents and to the potential project leaders to have such great needs and so little with which to work. We wish we could meet all requests but obviously cannot. We urge all churches that have not paid their Capital Development Fund in full to continue to try to give what they can each year, because existing needs and potential opportunities abound throughout the Conference.

We greatly appreciate the support and encouragement of Bishop Hancock, the assistance of Don Brill and the dedication and hard work of our Commission members.

Report No. 3

In last year's *Journal* our Commission recommended utilizing the services of the Office of Church Development and Renewal of the Board of Global Ministries to train persons from every district to help local churches evaluate themselves and set new and definite goals.

We are pleased that Bishop Hancock and the Council on Ministries have given their endorsement and support to this project and plans are underway to have this training event in April of 1991. For further information on this program, please refer to the 1989 *Journal*, page R-36, Report No. 3.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The members of the Alabama West-Florida Commission on the Status and Role of Women continue to follow the mandate given the Commission by the General Conference. The Commission endeavors to empower women to claim responsibility for and to take leadership roles in the mission and the ministry of The United Methodist Church. The Commission used several avenues to accomplish this purpose during the church year 1989-1990.

The Commission held its annual breakfast at the Annual Conference held in May 1989. The theme for the breakfast was "Mending Broken Lives." Those present were honored to have Rev. Louise Johns, Chaplain of Julia Tutwiler Prison and the speaker on the United Methodist Church's 1990 portion of "The Protestant Hour" deliver the message.

A spiritual formation retreat was held at Blue Lake, February 1st and 2nd, 1990. The program featured the clergywomen and the women diaconal ministers of the Alabama West-Florida Conference. The theme, "Mending Broken Lives," further developed the emphasis introduced at the breakfast at Annual Conference.

District representatives received training so that they in turn could train their district committees. A training packet was provided to each district. District committees have been formed in the Dothan, Pensacola, Selma, and Montgomery Districts. The purpose of the committees is to provide information and training to local churches that will enable each local church to elect a functioning commission on the Status and Role of Women. Local commissions will encourage women to become active in the decision making process in the local church.

A third objective of the Commission is to increase women's visibility and participation in the life and mission of the church. The Commission sent a resolution to the cabinet urging all ministries to elect a local chairperson for the Status and Role of Women Commission. Each local church has been urged to promote "Women In the Pulpit Sunday." A "talent bank" is continually updated. This "bank" provides the conference nominating committee with names of women who are qualified to serve on conference boards and agencies and who have expressed an interest in rendering this service.

It is the prayer of the women of the Alabama-West Florida Conference that the entire conference will give prayerful consideration to Galatians 3:28. The Apostle Paul wrote, "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are one in Jesus Christ." The United Methodist Church has begun to claim some important new levels of self-understanding in relation to Paul's "third line." The Alabama-West Florida Commission on the Status and Role of Women believes that the Alabama-West Florida Conference is being called to make plain the vision of the gospel. Women, as well as men, are created in the image of God and they are equally gifted and significant in the eyes of God.

RESOLUTION ON NATIONAL HEALTH CARE

The following Resolution was presented by the Commission on the Status and Role of Women, but the Conference Committee on Resolutions and Petitions recommended referral to the Commission on Church and Society and the Conference referred this resolution.

WHEREAS, the availability of health care for many large sectors of our country's population has been steadily shrinking for several years now; and

WHEREAS, the costs of available medical care have placed such care beyond the reach of so many who deserve it; and

WHEREAS, the non-availability of certain types of care, such as obstetrics, has placed an increasing number of mothers and unborn babies at high risk; and

WHEREAS, the cost of maintaining local community hospitals in many rural areas has caused the closing of nearby community hospitals; while the cost of supporting residents of many nursing homes has overburdened the present system of medicare, making state reimbursement for operational costs inadequate; and

WHEREAS, the trends mentioned appear to be irreversible and irremedial under our nation's present system of health care; and

WHEREAS, we have a specific mandate from the Lord to engage in covenantal action on behalf of the poor, the widowed, the orphan and the oppressed.

BE IT THEREFORE RESOLVED that the Alabama-West Florida Conference of The United Methodist Church does hereby call for a conference-wide campaign on behalf of a national health care system which would provide equitable and adequate care to all residents

of this nation, regardless of race, creed, color, sex, national origin, or socio-economic condition.

FURTHERMORE, BE IT RESOLVED that this effort shall take the form of a massive letter writing campaign to our elected state and national officials, each letter putting forth our desire for such a system of national health care, and our desire that it be constructed and put into effect within two years.

BE IT FURTHER RESOLVED that a letter concerning this resolution be sent from our annual conference to every other annual conference in the United States, requesting their cooperation in establishing similar ventures, through their own conferences, and through whatever ecumenical assistance may be obtainable from sister denominations.

The above Resolution was referred to the Commission on Church and Society by the Annual Conference.

STEWARDSHIP COMMISSION

During the 1988-1989 Alabama-West Florida Conference year, an extensive conference survey was conducted in which over 5,000 conference members, both laity and clergy, were asked questions about their opinions concerning stewardship.

This report provides a general summary of the survey results. It relates to the dedicated members who attend church regularly and participate in the various activities of church operation. The comprehensive report, *OIKONOMIA*, has been distributed to the district superintendents and a limited number are available at Conference Headquarters. That report is highly recommended for reading by the thoughtful and concerned steward.

Biographical items in the survey revealed that over 40% of the membership have sixteen or more years in their present church. This membership stability should provide the basis for meaningful long range planning. With small membership churches representing a significant portion of the churches in our conference, it becomes most important that the program design and support for these churches be carefully reviewed and implemented.

Worship attendance is the primary area of church involvement by the majority of the membership. This clearly indicates the importance that the minister needs to place on preparation for the worship experience. If there is a lack of excitement and stimulation of thought in the worship process, the dynamics of membership motivation in other church activities will be resultingly degraded.

There are fewer members who attend Sunday School than church and even less are involved in other church activities. This limited involvement by a goodly percentage of the church members identifies an area of revitalization that is most important. Administrative Board/Council members need to place membership involvement in church activities as the primary concern of their business.

STEWARDSHIP is the key to Christian responsiveness. It is threefold in nature: Time, Talent and Treasure. Within the treasure category over thirty percent of our dedicated members give \$500 or less to the church each year. Some of these individuals earn between 20 and 35 thousand dollars per year. Our question becomes one of asking, "What shall we bring to the Lord's storehouse?" Is it important for our stewardship committees to accomplish a realistic appraisal of the stewardship of treasure? Are more creative approaches required to bring this vital aspect of our individual partnership with our Creator into greater harmony with biblical tenets? Can this process be helped through Conference dictum or is an organized educational process a better approach? Action becomes the key rather than rhetoric.

It is interesting to note that forty-nine percent of our respondents would be willing to increase their financial support of the church when proper goals and program needs are identified. Likewise, where personal stewardship appeal is upbeat and enthusiastic, there is open willingness to increase financial support to the budget program of the church. Forty percent report that proportionate giving is a vital part of their financial planning and stewardship commitment. The fertile field is the remaining sixty percent not so disposed.

The stewardship of time is a most important aspect of our relationship to God. Questions were aimed at numerous church activities such as time in worship, study, prayer, missions, outreach, service, and fellowship. The need for greater involvement and dedication of added time in each of these areas was the keynote. The potential for improvement in personal outlook

and for related church growth becomes unlimited when the commitment of time in the above areas is clearly set forth as a goal. How and where will the renewal of time dedication begin?

People with special talents seem to be willing to utilize these talents in support of religious activities; nevertheless, the frequent involvement of both marriage partners in gainful occupations introduces hardship and true conflict in terms of time allocation. Economics in daily living have therefore impacted on personal time investment. People seemingly have less time to do things because secular activities have become of higher priority than church related activities. The clarification of our ultimate life purpose becomes significant and proper guidance in its formulation appears to be the challenge for our programming efforts.

The basic truths of the Bible are in the hearts and minds of our membership. The concern that comes forth is that “turning the other cheek” is not as easily done in real life as the learning is acquired. We are finding ourselves to be properly informed but are experiencing difficulty in practicing our belief and in following the Lord’s commands. This dilemma simply points to the need for more action orientation within our development programs rather than philosophical espousal.

Many other issues are illuminated by the survey results.

IT IS STRONGLY RECOMMENDED THAT THE DISTRICT COUNCIL ON MINISTRIES ORGANIZE AND SPONSOR WORKSHOPS IN 1991 FOR CHURCH MINISTERS AND LAY STEWARDSHIP REPRESENTATIVES FOR THE PURPOSE OF DEVELOPING ACTION PROGRAMS THAT ARE RESPONSIVE TO THE ISSUES WHICH ARE HIGHLIGHTED BY THE CONFERENCE STEWARDSHIP SURVEY RESULTS AS REPORTED IN THE REPORT ENTITLED, “OIKONOMIA.”

THE STEWARDSHIP COMMISSION IS PREPARED TO ASSIST IN THIS PROCESS. REPORTS TO THE CONFERENCE COUNCIL ON MINISTRIES PRIOR THE 1991 SPRING MEETING SHOULD PROVIDE INFORMATION ON WORKSHOP OUTCOMES AND ON THE IMPLEMENTATION OF PROGRAM ACTIONS RESULTING FROM THE WORKSHOP OUTCOMES.

Many thanks to Dr. Marvin E. Grunzke for the many hours he spent on the Stewardship Survey and in preparing this report.

THE BOARD OF LAITY

Report No. 1

During the 1989-1990 Conference year, the Board of Laity continued to progress in its ministry. The Board met on a regular basis, with excellent attendance. The Board has continued to emphasize the importance of organization of the laity in each of the districts as mentioned in last year’s report.

The Board of Laity is very pleased with the results of the orientation sessions prior to Annual Conference which occur in each of the districts. We are continuing to monitor those meetings and to fine tune the effectiveness of the meetings. The results thus far indicate that such sessions are quite valuable in the preparation of the laity members to Annual Conference for the Annual Conference sessions. These pre-conference sessions in each district provide an opportunity for lay members of Annual Conference to be better informed as to any complex or controversial issues that may come before Annual Conference.

Under the direction of a committee headed by Vera Moore, the members of Annual Conference were identified by district by providing a color code on the badge. Also, the District Lay Leaders were assigned seats at a table immediately in front of the stage and in the area immediately in front of the lay members so that they were more easily identifiable at Annual Conference. The Board of Laity feels that these efforts at identification and structure enable the members of Annual Conference to participate more fully and effectively in the proceedings.

The Board feels that more emphasis should be placed on inclusiveness in the membership of the Board, and this is a matter which requires careful attention since many of the members of the Board are elected *ex-officio*. The Bishop and the Cabinet are urged to give this matter their attention to make certain that in the nominating process for the offices that make up the Board of Laity, inclusiveness be considered.

The major emphasis of the Board of Laity during the past year has been in the area of stewardship. The Board has participated and supported a Stewardship Commission in the conference-wide emphasis.

A number of the District Lay Leaders attended a training event at Lake Junaluska in connection with the Annual Laity Conference in July of 1989. The training session was quite beneficial and will be repeated and somewhat expanded in 1990. Each of the districts is urged to assist financially in enabling their District Lay Leader to attend so that they may share the experiences of District Lay Leaders from other Conferences and meet representatives of the General Church and of the Jurisdiction.

Dale Segrest, Conference Lay Leader

Report No. 2 — COMMITTEE ON LAY SPEAKING

The Lay Speaker Program of the Alabama-West Florida Conference continues to show considerable progress in our effort to support and assist our pastors, the local churches, the Districts and the Conference. Unfortunately, we still do not have all Districts participating in the program as it was modified by the General Conference of 1984. These changes became effective in 1985 and since that time have been the only basis for a Lay Speaker Program. Since then three (3) of our nine (9) Districts have revitalized their programs in accordance with *The Book of Discipline* and the "Guide For Conference/District Committees on Lay Speaking." Two (2) other Districts are currently in the process.

Our primary activity was the second Annual Lay Speaker Training Weekend conducted by and for the Conference at Blue Lake's Oakwood Lodge the last weekend in March. This training conducted in a retreat atmosphere included a Basic Course and two (2) Advanced Courses (*Lay Speakers Lead In Evangelism* and *Lay Speakers Communicate Their Faith*). Twenty-five Instructors and Staff were involved in conducting this program. Instructors included a professor, District Attorney, writer, member of the military, as well as pastors and Lay Speakers. The Lay Speaker Instructor Cadre represented five (5) of our Districts.

Basic Courses were conducted in Marianna/Panama City, Mobile and Pensacola Districts. Advanced Courses were conducted in the Mobile and Pensacola Districts.

The Conference Director for Lay Speaking has continued to work with the Marianna/Panama City District Committee on Lay Speaking. He has also assisted the Mobile District in the formation and training of their Committee on Lay Speaking. Meetings on Lay Speaking have been conducted in five (5) Districts of the Alabama-West Florida Conference, one (1) District of the North Alabama Conference, and one (1) District of the North Georgia Conference.

The Lay Speaker Program was pleased to have the opportunity to serve during the Bishop's Celebrate and Witness Evangelism Rally conducted in the Pensacola Civic Center on March 17, 1990. Eighty-five Lay Speakers were involved as ushers, parking guides, security personnel, choir members and in televising and recording the program. They also staffed several of the display tables. An additional twenty-five (25) Lay Speakers were prevented from reaching the Civic Center due to the flood damage to roads and bridges. The eighty-five (85) participating Lay Speakers all came from the four Districts conducting the Pensacola Rally. The Lay Speaker display table gave out some five hundred (500) brochures and handouts on the Lay Speaker Program.

Major activities of the Lay Speaker Program this year consisted of training as the primary activity. This included the conduct of Basic and Advanced Courses, training for local churches in visioning, planning, leadership and Evangelism, as well as District Seminars and Workshops. Other activities included providing speakers for special programs, talks, church related groups, community groups and dinners for churches. Offering a Lay Speaker Revival Team to conduct revivals, conducting Lay Speaker Sunday Services to demonstrate Lay Speakers in action as greeters, ushers, worship leader, music director, accompanist, special music, and to present the message. A special Training Team was developed to conduct a four (4) session Evangelism Training Program for the local church, and to serve as pulpit supply for empty pulpits or during the pastor's absence.

Lay Speakers served three (3) United Methodist Churches at least part of the year: Mamie's Chapel United Methodist Church in Little River, Alabama for ten (10) months due to the death of the pastor; New Hope United Methodist Church in the New Hope/Gateswood

Community of Alabama for ten (10) months due to the transfer of the pastor; and Byrnnville United Methodist Church in Byrnnville, Florida following the resignation of the pastor.

The Lay Speaker Program provided six (6) additions to the clergy or candidacy program of the Alabama-West Florida Conference during the past year. Three (3) were from the Pensacola District, two (2) from the Mobile District and one (1) from the Marianna/Panama City District.

The three (3) Districts with active Committees on Lay Speaking have a total of 176 Lay Speakers including Local Church Lay Speakers and Certified Lay Speakers. As indicated above they provide a wide range of services to support and assist pastors, local churches, Districts and the Alabama-West Florida Conference. To the best of my knowledge, the remaining six (6) Districts have a total of forty-two (42) Lay Speakers including both Local Church Lay Speakers (LCLS) and Certified Lay Speakers (CLS).

The Conference Committee on Lay Speaking stands ready to assist in program revitalization, development and training of a Committee on Lay Speaking, development of a Lay Speaker Support Program, the determination of District needs, selection of Service Areas, development of special programs, conducting the required interview of candidates for Certified Lay Speakers (CLS) and the Consecration of both Local Church Lay Speakers and Certified Lay Speakers.

The responsibility and accountability for program revitalization and local control through a Committee on Lay Speaking rests with the individual District.

It is the hope of the Committee on Lay Speaking to bring all Districts into conformity with the "Guide For Conference/District Committees on Lay Speaking" and *The Book of Discipline* as implemented in 1985.

Wm. Collier Martin, Sr., Director of Lay Speaking

Report No. 3 — UNITED METHODIST MEN

The Alabama-West Florida Conference United Methodist Men continued their growth through the chartering process during last year. We had an increase of 16 units which have chartered. This is the fourth year in a row that we have been in the top three in the nation in increased chartering.

Our Conference Retreat in January was a very spiritual success. Dr. Reggie Ponder, Dr. Arnold Prater, and our own Bishop Hancock led us very well with their preaching and Joe Pat Cox, Ralph Freeman, and Larry Hannah with their music. Many decisions were made.

We have continued our work on the cabins at Blue Lake and are ready now to begin installing tile in them.

In the coming months, we plan to devote more of our effort to mission projects within and without our conference. Due to the recent storms in the Carolinas and floods in our own area, the UMM feel a real responsibility to do something about forming disaster response teams in our units and at a conference level.

We praise God for His allowing us to continue in his service.

Robert L. Powell, Conference President

Report No. 4 — UNITED METHODIST WOMEN

"THE ORGANIZED UNIT OF UNITED METHODIST WOMEN SHALL BE A COMMUNITY OF WOMEN WHOSE PURPOSE IS TO KNOW GOD AND TO EXPERIENCE FREEDOM AS WHOLE PERSONS THROUGH JESUS CHRIST; TO DEVELOP A CREATIVE, SUPPORTIVE FELLOWSHIP; AND TO EXPAND CONCEPTS OF MISSION THROUGH PARTICIPATION IN THE GLOBAL MINISTRIES OF THE CHURCH."

The Purpose of United Methodist Women continues to be the guiding light that takes our members on their journey through the year of service.

The Seventh Annual Meeting opened with the theme, "A World in Search of Justice." It called us to become concerned for those on the earth who are distraught by injustices and despair; for those who are hungry and need food; for those who are sick and who require treatment; for the homeless who have no home and for our children who need protection and nurturing. The speaker, LaVeeda Morgan Battle, brought a stirring message on the theme.

The calling is crucial and a great responsibility, but through the Charter for Racial Justice, The Campaign for Children, The United Methodist Women's Reading Program, and

the Program Resource Book, we continue to answer and to search for ways to become responsible women in the world today.

The second retreat/workshop for "Under 39" women, in as many years, was held in July to meet the needs of younger women in the Conference. It was also designed to develop leadership and organize new units or new groups in existing units. There were 94 young women in attendance.

The United Methodist Women are one of the sponsoring agencies for the Cooperative School of Christian Mission whose theme for 1989 was "From Struggle to Hope: Songs for our Time." The School for 1990, "Christian Faith and Cultural Realities" is planned for 1990. It will be held at Blue Lake, July 31-August 5. The study themes will help promote solutions for the above call.

The Spiritual Enrichment Retreat, held in March 1990 and led by The Reverend Louise Johns was part of our calling. The theme, "Blessed are the Seekers of Righteousness" led us forward in our quest for righteousness in our world.

To follow through with the resolve to make a difference in the world and to make our intentions know through "the Global Ministries of the Church," United Methodist Women from the Alabama-West Florida Conference have pledged for 1990 through the Pledge to Mission, \$179,000.00. The paid Pledge to Mission in 1989 was \$176,981.56. That amount includes a special Gift to Mission in honor of the retiring President, Anne Dalton. Total amount paid to the Women's Division for 1989 was \$228,201.16.

There is a challenging past to follow and an exciting future for which to work through United Methodist Women.

Ruth Ann Powers, President

1990 COOPERATIVE SCHOOL OF CHRISTIAN MISSION

CHRISTIAN FAITH AND CULTURAL REALITIES is the theme for the 1990 Cooperative School of Christian Mission to take place at Blue Lake Camp, July 31-August 3 (weekday), and August 3-5 (weekend). The theme is designed to help us better understand how our faith is shaped by the culture in which we live, and to become more receptive to Gospel visions as they are experienced by sisters and brothers whose world view and culture differs from our own. The School is structured to promote study of the current mission themes, to train leaders who are charged with the responsibility of local church and district planning for education and action in mission; to help individuals to be persons in mission; to interpret mission funds and increase mission support; and to provide personal spiritual enrichment. The School is approved for CEU's for clergy and Diaconal.

Again, this year, the component Teaching Mission To Children will be offered; however, this course will only be taught during the weekend session. The subject content will be Gospel, Culture and Media.

The School continues to be sponsored cooperatively by the Conference Board of Mission, United Methodist Men, Board of Church and Society, and United Methodist Women. The planning committee urges you to promote the School in your church and district. A scholarship fund is established. Donations and scholarship information may be obtained from The Rev. Fred Zeigler, P.O. Box 299, Blountstown, FL 32424 or The Rev. Don Brill, P.O. Box 700, Andalusia, AL 36420.

Watch *The Advocate*, *The Link*, *UMW Alert*, and the Annual Conference Packet for additional information.

Courses and study leaders are: Galatians, The Rev. Alvin Harbour (Mobile, AL), Jan Hulbert (Pensacola, FL); People of a Prophetic Church: Central America, The Rev. Ervin Dailey (Birmingham, AL), Ruth Ann Powers (Phenix City, AL); Gospel, Culture and Media, Cecilia Ann McClure (Franklin, TN), The Rev. Frederick Outlaw (Tuskegee Institute, AL); Teaching Mission To Children (Gospel, Culture and Media), Carolyn Stewart (Dothan, AL).

The participants of the 1989 School, under the brilliant leadership of Ruth Ann Powers of Phenix City, AL were informed, inspired and stimulated to return to their local churches with a keen awareness and fresh motivation for mission.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1 — PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the year 1991, we recommend that the total annuity rate for service years prior to 1982 be two hundred sixty-five dollars (\$265.00) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be one hundred eighty-five dollars and fifty cents (\$185.50), provided that for those living in homes provided by the Annual Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$1,700,000 for 1991.

We call attention to paragraph 736.4 of the 1988 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to payment of a minister's salary, and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent (7%) annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued. Those who do not wish to be enrolled should contact the Pensions Office in Andalusia prior to November of each year.

Report No. 3

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). (MPP Section 2.1 (e) (f) and 4.1 (d) (ii); CPP section 2.1 (e) (f).)

The MPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP section 4.1 (b) and 4.1 (e) (i); CPP 4.1 (a))

The MPP and CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Annual Conference by the General Board of Pensions to each active participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pensions. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) whichever is greater. (MPP Sections 4.1 (a) and 4.2 (g); CPP 4.1 (b) and 4.2 (h)).

The Alabama-West Florida Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP 3.2)

Any Full or Associate Member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church contributions based on the participant's annualized Plan Compensation immediately prior to such leave. (Disciplinary Paragraph 446; MPP 3.2 (b)).

Any full member appointed to attend school after having served under appointment for six consecutive years other than to attend school may continue to participate in MPP. The Conference shall make the required church contribution based on the participant's annualized plan compensation immediately prior to such leave. The Alabama-West Florida Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. (CPP Section 3.2)

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. (Disciplinary Paragraph 446; CPP 3.2 (b))

Should the pension rate, as a percentage of the 1991 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions shall be authorized, after consultation with the General Board of Pensions, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary paragraphs 1606.2 (b), 1606.7, and 1606.21 (a); MPP Supplement Section (f)).

In accordance with paragraph (e)(5) of Supplement One, the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1991, has been actuarially projected to be \$2,747,427, based on the most current valuation and interest assumptions. Past service funding deposits are required to fund the unfunded liability and shall be in the amount and for the period shown below:

Amount	Period of Deposit
\$223,306	23 Years

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pensions exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One (f)).

Report No. 4 — CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

Report No. 5 — SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with paragraph 1606.3a (3), 4g, 4h, of the 1988 *Discipline*, we recommend that those appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the Wesley Foundation at Troy State University, the director of Noah's Ark, the director and associate of the Mobile Inner City Mission, the director of Hispanic ministries, and the executive director of the United Methodist Foundation. The district superintendents, ministers appointed to the Conference Council on Ministries and the fiscal office are approved with pension responsibility on the Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimant's Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pensions. See paragraph 1606.3a of the 1988 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan (CPP) by a personal payment of 3.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

Report No. 6 — DEPOSITORIES

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of The United Methodist Church.

Report No. 7 — PENSIONS FOR LAY EMPLOYEES

We strongly endorse the Cumulative Pension and Benefit Plan (CPBP) and the Basic Protection Plan (BPP) administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

Report No. 8

FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1988 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1991 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not the surviving spouse.

Report No. 10 — OTHER NOTATIONS

In reviewing the service records of the following ministers the Board recommends that the service record of each be adjusted as indicated:

1. Winston Dow Jay — 1 year while serving the Wausau Charge in the Marianna District, 1965-1966.
1 year while serving the Lowndesboro Charge in the Selma District, 1968-1969.
2. Ernest Marion Address — 1 year while serving the Salem Circuit in the Montgomery District, 1955-1956.

SPECIAL GRANTS

The Board recommends that the following grants be continued for the year 1991:

Name	Monthly Amount
Donald E. Montgomery	\$100.00
Mrs. Theo Rhodes	\$150.00

Report No. 11 — HOMES FOR CLAIMANTS

We recommend that \$60,000.00 be apportioned for the Homes for Claimants program.

The Board of Pensions and Homes for Claimants now owns 47 living units for retired ministers and their spouses and surviving spouses of ministers. Seven units are located in West Florida and 40 are located in Alabama. All but one of the units are now assigned to claimants. In addition to the living units assigned to claimants, the Board owns nine lots in Pensacola, a four-plus acre tract of land in Montgomery, and a home in Ft. Walton Beach with a life occupancy trust. The proceeds from the Homes portion of the Capital Funds Campaign is pledged to pay the note on the property in Montgomery and in Pensacola as well as other homes which were purchased in 1989.

During 1989, repairs and improvements have been made on 34 of the homes. In all \$50,041 was expended on maintenance and repairs. There are several of the homes that still need work, which will be done as soon as possible.

The indebtedness on property owned by the Board is \$464,448. This includes mortgages on five homes and on the vacant property in Pensacola and Montgomery. There is one annuity to which \$3,500 per year is pledged as well as a home in Ft. Walton Beach which the Board maintains as a Life Estate while the grantor lives there. The Board holds mortgages on property totaling \$22,039 as of December 31, 1989.

Invested funds which come from the Capital Funds Campaign, gifts, interest, etc. are as follows:

- \$ 37,921 in a CD
- \$404,752 from Capital Funds Campaign deposited with Methodist Foundation
(As of December 31, 1989)
- \$ 18,193 Funds from loan payments and miscellaneous income.

Beginning in the 1990-1991 Conference year, the Board will require a financial statement showing a need for the Board to provide a home for a retiree or a surviving spouse.

The following was a part of the original report:

The Board proposes terminating the Conference housing program January 1, 2000. Specific details have not been completed but after the year 1999 no homes will be assigned to new retirees or surviving spouses. Persons occupying Board provided homes at that time will remain in the homes as long as needed. When a home becomes vacant, it will not be reassigned but will be disposed of and the proceeds used for maintenance of the remaining.

Recognizing that there may be difficulties in adjusting to this change, the Board will apply a portion of the proceeds from the sale of homes not needed for maintenance to a Homes Trust Fund to provide assistance in acquiring personal housing. In addition, funds now held in interest bearing accounts, the Capital Funds receipts, and other sources of funds (apportionment, gifts, bequests, etc.) will become part of the Homes Trust Fund. In any circumstance, those homes given to the Conference to be used for retired ministers' housing and which may be sold under this new plan, the proceeds from such sale shall be preserved in the Homes Trust Fund to honor such bequest.

The following motion was made and supported by the Annual Conference:

I move that this part of the report be referred to committee for a more detailed plan to be presented to Annual Conference 1991. That ministerial input be given to any plan that is to be presented. That a written proposal be presented at the 1991 Annual Conference.

GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES

1. Priority for Homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
 - A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference.
 - B. A surviving spouse of an active minister with a minimum of ten (10) years of full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years of service.

- C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
- D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
2. Applicants who meet the above qualifications shall furnish evidence of need by completing the Financial Assessment form provided by the Board. Then the following priorities will be followed:
 - A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
 - B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.
 - C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
 - D. Ministers placed on disability subject to 1.D above.
3. APPLICATIONS FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than provide temporary housing. Home assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.
4. Claimants shall provide the following information to the Director of Homes:
 - A. Name of claimant and immediate family members.
 - B. Number of persons to be housed.
 - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.

The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations. MINOR MAINTENANCE AND REPAIRS UP TO \$50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.
7. Care should be exercised by occupant in the erection of TV antenna so that existing property is not damaged.
8. No claimant who serves a church, under appointment, which has a livable parsonage will be provided a claimant's home. A claimant who discontinues serving a church, under appointment, will be considered for a home under guideline 2.
9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.

12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) dollars annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Drawer 700, Andalusia, AL 36420.

Report No. 12 — HEALTH INSURANCE

By action of the called session of the Alabama-West Florida Conference meeting at Frazer Memorial United Methodist Church on February 3, 1990, the health insurance program was changed from a fully-funded policy with Metropolitan Life Insurance Company to a partial self-funded program.

COMPREHENSIVE MEDICAL COVERAGE

ELIGIBILITY. This has not changed from the old coverage. It is governed by group policy requirements set by insurance underwriters. All full-time local pastors, full-time Conference Members, full-time probationary members, and student pastors are included if serving within the bounds of this Conference. Dependents of the above named persons can also be covered.

For persons new in one of the above named categories, enrollment must be completed by the middle of the month in which they first become eligible. Dependents must also be enrolled at that time to be accepted without proving insurability. Enrollment forms will be sent to these persons at the time the Insurance Office is notified of their status.

PLEASE NOTE: Due to Social Security Administration rules (not Board of Pensions rules), retired ministers, 65 and above, serving as Retired Supplies or in the employment of a local church or conference related institution must be covered under the Comprehensive Medical and not under the Medicare Supplement if covered by the Conference. This applies also to the spouses of these ministers. However, a person over 65 may elect to decline group coverage, retain Medicare as primary, and obtain Medicare Supplement elsewhere. At the time he or she discontinues as a pastor or in the employment of a church or conference related institution, the Conference can begin covering them under the Medicare Supplement policy. The Major Medical premiums for retired supplies will continue to be paid by the Conference. The premiums for spouses and for ministers in the employment of local churches or conference related institutions will be the responsibility of the employing agency. At the time the retired minister ceases work, the Medicare Supplement premium for retired minister and spouse will be paid by the Conference.

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1988 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Salary Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule, then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. Beginning January 1, 1989, to receive fully scheduled equitable salary for the minister's category, the church must pay 80% of the equitable salary schedule for 1990, except as defined in paragraphs 8-12 of this report.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of this report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for four years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission

recommends that churches or charges, to be eligible for equitable salary aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The Commission recommends the following Equitable Salary Schedule for 1991:

Category	1991 Minimum Salary	Minimum from Churches - 80%
Members in Full Connection	\$20,000.00	\$16,000.00
Probationary Members	20,000.00	16,000.00
Associate Members	18,700.00	14,960.00
Seminary Students (Married)	15,600.00	12,480.00
Seminary Student (Single)	14,700.00	11,750.00
Full Time Local Pastors	16,400.00	13,120.00
Student Local Pastors (Married)	12,600.00	10,080.00

ASSEMBLY GROUNDS COMMISSION (Blue Lake Camp)

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but by those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we get from our people. The facilities at Blue Lake continue to be used widely by conference boards and agencies, committees, districts and local church groups. Non-Methodist groups make use of the facilities when they are not reserved by Methodist groups.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies and district and local church groups are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate more groups. Conference groups have until October first to schedule their activities for the three months of June, July and August. After the first of October, non-conference groups will be scheduled if dates in the summer are available.

Each year we have groups that cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their scheduled event, it is too late for another group to use it. Cancellations also result in the loss of revenue for the camp. The everyday expenses continue and the loss of one week's revenue makes it difficult to meet its financial obligations. All groups are urged to give the Lake two months notice of cancellation if possible.

The Blue Lake Fund is the life line of the Blue Lake ministry and without the continued support of the local churches through their budgets we cannot make it. Therefore, we urge each of you to accept and pay "in full" the Blue Lake apportionment.

The financial support of the United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake possible. Their continued support in helping to further develop our Methodist assembly is greatly appreciated.

Blue Lake is your church camp and your church should use it as often as possible. Large, small, or in-between, your church group is welcome and at home in this beautiful setting. Bring groups for retreats and send every person you can to the camping opportunities.

The Blue Lake ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1

The Alabama-West Florida Conference offers support to two Church-related colleges — Birmingham-Southern and Huntingdon College. The Church works hand in hand with the colleges in enriching the moral, spiritual, and intellectual resources of the students. The following are the reports of our Church related colleges.

HUNTINGDON COLLEGE

The late Augustus Birrell wrote, "Libraries are not made; they grow." Students returning to Huntingdon College last September discovered that, with the completion of the Charles and Thelma Dixon Wing of the Houghton Memorial Library, their campus library had just about doubled in size and now featured an atrium with skylight, additional study areas and greatly expanded stack space for the growing book collection. The new wing also houses the special collection of the College and the Alabama-West Florida Area/Conference Archives collection.

The Dixon Wing is indicative of the growth that has continued to occur on the Huntingdon campus during the past five years. However, the growth is not confined to the physical geography of the College. In the 5th annual issue of *U.S. News and World Report* on "America's Best Colleges," Huntingdon is named among eight regional liberal arts colleges in the United States whose educational improvements have led to recognition as "up and coming" in academic reputation. This recognition came by ballot of presidents, deans and admission directors from peer institutions of 384 regional liberal arts colleges in the United States voting by four regions. The South as a region included 12 states. The *U.S. News* report used measures of five factors in ranking colleges:

- * Academic reputation
- * Student selectivity
- * Retention
- * Faculty quality
- * Financial resources

On each of these factors Huntingdon has made significant progress in recent years.

Huntingdon, as a United Methodist-related college, not only seeks to make it possible for all students who want to enroll to meet the cost of their education, but wishes especially to make this true for United Methodist students. Of the 329 United Methodist students enrolled at the College 176 are receiving financial aid totaling \$605,508. It is anticipated that the 1990-1991 institutionally funded needs for student aid will be \$1.6 million dollars. The \$1.6 million dollars is projected to be required above both state and federal appropriations which presently amount to another \$641,872 dollars.

The construction of badly needed new facilities plus the upgrading of older buildings on campus, along with the recruiting of students, raising of faculty salaries to competitive levels, providing scholarship and financial aid, in addition to the day-to-day costs of running

a college of Huntingdon's size requires huge capital resources. In a report to the College Board of Trustees, Huntingdon's president, Dr. Allen K. Jackson, wrote, "The potential and promise for Huntingdon as a college of growing stature depends now upon our effectiveness in raising the level of annual gifts for immediate needs, and to find those major gifts to pay our debts and to expand endowment, especially for scholarships." Huntingdon relies heavily upon the integrity and goodwill of the Annual Conferences within the state of Alabama and West Florida for both financial and student-recruitment support.

Huntingdon was saddened, along with the members of the Alabama-West Florida Annual Conference, when it lost an esteemed friend, patron, and trustee in the death of Alfred Delchamps, Jr. as the result of a small airplane crash near Creola, Alabama on October 15, 1989. Mr. Delchamps became a trustee in 1971 after his father had become a life member. In 1974 he headed the Church Scholarship Campaign that brought in over a million dollars and enabled the College to begin to increase enrollment, growing from 430 in 1974 to 833 this fall. His good sense, goodwill and humor often lightened the load and helped the College to move ahead. The Delchamps heritage at Huntingdon, father and son, from 1937-1989, strengthened the College and enriched its growth. The administration, faculty, and students salute Fred Delchamps and praise God for the gift of his presence and work as trustee, patron, and friend.

Conference encouragement of capable students and financial support are vital to the maintenance of academic excellence and sustained growth of Huntingdon College. We deeply appreciate the support and prayers of our presiding bishop, Bishop Charles W. Hancock, his cabinet, the local congregations, both clergy and laity. It is through this connectional partnership, Church and College, that Huntingdon can continue its distinguished service to Christian higher education as it has for the past 136 years where students "enter to grow in wisdom" and "go forth to apply wisdom in service" to both God and their fellow humankind.

BIRMINGHAM-SOUTHERN COLLEGE

Birmingham-Southern College has just completed an outstanding year with the highest enrollment in our history (1,937 students), our largest and perhaps best ever faculty (99 full time professors), and our 14th consecutive year of a balanced budget (\$23 million). The academic strength of our student body continues to rise (average ACT score of 25), and we continue to receive national recognition in many forms for high achievement.

We are becoming steadily more national and international. Students from out-of-state have grown from 10% of our student body to 30% in the past five years. We are enjoying a greater variety of students in terms of race and nationality. With the reintroduction of a language requirement of at least two semesters for all students, and with classes in Japanese and Russian, we have instituted international studies in our curriculum.

Two major building projects are underway and will be completed for Fall Term. The \$3.75 million Nancy and Lee Bruno Residence Hall will house 200 women. The \$3.2 million Elton B. Stephens Science Laboratories will provide new facilities for teaching Chemistry and Physics. A new intramural sports complex will enable us to use the old field for parking, relieving our very tight situation. Seven sororities have begun a fund-raising campaign to build new town-house-type facilities for their activities. The entire campus is being kept in good repair and beautiful condition.

In January 1989 we began a five-year 21st Century Campaign in which we hope to raise \$40 million, some of which will be long-term trusts and will commitments. We are more than halfway to the goal, and the campaign continues. Many individual United Methodists have stepped forward, and many others will need to do so if we are to reach the goal.

Religious life on campus is more active than ever. Nearly 40% of our students are United Methodists, which is almost twice the average percentage on United Methodist-related campuses. The big news is in Service Learning. Almost 50% of our students worked in various community service projects, including a project in Zimbabwe, Africa. Attendance at weekly worship and Bible Study remains strong. We had more than 100 pastors on campus in two continuing education seminars.

We solicit the continued assistance of United Methodists and local church congregations in financial support and recruitment of students. We solicit as well your prayers and good will.

Report No. 2 — CAMPUS MINISTRY

Campus Ministry is the Church's presence on college and university campuses. Our Campus Ministries provide spiritual enrichment, encouragement and evangelism opportunities. Each Campus Ministry is unique to its own campus life. The following is the report from our Campus Ministry.

AUBURN WESLEY FOUNDATION

If one is not moving forward, it is argued, one is actually digressing. AU Wesley chooses not to rest on her laurels, but to continue to press forward attempting to reach the AU campus. The challenge is larger than can be accomplished at times, but the United Methodist Church needs this outreach and has had the wisdom to invest in it. We press forward with a very active program including the following highlights for 1989-90.

Her responsibilities include program interpretation to local churches (adult and youth), visitation of students on campus and fund-raising. We anticipate many benefits from this staff expansion.

David Goolsby

LIVINGSTON WESLEY FOUNDATION

With the completion of our new building, the Livingston Wesley Foundation has moved into a new phase of ministry on campus. Our first quarter in the building began in the fall of 1989. Eighty students attended the Welcome Back party with ninety joining us later in the quarter for a cook out celebration. During the fall quarter we saw 130 different students participate in various events at the Wesley Foundation. From the beginning we have had a good representation of black and white students involved.

Though our major events continue to draw large numbers during the winter quarter, we are still in the struggle to develop a core group of students who are committed to Wesley and to growing in their spiritual lives. This is not done as quickly or as easily as entertaining large groups. We hope to have an elected student council by the end of the spring quarter.

Highlights of our two program quarters include:

Major Fellowship Events:

Welcome Back Party	(80 people)
Volleyball Cook-out	(90 people)
Christmas in November	(30 people)
Progressive Dinner to five major churches in town	(50 people)
Valentine Dinner	(65 people)

Spiritual Growth and Group Building:

Monday Night Supper Club and program	(13 people [average])
Administration-Staff Prayer Group	(14 people)
Retreats	(4 students)
Bible Study-Variou Settings	(10 students)

Recreational Opportunities:

Intramural Men's team in most sports	(18 people)
Women's Volleyball	(6 people)

Missional Outreach:

Habitat for Humanity Work days (Planned for Spring Quarter)

The goals for Livingston Wesley Foundation include the following:

- 1: To provide a community of acceptance and encounter for students where spiritual and personal growth can take place.
- 2: To provide students with opportunities for mission and service to others.
- 3: To become a catalyst for faculty and administration, so that they may become more intentional about their Christian mission to students and their own growth as individuals.

The support of churches and individuals throughout our conference has been deeply gratifying. Gifts of various kinds have helped us equip our lovely building with supplies and resources that make the facility very inviting to students. We earnestly solicit your continued prayers for student work in all of our Wesley Foundations. It is a challenging and difficult area of ministry.

Ruth E. Penton, Director

TUSKEGEE WESLEY FOUNDATION

TUSKEGEE WESLEY FOUNDATION is a campus ministry which endeavors to bring together Methodist, as well as, other students on the campus of Tuskegee University. The role of Tuskegee Wesley Foundation is to assist in the enhancement of college life through Christian inspired and focused programs of social, recreational and spiritual fellowship. At present the enrollment of Tuskegee University is approximately 3,400 students. Of this number about 274 students had declared a "METHODIST" preference on their student profile sheet. We have enrolled with Tuskegee Wesley 19 students.

Our work this year has been helped tremendously with our office being on campus. We have acquired an office in the college union (which is being temporarily housed in the former John Andrew Community Hospital). We have worked long for this opportunity. Our task is still difficult, for the temporary location of the college union does not make it accessible, or attractive, to the student population. This year about 70% of our time has been spent in counseling students and financial management. This situation could be attributed to the fact that the position of Dean of the Chapel is vacant, and there is a vacuum for a spiritual head of the campus. We are scheduling our annual spring retreat and picnic to end the semester. During the semester our plans are to intensify our efforts of identifying all Methodist and other interested students in our programs.

We are extremely grateful for the support given by the Alabama-West Florida Conference and solicit your prayers and continued blessings.

Frederick G. Outlaw, Director

UNIVERSITY OF SOUTH ALABAMA

We are making progress in the 1989-1990 academic year toward accomplishing the goals we had set for the University of South Alabama Wesley Foundation.

(1) There is an increase in participation over last year, both in terms of total number of students who have come, and in involvement of student leadership. Total number enrolled

as of Spring Quarter — 114. (End of last year was 95.) Actual number of participants has been 80.

A goal to strengthen our presence, visibility, style, and availability on campus is being realized in some great opportunities to be involved in student life and programming. Our cooperation with both our Association of Campus Ministers, the Division of Student Personnel Services, as well as with other groups has helped with this goal. Some specific program opportunities this year have been: Orientation Worship, Vietnam Memorial Wall Replica Ceremonies, Student Leadership Conference, Homecoming Activities, College Bowl, Acquaintance Rape Seminars for R.A.'s and Dorm Councils, and training and planning for AIDS Prevention on campus.

(3) We are establishing relationships with local UMW groups who have been providing snacks for our office and Lunch Bunch. U.S.A. Wesley Foundation is grateful for all the support we have been receiving from local churches, both through opportunities to speak on behalf of the program as well as for financial support.

(4) In our effort to balance, enrich, and expand our ministries, we have started developing new areas such as Wesley Singers, Sunday Nite Specials, and Quarterly Service Projects. Support has not been strong, so far, in these areas, but we are hopeful that they will grow. We do find that we are extremely limited by our lack of facilities.

Our Board of Directors has been exploring our need for a Wesley Center and has been looking into some property in the area. A major task will be discovering ways to fund the purchase of property and building a Center.

Specific participation in programs has been as follows:

Tuesday Bible Study	41 Participants (Average 15)
Thursday Lunch Bunch	25 Participants (Average 8)
Sunday Nite Specials	11 (varies up to 11)
Wesley Singers	18 (varies up to 12)
Intramural Team	20 Participants
Special Events	34 Participants (varies up to 20)
(Includes: Retreat, Hay Ride, Parties, Concerts, Plays, Field Trips, etc.)	
Leadership Team	12 Students

Dottie L. Rogers, Director

ALABAMA STATE UNIVERSITY WESLEY FOUNDATION

ASU Wesley Foundation has begun its third and most comprehensive semester of ministry on the ASU campus. We offer a ministry schedule which includes opportunities for worship, Bible study, and leadership experience. Culturally based convocations designed to celebrate the contributions of the ethnic communities and cultures in our area will also be offered this Fall.

According to census information provided by the Vice President of Student Affairs, the number of students living in the dorms as of Spring 1989 totaled 1,680. Of that total 242 are Methodist. Twelve students represented the Wesley Foundation Student group for the 1988-1989 school year. Twenty students represent Wesley Foundation Student group for the 1989-1990 school year. The Director has ministry contact with many faculty, students and staff who are not members of the Wesley Foundation. The Foundation is providing a worthwhile service to the campus environment. The ministry opportunities are well received and attended by the campus community.

A facility has been designated as the Religious Development Resource Center on the University campus. Wesley Foundation has unlimited access to the facility and all other campus facilities. Wesley has secured a campus mailing address. Parking is available through campus procedure.

The University has hired a Director of Religious Development, created Religious Development as a separate Division of Student Affairs and has adopted policy to provide and resource this new area. A Council has been formed, (of which Wesley Foundation is a part) and it will function to insure a professional and relevant ministry atmosphere on the campus.

The Rev. Venus Longmire is the Chair of the ASU Campus Ministry Council.

ASU Wesley Foundation entered 1989 with the following goals:

Goal 1 — Identify a place on campus for ministry.

Goal 1 accomplished March, 1989, the date the Center became available.

Goal 2 — Increase Wesley Foundation Student group participation.

Goal 2 accomplished Fall, 1989. Student group increased by nine new members.

Goal 3 — Provide at least one worship opportunity per week.

Goal 3 accomplished in Fall, 1989 schedule.

Vespers each Sunday

Noonday Meditation each Thursday

Goal 4 — Develop community service project.

Goal 4 accomplished. Music students are providing tutorial services to underprivileged students in the month of November. Further consideration is being given to adopting a local youth.

As the programs we offer acquire greater visibility, there is greater participation in Wesley activities. The Director is on the campus an average of thirteen hours weekly, and yet it appears that is not sufficient, for calls are received for ministry at all hours. The opportunity for ministry on the campus is great, the response is great, the need is also great. It is my firm conviction that ASU Wesley Foundation could develop into a full time ministry opportunity. ASU Wesley Foundation has made great strides so far and with your support and resources it will continue to thrive. Let us plan for this ministry today by exploring the possibilities that are available to us.

Elizabeth Johnson Shuford, Director

TSU WESLEY FOUNDATION

This has been a great school year for Wesley so far. On the personal front, I received my Ph.D. in Historical Studies from Drew University on October 22nd, and was married on December 16th. At Wesley we have continued to experience growth from the beginning of the Fall until the present. At present we have 48 students who are actively involved on a regular basis with Wesley. Wesley has had at least 60 students actively involved during the course of the Fall and Winter quarters (we have lost a few since Fall to attrition and graduation). Although a few changes in the schedule have caused some fairly rapid rises in the numbers attending various events, we still have much to be accomplished. We have very few seniors this year, and therefore expect to continue to build upon the numbers already involved.

PROGRAM — WEEKLY

Monday:	7:00 a.m.	Breakfast Bunch	5-8 students
Tuesday:	6:00 p.m.	Fellowship Supper	17-30 students (we are
	6:30 p.m.	Flight Time — Program	averaging 18 at present)
Wednesday:	6:30 p.m.	Bible Study	8-12 students
	7:00 p.m.	Wesley Singers Practice	16 students (in whole group)

OUTREACH MINISTRIES

WESLEY SINGERS — We continue to perform two to three times per quarter, and have continued to grow under the new Choir Director.

SUMMER MINISTRY — We will be attempting to send out a group of five or six students to minister to youth in local churches throughout the Conference during the summer months. They will be holding Youth Revivals, Youth Retreats, Vacation Bible Schools, etc. At present, we are hoping to receive part of the costs of this ministry through appropriations from the national BHECM.

RECREATIONAL FACILITY — Through the kind gifts and donations of local churches and individuals we raised enough money to build a basketball/volleyball court on our lot. Because of the lack of open facilities in Troy, or at Troy State, we have had a lot of requests for the use of the facility. On an average day, about 10 to 12 students will come by and request permission to use the facility. They are then requested to sign in at the office, leaving their name, ID number, and telephone number. As a result of this open-handed attitude toward students we have had a least two inquiries into the program this quarter. We are seeing this facility as both a service to the student population, and as a means of drawing students into Wesley as well.

Jimmy Jeffcoat, Director

UNIVERSITY OF WEST FLORIDA WESLEY FOUNDATION

This has been an exciting year! On May 17, 1989, a task force was formed to investigate the possibilities of beginning a Wesley Foundation at one or both of the colleges in Pensacola, Florida. It was from that meeting that we set out to accomplish the goal of starting a Wesley Foundation that very year. There had been a need for many years that was not being met — reaching college students for Christ in the Pensacola area. We had four primary goals for the year. The first, to start a Wesley Foundation. Second, develop a 'core' group of active members. Three, to use all our resources to reach out to the student population for growth of the Wesley Foundation and their own spiritual lives. And lastly, perhaps the toughest, to find adequate financing to carry on the programs for the Wesley Foundation.

On August 29, 1989, we held our first organizational meeting at the University of West Florida. We had seven students attend along with our faculty advisor, Mr. Ray Thrift, and myself. From this group of seven students, six remain active 'core' members, and we began our first Bible study on September 5, 1989, with nine in attendance. We were approved as a recognized student group by the University on September 11, 1989, and recognized by the conference Board of Higher Education and Campus Ministry on October 19, 1989. On September 26, 1989, we hosted a cookout on campus to attract new students to the Wesley Foundation and feed over 35 students.

During the spring semester, we began adding fellowship time and retreats to build community and growth. From this process we have been able to add to our total fellowship another five students. We have given students responsibility for program development which has taken on a commitment to community involvement and missions.

We have accomplished or are well on our way to accomplishing the first four goals by starting the Wesley Foundation, developing a caring 'core' group of students, and reaching out into the community of students and inviting others to join with us. Developing a firm financial base for the Wesley Foundation has not happened as of yet. We have accomplished so much with the very limited funds we have had. God has truly multiplied our wealth. We expect the awarding of two grants and the sharing of our successes with district churches and groups will add greatly to our financial base and make our goal more readily visible. This additional funding will allow us to inaugurate promotional techniques and program plans that should greatly add to our numbers and growth spiritually.

With your blessings and prayers, it will be!

Bob Bailey, Acting Director

Report No. 4 — AFRICA UNIVERSITY

The Africa University is a higher education mission of the church. The Annual Conference Board of Higher Education and Campus Ministries is its representative in the Annual Conference.

The general church must raise twenty million dollars to fund the building of the University. To achieve this goal, we must be faithful in paying the line item in our budget marked "Africa University" and also we can go a second mile in giving through advance specials designated to this cause.

Because of the importance of this mission, we are asking that each church designate one Sunday each year to lift up "Africa University." We are suggesting that this be done the fourth Sunday in July of each year throughout the quadrennium. Bulletin inserts will be made available to all who would like them.

**THE SOUTHEASTERN JURISDICTIONAL
ADMINISTRATIVE COUNCIL**

Thank you for your support of the Southeastern Jurisdictional Administrative Council during the 1989-1990 conference year. You have played a very important role in the success of our first year of operation as an Administrative Council. You have supported the Council through your excellent attendance at the numerous program events planned by the Council and the affiliated associations, fellowships, agencies, and organizations. Attendance in 1989 was the best in more than five years. Your payments to the SEJ Administration Fund are another expression of your support. The percentage of payments to this fund was down again

this year, but it is encouraging to me that some of the annual conferences actually increased their giving for the jurisdictional apportionment. As I thank you for your help during this past year, I encourage you to continue to uphold your jurisdictional council this year and in the future.

This past fiscal year (1989) was the first full year of operation as the Administrative Council, and it proved to be a very positive one. A net operating fund surplus of nearly \$350,000 was realized. This was due to three primary factors: each of the divisions and most of the departments reduced expenditures; revenues were higher than expected; and several executive positions were not filled. Mr. C. David Snipes of Columbus, GA, was employed as business manager/treasurer and has given astute direction to the financial affairs of the Council. All funds are now separated into specific accounts and are administered in accordance with accepted accounting procedures and *The Book of Discipline*. By the end of 1990, the Foundation (Endowment Funds) will total more than \$2,000,000. This represents a 150 percent increase in just two years. We need your help to strengthen the endowment in order to provide continuous support for our non-revenue producing buildings. You may do this by making your own gift, including the Administrative Council or Lake Junaluska in your will, or identifying a person(s) who can make such a gift. At the end of 1988 there were no maintenance reserve funds. In addition to the Endowment Funds, it is anticipated that we will accrue an additional \$1,000,000 in maintenance reserve funds for the revenue-producing buildings by the end of 1992. These two measures will help to provide long-range fiscal stability for the Administrative Council and Lake Junaluska Assembly.

The Agency Division continues to provide support and guidance for the six agencies within the jurisdiction. Each of these agencies is directed by a person who is considered to be a leader in her/his area of responsibility. These respective directors are providing significant service to the Southeastern Jurisdiction and The United Methodist Church. Through the SEJ Missional Fund (an asking of \$.50/member/year), you undergird the ministries of these agencies. The agencies related to the Southeastern Jurisdiction are the Commission on Archives and History, the Commission on Communications (The United Methodist Series of The Protestant Hour), the Hinton Rural Life Center, the Intentional Growth Center, the Southeastern Methodist Agency for Rehabilitation (SEMAR), and United Methodist Volunteers in Mission.

The Lake Junaluska Division will be administered by the Rev. Glenn E. Martin, who has been chosen to serve as the Associate Executive Director. Mr. Martin, from the Mississippi Annual Conference, will begin on June 1. During the past year, the following improvements have been made to the facilities: Memorial Chapel has been refurbished (made possible by funds from the Junaluska Associates); a new roof has been added to Stuart Auditorium; enhancements have been made to the Kern Youth Center; new ramps have been constructed at the Children's Building and air conditioning added to the crib nursery (with financial assistance from the Junaluska Woman's Club); and bathrooms have been added to ten rooms in Mountainview Lodge. The service charges for residential services have been increased to provide adequate funds for delivering municipal services for the private homes. A modest portion of these funds has been budgeted for reserves. Conversations are currently taking place between the administration and leaders of the Junaluska property owners' organizations about the most equitable manner for determining and collecting these funds. The dredging of the lake was begun this spring and will be an ongoing operation by our maintenance staff. The hydroelectric project has been delayed yet another time because the project contractor and lessee filed for bankruptcy. The future of this project is indefinite at this time.

The Program Division continues to develop creative and well-attended programs for persons of all ages. We are especially excited about the expansion of the WELLTH ministry to include environmental wellness. "Breakthrough in Earth Literacy" is an opportunity offered to our summer staff to earn three hours of college credit in a course on Christian stewardship of the earth.

The Paul B. Kern Youth Center is the site of renovations which enhance both the physical fitness equipment and recreation opportunities, under the leadership of a year-round coordinator of Recreation and Leisure Ministries.

In addition to the staff-developed programs, the division staff provides resources and planning support for the many programs sponsored and designed by the associations, organizations, and fellowships related to the Administrative Council. Distinguished preachers, noted teachers, and gifted seminar leaders provide inspiration for these events. Dr. Israel

L. Rucker serves as the Associate Executive Director for the Program Division. Let me highlight just a few of the new programs or new approaches in the summer schedule.

- the combining of Youth-in-Mission Conference with Youth Week II, July 2-6, which enables both youth groups and individual youth to participate. Response has been most encouraging.
- the inclusion of Girl Scouts, in addition to the Boy Scouts, in the Asbury Scouting Fellowship Encampment, meeting in conjunction with the United Methodist Men Recharge, June 22-24.
- a special event, called the Lake Junaluska Spiritual Life Retreat, July 20-22, featuring preaching by Walter Kimbrough and Bible study by Evelyn Laycock.
- two specialized workshops by the SEJ Association of Stewardship and Finance Leaders during Ministers Conference/Leader Development Center.

An interpreter for the deaf and hearing impaired will interpret at each Sunday morning and evening worship service in the summer.

In conclusion, I would be remiss if I did not remind you of the ways in which you can support the ministry of your jurisdictional Administrative Council.

1. You can support this ministry by attending and promoting the many program events.
2. You can support this ministry by your continued support of the Jurisdiction Administration Fund (apportionment).
3. You can support this ministry by your increased contributions to the Missional Fund (an asking).
4. You can support this ministry by giving to the Endowment Fund or the Endowment Trees.
5. You can support this ministry by remembering the Council, Lake Junaluska, or one of the agencies in your will.
6. You can support this ministry with your suggestions for improvement and by telling us how we can better serve you.
7. You can support this ministry with you prayers and good will.

We appreciate your support of the Southeastern Jurisdictional Administrative Council.

Reginald W. Ponder, Executive Director

BOARD OF HEALTH AND WELFARE

Report No. 1

The United Methodist Church's involvement in Health and Welfare ministries dates back to its very beginning. This has been a tangible witness of Christ's love. He was concerned throughout his ministry for the health and welfare of persons — all persons. Helping people to wholeness is the unique aim of the helping and healing ministry of Health and Welfare. Today the need is to think about Jesus' example as plans are made for the Health and Welfare ministries of the Alabama-West Florida Conference. The Board of Health and Welfare seeks to express this God-given caring for all persons. This caring concern is in part reflected in the reports of the United Methodist Children's Home, the Homes for the Aging, and the Golden Cross offering that follow in this report.

Our society is characterized by various groups of people with special needs. One of the most well known of these groups claims many persons who are handicapped in varying degrees. The Board of Health and Welfare, through a Task Force, has looked at the needs in this conference for an expanded ministry to persons with mentally handicapping conditions — focusing primarily on adults. The Task Force has determined that there is a need for a home or homes for adult persons with mentally handicapping conditions.

After taking a look at the health problem of AIDS the Board felt that since there were numerous Seminars, etc., on AIDS sponsored by churches and other agencies that local churches should be urged to participate in these Seminars.

Since the matter of Ethics of Medicine and other treatment is fast becoming a matter of great concern to families, ministers, and doctors, a request was made to the Pastors' Assembly to include this issue in its program for 1990 or 1991.

It should be the goal of every local church to have an intentional ministry of caring and sharing.

Mary Elizabeth Carter, Chairperson

Report No. 2 — UNITED METHODIST CHILDREN'S HOME

At its June 21, 1989, meeting, the Board of Directors of the United Methodist Children's Home adopted the following Mission Statement: "To follow the example of Christ by providing spiritual, social and educational services which create opportunities for children, youth and families whom we serve to live productive and wholesome lives." One Board member stated that certainly this has been the mission of the Children's Home since the first child was served in September of 1890 and the organization's incorporation in February, 1891. "A Century of Caring" will be the focus of the UMCH Centennial Celebration which will begin with this Annual Conference and will continue through Annual Conference, 1991.

During 1989, a total of 558 children and families were served through the various UMCH programs. This total is broken down as follows:

Children's Village	109	Emergency Shelter Care.....	323
Group Homes	87	Selma Shelter	149
Tuscaloosa (Genesis Home)	19	Birmingham Shelter	174
Huntsville	11	Family Aid	30
Florence	9	Scholarship	9
Scottsboro	11		
Mobile	9	TOTAL	558
Pensacola	15		
Dothan (The Settlement)	13		

Many exciting things were happening while these children were being served. Several of our youth attended summer camp and retreats at Blue Lake and Sumatanga and most were active in church youth-related activities. Confirmation classes were held. An agency-wide Youth Week brought all our youngsters together for a youth retreat in Selma. Two pilot programs were begun: Therapeutic Foster Care in the Dothan area and Preventive Care Counseling in the Tuscaloosa area. The first academic Awards Day was held at the Village. The UMCH staff helped to provide Independent Living Classes for all foster children in Dallas County.

At the same time, the Board of Directors was working to prepare "A Plan for the Nineties," which will be presented to the 1990 Annual Conference. The PLAN outlines a thoughtful strategy for serving children and youngsters in the next decade.

The ministry of the United Methodist Children's Home is made possible by the faithful support of United Methodists throughout the North Alabama and the Alabama-West Florida Conferences. "A Century of Caring" is a joyous celebration for all of us! The staff, children and Board of Directors are grateful for the opportunity to celebrate the exciting ministry of the Children's Home and to look forward — to the Second Century of Caring — with each of you.

Report No. 3 — METHODIST HOMES FOR THE AGING

Twenty-nine years ago, when the doors of Fair Haven opened to the first residents, the Methodist Home For The Aging was established as a forerunner in the retirement and health care industry. The vision of this need for serving senior persons was right on target. Today we continue to follow that vision of searching out and providing new ways to continue this ministry of caring.

The statisticians tell us that the senior population exceeds more than twenty-five million people and that of this number over one million of them will seek and find some type of living arrangement in a setting such as a retirement or health care facility. Some will do this by choice. Others will do it because there are no other choices. Pressing circumstances such as poor housing conditions, loneliness, health problems and financial needs seem to indicate that the number of those seeking such an answer will rapidly grow.

We know that life is a series of changes and that for many senior persons, one of those changes is an ever increasing limit on where and how they will live. We are grateful for the opportunity of providing eight homes across our two Annual Conferences where we put into practice our belief that aging should not bring about a decrease in the quality of life. The later years of life do not necessarily have to be dark or threatening years.

We are proud of the history of our Methodist Homes and for the loving care that has been given to God's "Older Children" across these years. In order to continue the same quality care we promise our residents and to attract new persons to our family, we must keep abreast of the changing needs of the adult population. It is quite apparent that more homes are and will be needed to meet the increasing needs of the 1990's, more persons will be needed to help us care for those living in our homes, more funds will be needed to help us care for those who do not have adequate resources.

It has been said, "If you do not think about the future, you cannot have one." Our goal for the future is to keep pace with the changing needs of persons while providing the very highest of quality care. We are building a program for the future that is based on our values of the past and a commitment in the days ahead to become an even greater instrument in helping persons live out their remaining years with meaning and dignity.

The residents, staff and Board of Trustees express appreciation and thanksgiving for your prayers and your support that we have received throughout this year. We need your continued help if we are to adequately minister to those who come to the mature years of their lives. We call upon the membership of our United Methodist Churches of the North Alabama and the Alabama-West Florida Annual Conferences to help us through the payment of your Conference apportionments, through the receiving of an offering on Father's Day, and through the promotion of other special gifts so that we may continue to serve those who reach out to us to have a place to live for the rest of their lives.

JOINT BOARD OF COMMUNICATION/ADVOCATE

It was a year of tragedy and renewal for the Office of Communication/*Advocate*. In July 1989, director/editor Paul Ruark was diagnosed with lung cancer and initially following surgery chances for recovery seemed promising. However, his condition took a turn for the worse and death occurred several days later on July 30. Direction of the office continued on an interim basis in the capable hands of assistant editor Jeanne Glasgow, but tragedy struck once again in September 1989 when Mrs. Glasgow was diagnosed with acute leukemia. She was able to return on brief occasions, but for the most part remained hospitalized until her death January 22, 1990.

Credit and appreciation is extended to remaining full-time staff member Beth Perry, circulation director, who was joined by volunteers in sustaining the *Advocate* during a difficult and unsettled period. Business manager Robert Walston kept financial operations running; he is also applauded for service beyond the normal call of duty.

At the time of his death, Dr. Ruark was intensively involved in planning Communication Expos for each conference. Initially it was hoped these could continue, but this did not materialize in the wake of reduced staffing and coordination.

Intensive discussion and analysis concerning the structure of communications in Alabama and west Florida took place during the months following Dr. Ruark's death. The Joint Board looked at a number of options and possibilities, including separate programs for each conference/area. Presentations were received from representatives of the *United Methodist Reporter* and others. The process included input and involvement from both Bishop C.W. Hancock and Bishop J. Lloyd Knox.

Ultimately it was decided to remain with a joint program supported by both the North Alabama Conference and the Alabama-West Florida Conference and to continue the 109-year old *United Methodist Christian Advocate* as an independent, locally-printed publication.

Later in the fall, a search process was initiated for a new director/editor and more than 40 applications for the post were received. The number was culled to four top candidates who were interviewed by a search committee December 5, 1989.

The committee's choice, confirmed December 6 by the full board, was James H. Steele, a professional journalist who has been an award-winning United Methodist Communicator since 1976. This included serving as Indiana Area communications director from 1981-1990 and before that in a similar post in his native state of Missouri.

Jim began work at the Communications/*Advocate* Office February 5, 1990. Already he has travelled extensively in the region to get acquainted, to speak and to cover events, in addition to making media contacts. As this is written, work is nearing completion on securing new and improved printing services for the *Advocate* at greatly reduced costs. Also being developed is a new format, new features and an expanded scope for the paper. Subscription promotion continues and appreciation is expressed to churches and individuals who support the paper with effort, prayers and dollars.

A computerized mailing list was compiled in the spring of 1990 as part of our commitment to work for increased visibility for United Methodists in the public media. Additional efforts will focus on communications training, interpretation and electronic production. Another emphasis is the need to strengthen the flow of information both in and out of the region as we seek to increase connectional links with the church nationally. Also a priority is the streamlining of office business and administrative procedures.

Shortly after Mr. Steele's arrival, he selected (with board approval) a new associate editor to replace Jeanne Glasgow. Al Thomas bring a lifetime of communications work to the post including experience as a college public relations director and a number of years in corporate publications. Son of an Alabama Methodist parsonage family, he has long familiarity with United Methodism in this region.

Your Joint Board of Communications looks forward to the work of our new "team" as Jim and Al are joined by veterans Beth Perry and Bob Walston. Appreciation is expressed to all those who have supported communications during this unsettled period. COUNCIL ON FINANCE AND ADMINISTRATION

Report No. 1 — ORGANIZATIONAL STRUCTURE

We recommend that:

1. The financial office tabulate church by church, fund by fund, the information given on the remittance blanks for the conference depository.

2. The First Alabama Bank of Covington County be designated to serve as the conference depository to receive funds and keep specified records.

3. The financial office prepare reports as required by the Council on Finance and Administration and mail copies to persons who may need such reports.

4. The financial office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the financial officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.

5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through The First Alabama Bank of Covington County, and records be kept by the financial office of the conference.

6. The duties of the financial officer be combined with those of the executive secretary of the Board of Pensions and Homes for Claimants, and other responsibilities assigned by the Council on Finance and Administration.

Report No. 2 — RULES OF PROCEDURE

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the council shall be held. Other meetings shall be on call of the president of the Council.

2. All persons interested in presenting a request to the Council are invited to do so or to attend any of the Council meetings. All Council meetings shall be open to all interested persons, except when by majority vote the Council elects to meet in executive session.

3. Each agency, whose records are not kept by the financial office, is required to bond its treasurer, which may be done through the Council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the Council as deemed necessary by the Council. (Para. 713.2; 714.2 1988 *Discipline*). Reports to the Council shall be in such detail and provided at such times as the Council may direct.

4. The Council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.

5. An audit of the complete financial status of the Annual Conference shall be published in the Conference *Journal*.

Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the Council and the executive director of the CCOM.

8. The Council shall make emergency program allocations from the Conference Benevolences Contingency Fund by a majority vote of the Council and the executive committee of the CCOM. The Council shall make expenditures derived from interest on investments of the current balances.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the two Areas for an area appeal affecting both Areas, or to the Council for a Conference-wide appeal. (Para. 710.5, 1988 *Discipline*.)

10. The adoption of reports and recommendations of the Council by the Annual Conference shall become the final action of the Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the Council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the Council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the Council.

12. A Committee on Investments and Audits within the Council will be responsible for reviewing, approving, and supervising all banking relationships of the Council with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note rule 3 & 4 above).

Two (2) shall be sent to each associate minister (one for minister, one for lay member). One (1) shall be sent to all ministers listed in the chronological roll not serving a charge, each surviving spouse of a minister of our conference and each diaconal minister. Copies shall be available to supply requests of boards and agencies of The United Methodist Church. Other copies may be purchased from the Fiscal Office for \$10.00, which includes postage.

Report No. 5 — POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar. Fees for dining rooms shall be paid by the group using such rooms.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to it.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

Report No. 6 — SPECIAL FUNDS AND COLLECTIONS

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, United Methodist Student Day, Peace with Justice Sunday, Native American Awareness Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on Mother's Day, and support for Homes for the Aging be given through a special offering on Father's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

8. That the Jurisdiction Missional Fund continue to receive the support of our conference. (Formerly, Junaluska Development Fund).

9. That permission be granted Huntingdon College to continue to solicit funds in its major funds campaign and its named endowed scholarship effort provided that there be no conference goals or quotas on any church.

10. The Assembly Ground Commission be granted permission to solicit funds through its Blue Lake Partner program provided that there be no conference goals or quotas on any church.

11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church.

12. We recommend that a Sunday in November be designated for receiving an offering for the Southeast Jurisdiction T.V. Ministry, 25% of which is to be retained within our Conference.

2. We recommend that those receiving salaries from benevolence funds be a priority in those funds allocated (administrative staff, director of Pastoral Care & Counseling, director of United Methodist Communications).

3. We recommend that there be a two per cent (2%) service charge placed on all funds that remain within the bounds of our Conference which the Conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The accrual is to be credited to the Conference Administration Fund to defray the costs of fiscal management. The following funds are excluded from this service charge: General and Jurisdictional apportionments; special day offerings, including Mother’s Day and Golden Cross Ministries; all Advance specials; Conference Claimants Funds; health insurance account, and the Children’s Home offering.

Report No. 8 — STEWARDSHIP RESPONSIBILITIES
AND LOCAL CHURCH CONCERNS

1. The Council believes that all apportionments are needed in the amounts apportioned. Further, the Council believes that it is within the capacity of the churches to pay the appor-

tionments in full. Effort has been made to hold the apportionments for which the Council has responsibility to level funding or an increase of no more than 4%. The 1991 budget is a reflection of this effort.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	no apportionments
2nd year	50% apportioned
3rd year	75% apportioned
4th year & following	100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the Council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267.3c of the 1988 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

Report No. 9 — DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1988 *Discipline* requires the Council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

Report No. 10 — FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the amount of each budget item at the Conference level.

2. It is recommended that the spring meeting of the Council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. A tentative apportionment schedule will be mailed following Annual Conference to be reviewed for errors and corrections. A final schedule will be mailed August 30, 1990 after which no changes will be permitted.

4. Attention is called to the closing of the books of the Conference treasurer January 4, 1991. All remittances to be applied to 1990 receipts must be in the bank by its closing time of 2:00 p.m. No remittances for 1991 should be sent until after January 7, 1991.

5. Preparation of the statistical tables for 1990 shall be handled in the conference fiscal office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the district superintendent so as to reach the conference office by January 18, 1991. A computer print-out of the annual report will be mailed to each church for review and correction.

Report No. 11 — MINISTERS MOVING EXPENSE

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$800.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

Report No. 12 — ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council.

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:

- a. unused balances of boards and agencies
- b. funds which may be budgeted for the reserve account
- c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
- d. interest earned from sources as may be provided by the Council on Finance and Administration
- e. Funds from other sources that may be deposited by any board or agency or group within the Conference

5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the CPR account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.

6. During the second through the fourth quarter of the year, the use of the CPR account by the boards and agencies will follow the same procedures now governing the Conference Benevolence Contingency Fund, that is, prior joint approval by the CCOM executive committee and the CFA executive committee.

7. The Conference Program Reserve Account funds may be disbursed for program purposes of the Conference Council on Ministries as directed by the executive committee of the Conference Council on Ministries on recommendation of the CCOM director.

BOARD OF TRUSTEES ALABAMA-WEST FLORIDA CONFERENCE

The Board of Trustees of the Alabama-West Florida Annual Conference of The United Methodist Church is charged with holding in trust all properties owned by the Annual Conference. The Board of Trustees holds title to the following real properties:

1. The Conference headquarters building in Andalusia
2. The following parsonages in Andalusia:

 - c. 100 Redbud Drive
3. The Wesley Foundation Building and parsonage, Auburn
4. The Episcopal residence and its furnishings,
3291 Lancaster Lane, Montgomery

The Board of Trustees also holds title to the following bequests:

- | | |
|--|-----------|
| 1. Norris Allen Fund | \$162,110 |
| 2. Hattie B. Norred Fund | 54,467 |
| 3. C.B. Gilmore Fund | 72,623 |
| 4. Mary Lloyd Reynolds Fund | 35,019 |
| 5. J.B. Skinner Estate | 541,296 |
| 6. Lida Malone Account | |
| a. 275 shared — Chemical Banking Corporation | |
| b. 50 shares — Barnett Bank of Florida, Inc. | |

The above funds are held in trust by the Board of Trustees with the revenues being used as requested by the donor.

We encourage local churches to be aware of the new United Methodist Insurance program.

We call attention to the resolution adopted at the Annual Conference of 1988, which designates the United Methodist Foundation in Dothan as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance & Amortization Fund in the Conference budget. It is most important that local churches accept their portion of the asking of \$85,000, and pay their acceptance in full. This amount is necessary for the amortizing of the loans for the Wesley Foundation, the partial funding of the Episcopal residence, and for the maintenance of all other property, including insurance.

We are grateful for the response of our people to these needs which makes possible proper care and development of our Conference properties.

Eleanor McCall, Secretary

UNITED METHODIST FOUNDATION, INC.

Our Conference Foundation continues to provide excellent services in the areas of Stewardship and Investment management for churches and institutions across our conference. Total assets at the end of 1989 were \$8,267,531 bringing us well within our target of \$10,000,000 by the end of 1991. While the Board has not formally adopted such, we are beginning to project the \$15 million dollar mark in 1995 and \$20 million by the end of the year 2000.

Repeatedly, we are asked in meetings across the country, what accounts for a remarkable growth in such a relatively short period of time. Without a doubt the conference owes a great debt to the Foundation's Board of Directors which has consistently provided quality leadership supported by personal commitment to the growth of this area of our conference program. With that we are pleased with the make-up of our board for the coming year and are proud to list these names before you here.

Probably the most significant area of future growth will come as a direct result of the board's efforts at long-range planning during 1989. As a result of that committee's work, which was chaired by Mr. Mike Hutson, the Board will be addressing the following issues over the next 12-18 months:

1. The creation of a five-year marketing plan to include;
 - the development of resources for the local church.
 - the development of training events for local church committees.
2. A review of current and future staff needs.
3. The creation of job descriptions for both lay directors and district superintendents as it pertains to their work with the board.
4. A study concerning the Foundation's own endowment needs as a permanent resource for operating expenses.

We are excited about these areas of growth for our conference Foundation and look to use the results of these studies to maintain our reputation as one of the most successful conference Foundation's in Methodism.

ALABAMA-WEST FLORIDA UNITED METHODIST DEVELOPMENT FUND

1989 proved to be another year of growth for our Conference Development Fund. Deposits increased by 35% to \$852,050 and we're on line to cross the one million dollar mark early in 1990. With some \$403,000 invested in loans the Fund is beginning to have an impact in the area of church growth across our conference. Our goal is to have one million in loan commitments working within our conference by the end of 1990. This means that we will need a deposit base of at least 1.2 million by that time. We continue to encourage individuals in local churches and conference agencies to invest in this Fund as a means of good stewardship for both the investor and the conference.

Our current rates are attractive to both borrowers and depositors, and we encourage your continued support.

AREA BOARD OF PASTORAL CARE AND COUNSELING

Nineteen eighty-nine was a year of growth and expansion for the United Methodist Board of Pastoral Care and Counseling. In mid-year Rev. Rachel Julian, M.D., joined our staff as a pastoral psychiatrist available to clergy and laity. Dr. Julian was appointed to the Birmingham office by Bishop Knox following our Board's unanimous recommendation. Now, with Rev. Charles Alexander, Th.M.: Executive Director; Dr. John Galloway, D.Min.: Clinical Director, Pensacola; Rev. Rachel Julian, M.D.: Pastoral Psychiatrist, as well as Associate Counselors-in-Training, we are able to see an increasing number of persons. In 1989 a total of 312 different families were seen for counseling representing 2,452 counseling hours. These statistics do not tell the real story of these offices; they only indicate there is a "demand" and need for pastoral counseling services within the ministry of The United Methodist Church. The real stories, of course, are told in the changed lives, reconciled families and professional careers enhanced because someone offered guidance, healing, grace and judgment in the right proportions at the right time.

We, United Methodists, have a right to be proud of these counseling services available to our clergy and their families as well as to our laity at a cost that is not prohibitive.

Not only is this service available because of a fine staff, this staff is backed by an outstanding Board of Directors — five lay men, five lay women, and five clergy from each of our two areas. These persons listed below not only help the staff set priorities, policies and direction, but assist in telling the story of our services to churches who provide Advance Special gifts making it possible to see all persons without prohibitive costs.

These offices continue to provide a significant educational presence. Dr. Galloway's parish-based clinical Pastoral Education, and the Birmingham Office's Pastoral Counseling Training Program one day per week provide in-service training for those wanting refresher courses or training where they feel deficient. Course offerings are announced annually such as the recent courses in Birmingham on "Spiritual Direction" taught by Rev. Julian and "Family Process in the Church" taught by Rev. Alexander. Our Staff comes by invitation into districts. The offices function with a goal of being in every district annually for some event or district function for educational or counseling purposes.

Our staff continues to provide a significant contribution to agencies within the annual conferences such as the Boards of Ministry, spouse's retreats and others. Phone consultation with our staff by clergy in the Areas often assist the pastor in being a better and more responsible shepherd of his/her own flock.

We are very proud of Dr. John Galloway, who was made Full Supervisor with the Association of Clinical Pastoral Education this past year. This is cause for celebration and we, the annual Conference, reap the benefits of this milestone in his training.

As we enter in 1990, it is anticipated that this board will study the implications of the formation of the Alabama-West Florida Area for this Board. The question of whether we will move to form two separate autonomous boards will be answered with some recommendations no later than June of 1991.

Just around the corner in 1991, this board will celebrate its 25th anniversary. We hope to share the story of Pastoral Care and Counseling in many ways during this upcoming anniversary. Our first major celebration will begin February 18-19, 1991 in Birmingham and February 20-21, 1991 in Pensacola with two (2) day seminars led by Rabbi Ed Friedman on the "Emotional Life of Congregations and Their Leaders."

Pray for this ongoing ministry. In all cases this ministry is confidential and low key by design. Rejoice that you belong to a church which cares and provides a place where wholeness can be restored, renewal can be found, hope, healing and the spirit of reconciliation is nurtured.

CANDLER SCHOOL OF THEOLOGY

DEAN'S 1990 ANNUAL REPORT

The 1989-1990 academic year marks the seventy-fifth anniversary of the Candler School of Theology. Established in 1914 to train students "not merely as thinkers, but as practical workers in the Kingdom of God," the School of Theology was the first school on the Atlanta campus of the new Emory University. Since then the school has become the largest of the United Methodist seminaries, typically enrolling over 600 students, more than 450 of them in the Master of Divinity program. In addition to the M.Div., the school offers the Master of Theological Studies, the Master of Theology, the Doctor of Ministry and the Doctor of Sacred Theology degrees. Many of the nearly fifty fulltime faculty teach in the Ph.D. program of Emory's Graduate Division of Religion.

Candler's resources also include the William R. Cannon Chapel, a distinctive and celebrated modern building designed by Paul Rudolph and serving as a center for worship, instruction, fellowship and performance. Equally distinguished is Pitts Theology Library, housing the second largest theological collection in the United States. A number of special research centers flourish at Candler, and the school enjoys an ongoing dialogue with the larger world of learning represented by Emory University.

A number of special events have commemorated the school's anniversary year, beginning with last April's Ministers' Week celebration. In September we inaugurated the Distinguished Preacher Series, welcoming Dr. William Sloane Coffin to campus for this event. October brought Sir David Willcocks, Director of Music at Kings College, Cambridge University, to campus for a Festival Morning Prayer. This spring we continue the celebration through

the spring arts event, "With a New Vision: Ministry, Theology and the Arts," and through the fifty-fifth annual Ministers' Week, with the theme "Mission and Ministry for a Global Church."

This fall the school welcomed 148 new students in the Master of Divinity program; the total enrollment in this program is 448. We have also welcomed three new faculty members: Pamela Del Couture, Assistant Professor of Pastoral Care and Counseling; Robert Michael Franklin, Assistant Professor of Ethics and Society and Director of the Program of Black Church Studies; and Thomas Schmeller, Assistant Professor of New Testament.

One of the year's most exciting events is the completion of the D. Abbott Turner Village and Conference Center. Residential facilities providing reasonably priced housing for theology students were completed in the summer. The conference center is slated for opening in the spring. The school is already seeing the enrichment this facility can offer the community in the form of the Mission Resource Center of The United Methodist Church. Located in Turner Village, the center's first term of classes began in January.

As the school looks to the future, a high priority is the expansion of resources for student support, and especially for the internationalization of theological education at Candler. Other priorities include the expansion of Bishops Hall and the improvement of Pitts Theology Library's capacity to protect its rare and valued holdings. Given the enthusiastic support Candler has always enjoyed from its graduates and its friends, the school confidently looks forward to meeting these challenges successfully and offers its thanks for the many expressions of support it has received in the past. Most particularly, we are grateful for the support of the Ministerial Education Fund and the support provided for it by the churches. Such support sustains the entire community in its work.

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

The Alabama-West Florida Methodist Federal Credit Union continues to experience growth, and to serve its members well. Three things make it worthwhile to become a member of the Credit Union:

1. We encourage savings, and enable members to build an estate through savings while earning a fair dividend on their savings.
2. We make low-cost loans to our members, and furnish Credit Life Insurance on each loan.
3. We furnish Life-Savings Insurance on deposits of our members up to \$3,000.00, provided that much is on deposit before the member reaches age 55. (What you have on deposit carries a like amount of insurance up to, but not to exceed \$3,000.00.)

During 1989 we affiliated with the Alabama Credit Union League which gives us better insurance coverage, furnishes us much-needed help for our growing Credit Union, and gives us access to an excellent overnight investment facility for funds we are not able to loan.

We have also installed a much more comprehensive computer program which will greatly enhance our operation. This program enables us to do many more things and do them better and faster.

We have also installed Fax machines to speed up communications. If you have access to a Fax machine, you can now fax your applications or other documents to our Manager or to our Treasurer.

The Credit Union is one of the safest investments as deposits are insured up to \$100,000.00. The following figures reflect our status and our progress for 1989:

Number of member accounts	566
Total amount of deposits	\$1,349,408.36
Total Assets	\$1,429,925.12
Number of loans made in 1989	92
Amount of Loans made in 1989	\$598,444.82
Total Dividends paid depositors in 1989	\$85,314.00

The Credit Union is open to all ministers in our Conference, their family members, employees of local churches, and conference agencies and institutions. To become a member you must pay a fee of \$1.00 and make a minimum deposit of \$25.00.

Further information may be obtained from John Carmichael, phone 205-335-3823, or Billy Joe Bass, phone 205-376-2415.

PREACHER’S AID SOCIETY

For over one hundred years, dating back to the Methodist Protestant Church, the Preacher’s Aid Society has been assisting ministers during times of medical and other types of financial emergencies. Grants totaling \$400 were made in 1989.

The Preacher’s Aid Society asks every minister under appointment (Full Connection, Probationary Members, Associate Members, Student Pastors, and Lay Pastors) to pay annual dues of \$1.00, and this money goes into a Loan Fund. Ministers who are current in their dues can borrow from the Loan Fund, up to \$ 600, at the low rate of 6% per annum. The interest from the loans goes into the Grant Fund, from which gifts are made to ministers experiencing unusual financial hardships. For ministers to be eligible for grants, they must be current in their annual dues.

Those desiring loans should contact the President, Vice-President, or Treasurer of the Society. Any minister experiencing unusual hardship should ask his/her District Superintendent to write the President of the Society requesting a Grant.

The members of the Board of Directors of the Preacher’s Aid Society receive no kind of financial remuneration, but serve because of a desire to help those in need. It is our desire that the Preacher’s Aid Society continue to “be there” for our ministerial brothers and sisters during their times of need.

PASTORS’ ASSEMBLY BOARD OF MANAGERS

The 1989 Pastors’ Assembly was held at Oakwood Lodge of Blue Lake on October 24 and 24. The theme was “Media and the Church.” Approximately one hundred ministers parti-

cipated in this continuing education event. Our speakers for the Assembly were Donald Wildmon and Don Wood, and Bishop Paul Duffey preached. Each speaker did a good job focusing on the issues facing the church in relation to the media.

The 1990 Pastors' Assembly will be October 22 and 23. The theme for this year's event is "Preaching and Evangelism," and our resource people are Dr. Zan Holmes and Dr. George Morris. We encourage all ministers in our conference to plan to attend what is sure to be an exciting and informative gathering.

COMMITTEE ON EPISCOPACY

The Alabama-West Florida Episcopal Area has had a good year. Although it may be described as a quiet year, it has, however, been a year of growth and development. We had a net gain in membership of 1,677, several new churches were started and several more are in the planning stages and a positive attitude and a spirit of unity are growing among the laity and clergy.

Our episcopal leader, Bishop C.W. Hancock, and his wife, Miriam, have contributed significantly to this good year. They are becoming the best-known episcopal leaders we have ever had; because of their availability to visit more churches and attend more district and conference events. It's hard to believe that they have been with us a little less than two years; when they know so many of the people throughout the area by name, and are acquainted with the possibilities and problems of so many churches. They are friendly people and dedicated to the work of Christ and His Church; and because of this people love them, have confidence in them and want them in their homes and churches.

Bishop Hancock is an able "Overseer" of the work of the area in the truest sense; and is able to provide leadership for innovative and challenging programs. The two Evangelism Rallies held in Montgomery and Pensacola in March of this year, which attracted some 12,000 people, were a brain-child of our bishop; and these produced a great witness for the United Methodist Church in this area. Church growth, new church development, a better working relationship among all boards and agencies and their relationship to the annual conference, a better understanding of our spiritual heritage and the "Connectional System," the payment of apportionments, clergy supply (with a special eye toward the need for leadership in the ethnic minority churches), and a better working relationship between laity and clergy will continue to be high priorities under Bishop Hancock.

We are very grateful for Bishop Hancock's wise and dedicated leadership, for his warm and genuine character and for his caring and pastoral heart. We are grateful to Miriam Hancock for the total support she gives to her husband and for being the cheerful, radiant and friendly person that she is.

The future is bright for the Alabama-West Florida Episcopal Area. While so many areas and conferences in United Methodism are sounding the call to retreat, or at least hold their own, our area is being challenged to advance; and our people are responding. Let us join our hearts in prayer, our heads in believing and our hands in working that the Cause of Jesus Christ in this area may see its best days yet.

Mary Ellen Bullard, Secretary

COMMITTEE ON COURTESIES AND INTRODUCTIONS

The 162nd session of the Alabama-West Florida Annual Conference met June 3-6 in the Year of Evangelism 1990 to Celebrate and Witness! The conference began by answering affirmatively the question of the traditional hymn, "And Are We Yet Alive?" and proceeded to celebrate:

- the 100th year of the United Methodist Children's Home
- 50 years of the United Methodist Committee on Relief (UMCOR)
- 25 years of the Mobile Inner City Mission under the leadership of the Rev. Fred Toland
- The Year of Evangelism with the report of a net growth in 1989 of 1677 members.

There was the celebration of ministry through the report of the Board of Ordained Ministry. Seven persons were received into Full Connection, and seventeen ministers retired or as Dr. Steve Dill put it, "recycled." The conference heard the challenge to assist God in delivering the call to preach in anticipation of the shortage of ordained ministers.

Ministers serving in Appointment Beyond the Local Church were recognized, demonstrating the breadth of the Church's ministry throughout the world. Ministry was further celebrated at the Service of Ordination and Consecration for Deacons, Elders, and Diaconal Ministers. Bishop L. Scott Allen challenged the ordinands and confirmands to never doubt their calling and to be God's faithful instruments.

There was the celebration of eternal life through Jesus Christ during the Service of Commemoration. Dr. John Vickers reminded us of our debt to those faithful servants who have preceded us to life beyond but yet continue to surround us as a great cloud of witnesses. He caused us to remember them with joy.

The conference celebrated faithful service by noting with gratitude the retirement of Judge Dale Segrest as Conference Lay Leader. Once more, he inspired the conference as the able speaker at the laity banquet. Mr. Duane Keck was elected the new Conference Lay Leader.

The conference celebrated a new Director of Communications and Advocate Editor, Mr. James H. Steele who ably covered the conference.

The conference was informed and inspired by the enlightened teachings of Dr. Evelyn Laycock. Dr. James Buskirk stretched our minds and warmed our hearts with his inspiring preaching.

The music presented during the conference greatly contributed to our celebrating and witnessing. Gratitude is acknowledged to all who presented special music beginning with the combined choirs of the Fort Walton Beach area. Professor Harold Rohlig once again served faithfully at the organ.

The spirit of celebration and witness permeated the sessions of annual conference due largely to the able leadership of Bishop C.W. Hancock. His commitment as a Christian gentleman and dedicated churchman was evident at all times. His good-natured leadership style allowed us to conduct the business of the conference successfully. Also, we acknowledge the faithful support of his wife, Miriam. The presence and support of Bishops Joel McDavid, Paul Duffey and Carl Sanders were gratefully acknowledged.

We are indebted to Dr. Allen Jackson and his staff at Huntingdon College for being good hosts; to Dr. Karl Stegall and First Church Montgomery for their hospitality on the evening of ordination and consecration; to Rev. Paul Wolfe and his secretarial staff; to the Rev. Thomas Sheppard and the registrars' staff; to Ed Robbins for the banner over the platform; and to the youth who served so ably as pages.

We are grateful to God for the 1990 Annual Conference of Celebration and Witness. As the conference concludes, the ministers and laity go forth offering Christ today and everyday.

Council on Finance and Administration
Alabama-West Florida Conference of
The United Methodist Church
Andalusia, Alabama

We have audited the accompanying statements of recorded cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church, for the conference year 1989. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation was incurred. Accordingly, the financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the statements referred to above present fairly, in all material respects, the recorded cash receipts, disbursements and transfers and statement of investments of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church, for the conference year 1989, on the basis of accounting described above.

EMORY HILL BROWN

(1894-1989)

Emory Hill Brown was born September 2, 1894 in Woodbury, Georgia, the son of William Isham and Sarah B. Atchison Brown. His early years were spent in Woodbury, Georgia and Millry, Alabama. He graduated from Washington County High School in Chatom, Alabama and from Asbury College of Wilmore, Kentucky. Brother Brown joined the Barlow Methodist Church near Millry, Alabama on July 29, 1906. He was called into the ministry and licensed to preach in October 1922 by the Wilmore Methodist Church, Harrodsburg District Conference, Wilmore, Kentucky.

Emory married Myrtle Martha Draper of Capac, Michigan on May 29, 1926 at Port Huron, Michigan. A daughter was born to this union, Juanita Louise (Mrs. Kenneth Dobbs). Myrtle served alongside her husband with the same spirit and devotion in his many church appointments in the Alabama-West Florida Annual Conference. She died November 7, 1961 at Millry, Alabama one year after their retirement.

Brother Brown married Daisy Naomi Grimes, a sister of the Rev. John A. Whitsett, father of the Rev. Dan Whitsett of the Annual Conference. This marriage took place on February 7, 1963 at Silas, Alabama. For many years Daisy was a first grade school teacher at Yarboro and Millry, Alabama. She was, throughout her life, a devoted Methodist. She died on April 11, 1965. Brother Brown retired in 1960 and then served as a Retired Supply from 1967 to 1972 when he retired again to serve out his witnessing ways. He was the oldest member of the Alabama-West Florida Annual Conference at the time of his death. He had attended the Sessions of Conference a total of 63 consecutive years. Emory Hill Brown died an accidental death on August 23, 1989 at Coffeetown, Alabama. His funeral was held at the Barlow United Methodist Church with his four nephews officiating and a host of ministers and friends praising God for his life and ministry. The Reverends Jake B. Brown, J. Lamar Brown, Zedoc Baxter, and Isham Scarbrough presided. He is survived by a daughter, Mrs. Kenneth (Juanita) Dobbs, two sisters, Mattie Brown Scarbrough, and Mabrey Brown Batchlor, a brother, Wesley G. Brown, a granddaughter and two great-grandchildren.

A TRIBUTE TO EMORY HILL BROWN

Uncle Em was an inspiration to everyone who knew him, for he truly lived the gospel he preached. He was a great lover — a lover of nature and the soil, of people, of the church, and of God. Because of his love for the soil, Uncle Em cultivated a garden wherever he lived, raising vegetables for practical purposes, flowers for beauty, and then sharing both with family and friends as well as with passing strangers. He and Aunt Myrtle, whom he married in 1926, were never too busy to help anyone in need or to open their home with true Christian love and hospitality. They were thrifty, good managers, and good stewards who had their priorities in order, for they were spendthrifts with love.

Uncle Em was a good and faithful servant in the Alabama-West Florida Conference, always conscientious in carrying out his ministerial responsibilities, and committed to the life and mission of the Church.

After serving in the active ministry for thirty-five years, Uncle Em retired to his home in the Barlow community in Washington County in 1960. Later, he returned to spend five additional years as a Retired Supply. The fact that he was present at every Annual Conference session from 1925-1989, sixty-four years, is an indication of his dedication and loyalty to Christ and His Church.

Uncle Em's genuine, caring compassion brought out the best in others, who could scarcely resist his obvious love and interest in them. His serene nature and infectious good humor were contagious. To those who needed it so desperately, he brought his healing ministry of laughter along with his prayers and assurances of God's forgiving love and peace.

Uncle Em was greatly loved and respected, not only by those he served in the Church and community, but also by his own family, to whom he was devoted. The heritage he has passed on will never be forgotten by his daughter and her family, by his sisters and brother who live after him, by his many nieces and nephews, or by the nephews who seek to follow his example in the ministry as he himself followed in the steps of our Lord Jesus Christ. We rejoice in the life he led before us and cherish and honor his memory.

— Jake Brown

WILMER EARL DUBOIS (1914-1990)

Wilmer Earl DuBois was born September 27, 1914 in Cherokee, Alabama, to Robert and Lula DuBois. He grew up and attended school in Cherokee, graduating in 1936. He attended John Brown University and received the Bachelor of Arts from there in 1939. He then attended Perkins School of Theology, at Southern Methodist University, earning his B.D., Bachelor of Divinity, in 1945.

On January 27, 1940 he married Tommie Aman, at Ashford, Alabama. They had two boys, Robert Philip and David Aman. Together they served many churches and organizations of the Alabama-West Florida Annual Conference. Earl, as he was most known by, and Tommie were a vital and important part of the ministry and leadership of the church of our Lord. After serving in local pastorates from 1945 to 1959 Earl was appointed as District Superintendent of the Mobile District. Serving there for six years he then served Panama City First UMC until 1968 when he joined the executive staff of the General Board of Missions and became director in the advance department of the Joint Commission on Education and Cultivation working out of the Board of Missions office in New York City. Earl and Tommie and family returned to Alabama in 1968 and served at Jackson First until 1971 when they accepted the appointment as Director of the Blue Lake Assembly Grounds of the Conference.

In 1974 they assumed the position of Administrator of the Wesley Manor Home in Dothan, serving there until retirement in 1981. Even in retirement, Earl continued to supply our churches and was preaching up to his death.

W. Earl DuBois died January 5, 1990 in Dothan, Alabama. He is survived by his wife, Tommie, sons, Robert Philip, and David Aman, a sister, Lillian Inman, a brother, Clyde, and a granddaughter, Catherine Rebecca DuBois, and many brothers, sisters and friends of the ministry.

He was an uncompromising, unswerving man and he gave great leadership to our church." Jonathan Couey

"Earl was a counselor, a friend, a good pastor, a caring person. His administrative ability was recognized for he served Christ and the church in a pastoral administrative capacity in several areas. As District Superintendent, director of Blue Lake, a director on the Board of Global Ministries, director/administrator of our Wesley Manor home and many organiza-

tions and commissions for years. Earl was constantly encouraging me . . . always there when I needed him. He was a good friend across the years." Jerry Dooling

WILLIAM KEITH GRANTHAM (1926-1989)

Keith Grantham was born May 26, 1926 in Repton, Alabama. He was the seventh of seven children born to Evie Ryan Grantham and the Reverend Young Anderson (Bub) Grantham.

He grew up in Excel, Alabama, graduating from Excel High School in 1947, following two years of military service. Keith was a 32nd. degree Mason, having joined that fraternity at age 21.

On July 3, 1949, he married Laura Hollinger, daughter of Albert Frederick and Della Holder Hollinger. To this union was born a daughter, Laura Rebecca.

Keith answered the call to preach in 1962 and was licensed to preach by the Quarterly Conference of Excel Charge.

His first appointment was the Repton Charge where he jokingly referred to himself as District Superintendent of that charge due to the fact that he was pastoring five churches.

He went on to serve the Chumuckla-Pineview Charge, Fort Deposit Methodist Church, Satsuma Methodist Church, McCann's in Jackson, the Florala Charge and the Ebenezer-Bethel Charge.

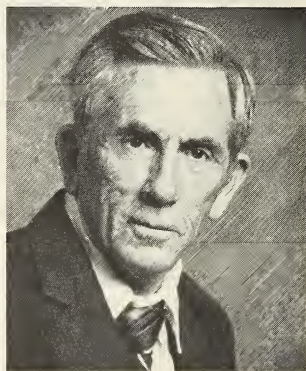

He completed the Conference Course Of Study at Emory University Pastor's School, attended Patrick Henry Jr. College in Monroeville, Alabama and Jefferson Davis in Brewton, Alabama, and completed, by correspondence, a ministerial course of study.

In 1970, Keith was admitted into Full Connection in the Conference, ordained deacon in 1964 and elder in 1966.

He was an avid sportsman and was active in civic activities in the community. He loved people and was at ease and at home with all people. He will be remembered best for his sense of humor, his ability to make people laugh. And yet, he was fearlessly outspoken and serious where the church was concerned. His commitment to the ministry was total and his greatest desire was that all could know his Lord as he did.

Keith died Oct. 23, 1989 in a hospital in Mobile, Alabama. Funeral services were held at the Uriah United Methodist Church on Oct. 25, with the Reverend Floyd Dyal, the Reverend Jesse Joyner and District Superintendent, Asa Boozer, officiating. Burial followed in Uriah cemetery.

He is survived by his wife, Laura, a daughter, Laura Rebecca, two brothers, Hayward Grantham and Frank Grantham, three sisters, Mrs. Otis McInnis, Mrs. Evelyn Hale and Mrs. Frances Harris. One aunt, Mrs. Morell Johnston.

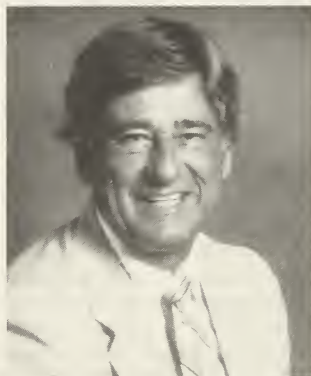

I shall pass through this world but once.
Any good, therefore, that I can do,
Let me do it now. For I shall not pass
this way again.

— Laura H. Grantham

SERVICE RECORD: 1963-Local Pastor; 1964-ordained Deacon; 1966-ordained Elder; 1968-admitted; 1970-received into Full Connection. **APPOINTMENTS:** 1962-Repton; 1967-Chumuckla; 1971-Fort Deposit; 1975-Satsuma; 1976-McCann's; 1979-Floral; 1985-Ebenezer-Bethel; 1989-Disability. 27 Service years.

JACK HOLLAND (1931-1989)

Jack Holland was born in Andalusia, Alabama, September 15, 1931 to Charles Edward and Annie Laurie Floyd Holland. Growing up and attending school in Gantt, Alabama he graduated from Rawls High School there and received a B.S. degree from Troy State University in 1952. Jack served as principal of an elementary school in Covington County from 1952-1953. He received the B.D. degree from Candler School of Theology, Emory University, Atlanta, Georgia in 1959. Jack was commissioned an Officer in the U.S. Marine Corps serving from 1953 to 1961. During the winter of 1954-55 he served in Korea as an artillery intelligence officer. Upon his return from Korea and his release from active duty, he received his first appointment with the Methodist Church.

On January 23, 1953 Jack was married to Hattye Duggan at First Church, Troy, Alabama by the Reverend S.D. Bradley. To this union five children were blessed, all girls. Jack loved his country, his family and his church. He also enjoyed just being with and around people. His outside activities were golf, fishing and hunting. And for many who remember, he loved to tell a good story. Jack was a minister of the Gospel, a preacher who proclaimed the Good News, and for twenty-five years Jack did just that. Telling the good story about a loving Lord.

Jack was honored by many organizations, groups and people. Yet these honors were nothing compared with the honor he held within from serving the Church and Christ. Jack was a man of faith, he believed, he trusted, and he hoped. There was about Jack that calm assurance that abides with folks who know God intimately.

Jack Holland took a disability from the active ministry in 1980 due to a serious heart condition. And after several operations and setbacks he was limited as to how much he could do. He answered the great call and accepted the final appointment when God took him on July 7, 1989. He is survived by his faithful wife who served alongside him in ministry and his five lovely daughters of whom he would proudly boast and brag about on any given occasion. Hattye his wife, Jacqueline, Mary Ann, Laurie, Julie Kate, and Thelia Dianne his daughters, had to share Jack, but they did so knowing that God was loving them through him in return. Thelia Dianne Holland (b. 4-5-71) died November 22, 1989 just four months after her dad.

Services for Jack were held July 9, 1989 at Greensboro UMC, Greensboro, Alabama, with the Reverends Walker Epps, Stanly Mullins, and Curtis Holland officiating, and a host of ministers and friends proclaiming God's greatness.

SERVICE RECORD: 1955-admitted-licensed to preach; 1957-ordained Deacon; 1959-ordained Elder, received into Full Connection in the Annual Conference. **APPOINTMENTS:** 1955-Ft. Davis-Hopewell; 1960-East Brewton; 1962-Hurtsboro; 1966-Summerville, Phenix City; 1970-South Brookley, Mobile; 1972-Greensboro; 1978-Dexter Ave.; 1980-Disability. At the time of his death he was living in Greensboro, Alabama.

THEODORE FRANKLIN MARSH (1926-1989)

Theodore Franklin Marsh was born September 16, 1926. He died October 20, 1989 in Dothan, Alabama. He is survived by his wife, Lugenia Ammons Watson.

Reverend Marsh was a licensed Full Time Local Pastor since 1985, serving in the Alabama-West Florida Annual Conference with a dedication and sincere faith in Christ. He was pastor to the Big Creek-St. Mary Charge in the Dothan District at the time of his death.

SERVICE RECORD: 1985-Local Pastor, Supply; **APPOINTMENTS:** 1985-Repton; 1987-Crestview; New Bethel; 1987-(Dec. 1)-Bethel; 1989-Big Creek-St. Mary. 4 Service years.

AARON QUINCY MIXON (1902-1989)

Aaron Quincy Mixon was born in Geneva, (Geneva County), Alabama on April 23, 1902. He was the son of James Charles and Missouri Elizabeth Bell Mixon. He lived in Jackson and Washington (Florida) Counties the last thirty-three years of his life. He married Jessie Bell Ward, December 19, 1920. They had three children, two sons, and one daughter. He married again on February 19, 1942 to Lillie Sowell of Holmes County Florida.

Brother Mixon was a self-educated man, a dedicated individual to his family and to the Church. He was licensed to preach in the West Side Church in Geneva, Alabama. In 1954 he became a Local Preacher, Approved Supply, and appointed to the Geneva Circuit. In 1955 he was ordained Deacon and in 1958 ordained Elder. In 1969 he became an Associate Member of the Annual Conference and in 1971 he retired and became a Retired Supply serving until his death.

Aaron Quincy Mixon died November 14, 1989. He is survived by his wife, Lillie, two sons, Q.D. and James, a stepdaughter, Mrs. Mary Ethel Howell, 22 grandchildren, 13 great-grandchildren, two great-great-grandchildren, four step-grandchildren, and seven step-great-great-grandchildren.

Funeral services were conducted on November 17, 1989 with the Reverend David Warren and the Reverend Richard Sigler, District Superintendent of the Marianna-Panama City District, officiating.

Excerpts from churches and friends lift the spiritual nature of this man: "A.Q. Mixon was an inspiration to all who knew him. He was a good pastor and was loved by everyone. He was a very humble man who loved God and enjoyed living the God-like life. He was a dedicated Servant."

His granddaughters said. "They talk about great men in our history books, but never was there a greater man than my 'big daddy'." "Granddaddy, in so many ways you'll always be a very special part of me."

LUTHER THOMAS WILLIAMSON (1913-1990)

“Some glad morning, when this life is o’er — I’ll fly away.”

Simple but beautiful words that Luke Williamson loved and lived for. He was born Luther Thomas Williamson on June 21, 1913, in Covington County, Alabama. He was raised in the DeFuniak Springs, Florida area. For many years he worked in the logging and saw mill industry and the insurance business.

On March 21, 1936 he married Nancy Ann Hall and they shared fifty-four years together. During those years they had two sons, Joe Frank, and Larry Thomas and one daughter, Jan Zirlott. They have five grandchildren and four great-grandchildren.

Luke was called to preach at the age of thirty-eight, at the West End Methodist Church (presently named: Wesley Memorial) in DeFuniak Springs. He began his ministry as their pastor that same year. Having always loved to see a church grow and improve, he is credited with having started numerous church building programs and funds. At each church and charge he made a point of becoming acquainted with everyone and visiting in their homes. This was no small task on one charge, where there were seven churches to pastor.

Luke had a natural, easy way of relating to his congregation and is remembered with love by many people of the Alabama-West Florida Conference. He served in the Marianna District for nineteen consecutive years then moved into the Mobile District area in 1970. In 1979, because of failing health, he retired to West Fowl River and became a faithful member attending the Zirlott Road UMC.

Luke died on Passover, April 10, 1990 in a Mobile hospital, after a long and painful struggle with heart, lung and kidney problems. Funeral services were held in DeFuniak Springs on Good Friday, with interment at Magnolia cemetery. He is survived by his wife, Nancy, his sons, a daughter, the grandchildren, the great-grandchildren and many, many friends.

“To a home on God’s celestial shore — I’ll fly away:
Like a bird from prison bars has flown — I’ll fly away:
To a land where joys shall never end — I’ll fly away, O glory,
I’ll fly away!!!”

She was the daughter of George M. and Venie Chilton Pattison. She married Daniel on June 10, 1935 in Houston, Texas after his first wife, Leila of thirty-one years died in 1934. She served faithfully with him during his late ministry and they retired in 1939 living at Chipley, Florida until the conference of 1944-45 when they moved to Houston, Texas and he preceded her in death on October 14, 1947. She lived in Houston until her death January 16, 1986. The Alabama-West Florida Conference was not notified of her death until after the conference session of 1989. She is survived by a niece, Mrs. J.P. Bryan of Houston, Texas. This dedicated, faithful lady graced the ministry of her husband and the churches of Alabama in a very personal way.

NOLA MAE BUTCHER SPROLES (1903-1990)

Nola Mae Sproles, the widow of William Matthew Sproles, (d. 1964), was born September 14, 1903 at Maynardville, Tennessee, to Elvin M. and Malissa Keller Butcher. She married Rev. Sproles on June 13, 1936, in Middlesboro, Ky. Together they served the Methodist Church in the Northern Indiana Conference transferring to the Alabama Conference in 1941 serving the Sandy Ridge Church in the Selma District until the conference of 1942 when they were appointed to Fort Davis, until 1944 and then being sent to Elba First Church until 1949 till 1951 when they went to Abbeville for a year. In 1952 they began serving at Evergreen and were appointed to Florala in 1954 until 1957 when they were sent to Fulton Heights in Mobile and then to Moundville in 1958 through 1960. In 1961 the conference appointed them to Woodlawn in Panama City and in 1962 they went to Smiths Station near Phenix City. Rev. Sproles died while serving Smiths on April 23, 1964.

Nola dedicated her life to Christ as an Epworth Leaguer while in First Methodist Church, Middlesboro, Kentucky. In a letter she penned to the "Friends and Churches where Wm. M. Sproles served," dated March, 1965, Phenix City, Alabama. She says, "The 1st Methodist Church of Middlesboro, Kentucky, where we dedicated our lives and from which his last rites were held, knew us during our Epworth League days, and has been our home base in a sense of belonging. Our altar has continued to be the place where we first began and ended our life's work."

She had established there at First Church Middlesboro a library known as the William Matthew Sproles Memorial Library which contains over 1000 volumes of reading materials.

Nola was a woman very deeply involved in education. She obtained a Masters Degree and worked very hard at the University of Alabama and University of Kentucky in a quest for her Doctor's Degree in Education. It is uncertain if she ever received it, for no other information is available on her life much after 1965.

Nola died while living in Knoxville, Tennessee, on May 2, 1990. She is survived by a niece, Joyce Haun, there.

The Alabama-West Florida Conference has been unable to obtain any more information on the later years of this faithful, dedicated woman of the Christian ministry.

She taught school until she married the Reverend John A. Whitsett on November 23, 1935. As a minister's wife, she was very active in church work.

After the death of her husband, for the first six years she was the Superintendent of The Girls Home in Mobile, Alabama. She then returned to teaching and taught schools for a total of 36½ years, retiring at the age of 70.

For 13 years she lived in Wesley Manor where visiting the sick was her ministry and remained active until four days before her death.

Lovie died June 14, 1989 in Flowers Hospital, Dothan, Alabama. She is survived by three stepsons, W. Gavin, Louisville, Kentucky; Paul, Jackson, Mississippi; and Charles, Mobile, Alabama.

Recommended Standards For Parsonages

The following was first printed in the 1984 JOURNAL, with changes by the Editor to use "Inclusive Language." It is reprinted by request of the Cabinet with approval of the Annual Conference (there was no attempt to up-date the report).

Resolution

Be It Resolved that the following guidelines be observed relative to the Moving Expenses of ministers of the Alabama-West Florida Conference; and that these guidelines be made available to the churches of the Conference:

1) Before moving to a new appointment, an incoming pastor should communicate with the PPRC Chairperson to ascertain the church's policy on paying moving expenses and to discuss moving plans.

2) If the incoming pastor plans to use a commercial mover, two estimates should be secured from the movers.

3) The receiving church is responsible for the moving expenses of an incoming pastor up to a maximum of 7,500 pounds.

4) The cost of packing by the movers, if done, is not the responsibility of the receiving church.

Presented for the Cabinet by Clifford M. Abbott

Recommended Standards For Locating, Building, Furnishing And Maintaining Parsonages In The Alabama-West Florida Conference

The parsonage has long been considered an integral part of the religious establishment in the community. This, a suitable home for the minister and the family is an asset of very real value to the church and its work. If the minister and the family are comfortable and conveniently housed, the minister's efficiency and emotional comfort are greatly enhanced. The minister should be relieved of the trying and expensive task of either acquiring or discarding certain furnishings and equipment each time there is a move. The minister who most often experiences this is the minister who can least afford it.

An adequate, attractive and comfortable parsonage home for the minister and the average size family should be the goal of every pastoral charge of our Conference. Its standards and appointments should be at least commensurate with those of the community in which it is located. It is the responsibility of the pastoral charge to provide the basic furnishings and equipment for every parsonage. In addition to the standards for acquiring, building and maintaining a parsonage as set forth in *The Book of Discipline of The United Methodist Church*, the following standards are recommended as goals to be worked toward in building, furnishing, equipping, improving and maintaining a parsonage within the bounds of the Alabama-West Florida Conference. Upon adoption by the annual session of the Conference these standards shall become the policy of the Conference and shall be included annually in the summer mailing of the Council on Ministries of the Conference program sent to each pastoral charge. In each mailing there shall be a separate copy for each of the following: the chairperson of the Pastor-Parish Relations Committee, the chairperson for the Board of Trustees, and the chairperson of the Administrative Board.

RESPONSIBILITY

1. The pastoral charge shall provide an adequate, comfortable, and attractive residence for the minister and the family and maintain the proper upkeep and furnishings and equipment of the same.

2. The parsonage property shall conform to all the rules and regulations as set forth in *The Book of Discipline of The United Methodist Church*.

3. The parsonage is owned and maintained by the pastoral charge. However, the acquiring of a new parsonage, either by purchase or building, must be approved by the District Board of Church Location and Building.

4. The pastoral charge Board of Trustees, Parsonage Committee, or Pastor-Parish Relations Committee shall inspect the grounds, building, furnishings, and equipment annually to ascertain needed maintenance, repairs and/or replacement or improvement and up-dating. The minister and spouse should be included as part of the inspection team. A report will be made annually to the Charge Conference and to the congregation concerning the needs of the parsonage.

5. Both the Board of Trustees/The Parsonage Committee and the parsonage family should be furnished with a complete and up-to-date list of furnishings and equipment.

6. The parsonage family should have the following information:

- A. Instructions for operation of:
- B. Location of vital switches and valves:
- C. Whom to call in case of:
- D. Where to find:
- E. How to fix:

7. The deposit for all public utilities (electricity, water, gas, telephone, TV cable service, etc.) is the responsibility of the pastoral charge Board of Trustees/Parsonage Committee and should be paid for from Church Funds. When there is a change in ministers these utilities should not be disconnected. However, the utility companies should be requested to read all meters to avoid confusion in an orderly change of ministers.

LOCATION

1. In acquiring or building a new parsonage or in the event extensive renovation is being considered, ask: (A) Will the location be conducive to good living on the part of the parsonage family? (B) Is the location convenient to shopping/schools?

2. It is generally felt that the parsonage should not be located next door to the church. When such is the case, there is often a tendency for the church membership to encroach upon the privacy of the home life of the parsonage family.

3. The location or site of a new parsonage must be approved by the District Board of Church Location and Building.

HOUSE ARRANGEMENT, FURNISHINGS AND EQUIPMENT

1. No parsonage should contain fewer than six rooms. There should be a minimum of three bedrooms with ample closet space in each; living room, and/or family room, kitchen and two baths. Additional rooms might be: a half-bath, study, utility room, den, extra bedroom, and a garage or carport.

2. The living room should be large enough so that entertaining is possible, if desired. A minimum of 320 sq. ft. is considered practical. Ideally, the living room should be easily separated or closed off from the rest of the house so that its use can be versatile. Furnishings should include all heavy furnishings such as couch, occasional chairs, tables, lamps, pictures, rugs, or carpet, and draperies or curtains.

3. With respect to the dining room, it is desirable that the room be large enough to seat eight for a meal and that, if possible, it should be separate from the living room and kitchen. Furnishings should include all heavy furnishings such as dining table, chairs, china closet and/or buffet, and rugs or carpet, pictures and draperies or curtains.

4. Room arrangements vary from parsonage to parsonage, but where possible, there should be included an area where the family can be "at ease," whether it be a kitchen-family room, den or recreation room. Whichever it might be, it should contain a minimum of 224 sq. ft. A fireplace in the family room is a real asset. Furnishings should include all heavy

furniture such as couch, comfortable chairs, desk and table plus fire screen and tools, lamps, pictures, rugs or carpet and draperies or curtains.

5. There should be a minimum of three bedrooms. If possible, a private bath should be connected to the principal bedroom. Furnishings should include all heavy furniture such as beds (at least one bedroom with twin beds), good mattresses, mattress covers, bed spreads, pillows, box springs, dressers, and/or chest of drawers, plus rugs or carpet. At least one full length mirror should be provided.

6. Two baths are considered essential; and in larger houses an additional half-bath should be provided.

7. Kitchen floors and surfaces should be as easy to care for as possible (linoleum or suitable equivalent should be used). A complete minimum kitchen should include: an electric or gas range, hot and cold running water, a double sink, frost-free refrigerator with freezer compartment adequate for one week's supply of food, automatic dishwasher, 10-12 linear feet of built-in counter work surfaces of proper size and height, adequate storage cabinets or closet for food, utensils, linens, etc., breakfast table and chairs, good light, inexpensive dishes and silverware for use by incoming and outgoing families, an adequate number of electrical outlets, and curtains for all windows. In addition, the parsonage should contain as many labor-saving conveniences as can be afforded. The church itself will benefit from such arrangements. The following are suggested additions: serving table on wheels, and a step-stool for high places.

8. A utility area should be provided that contains a hot water heater adequate for six or more persons, automatic clothes washer, automatic clothes dryer, cleaning supply cabinet or closet, work table or area and sink.

9. A minister's study is desirable in the parsonage even when an office-study is provided in the church. This is a must if such provisions are not made for one at the church. Furnishings will include a desk and office chair, book cases, rugs or carpet, pictures, lamps, typewriter stand, chairs, and a studio couch which can be made into a bed for overnight guests (especially if there is no guest room). In the event there is no office at the church, additional equipment such as a typewriter, mimeograph machine, filing cabinets, storage closet for supplies and other necessary equipment will be required.

10. Other facilities:

A. An adequate heating and air-conditioning system; preferably a centrally located and automatically controlled system which should always be maintained in good working order.

B. Adequate closet and storage space throughout the house.

C. Adequate shelter for the minister's car, either a carport or garage providing space for two cars.

D. The parsonage should be equipped with an adequate TV antenna or Cable TV with two or more outlets. Reception would vary from area to area.

E. A vacuum cleaner should be a part of the parsonage equipment, especially if the house is fully carpeted.

F. Provisions should be provided for emergency escape from the house in the event of fire, especially if the bedrooms are on the second level of the house. Smoke/fire alarms are a must; and fire extinguishers are desirable.

G. All windows and doors should be in good working condition with glass and screens and, in light of the energy crisis, it will be helpful to provide storm doors and double-pane windows.

H. A desk to keep house records will be greatly appreciated.

I. There should be easy and direct passage, if possible, from the kitchen to the bedrooms without going through the living room or study.

J. Sufficient electrical receptacles complying with building code.

11. Suggested room size, not including closets are (as adopted from Board of Architecture, National Division, Board of Global Ministries):

Room	Minimum	Good	Excellent
Living room	240 sq. ft.	280 sq. ft.	320 sq. ft.
Bedrooms	120 sq. ft.	180 sq. ft.	210 sq. ft.
Dining room	120 (for 6)	179 (for 8)	210 sq. ft.
Family room or Den	224 sq. ft.	252 sq. ft.	320 sq. ft.
Kitchen	90 sq. ft.	140 sq. ft.	180 sq. ft.
Study	80 sq. ft.	96 sq. ft.	120 sq. ft.
Baths	35 sq. ft.	50 sq. ft.	60 sq. ft.

THE MINISTER'S FAMILY WILL PROVIDE

1. Linens
2. Quilts and blankets
3. Dishes, China and Crystal
4. Silverware
5. Cooking utensils and small kitchen appliances
6. TVs, radios and family entertainment equipment
7. Personal items and special equipment needed
8. Insurance on all personal belongings

PARSONAGE GROUNDS

1. The parsonage grounds should include adequate front, side, and rear yards with a fenced-in area to provide play areas for small children.
2. All permanent planting such as trees and foundation shrubbery is the responsibility of the church and planned by a landscape architect whenever possible. A minimum of two outdoor water faucets should be provided for the watering of the lawn, plants, and other outdoor needs.
3. There should be adequate drainage of all surface water from the yard area; an adequate and good-working septic tank or public sewer connection; availability of all public utilities; and an outdoor clothes-drying line.
4. An adequate and good-working power mower is an essential part of the parsonage equipment if the lawn is not cared for by the church.
5. An outdoor patio area with some patio furniture is a happy addition.
6. Landscaping and exterior care of the parsonage should be a credit to the church in the community.

CARE OF THE PROPERTY

1. The minister and family should care for the parsonage as good stewards for the Lord's property, carefully avoiding undue wear and tear, but at the same time they should "be at home" in the parsonage, knowing that the home and furnishings are to be used with inevitable and expected depreciation.
2. The minister and family are responsible for the repair or replacement of furnishings when, through negligent use of furnishings, breakage results, but ordinary wear and tear, such as is expected when a house is lived in, is the responsibility of the Board of Trustees/Parsonage Committee.
3. An adequate amount should be placed in the church budget annually for insurance of the building, furnishings, and equipment and for public liability. The minimum amount of insurance carried on the parsonage should be equal to 80% of the replacement value of the building, furnishings, and equipment. The minister is responsible for insuring all the family's personal items.
4. There will be a natural depreciation of property and furnishings which calls for repairs and replacements.
5. It is extremely helpful to have a plan as to what repairs, replacements, or additions will be made to the parsonage, even if, for financial reasons, some of them have to be postponed. It is easier for the Minister's family to live in an inadequate situation if they know there is an intention and desire for improvement on the part of the church.
6. Each pastoral charge should place an amount in the budget annually for normal maintenance and repairs to the building, furnishings, and equipment or the replacement of same if necessary. The minimum budget amount for the maintenance expenditures should be equal to approximately 20% of the value of the parsonage, furnishings, and equipment.
7. Time and funds placed in the parsonage to keep it in good condition are good investments and may very well serve as a preventive to even greater expenditures in the future.
8. All broken and worn-out furniture or equipment should be removed, and not stored in the attic or basement.
9. The Board of Trustees/Parsonage Committee shall be responsible for seeing that all necessary work is completed to keep the parsonage and furnishings in good repair.

10. The minister and his family should be consulted in the selection of furnishings and equipment. Moreover, their taste should be considered in determining color schemes and decor.

11. All electrical appliances, wiring and service panels as well as gas furnaces and appliances should be inspected periodically to ascertain if safe and adequate.

WHEN THERE IS A CHANGE IN MINISTERS

1. Serious problems arise at moving time when the time between departure of outgoing pastor and arrival of incoming one may be simultaneous. A clean parsonage is much to be desired by all. The following are set as guidelines so that we can more nearly arrive at some conclusion as to "what is a clean parsonage?"

2. It is urged that a minister's family try to do periodic cleaning so that when moving time comes, the task of leaving a clean house will not be overwhelming. Each family is urged now to clear out unusable items (lamps, chairs, old curtains, etc.) that have accumulated in attics, basements and garages; this being done with the approval of the parsonage committee.

3. As close to moving time as possible, each family should wash windows, screens and window sills, and leave curtains, draperies, carpets, shades and blinds clean. If needed, a professional cleaner should be used.

4. Special attention should be given to particular areas. Drawers and closets should be left empty and clean. Cabinets in bathrooms, kitchens, storage rooms and attics should be empty and clean. As already mentioned, mattresses and springs should be vacuumed and in good repair. The refrigerator and stove, as well as all other appliances, should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness.

5. Floors should be clean and waxed. Sanding and refinishing are the responsibility of the church. Walls and woodwork should be painted at least every four years, or more often if needed, especially in much-used rooms (kitchen, den, children's rooms) with care being taken by the parsonage family to clean areas where a little cleanser can do the job. Periodic pest extermination of both new and old parsonage should be made and the expense borne by the church.

6. The outgoing minister's family should be responsible for leaving the parsonage clean and every minister should strive to leave the parsonage in better condition than found.

7. The Board of Trustees/Parsonage Committee should be responsible for thoroughly cleaning and preparing the parsonage for the reception of the new parsonage family.

8. All utilities should be in the name of the church so they are left connected when the outgoing minister moves.

9. Pets should be kept out of doors. Damage done to the parsonage or its furnishings by pets is the responsibility of the minister whose pet caused the damage.

10. The Board of Trustees/Parsonage Committee should tour the parsonage with the incoming minister to explain special situations, certain conditions and plans and to ask if there are specific needs that the family has that are not provided for in the parsonage.

11. The District Superintendent will notify the churches in the District that it is Conference policy for the receiving church to pay the moving expenses of the incoming minister.

THE BOARD OF TRUSTEES/PARSONAGE COMMITTEE

1. The Board of Trustees/Parsonage Committee, or the Pastor-Parish Relations Committee should meet often enough and be familiar enough with parsonage needs to take the initiative in improving the parsonage. However, no inspection of the parsonage should take place without the common courtesy of first notifying the minister of the date and time, and to ask if this is convenient. In fact, it is recommended that the minister or spouse be a member of the Parsonage Committee.

2. It is suggested that this committee visit other parsonages, particularly those recommended by the District Superintendent as being representative of these standards.

3. Maintain duplicate inventory lists of furnishings and equipment, one at the parsonage and the other in the committee's records.

4. When a gift of furniture or equipment is presented, designate specifically whether it is to remain in the parsonage or is a personal gift to the minister and family.

5. Discarded furniture or equipment from member families of the congregation should not be accepted by the committee nor placed in the parsonage for use except in extreme cases of emergency and then only on a temporary basis.

6. Provide necessary food, help and counsel for the incoming parsonage family. Moving day can be a hectic day in the life of any parsonage family and thoughtful and helpful courtesies are genuinely appreciated.

7. Suggest that member families of the congregation give the new parsonage family time to "get settled" before calling on them in order that they might present their best selves.

OTHER SUGGESTIONS

1. The congregation likes to see the parsonage; therefore it is suggested that "open house" be held from time to time. The Parsonage Committee, the Pastor-Parish Relations Committee, or some other organization in the church might help the minister sponsor such an event.

2. The parsonage is the home of the minister and family during their occupancy, and their rights and privacy should always be observed by the members of the congregation. However, the parsonage family should take good care of all parsonage property, never abusing it and observing the rule to always leave the parsonage in better condition than they found it.

3. If an adequate parsonage is to be provided and maintained there is involved a definite plan of procedure which is to be understood and observed by both the church committee and the minister's family. Best results are obtained as the minister's family and the church committee work together, feeling perfectly free to discuss the needs with each other. The adequate, comfortable and attractive parsonage is brought about by common understanding and cooperation between both the family and the church committee. Thus, the objective of the parsonage family will be to give the parsonage and its furnishings the best of care. The objective of the church committee will be to promote the living efficiency of the parsonage family and their comfort.

4. It should be remembered that a house reflects character, and that the condition of the parsonage is no negligible element in the reputation both of the tenant and the owner. Happy is the minister who can be proud of the church and for the kind of parsonage provided. Happy is the church whose parsonage family cares for the home provided for them as good stewards.

It is clearly the responsibility of the local pastoral charge to give attention to the matter of providing an adequate, attractive and comfortable home for the minister. Let the pastoral charges accept this duty and render this important service to the minister's family to the very best of their ability.
